

#Sr	Category	Dork Query	Description	Use Case	Risk Level
1	Email & Contact Discovery	site:example2.org intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
2	Database Files	filetype:sql intext:"create table"	Finds sql files with table definitions	Identify exposed database schema file	High
3	Login Pages	inurl:admin intitle:"intranet login"	Finds intranet login pages under /admin paths	Locate authentication portals for testing	Medium
4	Open Directories	intitle:"index of" ".aws" -inurl:htm -inurl:html	Finds directory listings related to .aws	Locate exposed folders excluding norm	High
5	Basic Operators	site:example3.net	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
6	Error Messages	intext:"access denied for user" filetype:aspx	Finds aspx pages showing "access denied for user"	Locate app errors indicating misconfig	Medium
7	API Keys & Credentials	intext:"paypal_client_id" filetype:yaml	Finds YAML files exposing paypal_client_id	Detect leaked credentials in YAML con	High
8	Admin Panels	inurl:wp-admin intext:"typo3" intitle:"login"	Finds typo3 login pages under /wp-admin	Identify CMS admin backend by platfor	Medium
9	Config Files	site:example3.com filetype:config	Finds .config configuration files on example3.com	Locate configuration exposure on a tar	High
10	Sensitive Information Exposure	intext:"default password" filetype:xls	Finds Excel files containing "default password"	Detect sensitive data in spreadsheets	High
11	File Discovery	filetype:doc site:.edu	Finds doc files hosted on .edu domains	Sector-specific document discovery on	Low
12	File Discovery	filetype:doc intitle:"policy"	Finds doc files titled with "policy"	Research policy documents in doc for	Low
13	API Keys & Credentials	intext:"aws_secret_access_key" filetype:xml	Finds XML files exposing aws_secret_access_key	Detect leaked credentials in XML confi	High
14	API Keys & Credentials	intext:"stripe_api_key" filetype:yaml	Finds YAML files exposing stripe_api_key	Detect leaked credentials in YAML con	High
15	Login Pages	inurl:admin1 intitle:"dashboard login"	Finds dashboard login pages under /admin1 paths	Locate authentication portals for testing	Medium
16	Sensitive Information Exposure	intext:"passport number" filetype:xls	Finds Excel files containing "passport number"	Detect sensitive data in spreadsheets	High
17	Basic Operators	filetype:py	Finds files of a specific type across the web	Locate specific document formats	Low
18	Basic Operators	site:example1.com	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
19	File Discovery	filetype:txt intext:"telecom" intitle:"confidential"	Finds txt files marked confidential in telecom sector	Sector-focused document research: tel	Medium
20	Login Pages	inurl:administrator intitle:"system login"	Finds system login pages under /administrator paths	Locate authentication portals for testing	Medium
21	Error Messages	intext:"warning: failed to open stream" filetype:asp	Finds asp pages showing "warning: failed to open st	Locate app errors indicating misconfig	Medium
22	Advanced Search Operators	site:example1.edu "policy" -inurl:archive	Domain search excluding a URL pattern	Refine results by excluding noise	Low
23	Cloud Storage	site:sharepoint.com filetype:csv	Finds .csv files shared via SharePoint	Locate csv files publicly shared on Sha	Medium
24	Admin Panels	inurl:cpanel intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /cpanel	Identify CMS admin backend by platfor	Medium
25	Login Pages	inurl:administrator intitle:"log in"	Finds log in pages under /administrator paths	Locate authentication portals for testing	Medium
26	Basic Operators	filetype:ppt	Finds files of a specific type across the web	Locate specific document formats	Low
27	Config Files	intitle:"web.config" OR inurl:"web.config"	Finds files related to "web.config"	Identify common configuration file expo	High
28	Sensitive Information Exposure	intext:"tax id" filetype:doc	Finds Word documents containing "tax id"	Detect sensitive data in shared docum	High
29	Bug Bounty / Security Testing	inurl:responsible-disclosure	Finds responsible disclosure policy pages	Understand a target's disclosure proce	Low
30	Advanced Search Operators	inurl:meeting minutes filetype:rtf	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
31	Login Pages	inurl:admincp intitle:"signin"	Finds signin pages under /admincp paths	Locate authentication portals for testing	Medium
32	Basic Operators	allinurl:annual report	Finds pages where all words appear in URL	Narrow URL-based search	Low
33	API Keys & Credentials	intext:"database_url" site:github.com	Finds GitHub repos exposing database_url	Detect accidental credential commits	High
34	Open Directories	intitle:"index of" "acddb"	Finds open directories listing .acddb files	Discover exposed .acddb files via direc	Medium
35	Backup Files	site:example1.io filetype:backup	Finds .backup backup files on example1.io	Locate backup artifacts on a target dor	High
36	File Discovery	filetype:ptbx intitle:"user manual"	Finds ptbx files titled with "user manual"	Research user manual documents in p	Low
37	Error Messages	intext:"internal server error" filetype:aspx	Finds aspx pages showing "internal server error"	Locate app errors indicating misconfig	Medium
38	Advanced Search Operators	intitle:"manual" filetype:xlsx	Combines title keyword and filetype filters	Find titled documents of a type	Low
39	Config Files	site:example1.net filetype:xml	Finds .xml configuration files on example1.net	Locate configuration exposure on a tar	High
40	API Keys & Credentials	intext:"secret_key" filetype:yaml	Finds YAML files exposing secret_key	Detect leaked credentials in YAML con	High
41	Login Pages	site:example1.org inurl:user/login	Finds drupal login page on example1.org	Locate drupal-specific login endpoint	Medium
42	Sensitive Information Exposure	intext:"private_key" filetype:xls	Finds Excel files containing "private_key"	Detect sensitive data in spreadsheets	High
43	Admin Panels	intitle:"admin panel" inurl:wp-login.php	Finds pages titled admin panel under /wp-login.php	Locate CMS/admin backend interfaces	Medium
44	File Discovery	filetype:ppt intitle:"financial statement"	Finds ppt files titled with "financial statement"	Research financial statement documen	Low
45	Basic Operators	related:example3.edu	Finds sites related to a given domain	Discover similar or competitor sites	Low
46	Sensitive Information Exposure	intext:"aws_secret_access_key" site:pastebin.com	Finds Pastebin posts containing "aws_secret_acces	Monitor public paste sites for leaked d	High
47	Login Pages	inurl:admin intitle:"log in"	Finds log in pages under /admin paths	Locate authentication portals for testing	Medium
48	Admin Panels	inurl:secure/admin intext:"username" intext:"password"	Finds admin panels under /secure/admin with login f	Identify exposed administrative interfa	Medium
49	Login Pages	site:example1.edu inurl:user/login	Finds drupal login page on example1.edu	Locate drupal-specific login endpoint	Medium
50	Admin Panels	inurl:admincp intext:"opencart" intitle:"login"	Finds opencart login pages under /admincp	Identify CMS admin backend by platfor	Medium
51	Login Pages	inurl:administrator intitle:"secure login"	Finds secure login pages under /administrator paths	Locate authentication portals for testing	Medium
52	Login Pages	inurl:administrator intitle:"signin"	Finds signin pages under /administrator paths	Locate authentication portals for testing	Medium
53	Backup Files	filetype:gz "daily backup"	Finds "daily backup" files of type .gz	Identify categorized backup file expos	High
54	Error Messages	intext:"odbc driver error"	Finds pages displaying: odbc driver error	Identify misconfigured or vulnerable ap	Medium
55	Config Files	site:example1.edu filetype:conf	Finds .conf configuration files on example1.edu	Locate configuration exposure on a tar	High
56	OSINT Queries	site:youtube.com intitle:"profile"	Finds YouTube profile pages	Locate public profiles for background r	Low
57	Cloud Storage	site:pastebin.com filetype:docx	Finds .docx files shared via Pastebin	Locate docx files publicly shared on P	Medium
58	File Discovery	filetype:xlsx intext:"healthcare" intitle:"confidential"	Finds xlsx files marked confidential in healthcare ser	Sector-focused document research: he	Medium
59	File Discovery	filetype:pptx intitle:"meeting minutes"	Finds pptx files titled with "meeting minutes"	Research meeting minutes documents	Low
60	Advanced Search Operators	resume OR "cv" site:example1.org	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
61	File Discovery	filetype:ods site:.info	Finds ods files hosted on .info domains	Sector-specific document discovery on	Low
62	Login Pages	site:example2.com inurl:login	Finds laravel login page on example2.com	Locate laravel-specific login endpoint	Medium
63	File Discovery	filetype:csv intext:"technology" intitle:"confidential"	Finds csv files marked confidential in technology ser	Sector-focused document research: te	Medium
64	Backup Files	site:example2.org filetype:bak	Finds .bak backup files on example2.org	Locate backup artifacts on a target dor	High
65	Basic Operators	allintext:"technical specification"	Finds pages where all words appear in text	Narrow content-based search	Low
66	Basic Operators	allinurl:training	Finds pages where all words appear in URL	Narrow URL-based search	Low
67	API Keys & Credentials	intext:"docker_password" filetype:env	Finds .env files exposing docker_password	Detect leaked API credentials	High
68	Sensitive Information Exposure	intext:"admin password" filetype:doc	Finds Word documents containing "admin password"	Detect sensitive data in shared docum	High
69	Login Pages	inurl:wp-login.php intitle:"staff login"	Finds staff login pages under /wp-login.php paths	Locate authentication portals for testing	Medium
70	Basic Operators	intitle:budget	Finds pages with keyword in the title	Identify pages focused on a topic	Low
71	File Discovery	filetype:pdf intitle:"financial statement"	Finds pdf files titled with "financial statement"	Research financial statement documen	Low
72	File Discovery	filetype:doc site:.co	Finds doc files hosted on .co domains	Sector-specific document discovery on	Low
73	Login Pages	site:example1.gov inurl:user/login	Finds drupal login page on example1.gov	Locate drupal-specific login endpoint	Medium
74	Database Files	filetype:sqlite intext:"products"	Finds sqlite dumps referencing "products" data	Identify exposed products records	High
75	File Discovery	filetype:csv intitle:"proposal"	Finds csv files titled with "proposal"	Research proposal documents in csv f	Low
76	File Discovery	filetype:ods intitle:"whitepaper"	Finds ods files titled with "whitepaper"	Research whitepaper documents in od	Low

77	Sensitive Information Exposure	intext:"email list" filetype:txt	Finds text files containing "email list"	Detect accidental exposure of sensitive	High
78	OSINT Queries	site:example1.org intext:"team members"	Finds pages listing "team members"	Map organizational personnel for rese	Low
79	Email & Contact Discovery	site:example2.org filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
80	Admin Panels	inurl:dashboard intext:"username" intext:"password"	Finds admin panels under /dashboard with login field	Identify exposed administrative interface	Medium
81	Error Messages	intext:"warning: include" filetype:jsp	Finds jsp pages showing "warning: include"	Locate app errors indicating misconfig	Medium
82	Logs & Debug Files	filetype:logs intext:"password"	Finds .logs files referencing passwords	Detect credentials leaked in logs	High
83	File Discovery	filetype:odt intitle:"case study"	Finds odt files titled with "case study"	Research case study documents in odt	Low
84	Login Pages	inurl:adminpanel intitle:"employee login"	Finds employee login pages under /adminpanel path	Locate authentication portals for testing	Medium
85	Database Files	filetype:db intext:"insert into"	Finds db files containing SQL insert statements	Identify exposed database dumps	High
86	Login Pages	inurl:adminpanel intitle:"signin"	Finds signin pages under /adminpanel paths	Locate authentication portals for testing	Medium
87	Backup Files	filetype:gz "site backup"	Finds "site backup" files of type .gz	Identify categorized backup file exposu	High
88	Basic Operators	intitle:user manual	Finds pages with keyword in the title	Identify pages focused on a topic	Low
89	Cloud Storage	site:firebaseio.com filetype:zip	Finds .zip files shared via Firebase	Locate zip files publicly shared on Fire	Medium
90	Login Pages	site:example1.com inurl:wp-login.php	Finds wordpress login page on example1.com	Locate wordpress-specific login endpo	Medium
91	API Keys & Credentials	intext:"aws_access_key_id" filetype:json	Finds JSON files exposing aws_access_key_id	Detect leaked credentials in config files	High
92	Config Files	site:example1.gov filetype:xml	Finds .xml configuration files on example1.gov	Locate configuration exposure on a tar	High
93	Admin Panels	inurl:wp-login.php intext:"wordpress" intitle:"login"	Finds wordpress login pages under /wp-login.php	Identify CMS admin backend by platfor	Medium
94	Basic Operators	inurl:case study	Finds pages with keyword in the URL	Locate pages by URL structure	Low
95	Login Pages	inurl:admin2 intitle:"remote login"	Finds remote login pages under /admin2 paths	Locate authentication portals for testing	Medium
96	Cloud Storage	site:firebaseio.com intext:"password"	Finds Firebase links containing "password"	Detect leaked credentials on cloud stor	High
97	Bug Bounty / Security Testing	inurl:security.txt	Finds published security.txt disclosure files	Locate responsible disclosure contact	Low
98	Basic Operators	allinurl:technology	Finds pages where all words appear in URL	Narrow URL-based search	Low
99	Sensitive Information Exposure	intext:"login credentials" filetype:doc	Finds Word documents containing "login credentials"	Detect sensitive data in shared docum	High
100	File Discovery	filetype:pptx intitle:"press release"	Finds pptx files titled with "press release"	Research press release documents in	Low
101	Cloud Storage	site:drive.google.com filetype:csv	Finds .csv files shared via Google Drive	Locate csv files publicly shared on Go	Medium
102	Basic Operators	filetype:ods	Finds files of a specific type across the web	Locate specific document formats	Low
103	File Discovery	filetype:txt intitle:"presentation"	Finds txt files titled with "presentation"	Research presentation documents in b	Low
104	Open Directories	intitle:"index of" "7z"	Finds open directories listing .7z files	Discover exposed .7z files via directory	Medium
105	Sensitive Information Exposure	intext:"session_id" site:pastebin.com	Finds Pastebin posts containing "session_id"	Monitor public paste sites for leaked d	High
106	Backup Files	filetype:tar.gz intitle:"backup"	Finds backup files with .tar.gz extension	Identify exposed backup archives	High
107	Advanced Search Operators	inurl:whitepaper filetype:docx	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
108	File Discovery	filetype:pptx site:.io	Finds pptx files hosted on .io domains	Sector-specific document discovery on	Low
109	File Discovery	filetype:csv intitle:"press release"	Finds csv files titled with "press release"	Research press release documents in	Low
110	Sensitive Information Exposure	intext:"apikey" filetype:log	Finds log files containing "apikey"	Detect sensitive data leaked in logs	High
111	Login Pages	inurl:manager intitle:"vpn login"	Finds vpn login pages under /manager paths	Locate authentication portals for testing	Medium
112	Email & Contact Discovery	site:example2.net intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
113	API Keys & Credentials	intext:"docker_password" filetype:log	Finds log files exposing docker_password	Detect leaked credentials in log output	High
114	File Discovery	filetype:odt intitle:"manual"	Finds odt files titled with "manual"	Research manual documents in odt for	Low
115	OSINT Queries	site:vk.com intitle:"profile"	Finds VKontakte profile pages	Locate public profiles for background r	Low
116	Cloud Storage	site:s3.amazonaws.com intitle:"confidential"	Finds Amazon S3 files marked confidential	Detect improperly shared sensitive file	High
117	API Keys & Credentials	intext:"consumer_key" site:github.com	Finds GitHub repos exposing consumer_key	Detect accidental credential commits	High
118	Error Messages	intext:"warning: require_once" filetype:php	Finds php pages showing "warning: require_once"	Locate app errors indicating misconfig	Medium
119	File Discovery	filetype:csv intext:"military" intitle:"confidential"	Finds csv files marked confidential in military sector	Sector-focused document research: mi	Medium
120	Sensitive Information Exposure	intext:"ssh private key" site:pastebin.com	Finds Pastebin posts containing "ssh private key"	Monitor public paste sites for leaked d	High
121	Basic Operators	allinurl:financial statement	Finds pages where all words appear in URL	Narrow URL-based search	Low
122	Basic Operators	related:example3.com	Finds sites related to a given domain	Discover similar or competitor sites	Low
123	Login Pages	inurl:admin intitle:"employee login"	Finds employee login pages under /admin paths	Locate authentication portals for testing	Medium
124	File Discovery	filetype:xlsx intext:"banking" intitle:"confidential"	Finds xlsx files marked confidential in banking secto	Sector-focused document research: ba	Medium
125	Cloud Storage	site:mega.nz filetype:pdf	Finds .pdf files shared via Mega	Locate pdf files publicly shared on Me	Medium
126	Sensitive Information Exposure	intext:"serial number" filetype:pdf	Finds PDF files containing "serial number"	Detect sensitive data in PDF reports	High
127	Open Directories	intitle:"index of" "videos" -inurl:htm -inurl:html	Finds directory listings related to videos	Locate exposed folders excluding norm	Medium
128	Sensitive Information Exposure	intext:"serial number" site:pastebin.com	Finds Pastebin posts containing "serial number"	Monitor public paste sites for leaked d	High
129	Advanced Search Operators	meeting minutes -site:example2.org	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
130	Open Directories	intitle:"index of" "finance" -inurl:htm -inurl:html	Finds directory listings related to finance	Locate exposed folders excluding norm	High
131	File Discovery	filetype:docx intitle:"technical specification"	Finds docx files titled with "technical specification"	Research technical specification docu	Low
132	File Discovery	filetype:ods intitle:"manual"	Finds ods files titled with "manual"	Research manual documents in ods fo	Low
133	Database Files	filetype:mdb intext:"subscriptions"	Finds mdb dumps referencing "subscriptions" data	Identify exposed subscriptions records	High
134	API Keys & Credentials	intext:"private_key" site:github.com	Finds GitHub repos exposing private_key	Detect accidental credential commits	High
135	Admin Panels	inurl:wp-login.php intext:"typo3" intitle:"login"	Finds typo3 login pages under /wp-login.php	Identify CMS admin backend by platfor	Medium
136	File Discovery	filetype:csv intext:"telecom" intitle:"confidential"	Finds csv files marked confidential in telecom sector	Sector-focused document research: tel	Medium
137	Error Messages	intext:"supplied argument is not a valid" filetype:jsp	Finds jsp pages showing "supplied argument is not a	Locate app errors indicating misconfig	Medium
138	Backup Files	site:example1.gov filetype:gzip	Finds .gz backup files on example1.gov	Locate backup artifacts on a target do	High
139	Sensitive Information Exposure	intext:"backup password" site:pastebin.com	Finds Pastebin posts containing "backup password"	Monitor public paste sites for leaked d	High
140	Email & Contact Discovery	site:example1.edu intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
141	Cloud Storage	site:onedrive.live.com filetype:pdf	Finds .pdf files shared via OneDrive	Locate pdf files publicly shared on One	Medium
142	File Discovery	filetype:txt intext:"military" intitle:"confidential"	Finds txt files marked confidential in military sector	Sector-focused document research: mi	Medium
143	OSINT Queries	filetype:doc intitle:"cv" intext:"linkedin.com"	Finds cv files in doc format linking LinkedIn	Research professional profiles with link	Low
144	File Discovery	filetype:pdf intext:"healthcare" intitle:"confidential"	Finds pdf files marked confidential in healthcare sec	Sector-focused document research: he	Medium
145	Advanced Search Operators	policy AROUND(5) "archive"	Finds pages where two terms appear near each oth	Find contextually related terms	Low
146	Sensitive Information Exposure	intext:"session_id" filetype:log	Finds log files containing "session_id"	Detect sensitive data leaked in logs	High
147	Login Pages	site:example1.info inurl:admin	Finds magento login page on example1.info	Locate magento-specific login endpoint	Medium
148	Config Files	site:example2.co filetype:env	Finds .env configuration files on example2.co	Locate configuration exposure on a tar	High
149	API Keys & Credentials	intext:"session_secret" filetype:yml	Finds YAML files exposing session_secret	Detect leaked credentials in YAML con	High
150	Error Messages	intext:"supplied argument is not a valid"	Finds pages displaying: supplied argument is not a	Identify misconfigured or vulnerable ap	Medium
151	Sensitive Information Exposure	intext:"internal use only" filetype:doc	Finds Word documents containing "internal use only"	Detect sensitive data in shared docum	High
152	File Discovery	filetype:ppt intitle:"guide"	Finds ppt files titled with "guide"	Research guide documents in ppt form	Low
153	File Discovery	filetype:ppt intitle:"case study"	Finds ppt files titled with "case study"	Research case study documents in ppt	Low
154	API Keys & Credentials	intext:"stripe_api_key" filetype:env	Finds .env files exposing stripe_api_key	Detect leaked API credentials	High

155	Config Files	site:example1.gov filetype:config	Finds .config configuration files on example1.gov	Locate configuration exposure on a tar	High
156	Config Files	site:example1.co filetype:conf	Finds .conf configuration files on example1.co	Locate configuration exposure on a tar	High
157	Basic Operators	allintext:"research"	Finds pages where all words appear in text	Narrow content-based search	Low
158	File Discovery	filetype:docx intext:"energy" intitle:"confidential"	Finds docx files marked confidential in energy sector	Sector-focused document research: energy	Medium
159	Error Messages	intext:"unhandled exception" filetype:aspx	Finds aspx pages showing "unhandled exception"	Locate app errors indicating misconfiguration	Medium
160	Database Files	filetype:sql intext:"sessions"	Finds sql dumps referencing "sessions" data	Identify exposed sessions records	High
161	File Discovery	filetype:xls intext:"healthcare" intitle:"confidential"	Finds xls files marked confidential in healthcare sector	Sector-focused document research: healthcare	Medium
162	Admin Panels	inurl:controlpanel intext:"username" intext:"password"	Finds admin panels under /controlpanel with login fields	Identify exposed administrative interfaces	Medium
163	Database Files	filetype:sqlite intext:"reviews"	Finds sqlite dumps referencing "reviews" data	Identify exposed reviews records	High
164	Cloud Storage	site:storage.googleapis.com intext:"password"	Finds Google Cloud Storage links containing "password"	Detect leaked credentials on cloud storage	High
165	File Discovery	filetype:odt intext:"legal" intitle:"confidential"	Finds odt files marked confidential in legal sector	Sector-focused document research: legal	Medium
166	OSINT Queries	site:example1.net intext:"staff directory"	Finds pages listing "staff directory"	Map organizational personnel for research	Low
167	Backup Files	site:example2.gov filetype:bak	Finds .bak backup files on example2.gov	Locate backup artifacts on a target domain	High
168	Open Directories	intitle:"index of" "db"	Finds open directories listing .db files	Discover exposed .db files via directory listing	Medium
169	Open Directories	intitle:"index of" /uploads"	Finds open directory listing: index of /uploads	Discover exposed file listings on web servers	Medium
170	File Discovery	filetype:odt intext:"education" intitle:"confidential"	Finds odt files marked confidential in education sector	Sector-focused document research: education	Medium
171	API Keys & Credentials	intext:"encryption_key" filetype:env	Finds .env files exposing encryption_key	Detect leaked API credentials	High
172	Login Pages	inurl:adminpanel intitle:"account login"	Finds account login pages under /adminpanel paths	Locate authentication portals for testing	Medium
173	Login Pages	inurl:admin2 intitle:"dashboard login"	Finds dashboard login pages under /admin2 paths	Locate authentication portals for testing	Medium
174	Login Pages	inurl:backend intitle:"log in"	Finds log in pages under /backend paths	Locate authentication portals for testing	Medium
175	File Discovery	filetype:rtf intitle:"budget"	Finds rtf files titled with "budget"	Research budget documents in rtf format	Low
176	Sensitive Information Exposure	intext:"api_key" site:pastebin.com	Finds Pastebin posts containing "api_key"	Monitor public paste sites for leaked data	High
177	Login Pages	site:example1.gov inurl:administrator/index.php	Finds Joomla login page on example1.gov	Locate Joomla-specific login endpoint	Medium
178	Login Pages	inurl:wp-login.php intitle:"log in"	Finds log in pages under /wp-login.php paths	Locate authentication portals for testing	Medium
179	Admin Panels	inurl:admin2 intext:"umbraco" intitle:"login"	Finds umbraco login pages under /admin2	Identify CMS admin backend by platform	Medium
180	Open Directories	intitle:"index of" "tar"	Finds open directories listing .tar files	Discover exposed .tar files via directory listing	Medium
181	File Discovery	filetype:xls intitle:"case study"	Finds xls files titled with "case study"	Research case study documents in xls format	Low
182	Admin Panels	inurl:cpanel intext:"magento" intitle:"login"	Finds magento login pages under /cpanel	Identify CMS admin backend by platform	Medium
183	Admin Panels	inurl:admin_area intext:"prestashop" intitle:"login"	Finds prestashop login pages under /admin_area	Identify CMS admin backend by platform	Medium
184	File Discovery	filetype:xls intitle:"manual"	Finds xls files titled with "manual"	Research manual documents in xls format	Low
185	Backup Files	site:example3.net filetype:zip	Finds .zip backup files on example3.net	Locate backup artifacts on a target domain	High
186	Sensitive Information Exposure	intext:"apikey" filetype:pdf	Finds PDF files containing "apikey"	Detect sensitive data in PDF reports	High
187	Error Messages	intext:"syntax error near" filetype:aspx	Finds aspx pages showing "syntax error near"	Locate app errors indicating misconfiguration	Medium
188	Cloud Storage	site:notion.site filetype:pdf "internal use only"	Finds internal-use PDFs on Notion	Detect accidental public sharing of internal info	High
189	Database Files	filetype:mdb intext:"logins"	Finds mdb dumps referencing "logins" data	Identify exposed logins records	High
190	Basic Operators	inurl:policy	Finds pages with keyword in the URL	Locate pages by URL structure	Low
191	Sensitive Information Exposure	intext:"aws_access_key_id" filetype:xls	Finds Excel files containing "aws_access_key_id"	Detect sensitive data in spreadsheets	High
192	Sensitive Information Exposure	intext:"pwd=" site:pastebin.com	Finds Pastebin posts containing "pwd="	Monitor public paste sites for leaked data	High
193	Database Files	filetype:sqlite intext:"subscriptions"	Finds sqlite dumps referencing "subscriptions" data	Identify exposed subscriptions records	High
194	OSINT Queries	site:github.com "resume" OR "cv"	Finds resumes/CVs shared on GitHub	Research professional background information	Low
195	Admin Panels	inurl:wp-login.php intext:"drupal" intitle:"login"	Finds drupal login pages under /wp-login.php	Identify CMS admin backend by platform	Medium
196	File Discovery	filetype:pptx intitle:"technical specification"	Finds pptx files titled with "technical specification"	Research technical specification documents	Low
197	File Discovery	filetype:pdf intitle:"annual report"	Finds pdf files titled with "annual report"	Research annual report documents in pdf format	Low
198	Config Files	site:example2.edu filetype:conf	Finds .conf configuration files on example2.edu	Locate configuration exposure on a target domain	High
199	Login Pages	site:example1.org inurl:admin	Finds magento login page on example1.org	Locate magento-specific login endpoint	Medium
200	File Discovery	filetype:ods site:.gov	Finds ods files hosted on .gov domains	Sector-specific document discovery on government	Low
201	Sensitive Information Exposure	intext:"test credentials" filetype:pdf	Finds PDF files containing "test credentials"	Detect sensitive data in PDF reports	High
202	Advanced Search Operators	site:example1.gov inurl:manual	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
203	Advanced Search Operators	site:example1.gov intext:"manual" filetype:xlsx	Triple filter: domain, content, filetype	Highly targeted document search	Low
204	File Discovery	filetype:csv intitle:"user manual"	Finds csv files titled with "user manual"	Research user manual documents in csv format	Low
205	Basic Operators	filetype:jsp	Finds files of a specific type across the web	Locate specific document formats	Low
206	Email & Contact Discovery	site:example1.edu intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
207	File Discovery	filetype:xlsx intitle:"budget"	Finds xlsx files titled with "budget"	Research budget documents in xlsx format	Low
208	OSINT Queries	site:medium.com intitle:"profile"	Finds Medium profile pages	Locate public profiles for background research	Low
209	Open Directories	intitle:"index of" "admin" -inurl:htm -inurl:html	Finds directory listings related to admin	Locate exposed folders excluding normal ones	Medium
210	Sensitive Information Exposure	intext:"connection string" filetype:log	Finds log files containing "connection string"	Detect sensitive data leaked in logs	High
211	Sensitive Information Exposure	intext:"private token" filetype:pdf	Finds PDF files containing "private token"	Detect sensitive data in PDF reports	High
212	Login Pages	inurl:admincp intitle:"dashboard login"	Finds dashboard login pages under /admincp paths	Locate authentication portals for testing	Medium
213	Login Pages	inurl:adminer intitle:"signin"	Finds signin pages under /adminer paths	Locate authentication portals for testing	Medium
214	Email & Contact Discovery	site:example1.io filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
215	Backup Files	filetype:backup "weekly backup"	Finds "weekly backup" files of type .backup	Identify categorized backup file exposures	High
216	Error Messages	intext:"syntax error near"	Finds pages displaying: syntax error near	Identify misconfigured or vulnerable applications	Medium
217	Open Directories	intitle:"index of" /	Finds open directory listing: index of /	Discover exposed file listings on web servers	Medium
218	File Discovery	filetype:ods intext:"logistics" intitle:"confidential"	Finds ods files marked confidential in logistics sector	Sector-focused document research: logistics	Medium
219	File Discovery	filetype:ods intitle:"financial statement"	Finds ods files titled with "financial statement"	Research financial statement documents	Low
220	Advanced Search Operators	manual AROUND(5) "agreement"	Finds pages where two terms appear near each other	Find contextually related terms	Low
221	Login Pages	inurl:admin_area intitle:"log in"	Finds log in pages under /admin_area paths	Locate authentication portals for testing	Medium
222	Backup Files	filetype:bak "full backup"	Finds "full backup" files of type .bak	Identify categorized backup file exposures	High
223	Config Files	site:example1.com filetype:conf	Finds .conf configuration files on example1.com	Locate configuration exposure on a target domain	High
224	File Discovery	filetype:doc intext:"manufacturing" intitle:"confidential"	Finds doc files marked confidential in manufacturing	Sector-focused document research: manufacturing	Medium
225	Database Files	filetype:acddb intext:"reservations"	Finds acddb dumps referencing "reservations" data	Identify exposed reservations records	High
226	Admin Panels	inurl:typo3 admin intitle:"typo3"	Finds typo3 admin login pages	Identify CMS-specific admin panels	Medium
227	Advanced Search Operators	presentation AROUND(5) "internal"	Finds pages where two terms appear near each other	Find contextually related terms	Low
228	Backup Files	filetype:bak "daily backup"	Finds "daily backup" files of type .bak	Identify categorized backup file exposures	High
229	Cloud Storage	site:trello.com intitle:"confidential"	Finds Trello files marked confidential	Detect improperly shared sensitive files	High
230	File Discovery	filetype:csv intitle:"whitepaper"	Finds csv files titled with "whitepaper"	Research whitepaper documents in csv format	Low
231	Advanced Search Operators	report AROUND(5) "passwd"	Finds pages where two terms appear near each other	Find contextually related terms	Low
232	File Discovery	filetype:docx intitle:"dissertation"	Finds docx files titled with "dissertation"	Research dissertation documents in docx format	Low

233	Login Pages	site:example1.org inurl:login	Finds laravel login page on example1.org	Locate laravel-specific login endpoint	Medium
234	Sensitive Information Exposure	intext:"apikey" site:pastebin.com	Finds Pastebin posts containing "apikey"	Monitor public paste sites for leaked data	High
235	API Keys & Credentials	intext:"heroku_api_key" filetype:xml	Finds XML files exposing heroku_api_key	Detect leaked credentials in XML config	High
236	Sensitive Information Exposure	intext:"employee list" filetype:doc	Finds Word documents containing "employee list"	Detect sensitive data in shared documents	High
237	Sensitive Information Exposure	intext:"jdbc:mysql" filetype:doc	Finds Word documents containing "jdbc:mysql"	Detect sensitive data in shared documents	High
238	Admin Panels	inurl:cpanel intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /cpanel	Identify CMS admin backend by platform	Medium
239	File Discovery	filetype:pdf intitle:"policy"	Finds pdf files titled with "policy"	Research policy documents in pdf format	Low
240	Sensitive Information Exposure	intext:"bearer token" filetype:log	Finds log files containing "bearer token"	Detect sensitive data leaked in logs	High
241	Sensitive Information Exposure	intext:"confidential" filetype:log	Finds log files containing "confidential"	Detect sensitive data leaked in logs	High
242	File Discovery	filetype:ods intext:"real estate" intitle:"confidential"	Finds ods files marked confidential in real estate sector	Sector-focused document research: real estate	Medium
243	Basic Operators	inurl:financial statement	Finds pages with keyword in the URL	Locate pages by URL structure	Low
244	Login Pages	inurl:dashboard intitle:"employee login"	Finds employee login pages under /dashboard path	Locate authentication portals for testing	Medium
245	Sensitive Information Exposure	intext:"account number" filetype:pdf	Finds PDF files containing "account number"	Detect sensitive data in PDF reports	High
246	File Discovery	filetype:ppt intext:"hospitality" intitle:"confidential"	Finds ppt files marked confidential in hospitality sector	Sector-focused document research: hospitality	Medium
247	Email & Contact Discovery	site:example3.edu intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for outreach	Medium
248	Sensitive Information Exposure	intext:"employee list" filetype:txt	Finds text files containing "employee list"	Detect accidental exposure of sensitive data	High
249	Database Files	filetype:db intext:"sessions"	Finds db dumps referencing "sessions" data	Identify exposed sessions records	High
250	Cloud Storage	site:sharepoint.com intext:"password"	Finds SharePoint links containing "password"	Detect leaked credentials on cloud storage	High
251	Open Directories	intitle:"index of /employees"	Finds open directory listing: index of /employees	Discover exposed file listings on web servers	Medium
252	Basic Operators	intext:"budget"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
253	Basic Operators	inurl:security	Finds pages with keyword in the URL	Locate pages by URL structure	Low
254	API Keys & Credentials	intext:"firebase_apikey" site:gitlab.com	Finds GitLab repos exposing firebase_apikey	Detect accidental credential commits	High
255	Bug Bounty / Security Testing	inurl:/composer.json	Finds exposed /composer.json artifact	Identify leaked development metadata	Medium
256	OSINT Queries	site:example1.gov intext:"alumni directory"	Finds pages listing "alumni directory"	Map organizational personnel for research	Low
257	Login Pages	intitle:"dashboard login" inurl:secure	Finds secure dashboard login pages	Identify secure authentication endpoint	Medium
258	File Discovery	filetype:txt intitle:"financial statement"	Finds txt files titled with "financial statement"	Research financial statement documents	Low
259	File Discovery	filetype:ppt intitle:"syllabus"	Finds ppt files titled with "syllabus"	Research syllabus documents in ppt format	Low
260	Advanced Search Operators	intitle:"policy" filetype:xls	Combines title keyword and filetype filters	Find titled documents of a type	Low
261	File Discovery	filetype:rtf intext:"insurance" intitle:"confidential"	Finds rtf files marked confidential in insurance sector	Sector-focused document research: insurance	Medium
262	Bug Bounty / Security Testing	site:hackerone.com inurl:reports	Finds public HackerOne report pages	Study disclosed vulnerability reports	Low
263	Backup Files	site:example1.com filetype:7z	Finds .7z backup files on example1.com	Locate backup artifacts on a target domain	High
264	Database Files	filetype:sql intext:"users"	Finds SQL dumps referencing "users" table	Identify exposed data tables	High
265	File Discovery	filetype:txt intext:"real estate" intitle:"confidential"	Finds txt files marked confidential in real estate sector	Sector-focused document research: real estate	Medium
266	Basic Operators	intext:"proposal"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
267	Backup Files	filetype:backup intext:"system backup"	Finds "system backup" files of type .backup	Identify categorized backup file exposures	High
268	Login Pages	site:example1.com inurl:user/login	Finds drupal login page on example1.com	Locate drupal-specific login endpoint	Medium
269	Login Pages	site:example1.edu inurl:users/sign_in	Finds rails login page on example1.edu	Locate rails-specific login endpoint	Medium
270	Logs & Debug Files	filetype:out intext:"password"	Finds .out files referencing passwords	Detect credentials leaked in logs	High
271	Error Messages	intext:"warning: include" filetype:php	Finds php pages showing "warning: include"	Locate app errors indicating misconfiguration	Medium
272	File Discovery	filetype:ptx intitle:"dissertation"	Finds ptx files titled with "dissertation"	Research dissertation documents in pptx format	Low
273	Cloud Storage	site:sharepoint.com filetype:pdf intitle:"internal use only"	Finds internal-use PDFs on SharePoint	Detect accidental public sharing of internal info	High
274	File Discovery	filetype:ods intext:"government" intitle:"confidential"	Finds ods files marked confidential in government sector	Sector-focused document research: government	Medium
275	Sensitive Information Exposure	intext:"staging environment" filetype:log	Finds log files containing "staging environment"	Detect sensitive data leaked in logs	High
276	Login Pages	inurl:cpanel intitle:"signin"	Finds signin pages under /cpanel paths	Locate authentication portals for testing	Medium
277	Sensitive Information Exposure	intext:"tax id" filetype:txt	Finds text files containing "tax id"	Detect accidental exposure of sensitive data	High
278	File Discovery	filetype:rtf intitle:"press release"	Finds rtf files titled with "press release"	Research press release documents in rtf format	Low
279	Backup Files	site:example1.gov filetype:old	Finds .old backup files on example1.gov	Locate backup artifacts on a target domain	High
280	File Discovery	filetype:pptx intext:"legal" intitle:"confidential"	Finds pptx files marked confidential in legal sector	Sector-focused document research: legal	Medium
281	File Discovery	filetype:docx intitle:"press release"	Finds docx files titled with "press release"	Research press release documents in docx format	Low
282	Cloud Storage	site:docs.google.com filetype:zip	Finds .zip files shared via Google Docs	Locate zip files publicly shared on Google Docs	Medium
283	Backup Files	filetype:old intext:"site backup"	Finds "site backup" files of type .old	Identify categorized backup file exposures	High
284	Login Pages	intitle:"login" inurl:secure	Finds secure login pages	Identify secure authentication endpoint	Medium
285	Sensitive Information Exposure	intext:"stack trace" filetype:txt	Finds text files containing "stack trace"	Detect accidental exposure of sensitive data	High
286	File Discovery	filetype:pdf intitle:"meeting minutes"	Finds pdf files titled with "meeting minutes"	Research meeting minutes documents	Low
287	Email & Contact Discovery	site:example1.com intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
288	Sensitive Information Exposure	intext:"auth_token" site:pastebin.com	Finds Pastebin posts containing "auth_token"	Monitor public paste sites for leaked data	High
289	File Discovery	filetype:odt intext:"research" intitle:"confidential"	Finds odt files marked confidential in research sector	Sector-focused document research: research	Medium
290	Login Pages	inurl:adminer intitle:"admin login"	Finds admin login pages under /adminer paths	Locate authentication portals for testing	Medium
291	Advanced Search Operators	site:example1.com "report" -inurl:passwd	Domain search excluding a URL pattern	Refine results by excluding noise	Low
292	OSINT Queries	site:vk.com intext:"phone number"	Finds VKontakte pages listing phone numbers	Locate publicly shared contact numbers	Medium
293	API Keys & Credentials	intext:"docker_password" filetype:json	Finds JSON files exposing docker_password	Detect leaked credentials in config files	High
294	File Discovery	filetype:rtf intitle:"info"	Finds rtf files hosted on .info domains	Sector-specific document discovery on .info	Low
295	API Keys & Credentials	intext:"mailgun_api_key" filetype:yml	Finds YAML files exposing mailgun_api_key	Detect leaked credentials in YAML config	High
296	Email & Contact Discovery	site:example2.edu intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
297	Basic Operators	inurl:survey	Finds pages with keyword in the URL	Locate pages by URL structure	Low
298	Open Directories	intitle:"index of /hr"	Finds open directory listing: index of /hr	Discover exposed file listings on web servers	High
299	Cloud Storage	site:blob.core.windows.net filetype:xlsx	Finds Excel files shared via Azure Blob Storage	Locate spreadsheets shared publicly	Medium
300	Error Messages	intext:"exception in thread" filetype:php	Finds php pages showing "exception in thread"	Locate app errors indicating misconfiguration	Medium
301	API Keys & Credentials	intext:"access_token" filetype:env	Finds .env files exposing access_token	Detect leaked API credentials	High
302	Sensitive Information Exposure	intext:"api_key" filetype:doc	Finds Word documents containing "api_key"	Detect sensitive data in shared documents	High
303	File Discovery	filetype:docx intext:"healthcare" intitle:"confidential"	Finds docx files marked confidential in healthcare sector	Sector-focused document research: healthcare	Medium
304	API Keys & Credentials	intext:"slack_token" site:github.com	Finds GitHub repos exposing slack_token	Detect accidental credential commits	High
305	OSINT Queries	site:example1.org intext:"staff directory"	Finds pages listing "staff directory"	Map organizational personnel for research	Low
306	Config Files	site:example1.info filetype:xml	Finds .xml configuration files on example1.info	Locate configuration exposure on a target host	High
307	Backup Files	site:example1.info filetype:7z	Finds .7z backup files on example1.info	Locate backup artifacts on a target domain	High
308	File Discovery	filetype:txt intext:"banking" intitle:"confidential"	Finds txt files marked confidential in banking sector	Sector-focused document research: banking	Medium
309	Backup Files	filetype:tar intext:"database backup"	Finds "database backup" files of type .tar	Identify categorized backup file exposures	High
310	Admin Panels	inurl:adminpanel intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /adminpanel	Identify CMS admin backend by platform	Medium

311	File Discovery	filetype:xlsx intitle:"meeting minutes"	Finds xlsx files titled with "meeting minutes"	Research meeting minutes documents	Low
312	Backup Files	site:example1.net filetype:zip	Finds .zip backup files on example1.net	Locate backup artifacts on a target domain	High
313	Basic Operators	filetype:doc	Finds files of a specific type across the web	Locate specific document formats	Low
314	Cloud Storage	site:docs.google.com filetype:docx	Finds .docx files shared via Google Docs	Locate docx files publicly shared on Google Docs	Medium
315	Config Files	filetype:properties intext:"db_password" OR intext:"database"	Finds .properties files with database password fields	Identify exposed database configurations	High
316	Advanced Search Operators	inurl:policy filetype:xls	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
317	Error Messages	intext:"warning: failed to open stream" filetype:php	Finds php pages showing "warning: failed to open stream" errors	Locate app errors indicating misconfigurations	Medium
318	Sensitive Information Exposure	intext:"backup password" filetype:txt	Finds text files containing "backup password"	Detect accidental exposure of sensitive data	High
319	API Keys & Credentials	intext:"github_token" site:pastebin.com	Finds pastes exposing github_token	Monitor for leaked credentials online	High
320	API Keys & Credentials	intext:"access_token" site:github.com	Finds GitHub repos exposing access_token	Detect accidental credential commits	High
321	Basic Operators	intext:"whitepaper"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
322	Admin Panels	intitle:"admin panel" inurl:/system/admin	Finds pages titled admin panel under /system/admin	Locate CMS/admin backend interfaces	Medium
323	Basic Operators	filetype:csv	Finds files of a specific type across the web	Locate specific document formats	Low
324	Advanced Search Operators	site:example1.net filetype:docx	Combines domain and filetype filters	Find specific file types on a target site	Low
325	Advanced Search Operators	whitepaper AROUND(5) "signin"	Finds pages where two terms appear near each other	Find contextually related terms	Low
326	File Discovery	filetype:ppt intitle:"survey"	Finds ppt files titled with "survey"	Research survey documents in ppt format	Low
327	Error Messages	intext:"fatal error: uncaught exception" filetype:asp	Finds asp pages showing "fatal error: uncaught exception" errors	Locate app errors indicating misconfigurations	Medium
328	Advanced Search Operators	inurl:guide filetype:ppt	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
329	Database Files	filetype:db intext:"logins"	Finds db dumps referencing "logins" data	Identify exposed logins records	High
330	Open Directories	intitle:"index of /public"	Finds open directory listing: index of /public	Discover exposed file listings on web servers	Medium
331	Sensitive Information Exposure	intext:"api secret" filetype:txt	Finds text files containing "api secret"	Detect accidental exposure of sensitive data	High
332	File Discovery	filetype:docx site:.edu	Finds docx files hosted on .edu domains	Sector-specific document discovery on education	Low
333	Admin Panels	inurl:/cpanel intext:"drupal" intitle:"login"	Finds drupal login pages under /cpanel	Identify CMS admin backend by platform	Medium
334	API Keys & Credentials	intext:"sendgrid_api_key" filetype:env	Finds .env files exposing sendgrid_api_key	Detect leaked API credentials	High
335	OSINT Queries	site:me intext:"phone number"	Finds Telegram pages listing phone numbers	Locate publicly shared contact numbers	Medium
336	Backup Files	site:example3.edu filetype:rar	Finds .rar backup files on example3.edu	Locate backup artifacts on a target domain	High
337	Open Directories	intitle:"index of /aws"	Finds open directory listing: index of /aws	Discover exposed file listings on web servers	High
338	File Discovery	filetype:ppt intext:"technology" intitle:"confidential"	Finds ppt files marked confidential in technology sector	Sector-focused document research: technology	Medium
339	Basic Operators	intitle:policy	Finds pages with keyword in the title	Identify pages focused on a topic	Low
340	File Discovery	filetype:xls intitle:"dissertation"	Finds xls files titled with "dissertation"	Research dissertation documents in xls format	Low
341	File Discovery	filetype:odt intitle:"financial statement"	Finds odt files titled with "financial statement"	Research financial statement documents	Low
342	Database Files	filetype:mdb intext:"reservations"	Finds mdb dumps referencing "reservations" data	Identify exposed reservations records	High
343	Sensitive Information Exposure	intext:"auth_token" filetype:txt	Finds text files containing "auth_token"	Detect accidental exposure of sensitive data	High
344	Config Files	intitle:"config.json" OR inurl:"/config.json"	Finds files related to "config.json"	Identify common configuration file exposures	High
345	OSINT Queries	site:instagram.com "resume" OR "cv"	Finds resumes/CVs shared on Instagram	Research professional background information	Low
346	Basic Operators	intext:"syllabus"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
347	Basic Operators	cache:example2.co	Shows Google's cached version of a page	View archived version of a page	Low
348	Basic Operators	inurl:dissertation	Finds pages with keyword in the URL	Locate pages by URL structure	Low
349	Backup Files	filetype:gzip "www backup"	Finds "www backup" files of type .gzip	Identify categorized backup file exposures	High
350	Config Files	filetype:xml intext:"db_password" OR intext:"database_password"	Finds .xml files with database password fields	Identify exposed database configurations	High
351	Sensitive Information Exposure	intext:"login credentials" filetype:log	Finds log files containing "login credentials"	Detect sensitive data leaked in logs	High
352	OSINT Queries	site:linkedin.com intitle:"profile"	Finds LinkedIn profile pages	Locate public profiles for background research	Low
353	Login Pages	inurl:/admin intitle:"dashboard login"	Finds dashboard login pages under /admin paths	Locate authentication portals for testing	Medium
354	Open Directories	intitle:"index of /backup"	Finds open directory listing: index of /backup	Discover exposed file listings on web servers	Medium
355	Logs & Debug Files	intext:"trace" filetype:log	Finds log files containing "trace"	Identify debug information disclosure	Medium
356	Database Files	filetype:dbf intext:"payments"	Finds dbf dumps referencing "payments" data	Identify exposed payments records	High
357	File Discovery	filetype:txt intitle:"press release"	Finds txt files titled with "press release"	Research press release documents in txt format	Low
358	Sensitive Information Exposure	intext:"auth_token" filetype:doc	Finds Word documents containing "auth_token"	Detect sensitive data in shared documents	High
359	Backup Files	site:example3.com filetype:gzip	Finds .gzip backup files on example3.com	Locate backup artifacts on a target domain	High
360	Login Pages	inurl:/backend intitle:"client login"	Finds client login pages under /backend paths	Locate authentication portals for testing	Medium
361	Advanced Search Operators	guide AROUND(5) "receipt"	Finds pages where two terms appear near each other	Find contextually related terms	Low
362	Sensitive Information Exposure	intext:"email list" site:pastebin.com	Finds Pastebin posts containing "email list"	Monitor public paste sites for leaked data	High
363	Login Pages	inurl:/administrator intitle:"client login"	Finds client login pages under /administrator paths	Locate authentication portals for testing	Medium
364	Open Directories	intitle:"index of /rar"	Finds open directories listing .rar files	Discover exposed .rar files via directory listings	Medium
365	Advanced Search Operators	site:example1.org inurl:/research	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
366	Advanced Search Operators	site:example2.edu intext:"case study" filetype:ods	Triple filter: domain, content, filetype	Highly targeted document search	Low
367	Backup Files	filetype:backup "www backup"	Finds "www backup" files of type .backup	Identify categorized backup file exposures	High
368	API Keys & Credentials	intext:"stripe_api_key" filetype:log	Finds log files exposing stripe_api_key	Detect leaked credentials in log output	High
369	File Discovery	filetype:csv site:.info	Finds csv files hosted on .info domains	Sector-specific document discovery on information	Low
370	Advanced Search Operators	site:example1.co filetype:pptx	Combines domain and filetype filters	Find specific file types on a target site	Low
371	File Discovery	filetype:ods intitle:"press release"	Finds ods files titled with "press release"	Research press release documents in ods format	Low
372	API Keys & Credentials	intext:"auth_token" site:gitlab.com	Finds GitLab repos exposing auth_token	Detect accidental credential commits on GitLab	High
373	Backup Files	site:example1.co filetype:tar	Finds .tar backup files on example1.co	Locate backup artifacts on a target domain	High
374	Backup Files	filetype:zip intitle:"backup"	Finds backup files with .zip extension	Identify exposed backup archives	High
375	OSINT Queries	site:github.com intitle:"profile"	Finds GitHub profile pages	Locate public profiles for background research	Low
376	Login Pages	inurl:/manager intitle:"dashboard login"	Finds dashboard login pages under /manager paths	Locate authentication portals for testing	Medium
377	Sensitive Information Exposure	intext:"confidential" filetype:doc	Finds Word documents containing "confidential"	Detect sensitive data in shared documents	High
378	Sensitive Information Exposure	intext:"employee list" filetype:pdf	Finds PDF files containing "employee list"	Detect sensitive data in PDF reports	High
379	Admin Panels	inurl:/admin_area intext:"umbraco" intitle:"login"	Finds umbraco login pages under /admin_area	Identify CMS admin backend by platform	Medium
380	Sensitive Information Exposure	intext:"pwd=" filetype:pdf	Finds PDF files containing "pwd="	Detect sensitive data in PDF reports	High
381	API Keys & Credentials	intext:"aws_access_key_id" filetype:env	Finds .env files exposing aws_access_key_id	Detect leaked API credentials	High
382	Error Messages	intext:"warning: failed to open stream"	Finds pages displaying: warning: failed to open stream	Identify misconfigured or vulnerable applications	Medium
383	Sensitive Information Exposure	intext:"oauth token" filetype:xls	Finds Excel files containing "oauth token"	Detect sensitive data in spreadsheets	High
384	File Discovery	filetype:xlsx intext:"military" intitle:"confidential"	Finds xlsx files marked confidential in military sector	Sector-focused document research: military	Medium
385	Error Messages	intext:"error on line"	Finds pages displaying: error on line	Identify misconfigured or vulnerable applications	Medium
386	Backup Files	site:example2.edu filetype:gzip	Finds .gzip backup files on example2.edu	Locate backup artifacts on a target domain	High
387	OSINT Queries	site:pastebin.com "email" "contact"	Finds Pastebin profiles listing contact emails	Gather public contact info for research	Low
388	Admin Panels	intitle:"admin panel" inurl:/sysadmin	Finds pages titled admin panel under /sysadmin	Locate CMS/admin backend interfaces	Medium

389	API Keys & Credentials	intext:"api_key" filetype:log	Finds log files exposing api_key	Detect leaked credentials in log output	High
390	Advanced Search Operators	inurl:case study filetype:ods	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
391	Error Messages	intext:"stack trace" filetype:asp	Finds asp pages showing "stack trace"	Locate app errors indicating misconfigu	Medium
392	Bug Bounty / Security Testing	inurl:/.svn/wc.db	Finds exposed /.svn/wc.db artifact	Identify leaked development metadata	Medium
393	OSINT Queries	site:example1.edu intext:"team members"	Finds pages listing "team members"	Map organizational personnel for rese	Low
394	Admin Panels	intitle:"admin panel" inurl:adminsuite	Finds pages titled admin panel under /adminsuite	Locate CMS/admin backend interfaces	Medium
395	Sensitive Information Exposure	intext:"apikey" filetype:txt	Finds text files containing "apikey"	Detect accidental exposure of sensitive	High
396	Admin Panels	inurl:admin intext:"opencart" intitle:"login"	Finds opencart login pages under /admin	Identify CMS admin backend by platfor	Medium
397	Basic Operators	intext:"meeting minutes"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
398	OSINT Queries	site:t.me "resume" OR "cv"	Finds resumes/CVs shared on Telegram	Research professional background info	Low
399	Error Messages	intext:"stack trace" filetype:jsp	Finds jsp pages showing "stack trace"	Locate app errors indicating misconfigu	Medium
400	Open Directories	intitle:"index of" "archive" -inurl:htm -inurl:html	Finds directory listings related to archive	Locate exposed folders excluding norm	Medium
401	Admin Panels	intitle:"admin panel" inurl:admin-console	Finds pages titled admin panel under /admin-console	Locate CMS/admin backend interfaces	Medium
402	Login Pages	inurl:wp-login.php intitle:"system login"	Finds system login pages under /wp-login.php paths	Locate authentication portals for testin	Medium
403	API Keys & Credentials	intext:"api_key" filetype:json	Finds JSON files exposing api_key	Detect leaked credentials in config file	High
404	Advanced Search Operators	thesis AROUND(5) "agreement"	Finds pages where two terms appear near each other	Find contextually related terms	Low
405	Error Messages	intext:"you have an error in your sql syntax"	Finds pages displaying: you have an error in your sql	Identify misconfigured or vulnerable ap	Medium
406	Sensitive Information Exposure	intext:"aws_access_key_id" filetype:pdf	Finds PDF files containing "aws_access_key_id"	Detect sensitive data in PDF reports	High
407	File Discovery	filetype:ods intext:"healthcare" intitle:"confidential"	Finds ods files marked confidential in healthcare sector	Sector-focused document research: he	Medium
408	Config Files	site:example1.org filetype:conf	Finds .conf configuration files on example1.org	Locate configuration exposure on a tar	High
409	API Keys & Credentials	intext:"firebase_apikey" filetype:env	Finds .env files exposing firebase_apikey	Detect leaked API credentials	High
410	Logs & Debug Files	site:example3.net filetype:log	Finds .log files on example3.net	Locate exposed log files on a target do	Medium
411	File Discovery	filetype:csv intitle:"syllabus"	Finds csv files titled with "syllabus"	Research syllabus documents in csv fo	Low
412	Login Pages	inurl:administrator intitle:"user login"	Finds user login pages under /administrator paths	Locate authentication portals for testin	Medium
413	Login Pages	inurl:phpmyadmin intitle:"secure login"	Finds secure login pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
414	OSINT Queries	site:example1.gov intext:"about us"	Finds pages listing "about us"	Map organizational personnel for rese	Low
415	Login Pages	inurl:admin intitle:"member login"	Finds member login pages under /admin paths	Locate authentication portals for testin	Medium
416	File Discovery	filetype:odt intext:"logistics" intitle:"confidential"	Finds odt files marked confidential in logistics sector	Sector-focused document research: lo	Medium
417	Sensitive Information Exposure	intext:"tax id" filetype:xls	Finds Excel files containing "tax id"	Detect sensitive data in spreadsheets	High
418	Sensitive Information Exposure	intext:"encryption key" filetype:log	Finds log files containing "encryption key"	Detect sensitive data leaked in logs	High
419	Basic Operators	cache:example3.com	Shows Google's cached version of a page	View archived version of a page	Low
420	Open Directories	intitle:"index of" "images" -inurl:htm -inurl:html	Finds directory listings related to images	Locate exposed folders excluding norm	Medium
421	Login Pages	inurl:cpanel intitle:"portal login"	Finds portal login pages under /cpanel paths	Locate authentication portals for testin	Medium
422	File Discovery	filetype:csv intext:"insurance" intitle:"confidential"	Finds csv files marked confidential in insurance sector	Sector-focused document research: in	Medium
423	File Discovery	filetype:rtf intext:"manufacturing" intitle:"confidential"	Finds rtf files marked confidential in manufacturing sector	Sector-focused document research: m	Medium
424	API Keys & Credentials	intext:"google_api_key" filetype:xml	Finds XML files exposing google_api_key	Detect leaked credentials in XML confi	High
425	Sensitive Information Exposure	intext:"sql dump" filetype:txt	Finds text files containing "sql dump"	Detect accidental exposure of sensitive	High
426	Error Messages	intext:"notice: undefined variable" filetype:asp	Finds asp pages showing "notice: undefined variable"	Locate app errors indicating misconfigu	Medium
427	Admin Panels	inurl:adminpanel intext:"shopify" intitle:"login"	Finds shopify login pages under /adminpanel	Identify CMS admin backend by platfor	Medium
428	Database Files	filetype:acodb intext:"payments"	Finds acodb dumps referencing "payments" data	Identify exposed payments records	High
429	Sensitive Information Exposure	intext:"login credentials" filetype:pdf	Finds PDF files containing "login credentials"	Detect sensitive data in PDF reports	High
430	OSINT Queries	site:medium.com "email" "contact"	Finds Medium profiles listing contact emails	Gather public contact info for research	Low
431	Sensitive Information Exposure	intext:"auth key" filetype:log	Finds log files containing "auth key"	Detect sensitive data leaked in logs	High
432	File Discovery	filetype:txt intext:"research" intitle:"confidential"	Finds txt files marked confidential in research sector	Sector-focused document research: re	Medium
433	Config Files	site:example1.net filetype:conf	Finds .conf configuration files on example1.net	Locate configuration exposure on a tar	High
434	Sensitive Information Exposure	intext:"api secret" filetype:pdf	Finds PDF files containing "api secret"	Detect sensitive data in PDF reports	High
435	Logs & Debug Files	filetype:log intext:"error"	Finds .log files containing errors	Identify exposed application logs	Medium
436	Login Pages	intitle:"remote login" inurl:secure	Finds secure remote login pages	Identify secure authentication endpoint	Medium
437	Login Pages	intitle:"webmail login" inurl:secure	Finds secure webmail login pages	Identify secure authentication endpoint	Medium
438	File Discovery	filetype:rft intext:"hospitality" intitle:"confidential"	Finds rft files marked confidential in hospitality sector	Sector-focused document research: hc	Medium
439	Error Messages	intext:"undefined index" filetype:php	Finds php pages showing "undefined index"	Locate app errors indicating misconfigu	Medium
440	Basic Operators	link:example2.edu	Finds pages that link to a domain	Backlink and reputation research	Low
441	File Discovery	filetype:odt site:.net	Finds odt files hosted on .net domains	Sector-specific document discovery on	Low
442	Error Messages	intext:"unhandled exception" filetype:php	Finds php pages showing "unhandled exception"	Locate app errors indicating misconfigu	Medium
443	File Discovery	filetype:txt site:.org	Finds txt files hosted on .org domains	Sector-specific document discovery on	Low
444	Config Files	inurl:config filetype:properties	Finds configuration files via URL pattern (.properties)	Locate exposed app configuration files	High
445	Sensitive Information Exposure	intext:"admin password" filetype:pdf	Finds PDF files containing "admin password"	Detect sensitive data in PDF reports	High
446	Config Files	site:example1.net filetype:env	Finds .env configuration files on example1.net	Locate configuration exposure on a tar	High
447	Admin Panels	inurl:adminpanel intext:"umbraco" intitle:"login"	Finds umbraco login pages under /adminpanel	Identify CMS admin backend by platfor	Medium
448	Sensitive Information Exposure	intext:"pwd=" filetype:xls	Finds Excel files containing "pwd="	Detect sensitive data in spreadsheets	High
449	Sensitive Information Exposure	intext:"session_id" filetype:doc	Finds Word documents containing "session_id"	Detect sensitive data in shared docum	High
450	API Keys & Credentials	intext:"firebase_apikey" filetype:log	Finds log files exposing firebase_apikey	Detect leaked credentials in log output	High
451	Login Pages	inurl:admincp intitle:"secure login"	Finds secure login pages under /admincp paths	Locate authentication portals for testin	Medium
452	Login Pages	inurl:admin intitle:"account login"	Finds account login pages under /admin paths	Locate authentication portals for testin	Medium
453	Login Pages	inurl:wp-admin intitle:"login"	Finds login pages under /wp-admin paths	Locate authentication portals for testin	Medium
454	Backup Files	site:example3.com filetype:rar	Finds .rar backup files on example3.com	Locate backup artifacts on a target do	High
455	Sensitive Information Exposure	intext:"do not distribute" filetype:pdf	Finds PDF files containing "do not distribute"	Detect sensitive data in PDF reports	High
456	Error Messages	intext:"notice: undefined variable" filetype:aspx	Finds aspx pages showing "notice: undefined variable"	Locate app errors indicating misconfigu	Medium
457	Basic Operators	allintitle:thesis	Finds pages where all words appear in title	Narrow title-based search	Low
458	API Keys & Credentials	intext:"sendgrid_api_key" site:github.com	Finds GitHub repos exposing sendgrid_api_key	Detect accidental credential commits	High
459	Bug Bounty / Security Testing	inurl:.well-known/security.txt	Finds standardized security contact file	Identify vulnerability reporting channels	Low
460	Backup Files	site:example2.net filetype:zip	Finds .zip backup files on example2.net	Locate backup artifacts on a target do	High
461	Config Files	site:example3.com filetype:env	Finds .env configuration files on example3.com	Locate configuration exposure on a tar	High
462	Basic Operators	related:example2.info	Finds sites related to a given domain	Discover similar or competitor sites	Low
463	Logs & Debug Files	filetype:log intext:"password"	Finds .log files referencing passwords	Detect credentials leaked in logs	High
464	Config Files	site:example2.co filetype:config	Finds .config configuration files on example2.co	Locate configuration exposure on a tar	High
465	File Discovery	filetype:xls intext:"logistics" intitle:"confidential"	Finds xls files marked confidential in logistics sector	Sector-focused document research: lo	Medium
466	File Discovery	filetype:ppt intext:"banking" intitle:"confidential"	Finds ppt files marked confidential in banking sector	Sector-focused document research: be	Medium

467	Login Pages	inurl:phpmyadmin intitle:"system login"	Finds system login pages under /phpmyadmin paths	Locate authentication portals for testing	Medium
468	Basic Operators	intext:"technical specification"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
469	Login Pages	site:example1.edu inurl:login	Finds laravel login page on example1.edu	Locate laravel-specific login endpoint	Medium
470	Config Files	site:example1.edu filetype:xml	Finds .xml configuration files on example1.edu	Locate configuration exposure on a target domain	High
471	File Discovery	filetype:odt intitle:"budget"	Finds odt files titled with "budget"	Research budget documents in odt format	Low
472	Backup Files	site:example2.info filetype:bak	Finds .bak backup files on example2.info	Locate backup artifacts on a target domain	High
473	Backup Files	site:example1.net filetype:old	Finds .old backup files on example1.net	Locate backup artifacts on a target domain	High
474	File Discovery	filetype:doc intext:"insurance" intitle:"confidential"	Finds doc files marked confidential in insurance sector	Sector-focused document research: insurance	Medium
475	Admin Panels	inurl:admin_area intext:"username" intext:"password"	Finds admin panels under /admin_area with login fields	Identify exposed administrative interfaces	Medium
476	OSINT Queries	site:xing.com intext:"phone number"	Finds Xing pages listing phone numbers	Locate publicly shared contact numbers	Medium
477	File Discovery	filetype:pptx intext:"real estate" intitle:"confidential"	Finds pptx files marked confidential in real estate sector	Sector-focused document research: real estate	Medium
478	Sensitive Information Exposure	intext:"client_secret" filetype:pdf	Finds PDF files containing "client_secret"	Detect sensitive data in PDF reports	High
479	Admin Panels	inurl:admin1 intext:"drupal" intitle:"login"	Finds drupal login pages under /admin1	Identify CMS admin backend by platform	Medium
480	Backup Files	site:example1.edu filetype:bak	Finds .bak backup files on example1.edu	Locate backup artifacts on a target domain	High
481	Cloud Storage	site:firebaseio.com filetype:pdf	Finds .pdf files shared via Firebase	Locate pdf files publicly shared on Firebase	Medium
482	Basic Operators	site:example1.info	Restricts results to a specific domain	Scope reconnaissance to a target domain	Low
483	Config Files	site:example1.net filetype:ini	Finds .ini configuration files on example1.net	Locate configuration exposure on a target domain	High
484	Admin Panels	inurl:admincp intext:"sitecore" intitle:"login"	Finds sitecore login pages under /admincp	Identify CMS admin backend by platform	Medium
485	Basic Operators	allintitle:research	Finds pages where all words appear in title	Narrow title-based search	Low
486	File Discovery	filetype:pdf site:.co	Finds pdf files hosted on .co domains	Sector-specific document discovery on .co	Low
487	File Discovery	filetype:docx intitle:"thesis"	Finds docx files titled with "thesis"	Research thesis documents in docx format	Low
488	Sensitive Information Exposure	intext:"api secret" site:pastebin.com	Finds Pastebin posts containing "api secret"	Monitor public paste sites for leaked data	High
489	Open Directories	intitle:"index of" "media" -inurl:htm -inurl:html	Finds directory listings related to media	Locate exposed folders excluding normal	Medium
490	Database Files	filetype:mdb intext:"invoices"	Finds mdb dumps referencing "invoices" data	Identify exposed invoices records	High
491	Login Pages	inurl:administrator intitle:"admin login"	Finds admin login pages under /administrator paths	Locate authentication portals for testing	Medium
492	Email & Contact Discovery	filetype:csv intext:"@yahoo.com"	Finds csv files listing Yahoo addresses	Gather email addresses for research	Medium
493	Admin Panels	inurl:admin_area intext:"opencart" intitle:"login"	Finds opencart login pages under /admin_area	Identify CMS admin backend by platform	Medium
494	Backup Files	site:example2.gov filetype:rar	Finds .rar backup files on example2.gov	Locate backup artifacts on a target domain	High
495	Login Pages	inurl:adminer intitle:"account login"	Finds account login pages under /adminer paths	Locate authentication portals for testing	Medium
496	Login Pages	inurl:admincp intitle:"remote login"	Finds remote login pages under /admincp paths	Locate authentication portals for testing	Medium
497	Login Pages	site:example1.io inurl:administrator/index.php	Finds Joomla login page on example1.io	Locate Joomla-specific login endpoint	Medium
498	Admin Panels	intitle:"admin panel" inurl:/manager	Finds pages titled admin panel under /manager	Locate CMS/admin backend interfaces	Medium
499	Config Files	site:example1.info filetype:config	Finds .config configuration files on example1.info	Locate configuration exposure on a target domain	High
500	Basic Operators	filetype:pdf	Finds files of a specific type across the web	Locate specific document formats	Low
501	Bug Bounty / Security Testing	site:bugcrowd.com inurl:/programs	Finds Bugcrowd program listing pages	Identify active bug bounty programs	Low
502	API Keys & Credentials	intext:"consumer_key" filetype:xml	Finds XML files exposing consumer_key	Detect leaked credentials in XML config	High
503	Login Pages	inurl:/manager intitle:"employee login"	Finds employee login pages under /manager paths	Locate authentication portals for testing	Medium
504	OSINT Queries	site:tiktok.com "resume" OR "cv"	Finds resumes/CVs shared on TikTok	Research professional background info	Low
505	Error Messages	intext:"stack trace" filetype:php	Finds php pages showing "stack trace"	Locate app errors indicating misconfiguration	Medium
506	Cloud Storage	site:gitlab.com filetype:pdf	Finds .pdf files shared via GitLab	Locate pdf files publicly shared on GitLab	Medium
507	File Discovery	filetype:odt site:.edu	Finds odt files hosted on .edu domains	Sector-specific document discovery on .edu	Low
508	Database Files	filetype:dbf intext:"reservations"	Finds dbf dumps referencing "reservations" data	Identify exposed reservations records	High
509	Login Pages	intitle:"employee login" inurl:/secure	Finds secure employee login pages	Identify secure authentication endpoint	Medium
510	Login Pages	inurl:/admin2 intitle:"webmail login"	Finds webmail login pages under /admin2 paths	Locate authentication portals for testing	Medium
511	Cloud Storage	site:gitlab.com inurl:/folder	Finds GitLab shared folder links	Discover exposed shared folders	Medium
512	Cloud Storage	site:storage.googleapis.com filetype:pdf	Finds .pdf files shared via Google Cloud Storage	Locate pdf files publicly shared on GCS	Medium
513	File Discovery	filetype:xls intitle:"meeting minutes"	Finds xls files titled with "meeting minutes"	Research meeting minutes documents	Low
514	Login Pages	inurl:/wp-admin intitle:"sign in"	Finds sign in pages under /wp-admin paths	Locate authentication portals for testing	Medium
515	Open Directories	intitle:"index of" "uploads" -inurl:htm -inurl:html	Finds directory listings related to uploads	Locate exposed folders excluding normal	Medium
516	Admin Panels	inurl:/wp-admin intext:"umbraco" intitle:"login"	Finds umbraco login pages under /wp-admin	Identify CMS admin backend by platform	Medium
517	Backup Files	site:example3.org filetype:backup	Finds .backup backup files on example3.org	Locate backup artifacts on a target domain	High
518	Database Files	filetype:mdb intext:"payments"	Finds mdb dumps referencing "payments" data	Identify exposed payments records	High
519	File Discovery	filetype:ods intext:"energy" intitle:"confidential"	Finds ods files marked confidential in energy sector	Sector-focused document research: energy	Medium
520	Sensitive Information Exposure	intext:"do not distribute" site:pastebin.com	Finds Pastebin posts containing "do not distribute"	Monitor public paste sites for leaked data	High
521	File Discovery	filetype:txt intitle:"policy"	Finds txt files titled with "policy"	Research policy documents in txt format	Low
522	Error Messages	intext:"traceback (most recent call last)" filetype:aspx	Finds aspx pages showing "traceback (most recent call last)"	Locate app errors indicating misconfiguration	Medium
523	Login Pages	inurl:/admin intitle:"webmail login"	Finds webmail login pages under /admin paths	Locate authentication portals for testing	Medium
524	Open Directories	intitle:"index of" /keys	Finds open directory listing: index of /keys	Discover exposed file listings on websites	High
525	Login Pages	inurl:/backend intitle:"portal login"	Finds portal login pages under /backend paths	Locate authentication portals for testing	Medium
526	Login Pages	inurl:/manager intitle:"member login"	Finds member login pages under /manager paths	Locate authentication portals for testing	Medium
527	Login Pages	site:example1.net inurl:/admin/login	Finds django login page on example1.net	Locate django-specific login endpoint	Medium
528	Sensitive Information Exposure	intext:"auth key" filetype:pdf	Finds PDF files containing "auth key"	Detect sensitive data in PDF reports	High
529	File Discovery	filetype:odt intext:"banking" intitle:"confidential"	Finds odt files marked confidential in banking sector	Sector-focused document research: banking	Medium
530	File Discovery	filetype:xlsx intext:"government" intitle:"confidential"	Finds xlsx files marked confidential in government sector	Sector-focused document research: government	Medium
531	API Keys & Credentials	intext:"client_secret" site:gitlab.com	Finds GitLab repos exposing client_secret	Detect accidental credential commits	High
532	File Discovery	filetype:pdf intext:"real estate" intitle:"confidential"	Finds pdf files marked confidential in real estate sector	Sector-focused document research: real estate	Medium
533	Admin Panels	inurl:/wp-login.php intext:"sitecore" intitle:"login"	Finds sitecore login pages under /wp-login.php	Identify CMS admin backend by platform	Medium
534	Sensitive Information Exposure	intext:"session_id" filetype:xls	Finds Excel files containing "session_id"	Detect sensitive data in spreadsheets	High
535	API Keys & Credentials	intext:"api_secret" filetype:json	Finds JSON files exposing api_secret	Detect leaked credentials in config files	High
536	Login Pages	site:example1.co inurl:/typo3/index.php	Finds typo3 login page on example1.co	Locate typo3-specific login endpoint	Medium
537	Advanced Search Operators	site:example2.co intext:"thesis" filetype:docx	Triple filter: domain, content, filetype	Highly targeted document search	Low
538	Backup Files	site:example3.com filetype:tar	Finds .tar backup files on example3.com	Locate backup artifacts on a target domain	High
539	Basic Operators	intitle:case study	Finds pages with keyword in the title	Identify pages focused on a topic	Low
540	Login Pages	inurl:/admin2 intitle:"vpn login"	Finds vpn login pages under /admin2 paths	Locate authentication portals for testing	Medium
541	API Keys & Credentials	intext:"aws_secret_access_key" filetype:log	Finds log files exposing aws_secret_access_key	Detect leaked credentials in log output	High
542	Sensitive Information Exposure	intext:"backup password" filetype:doc	Finds Word documents containing "backup password"	Detect sensitive data in shared documents	High
543	Login Pages	inurl:/backend intitle:"system login"	Finds system login pages under /backend paths	Locate authentication portals for testing	Medium
544	Email & Contact Discovery	filetype:docx intext:"@yahoo.com"	Finds docx files listing Yahoo addresses	Gather email addresses for research	Medium

545	OSINT Queries	site:xing.com "email" "contact"	Finds Xing profiles listing contact emails	Gather public contact info for research	Low
546	API Keys & Credentials	intext:"jwt_secret" filetype:xml	Finds XML files exposing jwt_secret	Detect leaked credentials in XML config	High
547	Sensitive Information Exposure	intext:"password" filetype:log	Finds log files containing "password"	Detect sensitive data leaked in logs	High
548	Cloud Storage	site:mega.nz filetype:xlsx	Finds Excel files shared via Mega	Locate spreadsheets shared publicly	Medium
549	Basic Operators	related:example3.org	Finds sites related to a given domain	Discover similar or competitor sites	Low
550	File Discovery	filetype:csv site:.co	Finds csv files hosted on .co domains	Sector-specific document discovery on	Low
551	Advanced Search Operators	site:example1.org filetype:doc	Combines domain and filetype filters	Find specific file types on a target site	Low
552	Open Directories	intitle:"index of /finance"	Finds open directory listing: index of /finance	Discover exposed file listings on web s	High
553	Login Pages	inurl:admin1 intitle:"customer login"	Finds customer login pages under /admin1 paths	Locate authentication portals for testing	Medium
554	Login Pages	site:example1.co inurl:administrator/index.php	Finds Joomla login page on example1.co	Locate Joomla-specific login endpoint	Medium
555	Config Files	site:example2.com filetype:config	Finds .config configuration files on example2.com	Locate configuration exposure on a tar	High
556	Logs & Debug Files	site:example1.net filetype:log	Finds .log files on example1.net	Locate exposed log files on a target dc	Medium
557	Admin Panels	inurl:admin_area/login intext:"username" intext:"password"	Finds admin panels under /admin_area/login with log	Identify exposed administrative interface	Medium
558	Cloud Storage	site:storage.googleapis.com filetype:csv	Finds .csv files shared via Google Cloud Storage	Locate csv files publicly shared on Goo	Medium
559	Database Files	filetype:sql intext:"reservations"	Finds sql dumps referencing "reservations" data	Identify exposed reservations records	High
560	Open Directories	intitle:"index of /assets"	Finds open directory listing: index of /assets	Discover exposed file listings on web s	Medium
561	Cloud Storage	site:storage.googleapis.com filetype:zip	Finds .zip files shared via Google Cloud Storage	Locate zip files publicly shared on Goo	Medium
562	Login Pages	site:example2.org inurl:administrator/index.php	Finds Joomla login page on example2.org	Locate Joomla-specific login endpoint	Medium
563	File Discovery	filetype:xls intext:"banking" intitle:"confidential"	Finds xls files marked confidential in banking sector	Sector-focused document research: ba	Medium
564	Basic Operators	intitle:financial statement	Finds pages with keyword in the title	Identify pages focused on a topic	Low
565	Admin Panels	inurl:wp-login.php intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /wp-login.php	Identify CMS admin backend by platfor	Medium
566	Basic Operators	intitle:survey	Finds pages with keyword in the title	Identify pages focused on a topic	Low
567	File Discovery	filetype:xls site:.info	Finds xls files hosted on .info domains	Sector-specific document discovery on	Low
568	Basic Operators	filetype:aspx	Finds files of a specific type across the web	Locate specific document formats	Low
569	Error Messages	intext:"php error" filetype:asp	Finds asp pages showing "php error"	Locate app errors indicating misconfig	Medium
570	Basic Operators	inurl:budget	Finds pages with keyword in the URL	Locate pages by URL structure	Low
571	Bug Bounty / Security Testing	inurl:bugbounty	Finds bug bounty program pages	Discover programs accepting security	Low
572	Cloud Storage	site:s3.amazonaws.com filetype:docx	Finds .docx files shared via Amazon S3	Locate docx files publicly shared on Ar	Medium
573	Login Pages	inurl:cpanel intitle:"webmail login"	Finds webmail login pages under /cpanel paths	Locate authentication portals for testing	Medium
574	File Discovery	filetype:doc intitle:"user manual"	Finds doc files titled with "user manual"	Research user manual documents in d	Low
575	File Discovery	filetype:ods intitle:"research"	Finds ods files titled with "research"	Research research documents in ods f	Low
576	File Discovery	filetype:xls intext:"telecom" intitle:"confidential"	Finds xls files marked confidential in telecom sector	Sector-focused document research: tel	Medium
577	Sensitive Information Exposure	intext:"api secret" filetype:doc	Finds Word documents containing "api secret"	Detect sensitive data in shared docum	High
578	API Keys & Credentials	intext:"consumer_secret" filetype:log	Finds log files exposing consumer_secret	Detect leaked credentials in log output	High
579	OSINT Queries	site:instagram.com intitle:"profile"	Finds Instagram profile pages	Locate public profiles for background r	Low
580	Login Pages	inurl:phpmyadmin intitle:"login"	Finds login pages under /phpmyadmin paths	Locate authentication portals for testing	Medium
581	API Keys & Credentials	intext:"bearer_token" site:pastebin.com	Finds pastes exposing bearer_token	Monitor for leaked credentials online	High
582	Config Files	site:example1.co filetype:xml	Finds .xml configuration files on example1.co	Locate configuration exposure on a tar	High
583	API Keys & Credentials	intext:"client_secret" filetype:env	Finds .env files exposing client_secret	Detect leaked API credentials	High
584	Login Pages	inurl:admin2 intitle:"log in"	Finds log in pages under /admin2 paths	Locate authentication portals for testing	Medium
585	File Discovery	filetype:txt intitle:"syllabus"	Finds txt files titled with "syllabus"	Research syllabus documents in txt fo	Low
586	Logs & Debug Files	site:example1.io filetype:log	Finds .log files on example1.io	Locate exposed log files on a target dc	Medium
587	Admin Panels	inurl:cpanel intext:"shopify" intitle:"login"	Finds shopify login pages under /cpanel	Identify CMS admin backend by platfor	Medium
588	File Discovery	filetype:odt intext:"energy" intitle:"confidential"	Finds odt files marked confidential in energy sector	Sector-focused document research: er	Medium
589	Login Pages	inurl:admincp intitle:"user login"	Finds user login pages under /admincp paths	Locate authentication portals for testing	Medium
590	Basic Operators	filetype:xls	Finds files of a specific type across the web	Locate specific document formats	Low
591	API Keys & Credentials	intext:"jwt_secret" site:gitlab.com	Finds GitLab repos exposing jwt_secret	Detect accidental credential commits o	High
592	Basic Operators	allintext:"case study"	Finds pages where all words appear in text	Narrow content-based search	Low
593	Admin Panels	inurl:admin/config.php intext:"username" intext:"password"	Finds admin panels under /admin/config.php with log	Identify exposed administrative interface	Medium
594	Admin Panels	inurl:cpanel intext:"sitecore" intitle:"login"	Finds sitecore login pages under /cpanel	Identify CMS admin backend by platfor	Medium
595	Login Pages	inurl:adminpanel intitle:"customer login"	Finds customer login pages under /adminpanel paths	Locate authentication portals for testing	Medium
596	Login Pages	inurl:adminpanel intitle:"admin login"	Finds admin login pages under /adminpanel paths	Locate authentication portals for testing	Medium
597	Basic Operators	allintitle:syllabus	Finds pages where all words appear in title	Narrow title-based search	Low
598	Sensitive Information Exposure	intext:"passwd" filetype:doc	Finds Word documents containing "passwd"	Detect sensitive data in shared docum	High
599	Error Messages	intext:"php error" filetype:jsp	Finds jsp pages showing "php error"	Locate app errors indicating misconfig	Medium
600	File Discovery	filetype:ppt site:.co	Finds ppt files hosted on .co domains	Sector-specific document discovery on	Low
601	File Discovery	filetype:csv intitle:"research"	Finds csv files titled with "research"	Research research documents in csv f	Low
602	Basic Operators	inurl:technology	Finds pages with keyword in the URL	Locate pages by URL structure	Low
603	Advanced Search Operators	site:example2.com intext:"financial statement" filetype:csv	Triple filter: domain, content, filetype	Highly targeted document search	Low
604	Email & Contact Discovery	site:example2.edu intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
605	File Discovery	filetype:docx intext:"retail" intitle:"confidential"	Finds docx files marked confidential in retail sector	Sector-focused document research: re	Medium
606	Backup Files	site:example2.info filetype:rar	Finds .rar backup files on example2.info	Locate backup artifacts on a target dor	High
607	File Discovery	filetype:odt intext:"telecom" intitle:"confidential"	Finds odt files marked confidential in telecom sector	Sector-focused document research: tel	Medium
608	File Discovery	filetype:doc intitle:"technical specification"	Finds doc files titled with "technical specification"	Research technical specification docur	Low
609	Sensitive Information Exposure	intext:"root_password" site:pastebin.com	Finds Pastebin posts containing "root_password"	Monitor public paste sites for leaked d	High
610	Database Files	filetype:mdb intext:"appointments"	Finds mdb dumps referencing "appointments" data	Identify exposed appointments records	High
611	API Keys & Credentials	intext:"twilio_auth_token" site:github.com	Finds GitHub repos exposing twilio_auth_token	Detect accidental credential commits	High
612	API Keys & Credentials	intext:"jwt_secret" filetype:log	Finds log files exposing jwt_secret	Detect leaked credentials in log output	High
613	API Keys & Credentials	intext:"google_api_key" site:pastebin.com	Finds pastes exposing google_api_key	Monitor for leaked credentials online	High
614	OSINT Queries	site:reddit.com intext:"phone number"	Finds Reddit pages listing phone numbers	Locate publicly shared contact number	Medium
615	Logs & Debug Files	site:example3.edu filetype:log	Finds .log files on example3.edu	Locate exposed log files on a target dc	Medium
616	Basic Operators	inurl:report	Finds pages with keyword in the URL	Locate pages by URL structure	Low
617	File Discovery	filetype:csv intitle:"policy"	Finds csv files titled with "policy"	Research policy documents in csv form	Low
618	Basic Operators	inurl:manual	Finds pages with keyword in the URL	Locate pages by URL structure	Low
619	Advanced Search Operators	site:example1.co "presentation" -inurl:internal	Domain search excluding a URL pattern	Refine results by excluding noise	Low
620	File Discovery	filetype:docx intitle:"whitepaper"	Finds docx files titled with "whitepaper"	Research whitepaper documents in do	Low
621	Login Pages	inurl:wp-admin intitle:"portal login"	Finds portal login pages under /wp-admin paths	Locate authentication portals for testing	Medium
622	File Discovery	filetype:rtf intext:"government" intitle:"confidential"	Finds rtf files marked confidential in government sec	Sector-focused document research: gc	Medium

623	Login Pages	inurl:phpmyadmin intitle:"client login"	Finds client login pages under /phpmyadmin paths	Locate authentication portals for testing	Medium
624	API Keys & Credentials	intext:"consumer_secret" filetype:yml	Finds YAML files exposing consumer_secret	Detect leaked credentials in YAML config	High
625	Sensitive Information Exposure	intext:"employee list" filetype:log	Finds log files containing "employee list"	Detect sensitive data leaked in logs	High
626	Login Pages	site:example1.net inurl:administrator/index.php	Finds Joomla login page on example1.net	Locate Joomla-specific login endpoint	Medium
627	File Discovery	filetype:pdf intitle:"thesis"	Finds pdf files titled with "thesis"	Research thesis documents in pdf format	Low
628	API Keys & Credentials	intext:"firebase_apikey" filetype:xml	Finds XML files exposing firebase_apikey	Detect leaked credentials in XML config	High
629	Login Pages	inurl:cpanel intitle:"staff login"	Finds staff login pages under /cpanel paths	Locate authentication portals for testing	Medium
630	Config Files	site:example2.com filetype:env	Finds .env configuration files on example2.com	Locate configuration exposure on a target	High
631	Admin Panels	inurl:admincp intext:"magento" intitle:"login"	Finds magento login pages under /admincp	Identify CMS admin backend by platform	Medium
632	Database Files	filetype:sqlite intext:"insert into"	Finds sqlite files containing SQL insert statements	Identify exposed database dumps	High
633	Database Files	filetype:mbd intext:"reviews"	Finds mdb dumps referencing "reviews" data	Identify exposed reviews records	High
634	Admin Panels	intitle:"admin panel" inurl:admin/index.php	Finds pages titled admin panel under /admin/index.php	Locate CMS/admin backend interfaces	Medium
635	Backup Files	site:example1.edu filetype:zip	Finds .zip backup files on example1.edu	Locate backup artifacts on a target domain	High
636	Logs & Debug Files	site:example1.org filetype:log	Finds .log files on example1.org	Locate exposed log files on a target domain	Medium
637	Basic Operators	related:example1.co	Finds sites related to a given domain	Discover similar or competitor sites	Low
638	File Discovery	filetype:csv intext:"hospitality" intitle:"confidential"	Finds csv files marked confidential in hospitality sector	Sector-focused document research: healthcare	Medium
639	Config Files	site:example3.edu filetype:xml	Finds .xml configuration files on example3.edu	Locate configuration exposure on a target	High
640	Open Directories	intitle:"index of" ".sql"	Finds open directories listing .sql files	Discover exposed .sql files via directory listing	Medium
641	Admin Panels	inurl:admin intitle:"magento"	Finds magento admin login pages	Identify CMS-specific admin panels	Medium
642	Admin Panels	inurl:admin2 intext:"wordpress" intitle:"login"	Finds wordpress login pages under /admin2	Identify CMS admin backend by platform	Medium
643	Login Pages	inurl:admin intitle:"admin login"	Finds admin login pages under /admin paths	Locate authentication portals for testing	Medium
644	Error Messages	intext:"warning: mysql" filetype:php	Finds php pages showing "warning: mysql"	Locate app errors indicating misconfiguration	Medium
645	API Keys & Credentials	intext:"paypal_client_id" site:pastebin.com	Finds pastes exposing paypal_client_id	Monitor for leaked credentials online	High
646	Basic Operators	cache:example2.net	Shows Google's cached version of a page	View archived version of a page	Low
647	API Keys & Credentials	intext:"api_key" filetype:env	Finds .env files exposing api_key	Detect leaked API credentials	High
648	File Discovery	filetype:txt intitle:"research"	Finds txt files titled with "research"	Research research documents in text format	Low
649	Database Files	filetype:db intext:"create table"	Finds db files with table definitions	Identify exposed database schema files	High
650	Admin Panels	inurl:administrator intext:"magento" intitle:"login"	Finds magento login pages under /administrator	Identify CMS admin backend by platform	Medium
651	File Discovery	filetype:xlsx intext:"legal" intitle:"confidential"	Finds xlsx files marked confidential in legal sector	Sector-focused document research: legal	Medium
652	File Discovery	filetype:txt intitle:"user manual"	Finds txt files titled with "user manual"	Research user manual documents in text format	Low
653	Backup Files	site:example1.edu filetype:backup	Finds .backup backup files on example1.edu	Locate backup artifacts on a target domain	High
654	OSINT Queries	site:twitter.com intext:"phone number"	Finds Twitter/X pages listing phone numbers	Locate publicly shared contact numbers	Medium
655	File Discovery	filetype:pptx intext:"education" intitle:"confidential"	Finds pptx files marked confidential in education sector	Sector-focused document research: education	Medium
656	File Discovery	filetype:doc intext:"healthcare" intitle:"confidential"	Finds doc files marked confidential in healthcare sector	Sector-focused document research: healthcare	Medium
657	Cloud Storage	site:s3.amazonaws.com filetype:xlsx	Finds Excel files shared via Amazon S3	Locate spreadsheets shared publicly	Medium
658	Basic Operators	cache:example1.io	Shows Google's cached version of a page	View archived version of a page	Low
659	Sensitive Information Exposure	intext:"pwd=" filetype:txt	Finds text files containing "pwd="	Detect accidental exposure of sensitive data	High
660	Admin Panels	inurl:admin1 intext:"shopify" intitle:"login"	Finds shopify login pages under /admin1	Identify CMS admin backend by platform	Medium
661	Sensitive Information Exposure	intext:"private token" filetype:log	Finds log files containing "private token"	Detect sensitive data leaked in logs	High
662	File Discovery	filetype:txt intitle:"meeting minutes"	Finds txt files titled with "meeting minutes"	Research meeting minutes documents	Low
663	Login Pages	inurl:admin_area intitle:"staff login"	Finds staff login pages under /admin_area paths	Locate authentication portals for testing	Medium
664	Config Files	site:example2.gov filetype:conf	Finds .conf configuration files on example2.gov	Locate configuration exposure on a target	High
665	Config Files	site:example2.co filetype:conf	Finds .conf configuration files on example2.co	Locate configuration exposure on a target	High
666	Admin Panels	inurl:admincp intext:"prestashop" intitle:"login"	Finds prestashop login pages under /admincp	Identify CMS admin backend by platform	Medium
667	Advanced Search Operators	site:example2.gov filetype:pdf	Combines domain and filetype filters	Find specific file types on a target site	Low
668	Backup Files	site:example2.com filetype:zip	Finds .zip backup files on example2.com	Locate backup artifacts on a target domain	High
669	Cloud Storage	site:trello.com filetype:zip	Finds .zip files shared via Trello	Locate zip files publicly shared on Trello	Medium
670	File Discovery	filetype:docx intext:"telecom" intitle:"confidential"	Finds docx files marked confidential in telecom sector	Sector-focused document research: telecom	Medium
671	File Discovery	filetype:ppt intext:"education" intitle:"confidential"	Finds ppt files marked confidential in education sector	Sector-focused document research: education	Medium
672	File Discovery	filetype:doc intitle:"thesis"	Finds doc files titled with "thesis"	Research thesis documents in doc format	Low
673	Login Pages	inurl:admin2 intitle:"secure login"	Finds secure login pages under /admin2 paths	Locate authentication portals for testing	Medium
674	Login Pages	inurl:manager intitle:"customer login"	Finds customer login pages under /manager paths	Locate authentication portals for testing	Medium
675	Open Directories	intitle:"index of" /images	Finds open directory listing: index of /images	Discover exposed file listings on web servers	Medium
676	Email & Contact Discovery	site:example2.io filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
677	Database Files	filetype:mbd intext:"tickets"	Finds mdb dumps referencing "tickets" data	Identify exposed tickets records	High
678	File Discovery	filetype:pdf intext:"technology" intitle:"confidential"	Finds pdf files marked confidential in technology sector	Sector-focused document research: technology	Medium
679	Basic Operators	allintext:"budget"	Finds pages where all words appear in text	Narrow content-based search	Low
680	Basic Operators	allintext:"meeting minutes"	Finds pages where all words appear in text	Narrow content-based search	Low
681	File Discovery	filetype:ods intitle:"user manual"	Finds ods files titled with "user manual"	Research user manual documents in ods format	Low
682	Advanced Search Operators	site:example1.com intext:"report" filetype:pdf	Triple filter: domain, content, filetype	Highly targeted document search	Low
683	Open Directories	intitle:"index of" "" -inurl:htm -inurl:html	Finds directory listings related to	Locate exposed folders excluding normal	Medium
684	Login Pages	inurl:backend intitle:"member login"	Finds member login pages under /backend paths	Locate authentication portals for testing	Medium
685	Basic Operators	cache:example2.edu	Shows Google's cached version of a page	View archived version of a page	Low
686	Config Files	site:example3.net filetype:yml	Finds .yml configuration files on example3.net	Locate configuration exposure on a target	High
687	File Discovery	filetype:pptx intitle:"policy"	Finds pptx files titled with "policy"	Research policy documents in pptx format	Low
688	Login Pages	inurl:admin1 intitle:"signin"	Finds signin pages under /admin1 paths	Locate authentication portals for testing	Medium
689	Error Messages	intext:"runtime error" filetype:php	Finds php pages showing "runtime error"	Locate app errors indicating misconfiguration	Medium
690	Config Files	site:example3.com filetype:xml	Finds .xml configuration files on example3.com	Locate configuration exposure on a target	High
691	File Discovery	filetype:xlsx intitle:"guide"	Finds xlsx files titled with "guide"	Research guide documents in xlsx format	Low
692	Email & Contact Discovery	filetype:xlsx intext:"@gmail.com"	Finds xlsx files listing Gmail addresses	Gather email addresses for research	Medium
693	File Discovery	filetype:txt intext:"government" intitle:"confidential"	Finds txt files marked confidential in government sector	Sector-focused document research: government	Medium
694	Sensitive Information Exposure	intext:"internal use only" filetype:pdf	Finds PDF files containing "internal use only"	Detect sensitive data in PDF reports	High
695	Cloud Storage	site:mega.nz filetype:pdf "internal use only"	Finds internal-use PDFs on Mega	Detect accidental public sharing of internal	High
696	Advanced Search Operators	budget AROUND(5) "summary"	Finds pages where two terms appear near each other	Find contextually related terms	Low
697	Login Pages	site:example2.org inurl:login	Finds laravel login page on example2.org	Locate laravel-specific login endpoint	Medium
698	API Keys & Credentials	intext:"api_key" filetype:xml	Finds XML files exposing api_key	Detect leaked credentials in XML config	High
699	Basic Operators	site:example2.edu	Restricts results to a specific domain	Scope reconnaissance to a target domain	Low
700	Email & Contact Discovery	site:example2.com intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low

701	Sensitive Information Exposure	intext:"phone numbers" filetype:txt	Finds text files containing "phone numbers"	Detect accidental exposure of sensitive	High
702	Cloud Storage	site:onedrive.live.com filetype:xlsx	Finds Excel files shared via OneDrive	Locate spreadsheets shared publicly	Medium
703	Login Pages	intitle:"portal login" inurl:secure	Finds secure portal login pages	Identify secure authentication endpoint	Medium
704	File Discovery	filetype:ppt intext:"finance" intitle:"confidential"	Finds ppt files marked confidential in finance sector	Sector-focused document research: fin	Medium
705	File Discovery	filetype:xls intitle:"presentation"	Finds xls files titled with "presentation"	Research presentation documents in x	Low
706	Cloud Storage	site:notion.site filetype:xlsx	Finds Excel files shared via Notion	Locate spreadsheets shared publicly	Medium
707	File Discovery	filetype:pdf intitle:"research"	Finds pdf files titled with "research"	Research research documents in pdf fi	Low
708	Sensitive Information Exposure	intext:"cvv" site:pastebin.com	Finds Pastebin posts containing "cvv"	Monitor public paste sites for leaked d	High
709	Backup Files	site:example2.co filetype:old	Finds .old backup files on example2.co	Locate backup artifacts on a target dor	High
710	Bug Bounty / Security Testing	inurl:actuator/health	Finds exposed Spring Boot health endpoints	Check application health endpoint exp	Medium
711	Login Pages	intitle:"customer login" inurl:secure	Finds secure customer login pages	Identify secure authentication endpoint	Medium
712	Cloud Storage	site:box.com filetype:zip	Finds .zip files shared via Box	Locate zip files publicly shared on Box	Medium
713	Login Pages	inurl:cpanel intitle:"customer login"	Finds customer login pages under /cpanel paths	Locate authentication portals for testin	Medium
714	API Keys & Credentials	intext:"google_api_key" filetype:yml	Finds YAML files exposing google_api_key	Detect leaked credentials in YAML con	High
715	Sensitive Information Exposure	intext:"password" site:pastebin.com	Finds Pastebin posts containing "password"	Monitor public paste sites for leaked d	High
716	Open Directories	intitle:"index of" "wp-content" -inurl:htm -inurl:html	Finds directory listings related to wp-content	Locate exposed folders excluding norm	Medium
717	Login Pages	inurl:adminer intitle:"vpn login"	Finds vpn login pages under /adminer paths	Locate authentication portals for testin	Medium
718	Email & Contact Discovery	filetype:csv intext:"email list"	Finds CSV files labeled "email list"	Detect exposed bulk email lists	High
719	Admin Panels	inurl:wp-login.php intext:"opencart" intitle:"login"	Finds opencart login pages under /wp-login.php	Identify CMS admin backend by platfor	Medium
720	Backup Files	filetype:bak "weekly backup"	Finds "weekly backup" files of type .bak	Identify categorized backup file exposu	High
721	File Discovery	filetype:docx intitle:"presentation"	Finds docx files titled with "presentation"	Research presentation documents in d	Low
722	File Discovery	filetype:doc intitle:"manual"	Finds doc files titled with "manual"	Research manual documents in doc fo	Low
723	Error Messages	intext:"odbc driver error" filetype:asp	Finds asp pages showing "odbc driver error"	Locate app errors indicating misconfigi	Medium
724	Email & Contact Discovery	site:example2.co intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
725	Backup Files	filetype:gz "full backup"	Finds "full backup" files of type .gz	Identify categorized backup file exposu	High
726	Login Pages	inurl:dashboard intitle:"log in"	Finds log in pages under /dashboard paths	Locate authentication portals for testin	Medium
727	File Discovery	filetype:txt site:.edu	Finds txt files hosted on .edu domains	Sector-specific document discovery on	Low
728	Sensitive Information Exposure	intext:"default password" filetype:pdf	Finds PDF files containing "default password"	Detect sensitive data in PDF reports	High
729	Admin Panels	inurl:admin intitle:"opencart"	Finds opencart admin login pages	Identify CMS-specific admin panels	Medium
730	Config Files	site:example3.org filetype:yml	Finds .yml configuration files on example3.org	Locate configuration exposure on a tar	High
731	Backup Files	site:example1.co filetype:zip	Finds .zip backup files on example1.co	Locate backup artifacts on a target dor	High
732	Sensitive Information Exposure	intext:"salary" filetype:log	Finds log files containing "salary"	Detect sensitive data leaked in logs	High
733	Login Pages	site:example1.io inurl:login	Finds laravel login page on example1.io	Locate laravel-specific login endpoint	Medium
734	Admin Panels	intitle:"admin panel" inurl:staff/admin	Finds pages titled admin panel under /staff/admin	Locate CMS/admin backend interfaces	Medium
735	Cloud Storage	site:s3.amazonaws.com filetype:zip	Finds .zip files shared via Amazon S3	Locate zip files publicly shared on Ama	Medium
736	Login Pages	inurl:admin_area intitle:"customer login"	Finds customer login pages under /admin_area path	Locate authentication portals for testin	Medium
737	Error Messages	intext:"internal server error" filetype:jsp	Finds jsp pages showing "internal server error"	Locate app errors indicating misconfigi	Medium
738	File Discovery	filetype:docx intext:"government" intitle:"confidential"	Finds docx files marked confidential in government	Sector-focused document research: gc	Medium
739	Backup Files	filetype:zip "full backup"	Finds "full backup" files of type .zip	Identify categorized backup file exposu	High
740	Advanced Search Operators	site:example2.com inurl:financial statement	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
741	Backup Files	site:example1.edu filetype:gzip	Finds .gz backup files on example1.edu	Locate backup artifacts on a target dor	High
742	Error Messages	intext:"debug mode enabled" filetype:php	Finds php pages showing "debug mode enabled"	Locate app errors indicating misconfigi	Medium
743	Email & Contact Discovery	site:example2.net intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
744	File Discovery	filetype:ppt intitle:"thesis"	Finds ppt files titled with "thesis"	Research thesis documents in ppt form	Low
745	Sensitive Information Exposure	intext:"email list" filetype:pdf	Finds PDF files containing "email list"	Detect sensitive data in PDF reports	High
746	Backup Files	site:example1.gov filetype:backup	Finds .backup backup files on example1.gov	Locate backup artifacts on a target dor	High
747	File Discovery	filetype:xls site:.org	Finds xls files hosted on .org domains	Sector-specific document discovery on	Low
748	File Discovery	filetype:xls intitle:"thesis"	Finds xls files titled with "thesis"	Research thesis documents in xls form	Low
749	Sensitive Information Exposure	intext:"confidential" filetype:xls	Finds Excel files containing "confidential"	Detect sensitive data in spreadsheets	High
750	Admin Panels	inurl:admin_area intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /admin_area	Identify CMS admin backend by platfor	Medium
751	File Discovery	filetype:csv intext:"energy" intitle:"confidential"	Finds csv files marked confidential in energy sector	Sector-focused document research: er	Medium
752	API Keys & Credentials	intext:"twilio_auth_token" filetype:json	Finds JSON files exposing twilio_auth_token	Detect leaked credentials in config files	High
753	File Discovery	filetype:pdf intext:"education" intitle:"confidential"	Finds pdf files marked confidential in education sect	Sector-focused document research: ec	Medium
754	Login Pages	inurl:dashboard intitle:"signin"	Finds signin pages under /dashboard paths	Locate authentication portals for testin	Medium
755	Basic Operators	site:example2.org	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
756	Admin Panels	intitle:"admin panel" inurl:account/admin	Finds pages titled admin panel under /account/admin	Locate CMS/admin backend interfaces	Medium
757	Admin Panels	inurl:account/admin intext:"username" intext:"password"	Finds admin panels under /account/admin with login	Identify exposed administrative interfac	Medium
758	Sensitive Information Exposure	intext:"key=" filetype:doc	Finds Word documents containing "key="	Detect sensitive data in shared docum	High
759	Config Files	filetype:config intext:"db_password" OR intext:"database_	Finds .config files with database password fields	Identify exposed database configuratio	High
760	Sensitive Information Exposure	intext:"ftp password" filetype:xls	Finds Excel files containing "ftp password"	Detect sensitive data in spreadsheets	High
761	API Keys & Credentials	intext:"github_token" filetype:yml	Finds YAML files exposing github_token	Detect leaked credentials in YAML con	High
762	API Keys & Credentials	intext:"apikey" site:github.com	Finds GitHub repos exposing apikey	Detect accidental credential commits	High
763	File Discovery	filetype:doc intitle:"annual report"	Finds doc files titled with "annual report"	Research annual report documents in	Low
764	API Keys & Credentials	intext:"aws_access_key_id" site:github.com	Finds GitHub repos exposing aws_access_key_id	Detect accidental credential commits	High
765	Backup Files	filetype:bak "website backup"	Finds "website backup" files of type .bak	Identify categorized backup file exposu	High
766	Sensitive Information Exposure	intext:"oauth token" filetype:pdf	Finds PDF files containing "oauth token"	Detect sensitive data in PDF reports	High
767	Open Directories	intitle:"index of" "downloads" -inurl:htm -inurl:html	Finds directory listings related to downloads	Locate exposed folders excluding norm	Medium
768	Login Pages	inurl:dashboard intitle:"remote login"	Finds remote login pages under /dashboard paths	Locate authentication portals for testin	Medium
769	Logs & Debug Files	site:example2.edu filetype:log	Finds .log files on example2.edu	Locate exposed log files on a target dc	Medium
770	Sensitive Information Exposure	intext:"do not distribute" filetype:doc	Finds Word documents containing "do not distribute"	Detect sensitive data in shared docum	High
771	File Discovery	filetype:xlsx site:.gov	Finds xlsx files hosted on .gov domains	Sector-specific document discovery on	Low
772	Basic Operators	intext:"presentation"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
773	Config Files	site:example1.gov filetype:conf	Finds .conf configuration files on example1.gov	Locate configuration exposure on a tar	High
774	Cloud Storage	site:onedrive.live.com inurl:folder	Finds OneDrive shared folder links	Discover exposed shared folders	Medium
775	Admin Panels	inurl:admin intitle:"drupal"	Finds drupal admin login pages	Identify CMS-specific admin panels	Medium
776	Sensitive Information Exposure	intext:"backup password" filetype:log	Finds log files containing "backup password"	Detect sensitive data leaked in logs	High
777	Login Pages	inurl:dashboard intitle:"login"	Finds login pages under /dashboard paths	Locate authentication portals for testin	Medium
778	Open Directories	intitle:"index of" "passwords" -inurl:htm -inurl:html	Finds directory listings related to passwords	Locate exposed folders excluding norm	High

779	Basic Operators	allinurl:case study	Finds pages where all words appear in URL	Narrow URL-based search	Low
780	OSINT Queries	filetype:doc intitle:"curriculum vitae" intext:"linkedin.com"	Finds curriculum vitae files in doc format linking LinkedIn	Research professional profiles with linked	Low
781	Sensitive Information Exposure	intext:"ftp password" filetype:log	Finds log files containing "ftp password"	Detect sensitive data leaked in logs	High
782	Config Files	filetype:env intext:"password"	Finds .env config files referencing passwords	Detect credentials in configuration files	High
783	File Discovery	filetype:xlsx site:.io	Finds xlsx files hosted on .io domains	Sector-specific document discovery on Low	
784	File Discovery	filetype:doc intitle:"guide"	Finds doc files titled with "guide"	Research guide documents in doc form	Low
785	Admin Panels	inurl:administrator intext:"drupal" intitle:"login"	Finds drupal login pages under /administrator	Identify CMS admin backend by platform	Medium
786	Backup Files	site:example3.com filetype:zip	Finds .zip backup files on example3.com	Locate backup artifacts on a target domain	High
787	Admin Panels	inurl:admin intitle:"joomla"	Finds joomla admin login pages	Identify CMS-specific admin panels	Medium
788	Open Directories	intitle:"index of /shared"	Finds open directory listing: index of /shared	Discover exposed file listings on web servers	Medium
789	Login Pages	inurl:cpanel intitle:"sign in"	Finds sign in pages under /cpanel paths	Locate authentication portals for testing	Medium
790	Login Pages	inurl:adminer intitle:"client login"	Finds client login pages under /adminer paths	Locate authentication portals for testing	Medium
791	Sensitive Information Exposure	intext:"salary" filetype:doc	Finds Word documents containing "salary"	Detect sensitive data in shared documents	High
792	Config Files	filetype:yml intext:"db_password" OR intext:"database_password"	Finds .yml files with database password fields	Identify exposed database configurations	High
793	Advanced Search Operators	inurl:budget filetype:txt	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
794	File Discovery	filetype:doc intitle:"survey"	Finds doc files titled with "survey"	Research survey documents in doc format	Low
795	Email & Contact Discovery	site:example2.com filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
796	Cloud Storage	site:box.com filetype:pdf "internal use only"	Finds internal-use PDFs on Box	Detect accidental public sharing of internal	High
797	Basic Operators	allintext:"technology"	Finds pages where all words appear in text	Narrow content-based search	Low
798	Backup Files	site:example2.info filetype:old	Finds .old backup files on example2.info	Locate backup artifacts on a target domain	High
799	Basic Operators	allintext:"thesis"	Finds pages where all words appear in text	Narrow content-based search	Low
800	Sensitive Information Exposure	intext:"api secret" filetype:xls	Finds Excel files containing "api secret"	Detect sensitive data in spreadsheets	High
801	OSINT Queries	site:example1.com intext:"conference speaker"	Finds pages listing "conference speaker"	Map organizational personnel for research	Low
802	Admin Panels	inurl:adminpanel intext:"drupal" intitle:"login"	Finds drupal login pages under /adminpanel	Identify CMS admin backend by platform	Medium
803	Admin Panels	intitle:"admin panel" inurl:dashboard	Finds pages titled admin panel under /dashboard	Locate CMS/admin backend interfaces	Medium
804	Config Files	filetype:ini intext:"db_password" OR intext:"database_password"	Finds .ini files with database password fields	Identify exposed database configurations	High
805	Cloud Storage	site:onedrive.live.com filetype:pdf "internal use only"	Finds internal-use PDFs on OneDrive	Detect accidental public sharing of internal	High
806	Login Pages	inurl:admin1 intitle:"intranet login"	Finds intranet login pages under /admin1 paths	Locate authentication portals for testing	Medium
807	API Keys & Credentials	intext:"consumer_key" site:gitlab.com	Finds GitLab repos exposing consumer_key	Detect accidental credential commits online	High
808	Admin Panels	inurl:admin1 intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /admin1	Identify CMS admin backend by platform	Medium
809	Login Pages	inurl:admin1 intitle:"portal login"	Finds portal login pages under /admin1 paths	Locate authentication portals for testing	Medium
810	Backup Files	site:example3.org filetype:tar	Finds .tar backup files on example3.org	Locate backup artifacts on a target domain	High
811	Database Files	filetype:sql intext:"subscriptions"	Finds sql dumps referencing "subscriptions" data	Identify exposed subscriptions records	High
812	Cloud Storage	site:trello.com filetype:pdf "internal use only"	Finds internal-use PDFs on Trello	Detect accidental public sharing of internal	High
813	File Discovery	filetype:txt intext:"legal" intitle:"confidential"	Finds txt files marked confidential in legal sector	Sector-focused document research: legal	Medium
814	File Discovery	filetype:csv intitle:"report"	Finds csv files titled with "report"	Research report documents in csv format	Low
815	Basic Operators	allinurl:syllabus	Finds pages where all words appear in URL	Narrow URL-based search	Low
816	Sensitive Information Exposure	intext:"smtp password" filetype:pdf	Finds PDF files containing "smtp password"	Detect sensitive data in PDF reports	High
817	File Discovery	filetype:xlsx intitle:"technical specification"	Finds xlsx files titled with "technical specification"	Research technical specification documents	Low
818	Config Files	site:example2.info filetype:xml	Finds .xml configuration files on example2.info	Locate configuration exposure on a target	High
819	Backup Files	site:example1.co filetype:7z	Finds .7z backup files on example1.co	Locate backup artifacts on a target domain	High
820	API Keys & Credentials	intext:"database_url" site:pastebin.com	Finds pastes exposing database_url	Monitor for leaked credentials online	High
821	File Discovery	filetype:xls intitle:"research"	Finds xls files titled with "research"	Research research documents in xls format	Low
822	Admin Panels	inurl:adminpanel intext:"wordpress" intitle:"login"	Finds wordpress login pages under /adminpanel	Identify CMS admin backend by platform	Medium
823	OSINT Queries	site:example1.com intext:"about us"	Finds pages listing "about us"	Map organizational personnel for research	Low
824	Sensitive Information Exposure	intext:"password" filetype:txt	Finds text files containing "password"	Detect accidental exposure of sensitive	High
825	File Discovery	filetype:csv intext:"nonprofit" intitle:"confidential"	Finds csv files marked confidential in nonprofit sector	Sector-focused document research: nonprofit	Medium
826	Logs & Debug Files	intext:"crash report" filetype:log	Finds log files containing "crash report"	Identify debug information disclosures	Medium
827	Backup Files	site:example2.io filetype:gzip	Finds .gzip backup files on example2.io	Locate backup artifacts on a target domain	High
828	Cloud Storage	site:trello.com intext:"password"	Finds Trello links containing "password"	Detect leaked credentials on cloud storage	High
829	Admin Panels	inurl:admin_area intext:"shopify" intitle:"login"	Finds shopify login pages under /admin_area	Identify CMS admin backend by platform	Medium
830	Backup Files	site:example1.net filetype:tar	Finds .tar backup files on example1.net	Locate backup artifacts on a target domain	High
831	Error Messages	intext:"microsoft oledb provider"	Finds pages displaying: microsoft oledb provider	Identify misconfigured or vulnerable applications	Medium
832	Cloud Storage	site:blob.core.windows.net intitle:"confidential"	Finds Azure Blob Storage files marked confidential	Detect improperly shared sensitive files	High
833	Sensitive Information Exposure	intext:"default password" filetype:log	Finds log files containing "default password"	Detect sensitive data leaked in logs	High
834	File Discovery	filetype:csv intitle:"guide"	Finds csv files titled with "guide"	Research guide documents in csv format	Low
835	Login Pages	inurl:adminpanel intitle:"user login"	Finds user login pages under /adminpanel paths	Locate authentication portals for testing	Medium
836	Sensitive Information Exposure	intext:"bearer token" site:pastebin.com	Finds Pastebin posts containing "bearer token"	Monitor public paste sites for leaked data	High
837	Admin Panels	intitle:"admin panel" inurl:signin	Finds pages titled admin panel under /signin	Locate CMS/admin backend interfaces	Medium
838	API Keys & Credentials	intext:"database_url" filetype:log	Finds log files exposing database_url	Detect leaked credentials in log output	High
839	Login Pages	site:example1.edu inurl:administrator/index.php	Finds joomla login page on example1.edu	Locate joomla-specific login endpoint	Medium
840	OSINT Queries	site:facebook.com "resume" OR "cv"	Finds resumes/CVs shared on Facebook	Research professional background information	Low
841	Open Directories	intitle:"index of" ".pptx"	Finds open directories listing .pptx files	Discover exposed .pptx files via direct	Medium
842	File Discovery	filetype:rtf intitle:"whitepaper"	Finds rtf files titled with "whitepaper"	Research whitepaper documents in rtf	Low
843	API Keys & Credentials	intext:"api_key" site:gitlab.com	Finds GitLab repos exposing api_key	Detect accidental credential commits online	High
844	Admin Panels	inurl:superadmin intext:"username" intext:"password"	Finds admin panels under /superadmin with login fields	Identify exposed administrative interfaces	Medium
845	Advanced Search Operators	intitle:"financial statement" filetype:csv	Combines title keyword and filetype filters	Find titled documents of a type	Low
846	File Discovery	filetype:ppt intitle:"meeting minutes"	Finds ppt files titled with "meeting minutes"	Research meeting minutes documents	Low
847	API Keys & Credentials	intext:"firebase_apikey" site:pastebin.com	Finds pastes exposing firebase_apikey	Monitor for leaked credentials online	High
848	Open Directories	intitle:"index of" ".txt"	Finds open directories listing .txt files	Discover exposed .txt files via directory	Medium
849	Sensitive Information Exposure	intext:"passport number" site:pastebin.com	Finds Pastebin posts containing "passport number"	Monitor public paste sites for leaked data	High
850	Backup Files	site:example2.io filetype:zip	Finds .zip backup files on example2.io	Locate backup artifacts on a target domain	High
851	Login Pages	inurl:wp-login.php intitle:"admin login"	Finds admin login pages under /wp-login.php paths	Locate authentication portals for testing	Medium
852	Open Directories	intitle:"index of" "/grades"	Finds open directory listing: index of /grades	Discover exposed file listings on web servers	Medium
853	Advanced Search Operators	policy -site:example1.edu	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
854	Basic Operators	allintext:"syllabus"	Finds pages where all words appear in text	Narrow content-based search	Low
855	Advanced Search Operators	manual -site:example1.gov	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
856	Database Files	filetype:sql intext:"logins"	Finds sql dumps referencing "logins" data	Identify exposed logins records	High

857	File Discovery	filetype:txt intext:"hospitality" intitle:"confidential"	Finds txt files marked confidential in hospitality sector	Sector-focused document research: hc	Medium
858	Advanced Search Operators	site:example2.edu filetype:ods	Combines domain and filetype filters	Find specific file types on a target site	Low
859	Basic Operators	allinurl:policy	Finds pages where all words appear in URL	Narrow URL-based search	Low
860	Config Files	site:example2.org filetype:conf	Finds .conf configuration files on example2.org	Locate configuration exposure on a target	High
861	Admin Panels	inurl:adminpanel intext:"typo3" intitle:"login"	Finds typo3 login pages under /adminpanel	Identify CMS admin backend by platform	Medium
862	Advanced Search Operators	site:example2.co intitle:"thesis"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
863	File Discovery	filetype:rtf site:.co	Finds rtf files hosted on .co domains	Sector-specific document discovery on	Low
864	Admin Panels	inurl:cpanel intext:"wordpress" intitle:"login"	Finds wordpress login pages under /cpanel	Identify CMS admin backend by platform	Medium
865	Bug Bounty / Security Testing	intitle:"burp suite" filetype:log	Finds exposed Burp Suite log files	Identify leaked pentest artifacts	High
866	Admin Panels	inurl:console intext:"username" intext:"password"	Finds admin panels under /console with login fields	Identify exposed administrative interfaces	Medium
867	Login Pages	inurl:admin intitle:"client login"	Finds client login pages under /admin paths	Locate authentication portals for testing	Medium
868	Database Files	filetype:sqlite intext:"tickets"	Finds sqlite dumps referencing "tickets" data	Identify exposed tickets records	High
869	Email & Contact Discovery	filetype:docx intext:"@gmail.com"	Finds docx files listing Gmail addresses	Gather email addresses for research	Medium
870	Cloud Storage	site:sharepoint.com inurl:folder	Finds SharePoint shared folder links	Discover exposed shared folders	Medium
871	Backup Files	site:example2.net filetype:backup	Finds .backup backup files on example2.net	Locate backup artifacts on a target domain	High
872	Login Pages	inurl:wp-login.php intitle:"dashboard login"	Finds dashboard login pages under /wp-login.php paths	Locate authentication portals for testing	Medium
873	Error Messages	intext:"warning: mysql"	Finds pages displaying: warning: mysql	Identify misconfigured or vulnerable applications	Medium
874	Sensitive Information Exposure	intext:"db_password" filetype:doc	Finds Word documents containing "db_password"	Detect sensitive data in shared documents	High
875	Cloud Storage	site:mega.nz filetype:docx	Finds .docx files shared via Mega	Locate docx files publicly shared on MEGA	Medium
876	Email & Contact Discovery	site:example2.gov intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
877	Bug Bounty / Security Testing	inurl:graphql intitle:"graphql"	Finds exposed GraphQL interfaces	Identify unauthenticated GraphQL endpoints	Medium
878	File Discovery	filetype:pdf intext:"nonprofit" intitle:"confidential"	Finds pdf files marked confidential in nonprofit sector	Sector-focused document research: nc	Medium
879	Sensitive Information Exposure	intext:"routing number" filetype:txt	Finds text files containing "routing number"	Detect accidental exposure of sensitive data	High
880	File Discovery	filetype:ppt site:.info	Finds ppt files hosted on .info domains	Sector-specific document discovery on	Low
881	Sensitive Information Exposure	intext:"private token" site:pastebin.com	Finds Pastebin posts containing "private token"	Monitor public paste sites for leaked data	High
882	Config Files	site:example1.co filetype:config	Finds .config configuration files on example1.co	Locate configuration exposure on a target	High
883	Sensitive Information Exposure	intext:"db_password" filetype:log	Finds log files containing "db_password"	Detect sensitive data leaked in logs	High
884	Login Pages	inurl:admin intitle:"portal login"	Finds portal login pages under /admin paths	Locate authentication portals for testing	Medium
885	Basic Operators	related:example2.gov	Finds sites related to a given domain	Discover similar or competitor sites	Low
886	Login Pages	inurl:administrator intitle:"vpn login"	Finds vpn login pages under /administrator paths	Locate authentication portals for testing	Medium
887	Config Files	inurl:config filetype:ini	Finds configuration files via URL pattern (.ini)	Locate exposed app configuration files	High
888	OSINT Queries	site:example1.gov intext:"conference speaker"	Finds pages listing "conference speaker"	Map organizational personnel for research	Low
889	Error Messages	intext:"fatal error: uncaught exception" filetype:aspx	Finds aspx pages showing "fatal error: uncaught exception"	Locate app errors indicating misconfigurations	Medium
890	API Keys & Credentials	intext:"google_api_key" filetype:json	Finds JSON files exposing google_api_key	Detect leaked credentials in config files	High
891	Sensitive Information Exposure	intext:"internal use only" filetype:txt	Finds text files containing "internal use only"	Detect accidental exposure of sensitive data	High
892	Admin Panels	inurl:admin2 intext:"joomla" intitle:"login"	Finds joomla login pages under /admin2	Identify CMS admin backend by platform	Medium
893	Login Pages	inurl:adminer intitle:"customer login"	Finds customer login pages under /adminer paths	Locate authentication portals for testing	Medium
894	Sensitive Information Exposure	intext:"apikey" filetype:doc	Finds Word documents containing "apikey"	Detect sensitive data in shared documents	High
895	Logs & Debug Files	filetype:err intext:"password"	Finds .err files referencing passwords	Detect credentials leaked in logs	High
896	Backup Files	site:example1.info filetype:tar	Finds .tar backup files on example1.info	Locate backup artifacts on a target domain	High
897	Login Pages	inurl:wp-login.php intitle:"intranet login"	Finds intranet login pages under /wp-login.php paths	Locate authentication portals for testing	Medium
898	File Discovery	filetype:doc intitle:"case study"	Finds doc files titled with "case study"	Research case study documents in documents	Low
899	Basic Operators	link:example1.co	Finds pages that link to a domain	Backlink and reputation research	Low
900	File Discovery	filetype:ods intext:"banking" intitle:"confidential"	Finds ods files marked confidential in banking sector	Sector-focused document research: ba	Medium
901	Advanced Search Operators	intitle:"guide" filetype:ppt	Combines title keyword and filetype filters	Find titled documents of a type	Low
902	File Discovery	filetype:pdf intext:"retail" intitle:"confidential"	Finds pdf files marked confidential in retail sector	Sector-focused document research: re	Medium
903	Basic Operators	site:example3.edu	Restricts results to a specific domain	Scope reconnaissance to a target domain	Low
904	Basic Operators	allinurl:whitepaper	Finds pages where all words appear in URL	Narrow URL-based search	Low
905	Login Pages	inurl:manager intitle:"staff login"	Finds staff login pages under /manager paths	Locate authentication portals for testing	Medium
906	Backup Files	filetype:backup intitle:"backup"	Finds backup files with .backup extension	Identify exposed backup archives	High
907	File Discovery	filetype:xls intext:"military" intitle:"confidential"	Finds xls files marked confidential in military sector	Sector-focused document research: mi	Medium
908	Admin Panels	inurl:staff/admin intext:"username" intext:"password"	Finds admin panels under /staff/admin with login fields	Identify exposed administrative interfaces	Medium
909	Login Pages	site:example1.org inurl:administrator/index.php	Finds joomla login page on example1.org	Locate joomla-specific login endpoint	Medium
910	File Discovery	filetype:csv site:.net	Finds csv files hosted on .net domains	Sector-specific document discovery on	Low
911	Database Files	filetype:dbf intext:"reviews"	Finds dbf dumps referencing "reviews" data	Identify exposed reviews records	High
912	Cloud Storage	site:drive.google.com filetype:pdf	Finds .pdf files shared via Google Drive	Locate pdf files publicly shared on Google	Medium
913	Advanced Search Operators	site:example2.io intext:"syllabus" filetype:doc	Triple filter: domain, content, filetype	Highly targeted document search	Low
914	Login Pages	inurl:admin1 intitle:"sign in"	Finds sign in pages under /admin1 paths	Locate authentication portals for testing	Medium
915	OSINT Queries	site:example1.edu intext:"alumni directory"	Finds pages listing "alumni directory"	Map organizational personnel for research	Low
916	Logs & Debug Files	site:example2.co filetype:log	Finds .log files on example2.co	Locate exposed log files on a target domain	Medium
917	Sensitive Information Exposure	intext:"master password" site:pastebin.com	Finds Pastebin posts containing "master password"	Monitor public paste sites for leaked data	High
918	Login Pages	inurl:adminpanel intitle:"staff login"	Finds staff login pages under /adminpanel paths	Locate authentication portals for testing	Medium
919	Error Messages	intext:"internal server error" filetype:php	Finds php pages showing "internal server error"	Locate app errors indicating misconfigurations	Medium
920	Backup Files	filetype:backup "daily backup"	Finds "daily backup" files of type .backup	Identify categorized backup file exposures	High
921	Backup Files	site:example3.com filetype:7z	Finds .7z backup files on example3.com	Locate backup artifacts on a target domain	High
922	Logs & Debug Files	inurl:log filetype:log	Finds log files via URL pattern (.log)	Locate exposed server or app logs	Medium
923	API Keys & Credentials	intext:"mailgun_api_key" filetype:json	Finds JSON files exposing mailgun_api_key	Detect leaked credentials in config files	High
924	Email & Contact Discovery	site:example2.gov filetype:vcf	Finds VCard contact files	Identify exposed contact card files	Medium
925	Backup Files	site:example2.io filetype:rar	Finds .rar backup files on example2.io	Locate backup artifacts on a target domain	High
926	File Discovery	filetype:odt intitle:"report"	Finds odt files titled with "report"	Research report documents in odt format	Low
927	Sensitive Information Exposure	intext:"routing number" filetype:doc	Finds Word documents containing "routing number"	Detect sensitive data in shared documents	High
928	Open Directories	intitle:"index of" " .git" -inurl:htm -inurl:html	Finds directory listings related to .git	Locate exposed folders excluding norm	Medium
929	Open Directories	intitle:"index of /wp-content/uploads"	Finds open directory listing: index of /wp-content/uploads	Discover exposed file listings on websites	Medium
930	Error Messages	intext:"runtime error"	Finds pages displaying: runtime error	Identify misconfigured or vulnerable applications	Medium
931	Login Pages	site:example1.org inurl:admin/login	Finds django login page on example1.org	Locate django-specific login endpoint	Medium
932	Admin Panels	inurl:admincp intext:"typo3" intitle:"login"	Finds typo3 login pages under /admincp	Identify CMS admin backend by platform	Medium
933	Sensitive Information Exposure	intext:"smtp password" filetype:xls	Finds Excel files containing "smtp password"	Detect sensitive data in spreadsheets	High
934	Basic Operators	filetype:txt	Finds files of a specific type across the web	Locate specific document formats	Low

935	Backup Files	site:example3.net filetype:backup	Finds .backup backup files on example3.net	Locate backup artifacts on a target dor	High
936	File Discovery	filetype:rtf site:.org	Finds rtf files hosted on .org domains	Sector-specific document discovery on	Low
937	Config Files	site:example2.net filetype:env	Finds .env configuration files on example2.net	Locate configuration exposure on a tar	High
938	OSINT Queries	site:pastebin.com intext:"phone number"	Finds Pastebin pages listing phone numbers	Locate publicly shared contact number	Medium
939	Sensitive Information Exposure	intext:"auth key" filetype:xls	Finds Excel files containing "auth key"	Detect sensitive data in spreadsheets	High
940	Error Messages	intext:"unhandled exception"	Finds pages displaying: unhandled exception	Identify misconfigured or vulnerable ap	Medium
941	OSINT Queries	filetype:doc intitle:"resume" intext:"linkedin.com"	Finds resume files in doc format linking LinkedIn	Research professional profiles with link	Low
942	File Discovery	filetype:odt intitle:"presentation"	Finds odt files titled with "presentation"	Research presentation documents in o	Low
943	File Discovery	filetype:doc intitle:"dissertation"	Finds doc files titled with "dissertation"	Research dissertation documents in dc	Low
944	Database Files	inurl:sqlite filetype:sqlite	Finds files with sqlite in URL and filetype	Locate database files via naming patte	High
945	File Discovery	filetype:doc intext:"retail" intitle:"confidential"	Finds doc files marked confidential in retail sector	Sector-focused document research: re	Medium
946	API Keys & Credentials	intext:"private_key" filetype:env	Finds .env files exposing private_key	Detect leaked API credentials	High
947	Advanced Search Operators	site:example1.org intext:"research" filetype:doc	Triple filter: domain, content, filetype	Highly targeted document search	Low
948	Basic Operators	site:example3.org	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
949	Email & Contact Discovery	filetype:xls intext:"@gmail.com"	Finds xls files listing Gmail addresses	Gather email addresses for research	Medium
950	Database Files	filetype:db intext:"appointments" data	Finds db dumps referencing "appointments" data	Identify exposed appointments records	High
951	Sensitive Information Exposure	intext:"client_secret" site:pastebin.com	Finds Pastebin posts containing "client_secret"	Monitor public paste sites for leaked d	High
952	Sensitive Information Exposure	intext:"id_rsa" filetype:doc	Finds Word documents containing "id_rsa"	Detect sensitive data in shared docum	High
953	Database Files	filetype:dbf intext:"sessions" data	Finds dbf dumps referencing "sessions" data	Identify exposed sessions records	High
954	Config Files	site:example2.co filetype:yml	Finds .yml configuration files on example2.co	Locate configuration exposure on a tar	High
955	File Discovery	filetype:txt intitle:"thesis"	Finds txt files titled with "thesis"	Research thesis documents in txt form	Low
956	Backup Files	filetype:gz intitle:"backup"	Finds backup files with .gz extension	Identify exposed backup archives	High
957	API Keys & Credentials	intext:"paypal_client_id" filetype:json	Finds JSON files exposing paypal_client_id	Detect leaked credentials in config files	High
958	Sensitive Information Exposure	intext:"confidential" site:pastebin.com	Finds Pastebin posts containing "confidential"	Monitor public paste sites for leaked d	High
959	Logs & Debug Files	site:example1.edu filetype:log	Finds .log files on example1.edu	Locate exposed log files on a target dc	Medium
960	File Discovery	filetype:odt intitle:"annual report"	Finds odt files titled with "annual report"	Research annual report documents in	Low
961	Database Files	filetype:db intext:"payments" data	Finds db dumps referencing "payments" data	Identify exposed payments records	High
962	File Discovery	filetype:csv intext:"banking" intitle:"confidential"	Finds csv files marked confidential in banking sector	Sector-focused document research: ba	Medium
963	Login Pages	site:example2.org inurl:wp-login.php	Finds wordpress login page on example2.org	Locate wordpress-specific login endpo	Medium
964	Login Pages	inurl:phpmyadmin intitle:"vpn login"	Finds vpn login pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
965	Login Pages	intext:"signin" inurl:secure	Finds secure signin pages	Identify secure authentication endpoint	Medium
966	Login Pages	inurl:admin_area intitle:"dashboard login"	Finds dashboard login pages under /admin_area pa	Locate authentication portals for testin	Medium
967	Backup Files	site:example2.com filetype:old	Finds .old backup files on example2.com	Locate backup artifacts on a target dor	High
968	Bug Bounty / Security Testing	inurl:api-docs	Finds exposed API documentation pages	Map API surface for authorized testing	Medium
969	Cloud Storage	site:drive.google.com filetype:zip	Finds .zip files shared via Google Drive	Locate zip files publicly shared on Goo	Medium
970	Admin Panels	inurl:wp-admin intext:"shopify" intitle:"login"	Finds shopify login pages under /wp-admin	Identify CMS admin backend by platfor	Medium
971	Basic Operators	related:example2.co	Finds sites related to a given domain	Discover similar or competitor sites	Low
972	File Discovery	filetype:pptx intitle:"annual report"	Finds pptx files titled with "annual report"	Research annual report documents in	Low
973	Email & Contact Discovery	site:example2.io intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
974	Error Messages	intext:"error on line" filetype:aspx	Finds aspx pages showing "error on line"	Locate app errors indicating misconfig	Medium
975	Email & Contact Discovery	site:example1.io intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
976	OSINT Queries	filetype:docx intitle:"curriculum vitae" intext:"linkedin.com"	Finds curriculum vitae files in docx format linking Lin	Research professional profiles with link	Low
977	File Discovery	filetype:txt intitle:"report"	Finds txt files titled with "report"	Research report documents in txt form	Low
978	Sensitive Information Exposure	intext:"connection string" filetype:doc	Finds Word documents containing "connection string"	Detect sensitive data in shared docum	High
979	Config Files	site:example3.net filetype:conf	Finds .conf configuration files on example3.net	Locate configuration exposure on a tar	High
980	Admin Panels	inurl:admin1 intext:"magento" intitle:"login"	Finds magento login pages under /admin1	Identify CMS admin backend by platfor	Medium
981	Open Directories	intitle:"index of" "backup" -inurl:html -inurl:html	Finds directory listings related to backup	Locate exposed folders excluding norm	Medium
982	Logs & Debug Files	filetype:err intext:"error"	Finds .err files containing errors	Identify exposed application logs	Medium
983	Backup Files	site:example1.io filetype:tar	Finds .tar backup files on example1.io	Locate backup artifacts on a target dor	High
984	Sensitive Information Exposure	intext:"salary" filetype:xls	Finds Excel files containing "salary"	Detect sensitive data in spreadsheets	High
985	API Keys & Credentials	intext:"heroku_api_key" filetype:log	Finds log files exposing heroku_api_key	Detect leaked credentials in log output	High
986	Sensitive Information Exposure	intext:"auth key" filetype:txt	Finds text files containing "auth key"	Detect accidental exposure of sensitive	High
987	Error Messages	intext:"debug mode enabled" filetype:jsp	Finds jsp pages showing "debug mode enabled"	Locate app errors indicating misconfig	Medium
988	Database Files	filetype:sql intext:"tickets" data	Finds sql dumps referencing "tickets" data	Identify exposed tickets records	High
989	Sensitive Information Exposure	intext:"wp-config" filetype:log	Finds log files containing "wp-config"	Detect sensitive data leaked in logs	High
990	Admin Panels	intitle:"admin panel" inurl:administrator	Finds pages titled admin panel under /administrator	Locate CMS/admin backend interfaces	Medium
991	File Discovery	filetype:rtf intext:"healthcare" intitle:"confidential"	Finds rtf files marked confidential in healthcare secto	Sector-focused document research: he	Medium
992	Open Directories	intitle:"index of" /passwords"	Finds open directory listing: index of /passwords	Discover exposed file listings on web s	High
993	Admin Panels	inurl:wp-login.php intext:"prestashop" intitle:"login"	Finds prestashop login pages under /wp-login.php	Identify CMS admin backend by platfor	Medium
994	Email & Contact Discovery	site:example1.edu filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
995	Login Pages	site:example2.com inurl:admin	Finds magento login page on example2.com	Locate magento-specific login endpoint	Medium
996	API Keys & Credentials	intext:"npm_token" filetype:xml	Finds XML files exposing npm_token	Detect leaked credentials in XML confi	High
997	API Keys & Credentials	intext:"auth_token" filetype:env	Finds .env files exposing auth_token	Detect leaked API credentials	High
998	Error Messages	intext:"warning: require_once" filetype:asp	Finds asp pages showing "warning: require_once"	Locate app errors indicating misconfig	Medium
999	File Discovery	filetype:xlsx intext:"manufacturing" intitle:"confidential"	Finds xlsx files marked confidential in manufacturing	Sector-focused document research: m	Medium
1000	Login Pages	inurl:admin intitle:"vpn login"	Finds vpn login pages under /admin paths	Locate authentication portals for testin	Medium
1001	Admin Panels	inurl:admin2 intext:"sitecore" intitle:"login"	Finds sitecore login pages under /admin2	Identify CMS admin backend by platfor	Medium
1002	Login Pages	site:example1.io inurl:admin/login	Finds django login page on example1.io	Locate django-specific login endpoint	Medium
1003	Basic Operators	cache:example2.gov	Shows Google's cached version of a page	View archived version of a page	Low
1004	API Keys & Credentials	intext:"aws_access_key_id" filetype:yml	Finds YAML files exposing aws_access_key_id	Detect leaked credentials in YAML con	High
1005	OSINT Queries	site:twitter.com "email" "contact"	Finds Twitter/X profiles listing contact emails	Gather public contact info for research	Low
1006	Config Files	site:example2.edu filetype:ini	Finds .ini configuration files on example2.edu	Locate configuration exposure on a tar	High
1007	Login Pages	inurl:admin_area intitle:"signin"	Finds signin pages under /admin_area paths	Locate authentication portals for testin	Medium
1008	Database Files	filetype:db intext:"reviews" data	Finds db dumps referencing "reviews" data	Identify exposed reviews records	High
1009	File Discovery	filetype:xls intext:"education" intitle:"confidential"	Finds xls files marked confidential in education secto	Sector-focused document research: ec	Medium
1010	File Discovery	filetype:doc intext:"legal" intitle:"confidential"	Finds doc files marked confidential in legal sector	Sector-focused document research: le	Medium
1011	File Discovery	filetype:csv intext:"manufacturing" intitle:"confidential"	Finds csv files marked confidential in manufacturing	Sector-focused document research: m	Medium
1012	OSINT Queries	site:about.me "email" "contact"	Finds About.me profiles listing contact emails	Gather public contact info for research	Low

1013	File Discovery	filetype:pdf intitle:"manual"	Finds pdf files titled with "manual"	Research manual documents in pdf for Low
1014	Config Files	site:example2.gov filetype:ini	Finds .ini configuration files on example2.gov	Locate configuration exposure on a tar High
1015	Advanced Search Operators	budget OR "finance" site:example2.org	Finds pages matching either keyword on a domain	Broaden search across synonyms Low
1016	Database Files	filetype:dbf intext:"appointments"	Finds dbf dumps referencing "appointments" data	Identify exposed appointments records High
1017	Database Files	inurl:sql filetype:sql	Finds files with sql in URL and filetype	Locate database files via naming patte High
1018	Basic Operators	allinurl:presentation	Finds pages where all words appear in URL	Narrow URL-based search Low
1019	File Discovery	filetype:rtf intitle:"manual"	Finds rtf files titled with "manual"	Research manual documents in rtf for Low
1020	Sensitive Information Exposure	intext:"encryption key" filetype:txt	Finds text files containing "encryption key"	Detect accidental exposure of sensitive High
1021	Admin Panels	intitle:"admin panel" inurl:/siteadmin	Finds pages titled admin panel under /siteadmin	Locate CMS/admin backend interfaces Medium
1022	File Discovery	filetype:pdf intitle:"technical specification"	Finds pdf files titled with "technical specification"	Research technical specification docu Low
1023	Basic Operators	intitle:meeting minutes	Finds pages with keyword in the title	Identify pages focused on a topic Low
1024	Sensitive Information Exposure	intext:"secret" filetype:xls	Finds Excel files containing "secret"	Detect sensitive data in spreadsheets High
1025	Login Pages	inurl:backend intitle:"login"	Finds login pages under /backend paths	Locate authentication portals for testi Medium
1026	Open Directories	intitle:"index of /photos"	Finds open directory listing: index of /photos	Discover exposed file listings on web s Medium
1027	File Discovery	filetype:pdf intext:"legal" intitle:"confidential"	Finds pdf files marked confidential in legal sector	Sector-focused document research: le Medium
1028	Advanced Search Operators	site:example1.edu inurl:policy	Combines domain and URL keyword filters	Locate specific URL patterns on a site Low
1029	Login Pages	inurl:/admin intitle:"member login"	Finds member login pages under /admin paths	Locate authentication portals for testi Medium
1030	Basic Operators	allintext:"policy"	Finds pages where all words appear in text	Narrow content-based search Low
1031	Basic Operators	site:example3.com	Restricts results to a specific domain	Scope reconnaissance to a target dom Low
1032	Sensitive Information Exposure	intext:"passwd" filetype:log	Finds log files containing "passwd"	Detect sensitive data leaked in logs High
1033	Cloud Storage	site:notion.site filetype:docx	Finds .docx files shared via Notion	Locate docx files publicly shared on N Medium
1034	Login Pages	inurl:/wp-admin intitle:"admin login"	Finds admin login pages under /wp-admin paths	Locate authentication portals for testi Medium
1035	Backup Files	site:example3.net filetype:bak	Finds .bak backup files on example3.net	Locate backup artifacts on a target dor High
1036	API Keys & Credentials	intext:"slack_token" site:gitlab.com	Finds GitLab repos exposing slack_token	Detect accidental credential commits o High
1037	Basic Operators	intext:"thesis"	Finds pages containing exact phrase in body text	Search page content for a phrase Low
1038	Database Files	filetype:db intext:"subscriptions"	Finds db dumps referencing "subscriptions" data	Identify exposed subscriptions records High
1039	API Keys & Credentials	intext:"jwt_secret" site:github.com	Finds GitHub repos exposing jwt_secret	Detect accidental credential commits High
1040	Sensitive Information Exposure	intext:"root_password" filetype:txt	Finds text files containing "root_password"	Detect accidental exposure of sensitive High
1041	OSINT Queries	site:xing.com "resume" OR "cv"	Finds resumes/CVs shared on Xing	Research professional background info Low
1042	Admin Panels	inurl:/adminpanel intext:"username" intext:"password"	Finds admin panels under /adminpanel with login fie	Identify exposed administrative interf Medium
1043	Open Directories	intitle:"index of" "assets" -inurl:htm -inurl:html	Finds directory listings related to assets	Locate exposed folders excluding norm Medium
1044	File Discovery	filetype:doc intext:"logistics" intitle:"confidential"	Finds doc files marked confidential in logistics secto	Sector-focused document research: lo Medium
1045	Login Pages	site:example1.gov inurl:/wp-login.php	Finds wordpress login page on example1.gov	Locate wordpress-specific login endpo Medium
1046	Open Directories	intitle:"index of" "tmp"	Finds open directories listing .tmp files	Discover exposed .tmp files via directo Medium
1047	Config Files	site:example1.co filetype:ini	Finds .ini configuration files on example1.co	Locate configuration exposure on a tar High
1048	Login Pages	inurl:/admin intitle:"webmail login"	Finds webmail login pages under /admin paths	Locate authentication portals for testi Medium
1049	Login Pages	site:example1.gov inurl:/admin	Finds magento login page on example1.gov	Locate magento-specific login endpoint Medium
1050	API Keys & Credentials	intext:"slack_token" filetype:yml	Finds YAML files exposing slack_token	Detect leaked credentials in YAML con High
1051	Cloud Storage	site:docs.google.com filetype:pdf	Finds .pdf files shared via Google Docs	Locate pdf files publicly shared on Goc Medium
1052	Admin Panels	inurl:/adminpanel intext:"sitecore" intitle:"login"	Finds sitecore login pages under /adminpanel	Identify CMS admin backend by platfor Medium
1053	OSINT Queries	site:stackoverflow.com intext:"phone number"	Finds Stack Overflow pages listing phone numbers	Locate publicly shared contact number Medium
1054	Admin Panels	inurl:/cpanel intext:"opencart" intitle:"login"	Finds opencart login pages under /cpanel	Identify CMS admin backend by platfor Medium
1055	Backup Files	filetype:gz "system backup"	Finds "system backup" files of type .gz	Identify categorized backup file expos High
1056	File Discovery	filetype:ppt intitle:"press release"	Finds ppt files titled with "press release"	Research press release documents in Low
1057	Login Pages	inurl:/admin intitle:"sign in"	Finds sign in pages under /admin paths	Locate authentication portals for testi Medium
1058	Open Directories	intitle:"index of" "clients" -inurl:htm -inurl:html	Finds directory listings related to clients	Locate exposed folders excluding norm Medium
1059	Sensitive Information Exposure	intext:"users table" filetype:txt	Finds text files containing "users table"	Detect accidental exposure of sensitive High
1060	File Discovery	filetype:rtf intitle:"retail" intitle:"confidential"	Finds rtf files marked confidential in retail sector	Sector-focused document research: re Medium
1061	Basic Operators	allinurl:guide	Finds pages where all words appear in URL	Narrow URL-based search Low
1062	Advanced Search Operators	login OR "signin" site:example1.net	Finds pages matching either keyword on a domain	Broaden search across synonyms Low
1063	OSINT Queries	site:example1.gov intext:"team members"	Finds pages listing "team members"	Map organizational personnel for rese Low
1064	Admin Panels	inurl:/admin_area intext:"drupal" intitle:"login"	Finds drupal login pages under /admin_area	Identify CMS admin backend by platfor Medium
1065	Database Files	filetype:sqlite intext:"create table"	Finds sqlite files with table definitions	Identify exposed database schema file High
1066	Backup Files	filetype:gz "website backup"	Finds "website backup" files of type .gz	Identify categorized backup file expos High
1067	Login Pages	inurl:/cpanel intitle:"employee login"	Finds employee login pages under /cpanel paths	Locate authentication portals for testi Medium
1068	Cloud Storage	site:box.com filetype:pdf	Finds .pdf files shared via Box	Locate pdf files publicly shared on Box Medium
1069	Login Pages	inurl:/cpanel intitle:"intranet login"	Finds intranet login pages under /cpanel paths	Locate authentication portals for testi Medium
1070	Basic Operators	allintext:"report"	Finds pages where all words appear in text	Narrow content-based search Low
1071	Login Pages	inurl:/adminpanel intitle:"remote login"	Finds remote login pages under /adminpanel paths	Locate authentication portals for testi Medium
1072	Config Files	intitle:"app.config" OR inurl:"app.config"	Finds files related to "app.config"	Identify common configuration file expc High
1073	Sensitive Information Exposure	intext:"wp-config" filetype:doc	Finds Word documents containing "wp-config"	Detect sensitive data in shared docum High
1074	Backup Files	filetype:bak "www backup"	Finds "www backup" files of type .bak	Identify categorized backup file expos High
1075	File Discovery	filetype:rtf site:.gov	Finds rtf files hosted on .gov domains	Sector-specific document discovery on Low
1076	Cloud Storage	site:pastebin.com filetype:csv	Finds .csv files shared via Pastebin	Locate csv files publicly shared on Pas Medium
1077	Config Files	filetype:yaml intext:"db_password" OR intext:"database_p	Finds .yaml files with database password fields	Identify exposed database configuratio High
1078	Backup Files	filetype:tar "system backup"	Finds "system backup" files of type .tar	Identify categorized backup file expos High
1079	File Discovery	filetype:xls intext:"energy" intitle:"confidential"	Finds xls files marked confidential in energy sector	Sector-focused document research: er Medium
1080	Admin Panels	inurl:/admin2 intext:"magento" intitle:"login"	Finds magento login pages under /admin2	Identify CMS admin backend by platfor Medium
1081	Sensitive Information Exposure	intext:"private_key" filetype:log	Finds log files containing "private_key"	Detect sensitive data leaked in logs High
1082	Login Pages	inurl:/admin intitle:"secure login"	Finds secure login pages under /admin paths	Locate authentication portals for testi Medium
1083	Backup Files	filetype:zip "site backup"	Finds "site backup" files of type .zip	Identify categorized backup file expos High
1084	Error Messages	intext:"fatal error: uncaught exception"	Finds pages displaying: fatal error: uncaught except	Identify misconfigured or vulnerable ap Medium
1085	File Discovery	filetype:xls intext:"retail" intitle:"confidential"	Finds xls files marked confidential in retail sector	Sector-focused document research: re Medium
1086	API Keys & Credentials	intext:"consumer_key" filetype:log	Finds log files exposing consumer_key	Detect leaked credentials in log output High
1087	Basic Operators	link:example1.com	Finds pages that link to a domain	Backlink and reputation research Low
1088	Backup Files	filetype:old "www backup"	Finds "www backup" files of type .old	Identify categorized backup file expos High
1089	File Discovery	filetype:odt intitle:"user manual"	Finds odt files titled with "user manual"	Research user manual documents in o Low
1090	File Discovery	filetype:docx intext:"manufacturing" intitle:"confidential"	Finds docx files marked confidential in manufacturin	Sector-focused document research: m Medium

1091	File Discovery	filetype:ppt intitle:"proposal"	Finds ppt files titled with "proposal"	Research proposal documents in ppt f	Low
1092	Login Pages	inurl:/dashboard intitle:"portal login"	Finds portal login pages under /dashboard paths	Locate authentication portals for testin	Medium
1093	File Discovery	filetype:ods intitle:"budget"	Finds ods files titled with "budget"	Research budget documents in ods for	Low
1094	File Discovery	filetype:odt intitle:"whitepaper"	Finds odt files titled with "whitepaper"	Research whitepaper documents in od	Low
1095	Login Pages	inurl:/dashboard intitle:"admin login"	Finds admin login pages under /dashboard paths	Locate authentication portals for testin	Medium
1096	API Keys & Credentials	intext:"encryption_key" site:github.com	Finds GitHub repos exposing encryption_key	Detect accidental credential commits	High
1097	OSINT Queries	site:example1.org intext:"conference speaker"	Finds pages listing "conference speaker"	Map organizational personnel for rese	Low
1098	File Discovery	filetype:docx intitle:"report"	Finds docx files titled with "report"	Research report documents in docx fo	Low
1099	Backup Files	site:example2.gov filetype:old	Finds .old backup files on example2.gov	Locate backup artifacts on a target dor	High
1100	API Keys & Credentials	intext:"github_token" filetype:env	Finds .env files exposing github_token	Detect leaked API credentials	High
1101	OSINT Queries	site:vk.com "resume" OR "cv"	Finds resumes/CVs shared on VKontakte	Research professional background info	Low
1102	Basic Operators	intitle:technology	Finds pages with keyword in the title	Identify pages focused on a topic	Low
1103	Bug Bounty / Security Testing	inurl:/svn/entries	Finds exposed SVN metadata files	Identify leaked version control data	High
1104	File Discovery	filetype:txt site:.gov	Finds txt files hosted on .gov domains	Sector-specific document discovery on	Low
1105	Sensitive Information Exposure	intext:"account number" filetype:xls	Finds Excel files containing "account number"	Detect sensitive data in spreadsheets	High
1106	OSINT Queries	site:linkedin.com "email" "contact"	Finds LinkedIn profiles listing contact emails	Gather public contact info for research	Low
1107	Advanced Search Operators	inurl:/thesis filetype:docx	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
1108	Login Pages	intitle:"intranet login" inurl:/secure	Finds secure intranet login pages	Identify secure authentication endpoint	Medium
1109	Login Pages	site:example1.info inurl:/users/sign_in	Finds rails login page on example1.info	Locate rails-specific login endpoint	Medium
1110	Backup Files	site:example1.com filetype:zip	Finds .zip backup files on example1.com	Locate backup artifacts on a target dor	High
1111	Cloud Storage	site:s3.amazonaws.com intext:"password"	Finds Amazon S3 links containing "password"	Detect leaked credentials on cloud stor	High
1112	Email & Contact Discovery	filetype:pdf intext:"@yahoo.com"	Finds pdf files listing Yahoo addresses	Gather email addresses for research	Medium
1113	Backup Files	site:example2.io filetype:7z	Finds .7z backup files on example2.io	Locate backup artifacts on a target dor	High
1114	File Discovery	filetype:pdf intitle:"case study"	Finds pdf files titled with "case study"	Research case study documents in pdf	Low
1115	Admin Panels	intitle:"admin panel" inurl:/admin_area/login	Finds pages titled admin panel under /admin_area/	Locate CMS/admin backend interfaces	Medium
1116	Admin Panels	inurl:/admincp intext:"shopify" intitle:"login"	Finds shopify login pages under /admincp	Identify CMS admin backend by platfor	Medium
1117	OSINT Queries	site:about.me intitle:"profile"	Finds About.me profile pages	Locate public profiles for background r	Low
1118	Login Pages	inurl:/adminer intitle:"remote login"	Finds remote login pages under /adminer paths	Locate authentication portals for testin	Medium
1119	File Discovery	filetype:rtf site:.io	Finds rtf files hosted on .io domains	Sector-specific document discovery on	Low
1120	File Discovery	filetype:xls intitle:"proposal"	Finds xls files titled with "proposal"	Research proposal documents in xls fc	Low
1121	File Discovery	filetype:xls site:.io	Finds xls files hosted on .io domains	Sector-specific document discovery on	Low
1122	Sensitive Information Exposure	intext:"token=" filetype:log	Finds log files containing "token="	Detect sensitive data leaked in logs	High
1123	Advanced Search Operators	inurl:/presentation filetype:pptx	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
1124	File Discovery	filetype:ods intitle:"case study"	Finds ods files titled with "case study"	Research case study documents in ods	Low
1125	Cloud Storage	site:storage.googleapis.com inurl:/folder	Finds Google Cloud Storage shared folder links	Discover exposed shared folders	Medium
1126	API Keys & Credentials	intext:"private_key" filetype:log	Finds log files exposing private_key	Detect leaked credentials in log output	High
1127	OSINT Queries	site:facebook.com "email" "contact"	Finds Facebook profiles listing contact emails	Gather public contact info for research	Low
1128	Database Files	filetype:dbf intext:"subscriptions"	Finds dbf dumps referencing "subscriptions" data	Identify exposed subscriptions records	High
1129	Sensitive Information Exposure	intext:"key=" filetype:log	Finds log files containing "key="	Detect sensitive data leaked in logs	High
1130	Admin Panels	inurl:/wp-admin intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /wp-admin	Identify CMS admin backend by platfor	Medium
1131	OSINT Queries	site:tiktok.com "email" "contact"	Finds TikTok profiles listing contact emails	Gather public contact info for research	Low
1132	Login Pages	site:example2.org inurl:/admin/login	Finds django login page on example2.org	Locate django-specific login endpoint	Medium
1133	Error Messages	intext:"stack trace"	Finds pages displaying: stack trace	Identify misconfigured or vulnerable ap	Medium
1134	Config Files	site:example2.info filetype:yml	Finds .yml configuration files on example2.info	Locate configuration exposure on a tar	High
1135	File Discovery	filetype:rtf site:.net	Finds rtf files hosted on .net domains	Sector-specific document discovery on	Low
1136	Login Pages	inurl:/wp-login.php intitle:"remote login"	Finds remote login pages under /wp-login.php paths	Locate authentication portals for testin	Medium
1137	Login Pages	inurl:/wp-login.php intitle:"employee login"	Finds employee login pages under /wp-login.php pa	Locate authentication portals for testin	Medium
1138	Email & Contact Discovery	filetype:csv intext:"subscriber list"	Finds CSV files labeled "subscriber list"	Detect exposed bulk email lists	High
1139	Database Files	filetype:dbf intext:"inventory"	Finds dbf dumps referencing "inventory" data	Identify exposed inventory records	High
1140	File Discovery	filetype:docx site:.net	Finds docx files hosted on .net domains	Sector-specific document discovery on	Low
1141	Advanced Search Operators	site:example1.com intitle:"report"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1142	Admin Panels	inurl:/adminpanel intext:"joomla" intitle:"login"	Finds joomla login pages under /adminpanel	Identify CMS admin backend by platfor	Medium
1143	Login Pages	inurl:/manager intitle:"log in"	Finds log in pages under /manager paths	Locate authentication portals for testin	Medium
1144	Database Files	filetype:dbf intext:"messages"	Finds dbf dumps referencing "messages" data	Identify exposed messages records	High
1145	Login Pages	site:example1.edu inurl:/admin	Finds magento login page on example1.edu	Locate magento-specific login endpoint	Medium
1146	Sensitive Information Exposure	intext:"private_key" filetype:txt	Finds text files containing "private_key"	Detect accidental exposure of sensitive	High
1147	Error Messages	intext:"undefined index" filetype:aspx	Finds aspx pages showing "undefined index"	Locate app errors indicating misconfig	Medium
1148	Sensitive Information Exposure	intext:"account number" site:pastebin.com	Finds Pastebin posts containing "account number"	Monitor public paste sites for leaked d	High
1149	Cloud Storage	site:storage.googleapis.com intitle:"confidential"	Finds Google Cloud Storage files marked confidenti	Detect improperly shared sensitive file	High
1150	Basic Operators	allintitle:budget	Finds pages where all words appear in title	Narrow title-based search	Low
1151	Advanced Search Operators	site:example2.org intitle:"meeting minutes"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1152	Backup Files	filetype:bak "system backup"	Finds "system backup" files of type .bak	Identify categorized backup file expos	High
1153	Email & Contact Discovery	site:example2.org intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
1154	Sensitive Information Exposure	intext:"internal use only" filetype:xls	Finds Excel files containing "internal use only"	Detect sensitive data in spreadsheets	High
1155	File Discovery	filetype:ods intext:"insurance" intitle:"confidential"	Finds ods files marked confidential in insurance sec	Sector-focused document research: in	Medium
1156	Open Directories	intitle:"index of /documents"	Finds open directory listing: index of /documents	Discover exposed file listings on web s	Medium
1157	Error Messages	intext:"500 internal server error" filetype:aspx	Finds aspx pages showing "500 internal server error"	Locate app errors indicating misconfig	Medium
1158	Config Files	site:example1.org filetype:yml	Finds .yml configuration files on example1.org	Locate configuration exposure on a tar	High
1159	File Discovery	filetype:xlsx intitle:"syllabus"	Finds xlsx files titled with "syllabus"	Research syllabus documents in xlsx fi	Low
1160	API Keys & Credentials	intext:"bearer_token" filetype:env	Finds .env files exposing bearer_token	Detect leaked API credentials	High
1161	Login Pages	site:example1.info inurl:/wp-login.php	Finds wordpress login page on example1.info	Locate wordpress-specific login endpo	Medium
1162	Config Files	site:example1.info filetype:yml	Finds .yml configuration files on example1.info	Locate configuration exposure on a tar	High
1163	Sensitive Information Exposure	intext:"test credentials" site:pastebin.com	Finds Pastebin posts containing "test credentials"	Monitor public paste sites for leaked d	High
1164	OSINT Queries	site:reddit.com "resume" OR "cv"	Finds resumes/CVs shared on Reddit	Research professional background info	Low
1165	Open Directories	intitle:"index of " documents" -inurl:/htm -inurl:/html	Finds directory listings related to documents	Locate exposed folders excluding norm	Medium
1166	Admin Panels	inurl:/admin intext:"typo3" intitle:"login"	Finds typo3 login pages under /admin	Identify CMS admin backend by platfor	Medium
1167	Config Files	site:example2.edu filetype:env	Finds .env configuration files on example2.edu	Locate configuration exposure on a tar	High
1168	File Discovery	filetype:ods intitle:"policy"	Finds ods files titled with "policy"	Research policy documents in ods for	Low

1169	File Discovery	filetype:odt intitle:"policy"	Finds odt files titled with "policy"	Research policy documents in odt form	Low
1170	Login Pages	inurl:backend intitle:"dashboard login"	Finds dashboard login pages under /backend paths	Locate authentication portals for testing	Medium
1171	Email & Contact Discovery	site:example2.info intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for outreach	Medium
1172	Basic Operators	related:example1.edu	Finds sites related to a given domain	Discover similar or competitor sites	Low
1173	Sensitive Information Exposure	intext:"credit card number" filetype:pdf	Finds PDF files containing "credit card number"	Detect sensitive data in PDF reports	High
1174	File Discovery	filetype:docx site:.info	Finds docx files hosted on .info domains	Sector-specific document discovery on .info	Low
1175	Basic Operators	allintitle:proposal	Finds pages where all words appear in title	Narrow title-based search	Low
1176	Database Files	filetype:acddb intext:"inventory"	Finds accdb dumps referencing "inventory" data	Identify exposed inventory records	High
1177	File Discovery	filetype:xls intext:"hospitality" intitle:"confidential"	Finds xls files marked confidential in hospitality sector	Sector-focused document research: hospitality	Medium
1178	Cloud Storage	site:docs.google.com filetype:xlsx	Finds Excel files shared via Google Docs	Locate spreadsheets shared publicly	Medium
1179	API Keys & Credentials	intext:"sendgrid_api_key" filetype:log	Finds log files exposing sendgrid_api_key	Detect leaked credentials in log output	High
1180	Advanced Search Operators	site:example1.co inurl:presentation	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
1181	Advanced Search Operators	site:example2.net filetype:odt	Combines domain and filetype filters	Find specific file types on a target site	Low
1182	Backup Files	site:example2.gov filetype:7z	Finds .7z backup files on example2.gov	Locate backup artifacts on a target domain	High
1183	Admin Panels	inurl:administrator intext:"prestashop" intitle:"login"	Finds prestashop login pages under /administrator	Identify CMS admin backend by platform	Medium
1184	File Discovery	filetype:rtf intitle:"syllabus"	Finds rtf files titled with "syllabus"	Research syllabus documents in rtf format	Low
1185	File Discovery	filetype:docx intitle:"financial statement"	Finds docx files titled with "financial statement"	Research financial statement documents	Low
1186	API Keys & Credentials	intext:"api_secret" filetype:env	Finds .env files exposing api_secret	Detect leaked API credentials	High
1187	File Discovery	filetype:txt intitle:"whitepaper"	Finds txt files titled with "whitepaper"	Research whitepaper documents in txt format	Low
1188	Sensitive Information Exposure	intext:"credit card number" filetype:doc	Finds Word documents containing "credit card number"	Detect sensitive data in shared documents	High
1189	Config Files	site:example2.io filetype:yml	Finds .yml configuration files on example2.io	Locate configuration exposure on a target domain	High
1190	Backup Files	filetype:old "database backup"	Finds "database backup" files of type .old	Identify categorized backup file exposures	High
1191	Config Files	site:example2.gov filetype:config	Finds .config configuration files on example2.gov	Locate configuration exposure on a target domain	High
1192	Login Pages	inurl:cpanel intitle:"remote login"	Finds remote login pages under /cpanel paths	Locate authentication portals for testing	Medium
1193	Login Pages	site:example1.gov inurl:login	Finds laravel login page on example1.gov	Locate laravel-specific login endpoint	Medium
1194	Cloud Storage	site:onedrive.live.com filetype:csv	Finds .csv files shared via OneDrive	Locate csv files publicly shared on OneDrive	Medium
1195	Database Files	filetype:dbf "password"	Finds dbf files referencing passwords	Detect credential exposure in database files	High
1196	Admin Panels	inurl:/admin/home intext:"username" intext:"password"	Finds admin panels under /admin/home with login fields	Identify exposed administrative interfaces	Medium
1197	Cloud Storage	site:box.com filetype:docx	Finds .docx files shared via Box	Locate docx files publicly shared on Box	Medium
1198	Database Files	filetype:sql intext:"students"	Finds SQL dumps referencing "students" table	Identify exposed data tables	High
1199	Admin Panels	inurl:adminpanel intext:"opencart" intitle:"login"	Finds opencart login pages under /adminpanel	Identify CMS admin backend by platform	Medium
1200	Config Files	site:example3.org filetype:xml	Finds .xml configuration files on example3.org	Locate configuration exposure on a target domain	High
1201	Config Files	site:example1.io filetype:yml	Finds .yml configuration files on example1.io	Locate configuration exposure on a target domain	High
1202	Login Pages	site:example2.org inurl:admin	Finds magento login page on example2.org	Locate magento-specific login endpoint	Medium
1203	OSINT Queries	site:quora.com "resume" OR "cv"	Finds resumes/CVs shared on Quora	Research professional background information	Low
1204	Backup Files	site:example2.net filetype:gzip	Finds .gz backup files on example2.net	Locate backup artifacts on a target domain	High
1205	Cloud Storage	site:drive.google.com filetype:xlsx	Finds Excel files shared via Google Drive	Locate spreadsheets shared publicly	Medium
1206	Email & Contact Discovery	site:example1.info intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
1207	Backup Files	site:example3.org filetype:rar	Finds .rar backup files on example3.org	Locate backup artifacts on a target domain	High
1208	Login Pages	site:example1.gov inurl:typo3/index.php	Finds typo3 login page on example1.gov	Locate typo3-specific login endpoint	Medium
1209	Sensitive Information Exposure	intext:"private token" filetype:xls	Finds Excel files containing "private token"	Detect sensitive data in spreadsheets	High
1210	Advanced Search Operators	syllabus -site:example2.io	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
1211	Basic Operators	inurl:guide	Finds pages with keyword in the URL	Locate pages by URL structure	Low
1212	Error Messages	intext:"php error"	Finds pages displaying: php error	Identify misconfigured or vulnerable applications	Medium
1213	API Keys & Credentials	intext:"session_secret" site:gitlab.com	Finds GitLab repos exposing session_secret	Detect accidental credential commits on GitHub	High
1214	OSINT Queries	site:reddit.com intitle:"profile"	Finds Reddit profile pages	Detect public profiles for background research	Low
1215	Open Directories	intitle:"index of" "photos" -inurl:html -inurl:htm	Finds directory listings related to photos	Locate exposed folders excluding normal pages	Medium
1216	Email & Contact Discovery	site:example1.org filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
1217	Cloud Storage	site:gitlab.com filetype:zip	Finds .zip files shared via GitLab	Locate zip files publicly shared on GitLab	Medium
1218	Admin Panels	intitle:"admin panel" inurl:cpanel	Finds pages titled admin panel under /cpanel	Locate CMS/admin backend interfaces	Medium
1219	Basic Operators	inurl:proposal	Finds pages with keyword in the URL	Locate pages by URL structure	Low
1220	File Discovery	filetype:doc intext:"military" intitle:"confidential"	Finds doc files marked confidential in military sector	Sector-focused document research: military	Medium
1221	API Keys & Credentials	intext:"session_secret" filetype:log	Finds log files exposing session_secret	Detect leaked credentials in log output	High
1222	API Keys & Credentials	intext:"access_token" filetype:xml	Finds XML files exposing access_token	Detect leaked credentials in XML configurations	High
1223	Advanced Search Operators	intitle:"case study" filetype:ods	Combines title keyword and filetype filters	Find titled documents of a specific type	Low
1224	Login Pages	inurl:backend intitle:"vpn login"	Finds vpn login pages under /backend paths	Locate authentication portals for testing	Medium
1225	Sensitive Information Exposure	intext:"license key" filetype:doc	Finds Word documents containing "license key"	Detect sensitive data in shared documents	High
1226	Login Pages	inurl:admin1 intitle:"log in"	Finds log in pages under /admin1 paths	Locate authentication portals for testing	Medium
1227	Basic Operators	link:example1.gov	Finds pages that link to a domain	Backlink and reputation research	Low
1228	Sensitive Information Exposure	intext:"serial number" filetype:doc	Finds Word documents containing "serial number"	Detect sensitive data in shared documents	High
1229	Database Files	filetype:mdb intext:"products"	Finds mdb dumps referencing "products" data	Identify exposed products records	High
1230	Login Pages	inurl:admin_area intitle:"user login"	Finds user login pages under /admin_area paths	Locate authentication portals for testing	Medium
1231	Config Files	site:example3.edu filetype:config	Finds .config configuration files on example3.edu	Locate configuration exposure on a target domain	High
1232	API Keys & Credentials	intext:"secret_key" site:github.com	Finds GitHub repos exposing secret_key	Detect accidental credential commits	High
1233	Login Pages	inurl:backend intitle:"account login"	Finds account login pages under /backend paths	Locate authentication portals for testing	Medium
1234	Cloud Storage	site:gitlab.com intext:"password"	Finds GitLab links containing "password"	Detect leaked credentials on cloud storage	High
1235	Sensitive Information Exposure	intext:"passport number" filetype:txt	Finds text files containing "passport number"	Detect accidental exposure of sensitive data	High
1236	Advanced Search Operators	inurl:proposal filetype:odt	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
1237	Login Pages	inurl:administrator intitle:"member login"	Finds member login pages under /administrator paths	Locate authentication portals for testing	Medium
1238	OSINT Queries	site:xing.com intitle:"profile"	Finds Xing profile pages	Locate public profiles for background research	Low
1239	Database Files	filetype:acddb intext:"tickets"	Finds accdb dumps referencing "tickets" data	Identify exposed tickets records	High
1240	File Discovery	filetype:ods intitle:"annual report"	Finds ods files titled with "annual report"	Research annual report documents in ods format	Low
1241	Admin Panels	inurl:wp-admin intext:"joomla" intitle:"login"	Finds joomla login pages under /wp-admin	Identify CMS admin backend by platform	Medium
1242	Backup Files	site:example1.org filetype:gzip	Finds .gz backup files on example1.org	Locate backup artifacts on a target domain	High
1243	Backup Files	site:example2.info filetype:gzip	Finds .gz backup files on example2.info	Locate backup artifacts on a target domain	High
1244	Config Files	filetype:json intext:"db_password" OR intext:"database_password"	Finds .json files with database password fields	Identify exposed database configurations	High
1245	File Discovery	filetype:xls site:.net	Finds xls files hosted on .net domains	Sector-specific document discovery on .net	Low
1246	File Discovery	filetype:odt intitle:"proposal"	Finds odt files titled with "proposal"	Research proposal documents in odt format	Low

1247	Admin Panels	inurl:administrator intext:"sitecore" intitle:"login"	Finds sitecore login pages under /administrator	Identify CMS admin backend by platform	Medium
1248	OSINT Queries	site:pastebin.com intitle:"profile"	Finds Pastebin profile pages	Locate public profiles for background research	Low
1249	Cloud Storage	site:blob.core.windows.net intext:"password"	Finds Azure Blob Storage links containing "password"	Detect leaked credentials on cloud storage	High
1250	Config Files	site:example2.org filetype:config	Finds .config configuration files on example2.org	Locate configuration exposure on a target domain	High
1251	API Keys & Credentials	intext:"sendgrid_api_key" filetype:yaml	Finds YAML files exposing sendgrid_api_key	Detect leaked credentials in YAML configurations	High
1252	Login Pages	inurl:dashboard intitle:"sign in"	Finds sign in pages under /dashboard paths	Locate authentication portals for testing	Medium
1253	Basic Operators	allintitle:report	Finds pages where all words appear in title	Narrow title-based search	Low
1254	API Keys & Credentials	intext:"twilio_auth_token" filetype:xml	Finds XML files exposing twilio_auth_token	Detect leaked credentials in XML configurations	High
1255	Login Pages	inurl:manager intitle:"remote login"	Finds remote login pages under /manager paths	Locate authentication portals for testing	Medium
1256	Sensitive Information Exposure	intext:"api_key" filetype:pdf	Finds PDF files containing "api_key"	Detect sensitive data in PDF reports	High
1257	API Keys & Credentials	intext:"consumer_key" site:pastebin.com	Finds pastes exposing consumer_key	Monitor for leaked credentials online	High
1258	Sensitive Information Exposure	intext:"connection string" filetype:pdf	Finds PDF files containing "connection string"	Detect sensitive data in PDF reports	High
1259	API Keys & Credentials	intext:"azure_client_secret" site:gitlab.com	Finds GitLab repos exposing azure_client_secret	Detect accidental credential commits	High
1260	Backup Files	filetype:tar "www backup"	Finds "www backup" files of type .tar	Identify categorized backup file exposures	High
1261	OSINT Queries	site:about.me "resume" OR "cv"	Finds resumes/CVs shared on About.me	Research professional background information	Low
1262	Cloud Storage	site:onedrive.live.com intext:"password"	Finds OneDrive links containing "password"	Detect leaked credentials on cloud storage	High
1263	Login Pages	inurl:wp-login.php intitle:"login"	Finds login pages under /wp-login.php paths	Locate authentication portals for testing	Medium
1264	Login Pages	site:example2.com inurl:admin/login	Finds django login page on example2.com	Locate django-specific login endpoint	Medium
1265	Sensitive Information Exposure	intext:"login credentials" site:pastebin.com	Finds Pastebin posts containing "login credentials"	Monitor public paste sites for leaked data	High
1266	Advanced Search Operators	site:example2.io filetype:doc	Combines domain and filetype filters	Find specific file types on a target site	Low
1267	Cloud Storage	site:trello.com filetype:docx	Finds .docx files shared via Trello	Locate docx files publicly shared on Trello	Medium
1268	Sensitive Information Exposure	intext:"users table" filetype:pdf	Finds PDF files containing "users table"	Detect sensitive data in PDF reports	High
1269	Admin Panels	intitle:"admin panel" inurl:moderator	Finds pages titled admin panel under /moderator	Locate CMS/admin backend interfaces	Medium
1270	Sensitive Information Exposure	intext:"confidential" filetype:txt	Finds text files containing "confidential"	Detect accidental exposure of sensitive info	High
1271	Login Pages	site:example1.com inurl:typo3/index.php	Finds typo3 login page on example1.com	Locate typo3-specific login endpoint	Medium
1272	File Discovery	filetype:pdf intitle:"report"	Finds pdf files titled with "report"	Research report documents in pdf format	Low
1273	Basic Operators	inurl:syllabus	Finds pages with keyword in the URL	Locate pages by URL structure	Low
1274	Config Files	site:example2.info filetype:ini	Finds .ini configuration files on example2.info	Locate configuration exposure on a target domain	High
1275	Backup Files	site:example1.org filetype:7z	Finds .7z backup files on example1.org	Locate backup artifacts on a target domain	High
1276	API Keys & Credentials	intext:"secret_key" filetype:xml	Finds XML files exposing secret_key	Detect leaked credentials in XML configurations	High
1277	Admin Panels	inurl:admin_area intext:"magento" intitle:"login"	Finds magento login pages under /admin_area	Identify CMS admin backend by platform	Medium
1278	Database Files	filetype:sql intext:"reviews"	Finds sql dumps referencing "reviews" data	Identify exposed reviews records	High
1279	OSINT Queries	site:t.me intitle:"profile"	Finds Telegram profile pages	Locate public profiles for background research	Low
1280	Backup Files	site:example2.edu filetype:tar	Finds .tar backup files on example2.edu	Locate backup artifacts on a target domain	High
1281	Basic Operators	intext:"report"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
1282	Config Files	intitle:"settings" OR inurl:"settings"	Finds files related to "settings"	Identify common configuration file exposures	High
1283	API Keys & Credentials	intext:"client_secret" site:pastebin.com	Finds pastes exposing client_secret	Monitor for leaked credentials online	High
1284	File Discovery	filetype:doc intitle:"research"	Finds doc files titled with "research"	Research research documents in doc format	Low
1285	File Discovery	filetype:odt intitle:"meeting minutes"	Finds odt files titled with "meeting minutes"	Research meeting minutes documents	Low
1286	Basic Operators	inurl:thesis	Finds pages with keyword in the URL	Locate pages by URL structure	Low
1287	Sensitive Information Exposure	intext:"credentials" filetype:xls	Finds Excel files containing "credentials"	Detect sensitive data in spreadsheets	High
1288	Basic Operators	related:example1.com	Finds sites related to a given domain	Discover similar or competitor sites	Low
1289	Config Files	site:example2.io filetype:env	Finds .env configuration files on example2.io	Locate configuration exposure on a target domain	High
1290	Backup Files	site:example1.io filetype:gzip	Finds .gz backup files on example1.io	Locate backup artifacts on a target domain	High
1291	Admin Panels	inurl:signin intext:"username" intext:"password"	Finds admin panels under /signin with login fields	Identify exposed administrative interfaces	Medium
1292	File Discovery	filetype:xls intext:"government" intitle:"confidential"	Finds xls files marked confidential in government sector	Sector-focused document research: government	Medium
1293	Advanced Search Operators	site:example2.gov "survey" -inurl:signin	Domain search excluding a URL pattern	Refine results by excluding noise	Low
1294	File Discovery	filetype:txt site:.co	Finds txt files hosted on .co domains	Sector-specific document discovery on .co	Low
1295	Login Pages	intitle:"client login" inurl:secure	Finds secure client login pages	Identify secure authentication endpoints	Medium
1296	Admin Panels	inurl:admin_area intext:"joomla" intitle:"login"	Finds joomla login pages under /admin_area	Identify CMS admin backend by platform	Medium
1297	Basic Operators	intext:"guide"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
1298	Advanced Search Operators	site:example1.net inurl:whitepaper	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
1299	File Discovery	filetype:pptx site:.org	Finds pptx files hosted on .org domains	Sector-specific document discovery on .org	Low
1300	Error Messages	intext:"500 internal server error"	Finds pages displaying: 500 internal server error	Identify misconfigured or vulnerable applications	Medium
1301	Backup Files	filetype:7z intitle:"backup"	Finds backup files with .7z extension	Identify exposed backup archives	High
1302	Cloud Storage	site:sharepoint.com intitle:"confidential"	Finds SharePoint files marked confidential	Detect improperly shared sensitive files	High
1303	File Discovery	filetype:ppt intitle:"whitepaper"	Finds ppt files titled with "whitepaper"	Research whitepaper documents in ppt format	Low
1304	API Keys & Credentials	intext:"sendgrid_api_key" site:pastebin.com	Finds pastes exposing sendgrid_api_key	Monitor for leaked credentials online	High
1305	Login Pages	site:example1.com inurl:administrator/index.php	Finds joomla login page on example1.com	Locate joomla-specific login endpoint	Medium
1306	Database Files	filetype:sqlite intext:"inventory"	Finds sqlite dumps referencing "inventory" data	Identify exposed inventory records	High
1307	File Discovery	filetype:pdf intext:"manufacturing" intitle:"confidential"	Finds pdf files marked confidential in manufacturing sector	Sector-focused document research: manufacturing	Medium
1308	File Discovery	filetype:pptx intitle:"financial statement"	Finds pptx files titled with "financial statement"	Research financial statement documents	Low
1309	Open Directories	intitle:"index of" "source" -inurl:html -inurl:html	Finds directory listings related to source	Locate exposed folders excluding normal	Medium
1310	Open Directories	intitle:"index of" "index of ftp" -inurl:html -inurl:html	Finds directory listings related to index of ftp	Locate exposed folders excluding normal	Medium
1311	Login Pages	site:example1.edu inurl:typo3/index.php	Finds typo3 login page on example1.edu	Locate typo3-specific login endpoint	Medium
1312	OSINT Queries	site:quora.com intitle:"profile"	Finds Quora profile pages	Locate public profiles for background research	Low
1313	API Keys & Credentials	intext:"azure_client_secret" filetype:log	Finds log files exposing azure_client_secret	Detect leaked credentials in log output	High
1314	Open Directories	intitle:"index of" /wp-content	Finds open directory listing: index of /wp-content	Discover exposed file listings on web servers	Medium
1315	Cloud Storage	site:firebaseio.com filetype:docx	Finds .docx files shared via Firebase	Locate docx files publicly shared on Firebase	Medium
1316	Error Messages	intext:"sql syntax error" filetype:aspx	Finds aspx pages showing "sql syntax error"	Locate app errors indicating misconfigurations	Medium
1317	Admin Panels	inurl:wp-login.php intext:"joomla" intitle:"login"	Finds joomla login pages under /wp-login.php	Identify CMS admin backend by platform	Medium
1318	OSINT Queries	site:twitter.com "resume" OR "cv"	Finds resumes/CVs shared on Twitter/X	Research professional background information	Low
1319	Login Pages	intitle:"sign in" inurl:secure	Finds secure sign in pages	Identify secure authentication endpoints	Medium
1320	Admin Panels	intitle:"admin panel" inurl:admin/home	Finds pages titled admin panel under /admin/home	Locate CMS/admin backend interfaces	Medium
1321	Basic Operators	related:example2.org	Finds sites related to a given domain	Discover similar or competitor sites	Low
1322	Open Directories	intitle:"index of" "files" -inurl:html -inurl:html	Finds directory listings related to files	Locate exposed folders excluding normal	Medium
1323	Backup Files	site:example1.co filetype:old	Finds .old backup files on example1.co	Locate backup artifacts on a target domain	High
1324	Basic Operators	allintitle:presentation	Finds pages where all words appear in title	Narrow title-based search	Low

1325	Email & Contact Discovery	site:example1.org intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
1326	Login Pages	inurl:manager intitle:"signin"	Finds signin pages under /manager paths	Locate authentication portals for testin	Medium
1327	Admin Panels	inurl:admin intext:"magento" intitle:"login"	Finds magento login pages under /admin	Identify CMS admin backend by platfor	Medium
1328	File Discovery	filetype:ppt intitle:"research"	Finds ppt files titled with "research"	Research research documents in ppt fi	Low
1329	File Discovery	filetype:ods site:.edu	Finds ods files hosted on .edu domains	Sector-specific document discovery on	Low
1330	OSINT Queries	filetype:pdf intitle:"cv" intext:"linkedin.com"	Finds cv files in pdf format linking LinkedIn	Research professional profiles with link	Low
1331	Basic Operators	site:example1.edu	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
1332	API Keys & Credentials	intext:"aws_access_key_id" site:pastebin.com	Finds pastes exposing aws_access_key_id	Monitor for leaked credentials online	High
1333	File Discovery	filetype:xls intext:"technology" intitle:"confidential"	Finds xls files marked confidential in technology sec	Sector-focused document research: tel	Medium
1334	Advanced Search Operators	manual OR "guide" site:example2.com	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
1335	Admin Panels	inurl:adminpanel intext:"magento" intitle:"login"	Finds magento login pages under /adminpanel	Identify CMS admin backend by platfor	Medium
1336	Open Directories	intitle:"index of" "doc"	Finds open directories listing .doc files	Discover exposed .doc files via directo	Medium
1337	Login Pages	inurl:admin_area intitle:"remote login"	Finds remote login pages under /admin_area paths	Locate authentication portals for testin	Medium
1338	Sensitive Information Exposure	intext:"aws_access_key_id" filetype:log	Finds log files containing "aws_access_key_id"	Detect sensitive data leaked in logs	High
1339	File Discovery	filetype:doc intext:"energy" intitle:"confidential"	Finds doc files marked confidential in energy sector	Sector-focused document research: er	Medium
1340	Login Pages	inurl:administrator intitle:"dashboard login"	Finds dashboard login pages under /administrator p	Locate authentication portals for testin	Medium
1341	Config Files	filetype:conf intext:"password"	Finds .conf config files referencing passwords	Detect credentials in configuration files	High
1342	Config Files	site:example1.io filetype:ini	Finds .ini configuration files on example1.io	Locate configuration exposure on a tar	High
1343	API Keys & Credentials	intext:"stripe_api_key" filetype:xml	Finds XML files exposing stripe_api_key	Detect leaked credentials in XML confi	High
1344	Config Files	site:example2.io filetype:ini	Finds .ini configuration files on example2.io	Locate configuration exposure on a tar	High
1345	Login Pages	inurl:admin1 intitle:"staff login"	Finds staff login pages under /admin1 paths	Locate authentication portals for testin	Medium
1346	Sensitive Information Exposure	intext:"secret" filetype:txt	Finds text files containing "secret"	Detect accidental exposure of sensitive	High
1347	Sensitive Information Exposure	intext:"do not distribute" filetype:txt	Finds text files containing "do not distribute"	Detect accidental exposure of sensitive	High
1348	Config Files	site:example3.org filetype:config	Finds .config configuration files on example3.org	Locate configuration exposure on a tar	High
1349	File Discovery	filetype:xlsx intitle:"press release"	Finds xlsx files titled with "press release"	Research press release documents in	Low
1350	Basic Operators	intext:"survey"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
1351	Backup Files	site:example3.edu filetype:backup	Finds .backup backup files on example3.edu	Locate backup artifacts on a target dor	High
1352	File Discovery	filetype:ods intitle:"guide"	Finds ods files titled with "guide"	Research guide documents in ods form	Low
1353	Sensitive Information Exposure	intext:"passport number" filetype:log	Finds log files containing "passport number"	Detect sensitive data leaked in logs	High
1354	File Discovery	filetype:ppt intext:"telecom" intitle:"confidential"	Finds ppt files marked confidential in telecom sector	Sector-focused document research: tel	Medium
1355	API Keys & Credentials	intext:"sendgrid_api_key" filetype:json	Finds JSON files exposing sendgrid_api_key	Detect leaked credentials in config files	High
1356	Backup Files	filetype:orig intitle:"backup"	Finds backup files with .orig extension	Identify exposed backup archives	High
1357	Sensitive Information Exposure	intext:"key=" filetype:txt	Finds text files containing "key="	Detect accidental exposure of sensitive	High
1358	Email & Contact Discovery	site:example1.io intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
1359	Admin Panels	inurl:/wp-admin intext:"username" intext:"password"	Finds admin panels under /wp-admin with login field	Identify exposed administrative interfac	Medium
1360	File Discovery	filetype:ppt intext:"retail" intitle:"confidential"	Finds ppt files marked confidential in retail sector	Sector-focused document research: re	Medium
1361	Backup Files	site:example2.info filetype:7z	Finds .7z backup files on example2.info	Locate backup artifacts on a target dor	High
1362	Admin Panels	inurl:admin intitle:"joomla" intitle:"login"	Finds joomla login pages under /admin	Identify CMS admin backend by platfor	Medium
1363	API Keys & Credentials	intext:"secret_key" filetype:env	Finds .env files exposing secret_key	Detect leaked API credentials	High
1364	Backup Files	site:example3.com filetype:backup	Finds .backup backup files on example3.com	Locate backup artifacts on a target dor	High
1365	File Discovery	filetype:txt intext:"energy" intitle:"confidential"	Finds txt files marked confidential in energy sector	Sector-focused document research: er	Medium
1366	Email & Contact Discovery	filetype:xls intext:"@yahoo.com"	Finds xls files listing Yahoo addresses	Gather email addresses for research	Medium
1367	Admin Panels	inurl:/admin/index.php intext:"username" intext:"password"	Finds admin panels under /admin/index.php with log	Identify exposed administrative interfac	Medium
1368	Email & Contact Discovery	site:example1.org intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
1369	Database Files	filetype:dbf intext:"products"	Finds dbf dumps referencing "products" data	Identify exposed products records	High
1370	Login Pages	inurl:admin2 intitle:"customer login"	Finds customer login pages under /admin2 paths	Locate authentication portals for testin	Medium
1371	API Keys & Credentials	intext:"stripe_api_key" filetype:json	Finds JSON files exposing stripe_api_key	Detect leaked credentials in config files	High
1372	Basic Operators	inurl:press release	Finds pages with keyword in the URL	Locate pages by URL structure	Low
1373	OSINT Queries	site:instagram.com intext:"phone number"	Finds Instagram pages listing phone numbers	Locate publicly shared contact number	Medium
1374	Cloud Storage	site:blob.core.windows.net inurl:folder	Finds Azure Blob Storage shared folder links	Discover exposed shared folders	Medium
1375	File Discovery	filetype:pptx site:.info	Finds pptx files hosted on .info domains	Sector-specific document discovery on	Low
1376	Sensitive Information Exposure	intext:"license key" filetype:pdf	Finds PDF files containing "license key"	Detect sensitive data in PDF reports	High
1377	File Discovery	filetype:ods intext:"education" intitle:"confidential"	Finds ods files marked confidential in education sec	Sector-focused document research: ec	Medium
1378	Login Pages	site:example2.com inurl:/users/sign_in	Finds rails login page on example2.com	Locate rails-specific login endpoint	Medium
1379	Email & Contact Discovery	site:example2.gov intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
1380	Backup Files	inurl:backup filetype:tar	Finds backup URLs serving .tar files	Locate backup files via URL pattern	High
1381	Open Directories	intitle:"index of" "credentials"	Finds open directory listing: index of /credentials	Discover exposed file listings on web s	High
1382	API Keys & Credentials	intext:"azure_client_secret" filetype:json	Finds JSON files exposing azure_client_secret	Detect leaked credentials in config files	High
1383	Open Directories	intitle:"index of" "grades" -inurl:htm -inurl:html	Finds directory listings related to grades	Locate exposed folders excluding norm	Medium
1384	File Discovery	filetype:xlsx intitle:"case study"	Finds xlsx files titled with "case study"	Research case study documents in xls	Low
1385	Open Directories	intitle:"index of" "scripts"	Finds open directory listing: index of /scripts	Discover exposed file listings on web s	Medium
1386	Backup Files	site:example1.info filetype:gzip	Finds .gz backup files on example1.info	Locate backup artifacts on a target dor	High
1387	Login Pages	inurl:/admin intitle:"login"	Finds login pages under /admin paths	Locate authentication portals for testin	Medium
1388	Basic Operators	cache:example1.com	Shows Google's cached version of a page	View archived version of a page	Low
1389	Email & Contact Discovery	filetype:pdf intext:"@gmail.com"	Finds pdf files listing Gmail addresses	Gather email addresses for research	Medium
1390	Basic Operators	intitle:press release	Finds pages with keyword in the title	Identify pages focused on a topic	Low
1391	Cloud Storage	site:gitlab.com filetype:xlsx	Finds Excel files shared via GitLab	Locate spreadsheets shared publicly	Medium
1392	Login Pages	inurl:/wp-admin intitle:"client login"	Finds client login pages under /wp-admin paths	Locate authentication portals for testin	Medium
1393	File Discovery	filetype:xls intitle:"policy"	Finds xls files titled with "policy"	Research policy documents in xls form	Low
1394	Config Files	inurl:/config filetype:cfg	Finds configuration files via URL pattern (.cfg)	Locate exposed app configuration files	High
1395	Email & Contact Discovery	site:example1.com intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
1396	Advanced Search Operators	report -site:example1.com	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
1397	File Discovery	filetype:ods intext:"telecom" intitle:"confidential"	Finds ods files marked confidential in telecom sector	Sector-focused document research: tel	Medium
1398	File Discovery	filetype:csv intext:"logistics" intitle:"confidential"	Finds csv files marked confidential in logistics sector	Sector-focused document research: lo	Medium
1399	File Discovery	filetype:csv intitle:"budget"	Finds csv files titled with "budget"	Research budget documents in csv for	Low
1400	File Discovery	filetype:ppt intext:"government" intitle:"confidential"	Finds ppt files marked confidential in government se	Sector-focused document research: gc	Medium
1401	Config Files	site:example3.net filetype:config	Finds .config configuration files on example3.net	Locate configuration exposure on a tar	High
1402	Database Files	filetype:acddb intext:"messages"	Finds accdb dumps referencing "messages" data	Identify exposed messages records	High

1403	API Keys & Credentials	intext:"api_secret" site:gitlab.com	Finds GitLab repos exposing api_secret	Detect accidental credential commits o	High
1404	Login Pages	inurl:admin1 intitle:"remote login"	Finds remote login pages under /admin1 paths	Locate authentication portals for testin	Medium
1405	Admin Panels	inurl:wp-login.php intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /wp-login.php	Identify CMS admin backend by platfor	Medium
1406	Bug Bounty / Security Testing	inurl:/.git/logs/HEAD	Finds exposed /.git/logs/HEAD artifact	Identify leaked development metadata	Medium
1407	Open Directories	intitle:"index of" "old" -inurl:htm -inurl:html	Finds directory listings related to old	Locate exposed folders excluding norm	Medium
1408	Sensitive Information Exposure	intext:"pwd=" filetype:doc	Finds Word documents containing "pwd="	Detect sensitive data in shared docum	High
1409	Sensitive Information Exposure	intext:"salary" site:pastebin.com	Finds Pastebin posts containing "salary"	Monitor public paste sites for leaked d	High
1410	Basic Operators	intext:"technology"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
1411	File Discovery	filetype:pptx intitle:"research"	Finds pptx files titled with "research"	Research research documents in pptx	Low
1412	Logs & Debug Files	site:example1.gov filetype:log	Finds .log files on example1.gov	Locate exposed log files on a target dc	Medium
1413	Sensitive Information Exposure	intext:"stack trace" filetype:doc	Finds Word documents containing "stack trace"	Detect sensitive data in shared docum	High
1414	File Discovery	filetype:ppt intext:"real estate" intitle:"confidential"	Finds ppt files marked confidential in real estate sec	Sector-focused document research: re	Medium
1415	Advanced Search Operators	inurl:report filetype:pdf	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
1416	Login Pages	inurl:administrator intitle:"sign in"	Finds sign in pages under /administrator paths	Locate authentication portals for testin	Medium
1417	Login Pages	inurl:backend intitle:"intranet login"	Finds intranet login pages under /backend paths	Locate authentication portals for testin	Medium
1418	Sensitive Information Exposure	intext:"default password" filetype:doc	Finds Word documents containing "default password"	Detect sensitive data in shared docum	High
1419	Sensitive Information Exposure	intext:"account number" filetype:doc	Finds Word documents containing "account number"	Detect sensitive data in shared docum	High
1420	File Discovery	filetype:rtf intitle:"presentation"	Finds rtf files titled with "presentation"	Research presentation documents in rtf	Low
1421	Cloud Storage	site:docs.google.com intitle:"confidential"	Finds Google Docs files marked confidential	Detect improperly shared sensitive file	High
1422	Config Files	site:example2.co filetype:xml	Finds .xml configuration files on example2.co	Locate configuration exposure on a tar	High
1423	Config Files	site:example1.org filetype:ini	Finds .ini configuration files on example1.org	Locate configuration exposure on a tar	High
1424	Backup Files	site:example1.info filetype:rar	Finds .rar backup files on example1.info	Locate backup artifacts on a target dor	High
1425	Open Directories	intitle:"index of /videos"	Finds open directory listing: index of /videos	Discover exposed file listings on web s	Medium
1426	File Discovery	filetype:doc intext:"nonprofit" intitle:"confidential"	Finds doc files marked confidential in nonprofit secto	Sector-focused document research: nc	Medium
1427	File Discovery	filetype:pptx intext:"banking" intitle:"confidential"	Finds pptx files marked confidential in banking secto	Sector-focused document research: ba	Medium
1428	Backup Files	site:example1.net filetype:bak	Finds .bak backup files on example1.net	Locate backup artifacts on a target dor	High
1429	Sensitive Information Exposure	intext:"master password" filetype:pdf	Finds PDF files containing "master password"	Detect sensitive data in PDF reports	High
1430	File Discovery	filetype:rtf intext:"research" intitle:"confidential"	Finds rtf files marked confidential in research sector	Sector-focused document research: re	Medium
1431	File Discovery	filetype:xlsx intitle:"financial statement"	Finds xlsx files titled with "financial statement"	Research financial statement documen	Low
1432	Sensitive Information Exposure	intext:"password" filetype:doc	Finds Word documents containing "password"	Detect sensitive data in shared docum	High
1433	File Discovery	filetype:rtf intitle:"survey"	Finds rtf files titled with "survey"	Research survey documents in rtf form	Low
1434	Sensitive Information Exposure	intext:"employee list" filetype:xls	Finds Excel files containing "employee list"	Detect sensitive data in spreadsheets	High
1435	Login Pages	inurl:wp-login.php intitle:"account login"	Finds account login pages under /wp-login.php path	Locate authentication portals for testin	Medium
1436	File Discovery	filetype:xlsx intitle:"dissertation"	Finds xlsx files titled with "dissertation"	Research dissertation documents in xl	Low
1437	Sensitive Information Exposure	intext:"internal use only" site:pastebin.com	Finds Pastebin posts containing "internal use only"	Monitor public paste sites for leaked d	High
1438	Open Directories	intitle:"index of" "config" -inurl:htm -inurl:html	Finds directory listings related to config	Locate exposed folders excluding norm	Medium
1439	Backup Files	filetype:tar "website backup"	Finds "website backup" files of type .tar	Identify categorized backup file exposi	High
1440	File Discovery	filetype:doc intext:"research" intitle:"confidential"	Finds doc files marked confidential in research secto	Sector-focused document research: re	Medium
1441	Open Directories	intitle:"index of" "xlsx"	Finds open directories listing .xlsx files	Discover exposed .xlsx files via directo	Medium
1442	Advanced Search Operators	inurl:financial statement filetype:csv	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
1443	Cloud Storage	site:box.com intext:"password"	Finds Box links containing "password"	Detect leaked credentials on cloud sto	High
1444	Sensitive Information Exposure	intext:"key=" site:pastebin.com	Finds Pastebin posts containing "key="	Monitor public paste sites for leaked d	High
1445	File Discovery	filetype:xlsx intext:"telecom" intitle:"confidential"	Finds xlsx files marked confidential in telecom secto	Sector-focused document research: tel	Medium
1446	Sensitive Information Exposure	intext:"cvv" filetype:pdf	Finds PDF files containing "cvv"	Detect sensitive data in PDF reports	High
1447	Advanced Search Operators	thesis -site:example2.co	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
1448	OSINT Queries	site:stackoverflow.com "resume" OR "cv"	Finds resumes/CVs shared on Stack Overflow	Research professional background info	Low
1449	Admin Panels	inurl:admin1 intext:"username" intext:"password"	Finds admin panels under /admin1 with login fields	Identify exposed administrative interfa	Medium
1450	Advanced Search Operators	site:example2.gov intitle:"survey"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1451	Sensitive Information Exposure	intext:"access_token" filetype:doc	Finds Word documents containing "access_token"	Detect sensitive data in shared docum	High
1452	File Discovery	filetype:txt site:.net	Finds txt files hosted on .net domains	Sector-specific document discovery on	Low
1453	API Keys & Credentials	intext:"google_api_key" site:github.com	Finds GitHub repos exposing google_api_key	Detect accidental credential commits	High
1454	Config Files	site:example2.edu filetype:yml	Finds .yml configuration files on example2.edu	Locate configuration exposure on a tar	High
1455	API Keys & Credentials	intext:"docker_password" site:github.com	Finds GitHub repos exposing docker_password	Detect accidental credential commits	High
1456	Login Pages	site:example1.co inurl:login	Finds laravel login page on example1.co	Locate laravel-specific login endpoint	Medium
1457	Cloud Storage	site:dropbox.com intext:"password"	Finds Dropbox links containing "password"	Detect leaked credentials on cloud sto	High
1458	Config Files	site:example1.info filetype:env	Finds .env configuration files on example1.info	Locate configuration exposure on a tar	High
1459	File Discovery	filetype:odt intitle:"thesis"	Finds odt files titled with "thesis"	Research thesis documents in odt form	Low
1460	Backup Files	site:example1.com filetype:old	Finds .old backup files on example1.com	Locate backup artifacts on a target dor	High
1461	API Keys & Credentials	intext:"auth_token" filetype:yml	Finds YAML files exposing auth_token	Detect leaked credentials in YAML con	High
1462	Backup Files	site:example2.net filetype:old	Finds .old backup files on example2.net	Locate backup artifacts on a target dor	High
1463	Database Files	filetype:sql intext:"transactions"	Finds SQL dumps referencing "transactions" table	Identify exposed data tables	High
1464	File Discovery	filetype:pdf intitle:"whitepaper"	Finds pdf files titled with "whitepaper"	Research whitepaper documents in pd	Low
1465	Config Files	site:example2.net filetype:yml	Finds .yml configuration files on example2.net	Locate configuration exposure on a tar	High
1466	File Discovery	filetype:csv site:.gov	Finds csv files hosted on .gov domains	Sector-specific document discovery on	Low
1467	Backup Files	site:example2.org filetype:backup	Finds .backup backup files on example2.org	Locate backup artifacts on a target dor	High
1468	Sensitive Information Exposure	intext:"secret" filetype:pdf	Finds PDF files containing "secret"	Detect sensitive data in PDF reports	High
1469	Config Files	site:example2.org filetype:xml	Finds .xml configuration files on example2.org	Locate configuration exposure on a tar	High
1470	Config Files	filetype:cfg intext:"db_password" OR intext:"database_pa	Finds .cfg files with database password fields	Identify exposed database configuratio	High
1471	Basic Operators	intitle:report	Finds pages with keyword in the title	Identify pages focused on a topic	Low
1472	API Keys & Credentials	intext:"apikey" site:pastebin.com	Finds pastes exposing apikey	Monitor for leaked credentials online	High
1473	Login Pages	inurl:admin1 intitle:"vpn login"	Finds vpn login pages under /admin1 paths	Locate authentication portals for testin	Medium
1474	Config Files	site:example3.net filetype:xml	Finds .xml configuration files on example3.net	Locate configuration exposure on a tar	High
1475	Email & Contact Discovery	site:example1.net intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
1476	Config Files	site:example1.io filetype:conf	Finds .conf configuration files on example1.io	Locate configuration exposure on a tar	High
1477	Basic Operators	allintitle:training	Finds pages where all words appear in title	Narrow title-based search	Low
1478	Open Directories	intitle:"index of" "gz"	Finds open directories listing .gz files	Discover exposed .gz files via directory	Medium
1479	Sensitive Information Exposure	intext:"encryption key" site:pastebin.com	Finds Pastebin posts containing "encryption key"	Monitor public paste sites for leaked d	High
1480	Database Files	filetype:mdb intext:"create table"	Finds mdb files with table definitions	Identify exposed database schema file	High

1481	Backup Files	filetype:zip "website backup"	Finds "website backup" files of type .zip	Identify categorized backup file exposures	High
1482	Advanced Search Operators	site:example1.io intitle:"guide"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1483	Admin Panels	inurl:admin intitle:"django admin"	Finds django admin login pages	Identify CMS-specific admin panels	Medium
1484	Admin Panels	intitle:"admin panel" inurl:useradmin	Finds pages titled admin panel under /useradmin	Locate CMS/admin backend interfaces	Medium
1485	Open Directories	intitle:"index of /secrets"	Finds open directory listing: index of /secrets	Discover exposed file listings on web servers	High
1486	API Keys & Credentials	intext:"bearer_token" filetype:json	Finds JSON files exposing bearer_token	Detect leaked credentials in config files	High
1487	Config Files	site:example1.com filetype:config	Finds .config configuration files on example1.com	Locate configuration exposure on a target domain	High
1488	Sensitive Information Exposure	intext:"auth_token" filetype:pdf	Finds PDF files containing "auth_token"	Detect sensitive data in PDF reports	High
1489	Config Files	site:example2.org filetype:env	Finds .env configuration files on example2.org	Locate configuration exposure on a target domain	High
1490	Error Messages	intext:"traceback (most recent call last)" filetype:asp	Finds asp pages showing "traceback (most recent call last)"	Locate app errors indicating misconfigurations	Medium
1491	API Keys & Credentials	intext:"private_key" site:pastebin.com	Finds pastes exposing private_key	Monitor for leaked credentials online	High
1492	Open Directories	intitle:"index of /media"	Finds open directory listing: index of /media	Discover exposed file listings on web servers	Medium
1493	Database Files	filetype:dbf intext:"logins"	Finds dbf dumps referencing "logins" data	Identify exposed logins records	High
1494	Sensitive Information Exposure	intext:"routing number" site:pastebin.com	Finds Pastebin posts containing "routing number"	Monitor public paste sites for leaked data	High
1495	Email & Contact Discovery	site:example2.com intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
1496	API Keys & Credentials	intext:"stripe_api_key" site:pastebin.com	Finds pastes exposing stripe_api_key	Monitor for leaked credentials online	High
1497	File Discovery	filetype:odt site:.io	Finds odt files hosted on .io domains	Sector-specific document discovery on web servers	Low
1498	Advanced Search Operators	backup OR "archive" site:example1.edu	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
1499	File Discovery	filetype:pptx intext:"finance" intitle:"confidential"	Finds pptx files marked confidential in finance sector	Sector-focused document research: financial	Medium
1500	Error Messages	intext:"500 internal server error" filetype:asp	Finds asp pages showing "500 internal server error"	Locate app errors indicating misconfigurations	Medium
1501	Basic Operators	link:example3.org	Finds pages that link to a domain	Backlink and reputation research	Low
1502	Cloud Storage	site:notion.site intitle:"confidential"	Finds Notion files marked confidential	Detect improperly shared sensitive files	High
1503	Sensitive Information Exposure	intext:"credit card number" filetype:xls	Finds Excel files containing "credit card number"	Detect sensitive data in spreadsheets	High
1504	Error Messages	intext:"you have an error in your sql syntax" filetype:aspx	Finds aspx pages showing "you have an error in your sql syntax"	Locate app errors indicating misconfigurations	Medium
1505	API Keys & Credentials	intext:"auth_token" filetype:xml	Finds XML files exposing auth_token	Detect leaked credentials in XML configs	High
1506	Login Pages	site:example1.info inurl:user/login	Finds drupal login page on example1.info	Locate drupal-specific login endpoint	Medium
1507	File Discovery	filetype:pptx intitle:"guide"	Finds pptx files titled with "guide"	Research guide documents in pptx format	Low
1508	File Discovery	filetype:rtf intitle:"proposal"	Finds rtf files titled with "proposal"	Research proposal documents in rtf format	Low
1509	Database Files	filetype:acodb intext:"subscriptions"	Finds acodb dumps referencing "subscriptions" data	Identify exposed subscriptions records	High
1510	API Keys & Credentials	intext:"firebase_apikey" site:github.com	Finds GitHub repos exposing firebase_apikey	Detect accidental credential commits	High
1511	Admin Panels	inurl:admincp intext:"wordpress" intitle:"login"	Finds wordpress login pages under /admincp	Identify CMS admin backend by platform	Medium
1512	Basic Operators	allinurl:report	Finds pages where all words appear in URL	Narrow URL-based search	Low
1513	Backup Files	filetype:bak "database backup"	Finds "database backup" files of type .bak	Identify categorized backup file exposures	High
1514	File Discovery	filetype:csv intext:"real estate" intitle:"confidential"	Finds csv files marked confidential in real estate sector	Sector-focused document research: real estate	Medium
1515	File Discovery	filetype:pptx site:.co	Finds pptx files hosted on .co domains	Sector-specific document discovery on web servers	Low
1516	Sensitive Information Exposure	intext:"database dump" site:pastebin.com	Finds Pastebin posts containing "database dump"	Monitor public paste sites for leaked data	High
1517	Sensitive Information Exposure	intext:"admin password" filetype:xls	Finds Excel files containing "admin password"	Detect sensitive data in spreadsheets	High
1518	Backup Files	site:example1.info filetype:bak	Finds .bak backup files on example1.info	Locate backup artifacts on a target domain	High
1519	Error Messages	intext:"django debug" filetype:aspx	Finds aspx pages showing "django debug"	Locate app errors indicating misconfigurations	Medium
1520	Sensitive Information Exposure	intext:"master password" filetype:log	Finds log files containing "master password"	Detect sensitive data leaked in logs	High
1521	File Discovery	filetype:txt site:.io	Finds txt files hosted on .io domains	Sector-specific document discovery on web servers	Low
1522	Login Pages	inurl:admin intitle:"log in"	Finds log in pages under /adminer paths	Locate authentication portals for testing	Medium
1523	Open Directories	intitle:"index of /.git"	Finds open directory listing: index of /.git	Discover exposed file listings on web servers	Medium
1524	File Discovery	filetype:rtf intitle:"financial statement"	Finds rtf files titled with "financial statement"	Research financial statement documents	Low
1525	Backup Files	filetype:backup "full backup"	Finds "full backup" files of type .backup	Identify categorized backup file exposures	High
1526	Open Directories	intitle:"index of /config"	Finds open directory listing: index of /config	Discover exposed file listings on web servers	Medium
1527	Advanced Search Operators	intitle:"meeting minutes" filetype:rtf	Combines title keyword and filetype filters	Find titled documents of a type	Low
1528	Error Messages	intext:"access denied for user" filetype:asp	Finds asp pages showing "access denied for user"	Locate app errors indicating misconfigurations	Medium
1529	Login Pages	inurl:admin_area intitle:"intranet login"	Finds intranet login pages under /admin_area paths	Locate authentication portals for testing	Medium
1530	Database Files	filetype:dbf intext:"tickets"	Finds dbf dumps referencing "tickets" data	Identify exposed tickets records	High
1531	Login Pages	site:example1.net inurl:login	Finds laravel login page on example1.net	Locate laravel-specific login endpoint	Medium
1532	API Keys & Credentials	intext:"github_token" filetype:log	Finds log files exposing github_token	Detect leaked credentials in log output	High
1533	OSINT Queries	site:linkedin.com intext:"phone number"	Finds LinkedIn pages listing phone numbers	Locate publicly shared contact number	Medium
1534	File Discovery	filetype:ppt intitle:"annual report"	Finds ppt files titled with "annual report"	Research annual report documents in ppt format	Low
1535	Backup Files	site:example1.co filetype:backup	Finds .backup backup files on example1.co	Locate backup artifacts on a target domain	High
1536	Advanced Search Operators	site:example1.info "budget" -inurl:summary	Domain search excluding a URL pattern	Refine results by excluding noise	Low
1537	Sensitive Information Exposure	intext:"database dump" filetype:txt	Finds text files containing "database dump"	Detect accidental exposure of sensitive data	High
1538	File Discovery	filetype:odt intext:"nonprofit" intitle:"confidential"	Finds odt files marked confidential in nonprofit sector	Sector-focused document research: nonprofit	Medium
1539	Basic Operators	allintitle:policy	Finds pages where all words appear in title	Narrow title-based search	Low
1540	OSINT Queries	site:github.com "email" "contact"	Finds GitHub profiles listing contact emails	Gather public contact info for research	Low
1541	File Discovery	filetype:rtf site:.com	Finds rtf files hosted on .com domains	Sector-specific document discovery on web servers	Low
1542	File Discovery	filetype:rtf intext:"real estate" intitle:"confidential"	Finds rtf files marked confidential in real estate sector	Sector-focused document research: real estate	Medium
1543	Login Pages	inurl:admin2 intitle:"client login"	Finds client login pages under /admin2 paths	Locate authentication portals for testing	Medium
1544	Basic Operators	cache:example3.org	Shows Google's cached version of a page	View archived version of a page	Low
1545	File Discovery	filetype:csv intext:"finance" intitle:"confidential"	Finds csv files marked confidential in finance sector	Sector-focused document research: financial	Medium
1546	File Discovery	filetype:odt intext:"retail" intitle:"confidential"	Finds odt files marked confidential in retail sector	Sector-focused document research: retail	Medium
1547	Config Files	site:example2.gov filetype:xml	Finds .xml configuration files on example2.gov	Locate configuration exposure on a target domain	High
1548	Admin Panels	intitle:"admin panel" inurl:admincp	Finds pages titled admin panel under /admincp	Locate CMS/admin backend interfaces	Medium
1549	File Discovery	filetype:ods intext:"legal" intitle:"confidential"	Finds ods files marked confidential in legal sector	Sector-focused document research: legal	Medium
1550	Advanced Search Operators	site:example2.org intext:"meeting minutes" filetype:rtf	Triple filter: domain, content, filetype	Highly targeted document search	Low
1551	Sensitive Information Exposure	intext:"phone numbers" site:pastebin.com	Finds Pastebin posts containing "phone numbers"	Monitor public paste sites for leaked data	High
1552	API Keys & Credentials	intext:"secret_key" site:gitlab.com	Finds GitLab repos exposing secret_key	Detect accidental credential commits	High
1553	Login Pages	inurl:admin1 intitle:"client login"	Finds client login pages under /admin1 paths	Locate authentication portals for testing	Medium
1554	Sensitive Information Exposure	intext:"passwd" filetype:pdf	Finds PDF files containing "passwd"	Detect sensitive data in PDF reports	High
1555	Backup Files	filetype:tar "full backup"	Finds "full backup" files of type .tar	Identify categorized backup file exposures	High
1556	Logs & Debug Files	filetype:out intext:"error"	Finds .out files containing errors	Identify exposed application logs	Medium
1557	Error Messages	intext:"internal server error" filetype:asp	Finds asp pages showing "internal server error"	Locate app errors indicating misconfigurations	Medium
1558	Open Directories	intitle:"index of" ".mdb"	Finds open directories listing .mdb files	Discover exposed .mdb files via direct listing	Medium

1559	Cloud Storage	site:s3.amazonaws.com filetype:pdf	Finds .pdf files shared via Amazon S3	Locate pdf files publicly shared on Amazon S3	Medium
1560	Login Pages	inurl:admincp intitle:"vpn login"	Finds vpn login pages under /admincp paths	Locate authentication portals for testing	Medium
1561	Error Messages	intext:"traceback (most recent call last)"	Finds pages displaying: traceback (most recent call last)	Identify misconfigured or vulnerable applications	Medium
1562	Sensitive Information Exposure	intext:"auth_token" filetype:xls	Finds Excel files containing "auth_token"	Detect sensitive data in spreadsheets	High
1563	Basic Operators	allintitle:dissertation	Finds pages where all words appear in title	Narrow title-based search	Low
1564	Config Files	inurl:config filetype:yml	Finds configuration files via URL pattern (.yml)	Locate exposed app configuration files	High
1565	Basic Operators	link:example2.com	Finds pages that link to a domain	Backlink and reputation research	Low
1566	File Discovery	filetype:rtf intitle:"annual report"	Finds rtf files titled with "annual report"	Research annual report documents in PDF	Low
1567	Sensitive Information Exposure	intext:"ssh private key" filetype:xls	Finds Excel files containing "ssh private key"	Detect sensitive data in spreadsheets	High
1568	Basic Operators	cache:example1.info	Shows Google's cached version of a page	View archived version of a page	Low
1569	Basic Operators	inurl:annual report	Finds pages with keyword in the URL	Locate pages by URL structure	Low
1570	Sensitive Information Exposure	intext:"oauth token" filetype:doc	Finds Word documents containing "oauth token"	Detect sensitive data in shared documents	High
1571	Login Pages	inurl:backend intitle:"staff login"	Finds staff login pages under /backend paths	Locate authentication portals for testing	Medium
1572	Config Files	site:example3.org filetype:env	Finds .env configuration files on example3.org	Locate configuration exposure on a target domain	High
1573	File Discovery	filetype:pptx intext:"government" intitle:"confidential"	Finds pptx files marked confidential in government sectors	Sector-focused document research: research	Medium
1574	Sensitive Information Exposure	intext:"ssh private key" filetype:pdf	Finds PDF files containing "ssh private key"	Detect sensitive data in PDF reports	High
1575	Backup Files	inurl:backup filetype:7z	Finds backup URLs serving .7z files	Locate backup files via URL pattern	High
1576	Basic Operators	cache:example1.co	Shows Google's cached version of a page	View archived version of a page	Low
1577	File Discovery	filetype:doc intext:"real estate" intitle:"confidential"	Finds doc files marked confidential in real estate sectors	Sector-focused document research: real estate	Medium
1578	File Discovery	filetype:csv intitle:"case study"	Finds csv files titled with "case study"	Research case study documents in CSV	Low
1579	File Discovery	filetype:ods intitle:"meeting minutes"	Finds ods files titled with "meeting minutes"	Research meeting minutes documents	Low
1580	Sensitive Information Exposure	intext:"aws_access_key_id" filetype:txt	Finds text files containing "aws_access_key_id"	Detect accidental exposure of sensitive data	High
1581	Backup Files	site:example2.edu filetype:bak	Finds .bak backup files on example2.edu	Locate backup artifacts on a target domain	High
1582	Login Pages	site:example1.net inurl:typo3/index.php	Finds typo3 login page on example1.net	Locate typo3-specific login endpoint	Medium
1583	Basic Operators	related:example2.net	Finds sites related to a given domain	Discover similar or competitor sites	Low
1584	Login Pages	inurl:backend intitle:"user login"	Finds user login pages under /backend paths	Locate authentication portals for testing	Medium
1585	Advanced Search Operators	financial statement -site:example2.com	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
1586	File Discovery	filetype:docx intext:"research" intitle:"confidential"	Finds docx files marked confidential in research sectors	Sector-focused document research: research	Medium
1587	Database Files	filetype:sqLite intext:"logins"	Finds sqLite dumps referencing "logins" data	Identify exposed logins records	High
1588	Backup Files	site:example1.co filetype:bak	Finds .bak backup files on example1.co	Locate backup artifacts on a target domain	High
1589	Sensitive Information Exposure	intext:"api_key" filetype:log	Finds log files containing "api_key"	Detect sensitive data leaked in logs	High
1590	Sensitive Information Exposure	intext:"db_password" site:pastebin.com	Finds Pastebin posts containing "db_password"	Monitor public paste sites for leaked data	High
1591	Database Files	filetype:acddb intext:"insert into"	Finds acddb files containing SQL insert statements	Identify exposed database dumps	High
1592	Sensitive Information Exposure	intext:"password" filetype:xls	Finds Excel files containing "password"	Detect sensitive data in spreadsheets	High
1593	Backup Files	site:example1.info filetype:old	Finds .old backup files on example1.info	Locate backup artifacts on a target domain	High
1594	Login Pages	inurl:adminpanel intitle:"client login"	Finds client login pages under /adminpanel paths	Locate authentication portals for testing	Medium
1595	Error Messages	intext:"internal server error"	Finds pages displaying: internal server error	Identify misconfigured or vulnerable applications	Medium
1596	Cloud Storage	site:storage.googleapis.com filetype:pdf "internal use only"	Finds internal-use PDFs on Google Cloud Storage	Detect accidental public sharing of internal documents	High
1597	Backup Files	site:example2.com filetype:rar	Finds .rar backup files on example2.com	Locate backup artifacts on a target domain	High
1598	Backup Files	inurl:backup filetype:old	Finds backup URLs serving .old files	Locate backup files via URL pattern	High
1599	Login Pages	inurl:admin_area intitle:"employee login"	Finds employee login pages under /admin_area paths	Locate authentication portals for testing	Medium
1600	Login Pages	inurl:admin1 intitle:"admin login"	Finds admin login pages under /admin1 paths	Locate authentication portals for testing	Medium
1601	Backup Files	site:example2.co filetype:rar	Finds .rar backup files on example2.co	Locate backup artifacts on a target domain	High
1602	Cloud Storage	site:s3.amazonaws.com inurl:folder	Finds Amazon S3 shared folder links	Discover exposed shared folders	Medium
1603	Advanced Search Operators	research AROUND(5) "cv"	Finds pages where two terms appear near each other	Find contextually related terms	Low
1604	Basic Operators	link:example1.io	Finds pages that link to a domain	Backlink and reputation research	Low
1605	Sensitive Information Exposure	intext:"jdbc:mysql" filetype:log	Finds log files containing "jdbc:mysql"	Detect sensitive data leaked in logs	High
1606	Login Pages	site:example1.info inurl:login	Finds laravel login page on example1.info	Locate laravel-specific login endpoint	Medium
1607	File Discovery	filetype:ppt intext:"healthcare" intitle:"confidential"	Finds ppt files marked confidential in healthcare sectors	Sector-focused document research: healthcare	Medium
1608	Advanced Search Operators	survey -site:example2.gov	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
1609	Error Messages	intext:"you have an error in your sql syntax" filetype:asp	Finds asp pages showing "you have an error in your sql syntax"	Locate app errors indicating misconfiguration	Medium
1610	Advanced Search Operators	site:example2.org "meeting minutes" -inurl:finance	Domain search excluding a URL pattern	Refine results by excluding noise	Low
1611	File Discovery	filetype:pdf intitle:"syllabus"	Finds pdf files titled with "syllabus"	Research syllabus documents in pdf format	Low
1612	File Discovery	filetype:pptx intitle:"syllabus"	Finds pptx files titled with "syllabus"	Research syllabus documents in pptx format	Low
1613	Advanced Search Operators	backup OR "archive" site:example2.io	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
1614	API Keys & Credentials	intext:"apikey" site:gitlab.com	Finds GitLab repos exposing apikey	Detect accidental credential commits on GitHub	High
1615	Cloud Storage	site:notion.site filetype:zip	Finds .zip files shared via Notion	Locate zip files publicly shared on Notion	Medium
1616	Admin Panels	inurl:admin intitle:"prestashop"	Finds prestashop admin login pages	Identify CMS-specific admin panels	Medium
1617	Sensitive Information Exposure	intext:"cvv" filetype:log	Finds log files containing "cvv"	Detect sensitive data leaked in logs	High
1618	Login Pages	site:example2.com inurl:wp-login.php	Finds wordpress login page on example2.com	Locate wordpress-specific login endpoint	Medium
1619	Database Files	filetype:sqLite intext:"invoices"	Finds sqLite dumps referencing "invoices" data	Identify exposed invoices records	High
1620	File Discovery	filetype:odt site:.gov	Finds odt files hosted on .gov domains	Sector-specific document discovery on .gov	Low
1621	Cloud Storage	site:box.com filetype:xlsx	Finds Excel files shared via Box	Locate spreadsheets shared publicly	Medium
1622	Config Files	site:example2.gov filetype:yml	Finds .yml configuration files on example2.gov	Locate configuration exposure on a target domain	High
1623	Login Pages	inurl:wp-login.php intitle:"vpn login"	Finds vpn login pages under /wp-login.php paths	Locate authentication portals for testing	Medium
1624	API Keys & Credentials	intext:"jwt_secret" site:pastebin.com	Finds pastes exposing jwt_secret	Monitor for leaked credentials online	High
1625	API Keys & Credentials	intext:"mailgun_api_key" filetype:env	Finds .env files exposing mailgun_api_key	Detect leaked API credentials	High
1626	API Keys & Credentials	intext:"encryption_key" site:pastebin.com	Finds pastes exposing encryption_key	Monitor for leaked credentials online	High
1627	Backup Files	site:example3.edu filetype:gzip	Finds .gz backup files on example3.edu	Locate backup artifacts on a target domain	High
1628	Database Files	filetype:sqLite intext:"messages"	Finds sqLite dumps referencing "messages" data	Identify exposed messages records	High
1629	Advanced Search Operators	inurl:syllabus filetype:doc	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
1630	Backup Files	site:example2.co filetype:bak	Finds .bak backup files on example2.co	Locate backup artifacts on a target domain	High
1631	File Discovery	filetype:pptx site:.edu	Finds pptx files hosted on .edu domains	Sector-specific document discovery on .edu	Low
1632	Admin Panels	inurl:/system/admin intext:"username" intext:"password"	Finds admin panels under /system/admin with login fields	Identify exposed administrative interfaces	Medium
1633	File Discovery	filetype:xls intext:"real estate" intitle:"confidential"	Finds xls files marked confidential in real estate sectors	Sector-focused document research: real estate	Medium
1634	Email & Contact Discovery	site:example2.org intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
1635	File Discovery	filetype:pdf site:.gov	Finds pdf files hosted on .gov domains	Sector-specific document discovery on .gov	Low
1636	Sensitive Information Exposure	intext:"root_password" filetype:xls	Finds Excel files containing "root_password"	Detect sensitive data in spreadsheets	High

1637	File Discovery	filetype:pdf intext:"logistics" intitle:"confidential"	Finds pdf files marked confidential in logistics sector	Sector-focused document research: lo Medium
1638	Cloud Storage	site:firebaseio.com filetype:csv	Finds .csv files shared via Firebase	Locate csv files publicly shared on Fire Medium
1639	API Keys & Credentials	intext:"session_secret" site:pastebin.com	Finds pastes exposing session_secret	Monitor for leaked credentials online High
1640	Error Messages	intext:"warning: include"	Finds pages displaying: warning: include	Identify misconfigured or vulnerable ap Medium
1641	Admin Panels	inurl:wp-admin intext:"prestashop" intitle:"login"	Finds prestashop login pages under /wp-admin	Identify CMS admin backend by platfor Medium
1642	File Discovery	filetype:xlsx intext:"logistics" intitle:"confidential"	Finds xlsx files marked confidential in logistics secto	Sector-focused document research: lo Medium
1643	Basic Operators	allinurl:conference	Finds pages where all words appear in URL	Narrow URL-based search Low
1644	Login Pages	inurl:wp-login.php intitle:"user login"	Finds user login pages under /wp-login.php paths	Locate authentication portals for testin Medium
1645	Backup Files	site:example1.co filetype:rar	Finds .rar backup files on example1.co	Locate backup artifacts on a target dor High
1646	Admin Panels	inurl:admin2 intext:"shopify" intitle:"login"	Finds shopify login pages under /admin2	Identify CMS admin backend by platfor Medium
1647	Sensitive Information Exposure	intext:"auth key" site:pastebin.com	Finds Pastebin posts containing "auth key"	Monitor public paste sites for leaked d High
1648	API Keys & Credentials	intext:"npm_token" filetype:log	Finds log files exposing npm_token	Detect leaked credentials in log output High
1649	Login Pages	site:example1.io inurl:admin	Finds magento login page on example1.io	Locate magento-specific login endpoint Medium
1650	Sensitive Information Exposure	intext:"wp-config" filetype:xls	Finds Excel files containing "wp-config"	Detect sensitive data in spreadsheets High
1651	Advanced Search Operators	site:example1.io "guide" -inurl:receipt	Domain search excluding a URL pattern	Refine results by excluding noise Low
1652	Backup Files	site:example2.info filetype:tar	Finds .tar backup files on example2.info	Locate backup artifacts on a target dor High
1653	Basic Operators	intitle:guide	Finds pages with keyword in the title	Identify pages focused on a topic Low
1654	Login Pages	inurl:adminpanel intitle:"log in"	Finds log in pages under /adminpanel paths	Locate authentication portals for testin Medium
1655	Backup Files	filetype:bak intitle:"backup"	Finds backup files with .bak extension	Identify exposed backup archives High
1656	API Keys & Credentials	intext:"consumer_secret" site:pastebin.com	Finds pastes exposing consumer_secret	Monitor for leaked credentials online High
1657	Login Pages	inurl:backend intitle:"signin"	Finds signin pages under /backend paths	Locate authentication portals for testin Medium
1658	Sensitive Information Exposure	intext:"salary" filetype:txt	Finds text files containing "salary"	Detect accidental exposure of sensitive High
1659	Cloud Storage	site:mega.nz filetype:zip	Finds .zip files shared via Mega	Locate zip files publicly shared on Meg Medium
1660	Login Pages	inurl:admincp intitle:"log in"	Finds log in pages under /admincp paths	Locate authentication portals for testin Medium
1661	Error Messages	intext:"odbc driver error" filetype:aspx	Finds aspx pages showing "odbc driver error"	Locate app errors indicating misconfigi Medium
1662	Login Pages	inurl:wp-login.php intitle:"member login"	Finds member login pages under /wp-login.php path	Locate authentication portals for testin Medium
1663	Backup Files	site:example1.io filetype:rar	Finds .rar backup files on example1.io	Locate backup artifacts on a target dor High
1664	Sensitive Information Exposure	intext:"ssn" filetype:pdf	Finds PDF files containing "ssn"	Detect sensitive data in PDF reports High
1665	Basic Operators	link:example2.net	Finds pages that link to a domain	Backlink and reputation research Low
1666	Login Pages	inurl:phpmyadmin intitle:"staff login"	Finds staff login pages under /phpmyadmin paths	Locate authentication portals for testin Medium
1667	File Discovery	filetype:docx intext:"hospitality" intitle:"confidential"	Finds docx files marked confidential in hospitality se	Sector-focused document research: hc Medium
1668	Login Pages	inurl:wp-admin intitle:"user login"	Finds user login pages under /wp-admin paths	Locate authentication portals for testin Medium
1669	Config Files	site:example2.info filetype:env	Finds .env configuration files on example2.info	Locate configuration exposure on a tar High
1670	Admin Panels	intitle:"admin panel" inurl:admin/dashboard	Finds pages titled admin panel under /admin/dashbo	Locate CMS/admin backend interfaces Medium
1671	Login Pages	inurl:admincp intitle:"login"	Finds login pages under /admincp paths	Locate authentication portals for testin Medium
1672	API Keys & Credentials	intext:"stripe_api_key" site:gitlab.com	Finds GitLab repos exposing stripe_api_key	Detect accidental credential commits o High
1673	Backup Files	site:example1.org filetype:zip	Finds .zip backup files on example1.org	Locate backup artifacts on a target dor High
1674	API Keys & Credentials	intext:"access_token" filetype:json	Finds JSON files exposing access_token	Detect leaked credentials in config files High
1675	Sensitive Information Exposure	intext:"bearer token" filetype:txt	Finds text files containing "bearer token"	Detect accidental exposure of sensitive High
1676	Error Messages	intext:"fatal error" filetype:aspx	Finds aspx pages showing "fatal error"	Locate app errors indicating misconfigi Medium
1677	File Discovery	filetype:docx intext:"insurance" intitle:"confidential"	Finds docx files marked confidential in insurance se	Sector-focused document research: in Medium
1678	Email & Contact Discovery	filetype:csv intext:"mailing list"	Finds CSV files labeled "mailing list"	Detect exposed bulk email lists High
1679	Backup Files	site:example3.org filetype:gzip	Finds .gz backup files on example3.org	Locate backup artifacts on a target dor High
1680	Login Pages	inurl:cpanel intitle:"system login"	Finds system login pages under /cpanel paths	Locate authentication portals for testin Medium
1681	File Discovery	filetype:doc intext:"government" intitle:"confidential"	Finds doc files marked confidential in government se	Sector-focused document research: gc Medium
1682	Advanced Search Operators	site:example2.com intitle:"financial statement"	Combines domain and title keyword filters	Locate topic-specific pages on a site Low
1683	Advanced Search Operators	site:example2.io "syllabus" -inurl:archive	Domain search excluding a URL pattern	Refine results by excluding noise Low
1684	Admin Panels	inurl:admincp intext:"username" intext:"password"	Finds admin panels under /admincp with login fields	Identify exposed administrative interf Medium
1685	Config Files	site:example3.org filetype:conf	Finds .conf configuration files on example3.org	Locate configuration exposure on a tar High
1686	Logs & Debug Files	site:example1.co filetype:log	Finds .log files on example1.co	Locate exposed log files on a target dc Medium
1687	API Keys & Credentials	intext:"database_url" site:gitlab.com	Finds GitLab repos exposing database_url	Detect accidental credential commits o High
1688	Advanced Search Operators	site:example1.gov filetype:xlsx	Combines domain and filetype filters	Find specific file types on a target site Low
1689	File Discovery	filetype:ppt site:.com	Finds ppt files hosted on .com domains	Sector-specific document discovery on Low
1690	Backup Files	site:example1.gov filetype:rar	Finds .rar backup files on example1.gov	Locate backup artifacts on a target dor High
1691	File Discovery	filetype:ptx intitle:"survey"	Finds ptx files titled with "survey"	Research survey documents in ptx fo Low
1692	Cloud Storage	site:drive.google.com intitle:"confidential"	Finds Google Drive files marked confidential	Detect improperly shared sensitive file: High
1693	Admin Panels	inurl:admin intext:"shopify" intitle:"login"	Finds shopify login pages under /admin	Identify CMS admin backend by platfor Medium
1694	Admin Panels	inurl:admin1 intext:"joomla" intitle:"login"	Finds joomla login pages under /admin1	Identify CMS admin backend by platfor Medium
1695	Login Pages	site:example1.io inurl:typo3/index.php	Finds typo3 login page on example1.io	Locate typo3-specific login endpoint Medium
1696	Admin Panels	intitle:"admin panel" inurl:superadmin	Finds pages titled admin panel under /superadmin	Locate CMS/admin backend interfaces Medium
1697	Cloud Storage	site:storage.googleapis.com filetype:docx	Finds .docx files shared via Google Cloud Storage	Locate docx files publicly shared on Gt Medium
1698	Basic Operators	site:example2.info	Restricts results to a specific domain	Scope reconnaissance to a target dom Low
1699	Basic Operators	cache:example1.edu	Shows Google's cached version of a page	View archived version of a page Low
1700	Error Messages	intext:"asp.net error" filetype:php	Finds php pages showing "asp.net error"	Locate app errors indicating misconfigi Medium
1701	Open Directories	intitle:"index of" "shared" -inurl:htm -inurl:html	Finds directory listings related to shared	Locate exposed folders excluding norm Medium
1702	File Discovery	filetype:xls intitle:"report"	Finds xls files titled with "report"	Research report documents in xls form Low
1703	Basic Operators	intext:"financial statement"	Finds pages containing exact phrase in body text	Search page content for a phrase Low
1704	File Discovery	filetype:pdf site:.com	Finds pdf files hosted on .com domains	Sector-specific document discovery on Low
1705	Backup Files	site:example1.co filetype:gzip	Finds .gz backup files on example1.co	Locate backup artifacts on a target dor High
1706	Login Pages	inurl:dashboard intitle:"intranet login"	Finds intranet login pages under /dashboard paths	Locate authentication portals for testin Medium
1707	Sensitive Information Exposure	intext:"auth key" filetype:doc	Finds Word documents containing "auth key"	Detect sensitive data in shared docum High
1708	Error Messages	intext:"exception in thread" filetype:aspx	Finds aspx pages showing "exception in thread"	Locate app errors indicating misconfigi Medium
1709	Config Files	site:example1.info filetype:ini	Finds .ini configuration files on example1.info	Locate configuration exposure on a tar High
1710	Sensitive Information Exposure	intext:"proprietary and confidential" site:pastebin.com	Finds Pastebin posts containing "proprietary and coi	Monitor public paste sites for leaked d High
1711	File Discovery	filetype:rtf intitle:"meeting minutes"	Finds rtf files titled with "meeting minutes"	Research meeting minutes documents Low
1712	Basic Operators	allintext:"proposal"	Finds pages where all words appear in text	Narrow content-based search Low
1713	Backup Files	filetype:backup "config backup"	Finds "config backup" files of type .backup	Identify categorized backup file expos High
1714	File Discovery	filetype:rtf site:.edu	Finds rtf files hosted on .edu domains	Sector-specific document discovery on Low

1715	Basic Operators	allintext:"annual report"	Finds pages where all words appear in text	Narrow content-based search	Low
1716	Admin Panels	inurl:admin1 intext:"prestashop" intitle:"login"	Finds prestashop login pages under /admin1	Identify CMS admin backend by platform	Medium
1717	Bug Bounty / Security Testing	inurl:swagger.json	Finds exposed Swagger API definition files	Identify API endpoints for authorized testing	Medium
1718	File Discovery	filetype:docx intitle:"proposal"	Finds docx files titled with "proposal"	Research proposal documents in docx format	Low
1719	Database Files	filetype:mdb "password"	Finds mdb files referencing passwords	Detect credential exposure in databases	High
1720	Login Pages	inurl:wp-admin intitle:"signin"	Finds signin pages under /wp-admin paths	Locate authentication portals for testing	Medium
1721	Login Pages	inurl:admin_area intitle:"account login"	Finds account login pages under /admin_area paths	Locate authentication portals for testing	Medium
1722	Error Messages	intext:"runtime error" filetype:asp	Finds asp pages showing "runtime error"	Locate app errors indicating misconfigurations	Medium
1723	Admin Panels	inurl:wp-admin intext:"magento" intitle:"login"	Finds magento login pages under /wp-admin	Identify CMS admin backend by platform	Medium
1724	Sensitive Information Exposure	intext:"passport number" filetype:pdf	Finds PDF files containing "passport number"	Detect sensitive data in PDF reports	High
1725	API Keys & Credentials	intext:"access_token" site:gitlab.com	Finds GitLab repos exposing access_token	Detect accidental credential commits	High
1726	Sensitive Information Exposure	intext:"token=" filetype:xls	Finds Excel files containing "token="	Detect sensitive data in spreadsheets	High
1727	File Discovery	filetype:csv intitle:"presentation"	Finds csv files titled with "presentation"	Research presentation documents in csv	Low
1728	Basic Operators	link:example3.net	Finds pages that link to a domain	Backlink and reputation research	Low
1729	Sensitive Information Exposure	intext:"staging environment" filetype:txt	Finds text files containing "staging environment"	Detect accidental exposure of sensitive data	High
1730	Backup Files	site:example1.org filetype:tar	Finds .tar backup files on example1.org	Locate backup artifacts on a target domain	High
1731	File Discovery	filetype:pdf intext:"hospitality" intitle:"confidential"	Finds pdf files marked confidential in hospitality sector	Sector-focused document research: healthcare	Medium
1732	File Discovery	filetype:txt intext:"finance" intitle:"confidential"	Finds txt files marked confidential in finance sector	Sector-focused document research: finance	Medium
1733	API Keys & Credentials	intext:"database_url" filetype:json	Finds JSON files exposing database_url	Detect leaked credentials in config files	High
1734	Advanced Search Operators	intitle:"whitepaper" filetype:docx	Combines title keyword and filetype filters	Find titled documents of a type	Low
1735	Email & Contact Discovery	site:example1.com filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
1736	Basic Operators	allintitle:manual	Finds pages where all words appear in title	Narrow title-based search	Low
1737	Error Messages	intext:"django debug"	Finds pages displaying: django debug	Identify misconfigured or vulnerable applications	Medium
1738	Config Files	site:example2.org filetype:yml	Finds .yml configuration files on example2.org	Locate configuration exposure on a target domain	High
1739	Cloud Storage	site:box.com intitle:"confidential"	Finds Box files marked confidential	Detect improperly shared sensitive files	High
1740	File Discovery	filetype:xlsx site:.org	Finds .xlsx files hosted on .org domains	Sector-specific document discovery on Low	Low
1741	OSINT Queries	site:medium.com intext:"phone number"	Finds Medium pages listing phone numbers	Locate publicly shared contact number	Medium
1742	File Discovery	filetype:pdf site:.info	Finds pdf files hosted on .info domains	Sector-specific document discovery on Low	Low
1743	Open Directories	intitle:"index of /tmp"	Finds open directory listing: index of /tmp	Discover exposed file listings on web servers	Medium
1744	Logs & Debug Files	site:example2.com filetype:log	Finds .log files on example2.com	Locate exposed log files on a target domain	Medium
1745	File Discovery	filetype:csv site:.edu	Finds csv files hosted on .edu domains	Sector-specific document discovery on Low	Low
1746	Backup Files	site:example2.io filetype:backup	Finds .backup backup files on example2.io	Locate backup artifacts on a target domain	High
1747	Login Pages	inurl:adminpanel intitle:"sign in"	Finds sign in pages under /adminpanel paths	Locate authentication portals for testing	Medium
1748	Open Directories	intitle:"index of" "keys" -inurl:html -inurl:html	Finds directory listings related to keys	Locate exposed folders excluding normal	High
1749	Admin Panels	intitle:"admin panel" inurl:/root	Finds pages titled admin panel under /root	Locate CMS/admin backend interfaces	Medium
1750	Cloud Storage	site:docs.google.com filetype:csv	Finds .csv files shared via Google Docs	Locate csv files publicly shared on Google	Medium
1751	OSINT Queries	site:example1.gov intext:"staff directory"	Finds pages listing "staff directory"	Map organizational personnel for research	Low
1752	Config Files	inurl:config filetype:config	Finds configuration files via URL pattern (.config)	Locate exposed app configuration files	High
1753	File Discovery	filetype:ppt intext:"nonprofit" intitle:"confidential"	Finds ppt files marked confidential in nonprofit sector	Sector-focused document research: nonprofit	Medium
1754	Admin Panels	inurl:wp-login.php intext:"username" intext:"password"	Finds admin panels under /wp-login.php with login fields	Identify exposed administrative interfaces	Medium
1755	Admin Panels	inurl:wp-admin intext:"drupal" intitle:"login"	Finds drupal login pages under /wp-admin	Identify CMS admin backend by platform	Medium
1756	Email & Contact Discovery	site:example2.com intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for outreach	Medium
1757	Basic Operators	related:example2.io	Finds sites related to a given domain	Discover similar or competitor sites	Low
1758	Login Pages	inurl:cpanel intitle:"login"	Finds login pages under /cpanel paths	Locate authentication portals for testing	Medium
1759	Sensitive Information Exposure	intext:"smtp password" site:pastebin.com	Finds Pastebin posts containing "smtp password"	Monitor public paste sites for leaked data	High
1760	Sensitive Information Exposure	intext:"staging environment" filetype:pdf	Finds PDF files containing "staging environment"	Detect sensitive data in PDF reports	High
1761	Advanced Search Operators	report OR "summary" site:example1.info	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
1762	Advanced Search Operators	proposal AROUND(5) "password"	Finds pages where two terms appear near each other	Find contextually related terms	Low
1763	Basic Operators	site:example2.gov	Restricts results to a specific domain	Scope reconnaissance to a target domain	Low
1764	File Discovery	filetype:odt site:.info	Finds odt files hosted on .info domains	Sector-specific document discovery on Low	Low
1765	Open Directories	intitle:"index of" ".dbf"	Finds open directories listing .dbf files	Discover exposed .dbf files via directory	Medium
1766	File Discovery	filetype:ppt intext:"manufacturing" intitle:"confidential"	Finds ppt files marked confidential in manufacturing	Sector-focused document research: manufacturing	Medium
1767	Database Files	filetype:sql intext:"patients"	Finds SQL dumps referencing "patients" table	Identify exposed data tables	High
1768	Sensitive Information Exposure	intext:"license key" site:pastebin.com	Finds Pastebin posts containing "license key"	Monitor public paste sites for leaked data	High
1769	Sensitive Information Exposure	intext:"db_password" filetype:xls	Finds Excel files containing "db_password"	Detect sensitive data in spreadsheets	High
1770	Email & Contact Discovery	site:example1.info intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
1771	Basic Operators	intitle:training	Finds pages with keyword in the title	Identify pages focused on a topic	Low
1772	File Discovery	filetype:txt intitle:"annual report"	Finds txt files titled with "annual report"	Research annual report documents in text	Low
1773	Sensitive Information Exposure	intext:"pwd=" filetype:log	Finds log files containing "pwd="	Detect sensitive data leaked in logs	High
1774	API Keys & Credentials	intext:"slack_token" filetype:env	Finds .env files exposing slack_token	Detect leaked API credentials	High
1775	Sensitive Information Exposure	intext:"ftp password" filetype:txt	Finds text files containing "ftp password"	Detect accidental exposure of sensitive data	High
1776	Error Messages	intext:"access denied for user" filetype:php	Finds php pages showing "access denied for user"	Locate app errors indicating misconfigurations	Medium
1777	Basic Operators	intitle:annual report	Finds pages with keyword in the title	Identify pages focused on a topic	Low
1778	Config Files	site:example3.net filetype:ini	Finds .ini configuration files on example3.net	Locate configuration exposure on a target domain	High
1779	Sensitive Information Exposure	intext:"ssn" site:pastebin.com	Finds Pastebin posts containing "ssn"	Monitor public paste sites for leaked data	High
1780	Admin Panels	inurl:admincp intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /admincp	Identify CMS admin backend by platform	Medium
1781	Error Messages	intext:"warning: require_once"	Finds pages displaying: warning: require_once	Identify misconfigured or vulnerable applications	Medium
1782	Sensitive Information Exposure	intext:"credentials" filetype:log	Finds log files containing "credentials"	Detect sensitive data leaked in logs	High
1783	API Keys & Credentials	intext:"bearer_token" site:github.com	Finds GitHub repos exposing bearer_token	Detect accidental credential commits	High
1784	Email & Contact Discovery	site:example1.info intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for outreach	Medium
1785	Error Messages	intext:"unhandled exception" filetype:asp	Finds asp pages showing "unhandled exception"	Locate app errors indicating misconfigurations	Medium
1786	API Keys & Credentials	intext:"heroku_api_key" filetype:env	Finds .env files exposing heroku_api_key	Detect leaked API credentials	High
1787	Login Pages	inurl:wp-admin intitle:"member login"	Finds member login pages under /wp-admin paths	Locate authentication portals for testing	Medium
1788	Backup Files	site:example3.org filetype:bak	Finds .bak backup files on example3.org	Locate backup artifacts on a target domain	High
1789	File Discovery	filetype:xls intitle:"survey"	Finds xls files titled with "survey"	Research survey documents in xls format	Low
1790	API Keys & Credentials	intext:"encryption_key" filetype:yml	Finds YAML files exposing encryption_key	Detect leaked credentials in YAML config	High
1791	File Discovery	filetype:csv intitle:"technical specification"	Finds csv files titled with "technical specification"	Research technical specification documents	Low
1792	Backup Files	site:example2.gov filetype:zip	Finds .zip backup files on example2.gov	Locate backup artifacts on a target domain	High

1793	Basic Operators	allintext:"user manual"	Finds pages where all words appear in text	Narrow content-based search	Low
1794	Sensitive Information Exposure	intext:"client_secret" filetype:xls	Finds Excel files containing "client_secret"	Detect sensitive data in spreadsheets	High
1795	Backup Files	filetype:zip "database backup"	Finds "database backup" files of type .zip	Identify categorized backup file exposure	High
1796	Cloud Storage	site:pastebin.com filetype:pdf	Finds .pdf files shared via Pastebin	Locate pdf files publicly shared on Pastebin	Medium
1797	File Discovery	filetype:xls intext:"manufacturing" intitle:"confidential"	Finds xls files marked confidential in manufacturing	Sector-focused document research: manufacturing	Medium
1798	Backup Files	site:example3.net filetype:gz	Finds .gz backup files on example3.net	Locate backup artifacts on a target domain	High
1799	File Discovery	filetype:docx intext:"real estate" intitle:"confidential"	Finds docx files marked confidential in real estate sector	Sector-focused document research: real estate	Medium
1800	File Discovery	filetype:xls intitle:"financial statement"	Finds xls files titled with "financial statement"	Research financial statement documents	Low
1801	Login Pages	inurl:admin intitle:"portal login"	Finds portal login pages under /adminer paths	Locate authentication portals for testing	Medium
1802	Database Files	filetype:acddb intext:"invoices"	Finds acddb dumps referencing "invoices" data	Identify exposed invoices records	High
1803	Email & Contact Discovery	filetype:doc intext:"@gmail.com"	Finds doc files listing Gmail addresses	Gather email addresses for research	Medium
1804	Open Directories	intitle:"index of" "bak"	Finds open directories listing .bak files	Discover exposed .bak files via directory listing	Medium
1805	Login Pages	inurl:adminpanel intitle:"vpn login"	Finds vpn login pages under /adminpanel paths	Locate authentication portals for testing	Medium
1806	Error Messages	intext:"syntax error near" filetype:asp	Finds asp pages showing "syntax error near"	Locate app errors indicating misconfiguration	Medium
1807	Basic Operators	allinurl:technical specification	Finds pages where all words appear in URL	Narrow URL-based search	Low
1808	API Keys & Credentials	intext:"github_token" filetype:xml	Finds XML files exposing github_token	Detect leaked credentials in XML configurations	High
1809	File Discovery	filetype:doc site:.com	Finds doc files hosted on .com domains	Sector-specific document discovery on .com	Low
1810	Error Messages	intext:"asp.net error" filetype:aspx	Finds aspx pages showing "asp.net error"	Locate app errors indicating misconfiguration	Medium
1811	File Discovery	filetype:rtf intitle:"user manual"	Finds rtf files titled with "user manual"	Research user manual documents in rtf format	Low
1812	API Keys & Credentials	intext:"mailgun_api_key" filetype:xml	Finds XML files exposing mailgun_api_key	Detect leaked credentials in XML configurations	High
1813	Admin Panels	inurl:backend intext:"username" intext:"password"	Finds admin panels under /backend with login fields	Identify exposed administrative interfaces	Medium
1814	File Discovery	filetype:xlsx intext:"energy" intitle:"confidential"	Finds xlsx files marked confidential in energy sector	Sector-focused document research: energy	Medium
1815	Admin Panels	inurl:admin1 intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /admin1	Identify CMS admin backend by platform	Medium
1816	OSINT Queries	site:example1.net intext:"about us"	Finds pages listing "about us"	Map organizational personnel for research	Low
1817	Sensitive Information Exposure	intext:"salary" filetype:pdf	Finds PDF files containing "salary"	Detect sensitive data in PDF reports	High
1818	Database Files	filetype:sql intext:"clients"	Finds SQL dumps referencing "clients" table	Identify exposed data tables	High
1819	File Discovery	filetype:ods site:.io	Finds ods files hosted on .io domains	Sector-specific document discovery on .io	Low
1820	Login Pages	inurl:admin intitle:"signin"	Finds signin pages under /admin paths	Locate authentication portals for testing	Medium
1821	Sensitive Information Exposure	intext:"license key" filetype:xls	Finds Excel files containing "license key"	Detect sensitive data in spreadsheets	High
1822	API Keys & Credentials	intext:"heroku_api_key" filetype:yml	Finds YAML files exposing heroku_api_key	Detect leaked credentials in YAML configurations	High
1823	File Discovery	filetype:ppt site:.gov	Finds ppt files hosted on .gov domains	Sector-specific document discovery on .gov	Low
1824	Backup Files	filetype:backup "database backup"	Finds "database backup" files of type .backup	Identify categorized backup file exposure	High
1825	Error Messages	intext:"unhandled exception" filetype:jsp	Finds jsp pages showing "unhandled exception"	Locate app errors indicating misconfiguration	Medium
1826	File Discovery	filetype:xlsx intext:"finance" intitle:"confidential"	Finds xlsx files marked confidential in finance sector	Sector-focused document research: finance	Medium
1827	Email & Contact Discovery	site:example1.net intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for outreach	Medium
1828	File Discovery	filetype:ods intext:"hospitality" intitle:"confidential"	Finds ods files marked confidential in hospitality sector	Sector-focused document research: hospitality	Medium
1829	Admin Panels	intitle:"admin panel" inurl:/secure/login	Finds pages titled admin panel under /secure/login	Locate CMS/admin backend interfaces	Medium
1830	API Keys & Credentials	intext:"aws_secret_access_key" filetype:env	Finds .env files exposing aws_secret_access_key	Detect leaked API credentials	High
1831	Open Directories	intitle:"index of" /source	Finds open directory listing: index of /source	Discover exposed file listings on web servers	Medium
1832	Backup Files	site:example2.edu filetype:zip	Finds .zip backup files on example2.edu	Locate backup artifacts on a target domain	High
1833	OSINT Queries	site:example1.com intext:"staff directory"	Finds pages listing "staff directory"	Map organizational personnel for research	Low
1834	Basic Operators	allinurl:where all words appear in URL	Finds pages where all words appear in URL	Narrow URL-based search	Low
1835	Login Pages	inurl:dashboard intitle:"member login"	Finds member login pages under /dashboard paths	Locate authentication portals for testing	Medium
1836	Basic Operators	allintitle:technology	Finds pages where all words appear in title	Narrow title-based search	Low
1837	Basic Operators	allintitle:guide	Finds pages where all words appear in title	Narrow title-based search	Low
1838	API Keys & Credentials	intext:"access_token" filetype:yml	Finds YAML files exposing access_token	Detect leaked credentials in YAML configurations	High
1839	Sensitive Information Exposure	intext:"bearer token" filetype:pdf	Finds PDF files containing "bearer token"	Detect sensitive data in PDF reports	High
1840	Basic Operators	related:example2.com	Finds sites related to a given domain	Discover similar or competitor sites	Low
1841	Config Files	site:example2.info filetype:config	Finds .config configuration files on example2.info	Locate configuration exposure on a target domain	High
1842	Sensitive Information Exposure	intext:"secret key" site:pastebin.com	Finds Pastebin posts containing "secret key"	Monitor public paste sites for leaked data	High
1843	Advanced Search Operators	case study -site:example2.edu	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
1844	Open Directories	intitle:"index of" "scripts" -inurl:htm -inurl:html	Finds directory listings related to scripts	Locate exposed folders excluding normal HTML	Medium
1845	Admin Panels	inurl:admincp intext:"umbraco" intitle:"login"	Finds umbraco login pages under /admincp	Identify CMS admin backend by platform	Medium
1846	Sensitive Information Exposure	intext:"session_id" filetype:txt	Finds text files containing "session_id"	Detect accidental exposure of sensitive data	High
1847	Backup Files	filetype:backup "site backup"	Finds "site backup" files of type .backup	Identify categorized backup file exposure	High
1848	Login Pages	inurl:adminpanel intitle:"member login"	Finds member login pages under /adminpanel paths	Locate authentication portals for testing	Medium
1849	File Discovery	filetype:doc site:.org	Finds doc files hosted on .org domains	Sector-specific document discovery on .org	Low
1850	Basic Operators	allinurl:research	Finds pages where all words appear in URL	Narrow URL-based search	Low
1851	File Discovery	filetype:pdf intext:"research" intitle:"confidential"	Finds pdf files marked confidential in research sector	Sector-focused document research: research	Medium
1852	Sensitive Information Exposure	intext:"database dump" filetype:pdf	Finds PDF files containing "database dump"	Detect sensitive data in PDF reports	High
1853	Admin Panels	inurl:admin2 intext:"typo3" intitle:"login"	Finds typo3 login pages under /admin2	Identify CMS admin backend by platform	Medium
1854	Login Pages	inurl:manager intitle:"client login"	Finds client login pages under /manager paths	Locate authentication portals for testing	Medium
1855	API Keys & Credentials	intext:"twilio_auth_token" filetype:env	Finds .env files exposing twilio_auth_token	Detect leaked API credentials	High
1856	File Discovery	filetype:txt site:.info	Finds txt files hosted on .info domains	Sector-specific document discovery on .info	Low
1857	API Keys & Credentials	intext:"api_secret" filetype:log	Finds log files exposing api_secret	Detect leaked credentials in log output	High
1858	Sensitive Information Exposure	intext:"wp-config" filetype:pdf	Finds PDF files containing "wp-config"	Detect sensitive data in PDF reports	High
1859	Backup Files	filetype:backup "website backup"	Finds "website backup" files of type .backup	Identify categorized backup file exposure	High
1860	Backup Files	site:example2.edu filetype:old	Finds .old backup files on example2.edu	Locate backup artifacts on a target domain	High
1861	Login Pages	inurl:cpanel intitle:"member login"	Finds member login pages under /cpanel paths	Locate authentication portals for testing	Medium
1862	File Discovery	filetype:docx intitle:"meeting minutes"	Finds docx files titled with "meeting minutes"	Research meeting minutes documents	Low
1863	Database Files	filetype:sqlite "password"	Finds sqlite files referencing passwords	Detect credential exposure in databases	High
1864	OSINT Queries	site:medium.com "resume" OR "cv"	Finds resumes/CVs shared on Medium	Research professional background information	Low
1865	Login Pages	intitle:"system login" inurl:/secure	Finds secure system login pages	Identify secure authentication endpoints	Medium
1866	Cloud Storage	site:dropbox.com filetype:xlsx	Finds Excel files shared via Dropbox	Locate spreadsheets shared publicly	Medium
1867	Backup Files	inurl:backup filetype:backup	Finds backup URLs serving .backup files	Locate backup files via URL pattern	High
1868	Sensitive Information Exposure	intext:"phone numbers" filetype:log	Finds log files containing "phone numbers"	Detect sensitive data leaked in logs	High
1869	Admin Panels	inurl:admin2 intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /admin2	Identify CMS admin backend by platform	Medium
1870	API Keys & Credentials	intext:"jwt_secret" filetype:env	Finds .env files exposing jwt_secret	Detect leaked API credentials	High

1871	Open Directories	intitle:"index of" "zip"	Finds open directories listing .zip files	Discover exposed .zip files via director	Medium
1872	Sensitive Information Exposure	intext:"license key" filetype:txt	Finds text files containing "license key"	Detect accidental exposure of sensitive	High
1873	Admin Panels	inurl:administrator intext:"opencart" intitle:"login"	Finds opencart login pages under /administrator	Identify CMS admin backend by platfor	Medium
1874	Config Files	filetype:cfg intext:"password"	Finds .cfg config files referencing passwords	Detect credentials in configuration files	High
1875	Cloud Storage	site:blob.core.windows.net filetype:pdf	Finds .pdf files shared via Azure Blob Storage	Locate pdf files publicly shared on Azu	Medium
1876	Backup Files	site:example2.net filetype:7z	Finds .7z backup files on example2.net	Locate backup artifacts on a target dor	High
1877	Login Pages	inurl:backend intitle:"webmail login"	Finds webmail login pages under /backend paths	Locate authentication portals for testin	Medium
1878	Email & Contact Discovery	site:example1.net filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
1879	API Keys & Credentials	intext:"google_api_key" filetype:log	Finds log files exposing google_api_key	Detect leaked credentials in log output	High
1880	Backup Files	site:example2.gov filetype:backup	Finds .backup backup files on example2.gov	Locate backup artifacts on a target dor	High
1881	OSINT Queries	filetype:docx intitle:"cv" intext:"linkedin.com"	Finds cv files in docx format linking LinkedIn	Research professional profiles with link	Low
1882	Cloud Storage	site:trello.com filetype:csv	Finds .csv files shared via Trello	Locate csv files publicly shared on Trel	Medium
1883	Backup Files	site:example1.org filetype:rar	Finds .rar backup files on example1.org	Locate backup artifacts on a target dor	High
1884	Admin Panels	intitle:"admin panel" inurl:backend	Finds pages titled admin panel under /backend	Locate CMS/admin backend interfaces	Medium
1885	Sensitive Information Exposure	intext:"sql dump" filetype:xls	Finds Excel files containing "sql dump"	Detect sensitive data in spreadsheets	High
1886	Error Messages	intext:"undefined index" filetype:asp	Finds asp pages showing "undefined index"	Detect app errors indicating misconfigi	Medium
1887	Sensitive Information Exposure	intext:"aws_secret_access_key" filetype:txt	Finds text files containing "aws_secret_access_key"	Detect accidental exposure of sensitive	High
1888	Sensitive Information Exposure	intext:"api_key" filetype:txt	Finds text files containing "api_key"	Detect accidental exposure of sensitive	High
1889	File Discovery	filetype:csv intitle:"survey"	Finds csv files titled with "survey"	Research survey documents in csv for	Low
1890	Email & Contact Discovery	site:example1.info filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
1891	Basic Operators	related:example1.io	Finds sites related to a given domain	Discover similar or competitor sites	Low
1892	Backup Files	site:example1.io filetype:bak	Finds .bak backup files on example1.io	Locate backup artifacts on a target dor	High
1893	Logs & Debug Files	site:example2.org filetype:log	Finds .log files on example2.org	Locate exposed log files on a target dc	Medium
1894	File Discovery	filetype:xls site:.gov	Finds xls files hosted on .gov domains	Sector-specific document discovery on	Low
1895	Basic Operators	link:example3.com	Finds pages that link to a domain	Backlink and reputation research	Low
1896	Backup Files	filetype:old "weekly backup"	Finds "weekly backup" files of type .old	Identify categorized backup file exposu	High
1897	API Keys & Credentials	intext:"slack_token" filetype:xml	Finds XML files exposing slack_token	Detect leaked credentials in XML confi	High
1898	Email & Contact Discovery	site:example1.gov filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
1899	Config Files	site:example1.org filetype:env	Finds .env configuration files on example1.org	Locate configuration exposure on a tar	High
1900	OSINT Queries	site:instagram.com "email" "contact"	Finds Instagram profiles listing contact emails	Gather public contact info for research	Low
1901	Login Pages	inurl:dashboard intitle:"secure login"	Finds secure login pages under /dashboard paths	Locate authentication portals for testin	Medium
1902	Config Files	site:example2.com filetype:xml	Finds .xml configuration files on example2.com	Locate configuration exposure on a tar	High
1903	Sensitive Information Exposure	intext:"secret key" filetype:log	Finds log files containing "secret key"	Detect sensitive data leaked in logs	High
1904	Backup Files	site:example2.gov filetype:gzip	Finds .gz backup files on example2.gov	Locate backup artifacts on a target dor	High
1905	API Keys & Credentials	intext:"aws_secret_access_key" filetype:xml	Finds XML files exposing aws_secret_access_key	Detect leaked credentials in XML confi	High
1906	API Keys & Credentials	intext:"npm_token" filetype:json	Finds JSON files exposing npm_token	Detect leaked credentials in config files	High
1907	Sensitive Information Exposure	intext:"encryption key" filetype:doc	Finds Word documents containing "encryption key"	Detect sensitive data in shared docum	High
1908	Backup Files	site:example3.edu filetype:tar	Finds .tar backup files on example3.edu	Locate backup artifacts on a target dor	High
1909	Basic Operators	inurl:whitepaper	Finds pages with keyword in the URL	Locate pages by URL structure	Low
1910	Sensitive Information Exposure	intext:"credit card number" filetype:txt	Finds text files containing "credit card number"	Detect accidental exposure of sensitive	High
1911	Login Pages	site:example1.co inurl:admin/login	Finds django login page on example1.co	Locate django-specific login endpoint	Medium
1912	API Keys & Credentials	intext:"aws_access_key_id" site:gitlab.com	Finds GitLab repos exposing aws_access_key_id	Detect accidental credential commits o	High
1913	Login Pages	inurl:administrator intitle:"intranet login"	Finds intranet login pages under /administrator paths	Locate authentication portals for testin	Medium
1914	Sensitive Information Exposure	intext:"ftp password" site:pastebin.com	Finds Pastebin posts containing "ftp password"	Monitor public paste sites for leaked d	High
1915	Admin Panels	inurl:cpanel intext:"joomla" intitle:"login"	Finds Joomla login pages under /cpanel	Identify CMS admin backend by platfor	Medium
1916	Backup Files	filetype:tar "config backup"	Finds "config backup" files of type .tar	Identify categorized backup file exposu	High
1917	Cloud Storage	site:storage.googleapis.com filetype:xlsx	Finds Excel files shared via Google Cloud Storage	Locate spreadsheets shared publicly	Medium
1918	OSINT Queries	site:youtube.com intext:"phone number"	Finds YouTube pages listing phone numbers	Locate publicly shared contact number	Medium
1919	Basic Operators	intext:"policy"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
1920	Sensitive Information Exposure	intext:"private_key" filetype:doc	Finds Word documents containing "private_key"	Detect sensitive data in shared docum	High
1921	File Discovery	filetype:xls intitle:"whitepaper"	Finds xls files titled with "whitepaper"	Research whitepaper documents in xls	Low
1922	Login Pages	inurl:phpmyadmin intitle:"webmail login"	Finds webmail login pages under /phpmyadmin path	Locate authentication portals for testin	Medium
1923	Login Pages	inurl:cpanel intitle:"client login"	Finds client login pages under /cpanel paths	Locate authentication portals for testin	Medium
1924	Sensitive Information Exposure	intext:"bearer token" filetype:doc	Finds Word documents containing "bearer token"	Detect sensitive data in shared docum	High
1925	Backup Files	site:example3.edu filetype:7z	Finds .7z backup files on example3.edu	Locate backup artifacts on a target dor	High
1926	Login Pages	inurl:admin intitle:"remote login"	Finds remote login pages under /admin paths	Locate authentication portals for testin	Medium
1927	Open Directories	intitle:"index of" /db	Finds open directory listing: index of /db	Discover exposed file listings on web s	Medium
1928	Cloud Storage	site:mega.nz intext:"password"	Finds Mega links containing "password"	Detect leaked credentials on cloud stor	High
1929	Admin Panels	inurl:administrator intext:"shopify" intitle:"login"	Finds shopify login pages under /administrator	Identify CMS admin backend by platfor	Medium
1930	Login Pages	inurl:backend intitle:"customer login"	Finds customer login pages under /backend paths	Locate authentication portals for testin	Medium
1931	Email & Contact Discovery	site:example1.edu intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
1932	OSINT Queries	site:example1.edu intext:"staff directory"	Finds pages listing "staff directory"	Map organizational personnel for rese	Low
1933	Login Pages	site:example2.com inurl:typo3/index.php	Finds typo3 login page on example2.com	Locate typo3-specific login endpoint	Medium
1934	Login Pages	inurl:admin intitle:"intranet login"	Finds intranet login pages under /admin paths	Locate authentication portals for testin	Medium
1935	Backup Files	site:example2.com filetype:gzip	Finds .gz backup files on example2.com	Locate backup artifacts on a target dor	High
1936	OSINT Queries	site:example1.com intext:"alumni directory"	Finds pages listing "alumni directory"	Map organizational personnel for rese	Low
1937	Advanced Search Operators	site:example1.edu intitle:"policy"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1938	Basic Operators	intext:"training"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
1939	File Discovery	filetype:txt intitle:"survey"	Finds txt files titled with "survey"	Research survey documents in txt form	Low
1940	Email & Contact Discovery	site:example1.co intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
1941	Backup Files	site:example2.net filetype:tar	Finds .tar backup files on example2.net	Locate backup artifacts on a target dor	High
1942	File Discovery	filetype:xlsx site:.com	Finds xlsx files hosted on .com domains	Sector-specific document discovery on	Low
1943	Sensitive Information Exposure	intext:"token=" filetype:doc	Finds Word documents containing "token="	Detect sensitive data in shared docum	High
1944	File Discovery	filetype:xlsx intitle:"annual report"	Finds xlsx files titled with "annual report"	Research annual report documents in	Low
1945	Cloud Storage	site:pastebin.com filetype:xlsx	Finds Excel files shared via Pastebin	Locate spreadsheets shared publicly	Medium
1946	Cloud Storage	site:pastebin.com inurl:folder	Finds Pastebin shared folder links	Discover exposed shared folders	Medium
1947	Open Directories	intitle:"index of" /private	Finds open directory listing: index of /private	Discover exposed file listings on web s	Medium
1948	Basic Operators	filetype:odt	Finds files of a specific type across the web	Locate specific document formats	Low

1949	Advanced Search Operators	site:example2.io intitle:"syllabus"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1950	Basic Operators	intitle:dissertation	Finds pages with keyword in the title	Identify pages focused on a topic	Low
1951	Database Files	filetype:dbf intext:"insert into"	Finds dbf files containing SQL insert statements	Identify exposed database dumps	High
1952	Config Files	site:example2.io filetype:config	Finds .config configuration files on example2.io	Locate configuration exposure on a tar	High
1953	Basic Operators	allintext:"financial statement"	Finds pages where all words appear in text	Narrow content-based search	Low
1954	Advanced Search Operators	site:example2.edu "case study" -inurl:cv	Domain search excluding a URL pattern	Refine results by excluding noise	Low
1955	Login Pages	site:example2.com inurl:user/login	Finds drupal login page on example2.com	Locate drupal-specific login endpoint	Medium
1956	File Discovery	filetype:pptx intitle:"whitepaper"	Finds pptx files titled with "whitepaper"	Research whitepaper documents in pp	Low
1957	File Discovery	filetype:xls intext:"legal" intitle:"confidential"	Finds xls files marked confidential in legal sector	Sector-focused document research: le	Medium
1958	Advanced Search Operators	site:example2.net intitle:"proposal"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1959	Advanced Search Operators	password OR "passwd" site:example2.net	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
1960	Database Files	filetype:sql intext:"insert into"	Finds sql files containing SQL insert statements	Identify exposed database dumps	High
1961	File Discovery	filetype:csv intitle:"annual report"	Finds csv files titled with "annual report"	Research annual report documents in	Low
1962	Basic Operators	site:example1.io	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
1963	Error Messages	intext:"traceback (most recent call last)" filetype:jsp	Finds jsp pages showing "traceback (most recent ca	Locate app errors indicating misconfigi	Medium
1964	Backup Files	filetype:gz "weekly backup"	Finds "weekly backup" files of type .gz	Identify categorized backup file exposu	High
1965	Cloud Storage	site:pastebin.com intitle:"confidential"	Finds Pastebin files marked confidential	Detect improperly shared sensitive file: High	High
1966	API Keys & Credentials	intext:"bearer_token" filetype:log	Finds log files exposing bearer_token	Detect leaked credentials in log output	High
1967	Cloud Storage	site:onedrive.live.com intitle:"confidential"	Finds OneDrive files marked confidential	Detect improperly shared sensitive file: High	High
1968	File Discovery	filetype:ppt site:.org	Finds ppt files hosted on .org domains	Sector-specific document discovery on Low	Low
1969	Email & Contact Discovery	site:example1.co intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
1970	Database Files	inurl:accdb filetype:accdb	Finds files with accdb in URL and filetype	Locate database files via naming patte	High
1971	API Keys & Credentials	intext:"aws_secret_access_key" site:pastebin.com	Finds pastes exposing aws_secret_access_key	Monitor for leaked credentials online	High
1972	Admin Panels	inurl:wp-admin intext:"opencart" intitle:"login"	Finds opencart login pages under /wp-admin	Identify CMS admin backend by platfor	Medium
1973	Cloud Storage	site:onedrive.live.com filetype:docx	Finds .docx files shared via OneDrive	Locate docx files publicly shared on Or	Medium
1974	Backup Files	site:example2.org filetype:rar	Finds .rar backup files on example2.org	Locate backup artifacts on a target dor	High
1975	API Keys & Credentials	intext:"bearer_token" site:gitlab.com	Finds GitLab repos exposing bearer_token	Detect accidental credential commits o	High
1976	Cloud Storage	site:drive.google.com inurl:folder	Finds Google Drive shared folder links	Discover exposed shared folders	Medium
1977	File Discovery	filetype:txt intext:"technology" intitle:"confidential"	Finds txt files marked confidential in technology sect	Sector-focused document research: te	Medium
1978	Basic Operators	related:example2.edu	Finds sites related to a given domain	Discover similar or competitor sites	Low
1979	Sensitive Information Exposure	intext:"session_id" filetype:pdf	Finds PDF files containing "session_id"	Detect sensitive data in PDF reports	High
1980	Error Messages	intext:"debug mode enabled"	Finds pages displaying: debug mode enabled	Identify misconfigured or vulnerable ap	Medium
1981	API Keys & Credentials	intext:"bearer_token" filetype:xml	Finds XML files exposing bearer_token	Detect leaked credentials in XML confi	High
1982	Advanced Search Operators	site:example1.org intitle:"research"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
1983	File Discovery	filetype:ppt intitle:"budget"	Finds ppt files titled with "budget"	Research budget documents in ppt for	Low
1984	File Discovery	filetype:pptx site:.gov	Finds pptx files hosted on .gov domains	Sector-specific document discovery on Low	Low
1985	Cloud Storage	site:blob.core.windows.net filetype:pdf "internal use only"	Finds internal-use PDFs on Azure Blob Storage	Detect accidental public sharing of inte	High
1986	Basic Operators	intext:"user manual"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
1987	Basic Operators	intitle:presentation	Finds pages with keyword in the title	Identify pages focused on a topic	Low
1988	File Discovery	filetype:txt intext:"retail" intitle:"confidential"	Finds txt files marked confidential in retail sector	Sector-focused document research: re	Medium
1989	API Keys & Credentials	intext:"aws_secret_access_key" site:gitlab.com	Finds GitLab repos exposing aws_secret_access_ki	Detect accidental credential commits o	High
1990	Sensitive Information Exposure	intext:"ssn" filetype:txt	Finds text files containing "ssn"	Detect accidental exposure of sensitive	High
1991	File Discovery	filetype:docx intitle:"policy"	Finds docx files titled with "policy"	Research policy documents in docx for	Low
1992	Sensitive Information Exposure	intext:"ssh private key" filetype:log	Finds log files containing "ssh private key"	Detect sensitive data leaked in logs	High
1993	Cloud Storage	site:dropbox.com filetype:docx	Finds .docx files shared via Dropbox	Locate docx files publicly shared on Dr	Medium
1994	File Discovery	filetype:xlsx intext:"nonprofit" intitle:"confidential"	Finds xlsx files marked confidential in nonprofit secto	Sector-focused document research: nc	Medium
1995	File Discovery	filetype:xls intext:"nonprofit" intitle:"confidential"	Finds xls files marked confidential in nonprofit secto	Sector-focused document research: nc	Medium
1996	API Keys & Credentials	intext:"npm_token" site:github.com	Finds GitHub repos exposing npm_token	Detect accidental credential commits	High
1997	Admin Panels	intitle:"admin panel" inurl:console	Finds pages titled admin panel under /console	Locate CMS/admin backend interfaces	Medium
1998	Advanced Search Operators	site:example2.org filetype:rtf	Combines domain and filetype filters	Find specific file types on a target site	Low
1999	Logs & Debug Files	intext:"exception" filetype:log	Finds log files containing "exception"	Identify debug information disclosure	Medium
2000	Advanced Search Operators	site:example2.gov intext:"survey" filetype:pdf	Triple filter: domain, content, filetype	Highly targeted document search	Low
2001	File Discovery	filetype:csv intitle:"thesis"	Finds csv files titled with "thesis"	Research thesis documents in csv form	Low
2002	File Discovery	filetype:docx intext:"military" intitle:"confidential"	Finds docx files marked confidential in military secto	Sector-focused document research: mi	Medium
2003	Basic Operators	cache:example2.info	Shows Google's cached version of a page	View archived version of a page	Low
2004	Cloud Storage	site:gitlab.com filetype:csv	Finds .csv files shared via GitLab	Locate csv files publicly shared on GitL	Medium
2005	Sensitive Information Exposure	intext:"secret" filetype:doc	Finds Word documents containing "secret"	Detect sensitive data in shared docum	High
2006	Config Files	filetype:yml intext:"password"	Finds .yml config files referencing passwords	Detect credentials in configuration files	High
2007	Config Files	site:example1.com filetype:xml	Finds .xml configuration files on example1.com	Locate configuration exposure on a tar	High
2008	Sensitive Information Exposure	intext:"access_token" filetype:xls	Finds Excel files containing "access_token"	Detect sensitive data in spreadsheets	High
2009	Open Directories	intitle:"index of" "music" -inurl:htm -inurl:html	Finds directory listings related to music	Locate exposed folders excluding norm	Medium
2010	Backup Files	site:example2.com filetype:tar	Finds .tar backup files on example2.com	Locate backup artifacts on a target dor	High
2011	Config Files	filetype:json intext:"password"	Finds .json config files referencing passwords	Detect credentials in configuration files	High
2012	Basic Operators	allinurl:proposal	Finds pages where all words appear in URL	Narrow URL-based search	Low
2013	Open Directories	intitle:"index of" "db" -inurl:htm -inurl:html	Finds directory listings related to db	Locate exposed folders excluding norm	Medium
2014	Backup Files	site:example1.io filetype:zip	Finds .zip backup files on example1.io	Locate backup artifacts on a target dor	High
2015	File Discovery	filetype:xlsx intitle:"survey"	Finds xlsx files titled with "survey"	Research survey documents in xlsx for	Low
2016	API Keys & Credentials	intext:"paypal_client_id" filetype:log	Finds log files exposing paypal_client_id	Detect leaked credentials in log output	High
2017	Login Pages	inurl:cpanel intitle:"account login"	Finds account login pages under /cpanel paths	Locate authentication portals for testin	Medium
2018	Login Pages	inurl:wp-admin intitle:"account login"	Finds account login pages under /wp-admin paths	Locate authentication portals for testin	Medium
2019	Database Files	filetype:sqlite intext:"appointments"	Finds sqlite dumps referencing "appointments" data	Identify exposed appointments records	High
2020	Admin Panels	inurl:wp-admin intext:"wordpress" intitle:"login"	Finds wordpress login pages under /wp-admin	Identify CMS admin backend by platfor	Medium
2021	File Discovery	filetype:txt intext:"education" intitle:"confidential"	Finds txt files marked confidential in education secto	Sector-focused document research: ec	Medium
2022	Basic Operators	inurl:presentation	Finds pages with keyword in the URL	Locate pages by URL structure	Low
2023	File Discovery	filetype:pdf intext:"government" intitle:"confidential"	Finds pdf files marked confidential in government se	Sector-focused document research: gc	Medium
2024	Admin Panels	inurl:siteadmin intext:"username" intext:"password"	Finds admin panels under /siteadmin with login field	Identify exposed administrative interfa	Medium
2025	File Discovery	filetype:ppt intext:"insurance" intitle:"confidential"	Finds ppt files marked confidential in insurance secto	Sector-focused document research: in	Medium
2026	Login Pages	inurl:cpanel intitle:"log in"	Finds log in pages under /cpanel paths	Locate authentication portals for testin	Medium

2027	Error Messages	intext:"warning: require_once" filetype:jsp	Finds jsp pages showing "warning: require_once"	Locate app errors indicating misconfig	Medium
2028	API Keys & Credentials	intext:"paypal_client_id" site:gitlab.com	Finds GitLab repos exposing paypal_client_id	Detect accidental credential commits o	High
2029	API Keys & Credentials	intext:"firebase_apikey" filetype:json	Finds JSON files exposing firebase_apikey	Detect leaked credentials in config files	High
2030	Basic Operators	allinurl:meeting minutes	Finds pages where all words appear in URL	Narrow URL-based search	Low
2031	Sensitive Information Exposure	intext:"jdbc:mysql" filetype:txt	Finds text files containing "jdbc:mysql"	Detect accidental exposure of sensitive	High
2032	Login Pages	inurl:wp-login.php intitle:"signin"	Finds signin pages under /wp-login.php paths	Locate authentication portals for testing	Medium
2033	Sensitive Information Exposure	intext:"phone numbers" filetype:xls	Finds Excel files containing "phone numbers"	Detect sensitive data in spreadsheets	High
2034	Advanced Search Operators	intitle:"report" filetype:pdf	Combines title keyword and filetype filters	Find titled documents of a type	Low
2035	OSINT Queries	site:youtube.com "resume" OR "cv"	Finds resumes/CVs shared on YouTube	Research professional background info	Low
2036	OSINT Queries	site:example1.org intext:"alumni directory"	Finds pages listing "alumni directory"	Map organizational personnel for research	Low
2037	Open Directories	intitle:"index of" "orig"	Finds open directories listing .orig files	Discover exposed .orig files via directo	Medium
2038	OSINT Queries	filetype:pdf intitle:"curriculum vitae" intext:"linkedin.com"	Finds curriculum vitae files in pdf format linking LinkedIn	Research professional profiles with link	Low
2039	Login Pages	site:example1.io inurl:users/sign_in	Finds rails login page on example1.io	Locate rails-specific login endpoint	Medium
2040	File Discovery	filetype:ptx intext:"retail" intitle:"confidential"	Finds ptx files marked confidential in retail sector	Sector-focused document research: re	Medium
2041	Sensitive Information Exposure	intext:"account number" filetype:log	Finds log files containing "account number"	Detect sensitive data leaked in logs	High
2042	API Keys & Credentials	intext:"consumer_secret" filetype:xml	Finds XML files exposing consumer_secret	Detect leaked credentials in XML config	High
2043	API Keys & Credentials	intext:"consumer_key" filetype:yml	Finds YAML files exposing consumer_key	Detect leaked credentials in YAML config	High
2044	Sensitive Information Exposure	intext:"sql dump" site:pastebin.com	Finds Pastebin posts containing "sql dump"	Monitor public paste sites for leaked data	High
2045	Open Directories	intitle:"index of /old"	Finds open directory listing: index of /old	Discover exposed file listings on web s	Medium
2046	Login Pages	inurl:dashboard intitle:"client login"	Finds client login pages under /dashboard paths	Locate authentication portals for testing	Medium
2047	Sensitive Information Exposure	intext:"staging environment" filetype:xls	Finds Excel files containing "staging environment"	Detect sensitive data in spreadsheets	High
2048	Admin Panels	inurl:admincp intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /admincp	Identify CMS admin backend by platform	Medium
2049	File Discovery	filetype:xlsx intext:"technology" intitle:"confidential"	Finds xlsx files marked confidential in technology sector	Sector-focused document research: te	Medium
2050	File Discovery	filetype:pdf intitle:"budget"	Finds pdf files titled with "budget"	Research budget documents in pdf form	Low
2051	File Discovery	filetype:xlsx intitle:"manual"	Finds xlsx files titled with "manual"	Research manual documents in xlsx format	Low
2052	Config Files	intitle:"wp-config" OR inurl:"wp-config"	Finds files related to "wp-config"	Identify common configuration file exposure	High
2053	Error Messages	intext:"access denied for user"	Finds pages displaying: access denied for user	Identify misconfigured or vulnerable ap	Medium
2054	Basic Operators	link:example1.edu	Finds pages that link to a domain	Backlink and reputation research	Low
2055	Basic Operators	allintitle:annual report	Finds pages where all words appear in title	Narrow title-based search	Low
2056	File Discovery	filetype:rtf intitle:"research"	Finds rtf files titled with "research"	Research research documents in rtf format	Low
2057	File Discovery	filetype:xlsx intitle:"presentation"	Finds xlsx files titled with "presentation"	Research presentation documents in x	Low
2058	File Discovery	filetype:ods intext:"manufacturing" intitle:"confidential"	Finds ods files marked confidential in manufacturing sector	Sector-focused document research: m	Medium
2059	File Discovery	filetype:docx intext:"legal" intitle:"confidential"	Finds docx files marked confidential in legal sector	Sector-focused document research: le	Medium
2060	Admin Panels	intitle:"admin panel" inurl:controlpanel	Finds pages titled admin panel under /controlpanel	Locate CMS/admin backend interfaces	Medium
2061	Advanced Search Operators	site:example1.net intitle:"whitepaper"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
2062	Login Pages	inurl:admin1 intitle:"account login"	Finds account login pages under /admin1 paths	Locate authentication portals for testing	Medium
2063	Sensitive Information Exposure	intext:"jdbc:mysql" site:pastebin.com	Finds Pastebin posts containing "jdbc:mysql"	Monitor public paste sites for leaked data	High
2064	Email & Contact Discovery	site:example3.org intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
2065	Admin Panels	intitle:"admin panel" inurl:admin/config.php	Finds pages titled admin panel under /admin/config	Locate CMS/admin backend interfaces	Medium
2066	Login Pages	inurl:adminer intitle:"employee login"	Finds employee login pages under /adminer paths	Locate authentication portals for testing	Medium
2067	File Discovery	filetype:docx intitle:"survey"	Finds docx files titled with "survey"	Research survey documents in docx format	Low
2068	OSINT Queries	site:example1.net intext:"alumni directory"	Finds pages listing "alumni directory"	Map organizational personnel for research	Low
2069	Bug Bounty / Security Testing	inurl:/package.json	Finds exposed /package.json artifact	Identify leaked development metadata	Medium
2070	Login Pages	inurl:wp-admin intitle:"intranet login"	Finds intranet login pages under /wp-admin paths	Locate authentication portals for testing	Medium
2071	OSINT Queries	site:about.me intext:"phone number"	Finds About.me pages listing phone numbers	Locate publicly shared contact number	Medium
2072	File Discovery	filetype:odt intext:"real estate" intitle:"confidential"	Finds odt files marked confidential in real estate sector	Sector-focused document research: re	Medium
2073	File Discovery	filetype:ppt intitle:"dissertation"	Finds ppt files titled with "dissertation"	Research dissertation documents in ppt	Low
2074	Sensitive Information Exposure	intext:"root_password" filetype:doc	Finds Word documents containing "root_password"	Detect sensitive data in shared documents	High
2075	Sensitive Information Exposure	intext:"stack trace" filetype:xls	Finds Excel files containing "stack trace"	Detect sensitive data in spreadsheets	High
2076	Cloud Storage	site:pastebin.com filetype:pdf "internal use only"	Finds internal-use PDFs on Pastebin	Detect accidental public sharing of internal	High
2077	File Discovery	filetype:pdf intext:"telecom" intitle:"confidential"	Finds pdf files marked confidential in telecom sector	Sector-focused document research: tel	Medium
2078	File Discovery	filetype:pdf intext:"military" intitle:"confidential"	Finds pdf files marked confidential in military sector	Sector-focused document research: mil	Medium
2079	Cloud Storage	site:trelo.com inurl:folder	Finds Trello shared folder links	Discover exposed shared folders	Medium
2080	Sensitive Information Exposure	intext:"email list" filetype:doc	Finds Word documents containing "email list"	Detect sensitive data in shared documents	High
2081	File Discovery	filetype:rtf intitle:"guide"	Finds rtf files titled with "guide"	Research guide documents in rtf format	Low
2082	Backup Files	site:example1.io filetype:old	Finds .old backup files on example1.io	Locate backup artifacts on a target do	High
2083	Admin Panels	inurl:private/admin intext:"username" intext:"password"	Finds admin panels under /private/admin with login	Identify exposed administrative interfaces	Medium
2084	File Discovery	filetype:xlsx intitle:"report"	Finds xlsx files titled with "report"	Research report documents in xlsx format	Low
2085	Sensitive Information Exposure	intext:"proprietary and confidential" filetype:log	Finds log files containing "proprietary and confidential"	Detect sensitive data leaked in logs	High
2086	File Discovery	filetype:pdf intext:"energy" intitle:"confidential"	Finds pdf files marked confidential in energy sector	Sector-focused document research: er	Medium
2087	Logs & Debug Files	inurl:log filetype:logs	Finds log files via URL pattern (.logs)	Locate exposed server or app logs	Medium
2088	Login Pages	inurl:administrator intitle:"remote login"	Finds remote login pages under /administrator paths	Locate authentication portals for testing	Medium
2089	File Discovery	filetype:ppt site:.net	Finds ppt files hosted on .net domains	Sector-specific document discovery on	Low
2090	Login Pages	intitle:"user login" inurl:secure	Finds secure user login pages	Identify secure authentication endpoint	Medium
2091	Email & Contact Discovery	site:example1.co intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
2092	OSINT Queries	site:vk.com "email" "contact"	Finds VKontakte profiles listing contact emails	Gather public contact info for research	Low
2093	Config Files	site:example2.edu filetype:xml	Finds .xml configuration files on example2.edu	Locate configuration exposure on a tar	High
2094	Login Pages	inurl:adminer intitle:"login"	Finds login pages under /adminer paths	Locate authentication portals for testing	Medium
2095	File Discovery	filetype:ods site:.com	Finds ods files hosted on .com domains	Sector-specific document discovery on	Low
2096	File Discovery	filetype:csv intext:"retail" intitle:"confidential"	Finds csv files marked confidential in retail sector	Sector-focused document research: re	Medium
2097	Admin Panels	inurl:adminpanel intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /adminpanel	Identify CMS admin backend by platform	Medium
2098	Error Messages	intext:"warning: include" filetype:asp	Finds asp pages showing "warning: include"	Locate app errors indicating misconfig	Medium
2099	Advanced Search Operators	financial statement AROUND(5) "guide"	Finds pages where two terms appear near each other	Find contextually related terms	Low
2100	File Discovery	filetype:txt intitle:"budget"	Finds txt files titled with "budget"	Research budget documents in txt format	Low
2101	OSINT Queries	filetype:docx intitle:"resume" intext:"linkedin.com"	Finds resume files in docx format linking LinkedIn	Research professional profiles with link	Low
2102	Basic Operators	related:example1.info	Finds sites related to a given domain	Discover similar or competitor sites	Low
2103	Backup Files	inurl:backup filetype:rar	Finds backup URLs serving .rar files	Locate backup files via URL pattern	High
2104	Error Messages	intext:"fatal error: uncaught exception" filetype:jsp	Finds jsp pages showing "fatal error: uncaught exce	Locate app errors indicating misconfig	Medium

2105	Basic Operators	link:example2.gov	Finds pages that link to a domain	Backlink and reputation research	Low
2106	Config Files	site:example2.net filetype:conf	Finds .conf configuration files on example2.net	Locate configuration exposure on a tar	High
2107	File Discovery	filetype:csv intitle:"meeting minutes"	Finds csv files titled with "meeting minutes"	Research meeting minutes documents	Low
2108	Login Pages	inurl:admin1 intitle:"webmail login"	Finds webmail login pages under /admin1 paths	Locate authentication portals for testing	Medium
2109	Database Files	filetype:mdb intext:"messages"	Finds mdb dumps referencing "messages" data	Identify exposed messages records	High
2110	Login Pages	inurl:adminer intitle:"user login"	Finds user login pages under /adminer paths	Locate authentication portals for testing	Medium
2111	Sensitive Information Exposure	intext:"private token" filetype:txt	Finds text files containing "private token"	Detect accidental exposure of sensitive	High
2112	Config Files	site:example2.info filetype:conf	Finds .conf configuration files on example2.info	Locate configuration exposure on a tar	High
2113	Error Messages	intext:"odbc driver error" filetype:php	Finds php pages showing "odbc driver error"	Locate app errors indicating misconfig	Medium
2114	Email & Contact Discovery	filetype:doc intext:"@yahoo.com"	Finds doc files listing Yahoo addresses	Gather email addresses for research	Medium
2115	Basic Operators	allinurl:budget	Finds pages where all words appear in URL	Narrow URL-based search	Low
2116	Basic Operators	filetype:asp	Finds files of a specific type across the web	Locate specific document formats	Low
2117	API Keys & Credentials	intext:"auth_token" filetype:log	Finds log files exposing auth_token	Detect leaked credentials in log output	High
2118	Backup Files	site:example2.co filetype:tar	Finds .tar backup files on example2.co	Locate backup artifacts on a target dor	High
2119	Basic Operators	intext:"manual"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
2120	Error Messages	intext:"warning: include" filetype:aspx	Finds aspx pages showing "warning: include"	Locate app errors indicating misconfig	Medium
2121	Database Files	filetype:sql intext:"appointments"	Finds sql dumps referencing "appointments" data	Identify exposed appointments records	High
2122	Cloud Storage	site:sharepoint.com filetype:docx	Finds .docx files shared via SharePoint	Locate docx files publicly shared on S	Medium
2123	Bug Bounty / Security Testing	inurl:/appsettings.json	Finds exposed /appsettings.json artifact	Identify leaked development metadata	Medium
2124	Login Pages	inurl:phpmyadmin intitle:"customer login"	Finds customer login pages under /phpmyadmin pat	Locate authentication portals for testing	Medium
2125	Config Files	site:example1.gov filetype:ini	Finds .ini configuration files on example1.gov	Locate configuration exposure on a tar	High
2126	Logs & Debug Files	inurl:log filetype:err	Finds log files via URL pattern (.err)	Locate exposed server or app logs	Medium
2127	Cloud Storage	site:dropbox.com intitle:"confidential"	Finds Dropbox files marked confidential	Detect improperly shared sensitive file	High
2128	API Keys & Credentials	intext:"google_api_key" site:gitlab.com	Finds GitLab repos exposing google_api_key	Detect accidental credential commits o	High
2129	Error Messages	intext:"supplied argument is not a valid" filetype:php	Finds php pages showing "supplied argument is not	Locate app errors indicating misconfig	Medium
2130	File Discovery	filetype:ppt intext:"research" intitle:"confidential"	Finds ppt files marked confidential in research secto	Sector-focused document research: re	Medium
2131	Login Pages	inurl:adminpanel intitle:"webmail login"	Finds webmail login pages under /adminpanel paths	Locate authentication portals for testing	Medium
2132	API Keys & Credentials	intext:"npm_token" site:pastebin.com	Finds pastes exposing npm_token	Monitor for leaked credentials online	High
2133	Error Messages	intext:"django debug" filetype:jsp	Finds jsp pages showing "django debug"	Locate app errors indicating misconfig	Medium
2134	Database Files	filetype:sqlite intext:"sessions"	Finds sqlite dumps referencing "sessions" data	Identify exposed sessions records	High
2135	API Keys & Credentials	intext:"database_url" filetype:yml	Finds YAML files exposing database_url	Detect leaked credentials in YAML con	High
2136	Advanced Search Operators	research -site:example1.org	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
2137	Open Directories	intitle:"index of" "swp"	Finds open directories listing .swp files	Discover exposed .swp files via directc	Medium
2138	Error Messages	intext:"microsoft ole db provider" filetype:asp	Finds asp pages showing "microsoft ole db provider"	Locate app errors indicating misconfig	Medium
2139	Admin Panels	intitle:"admin panel" inurl:/portal	Finds pages titled admin panel under /portal	Locate CMS/admin backend interfaces	Medium
2140	Backup Files	site:example2.io filetype:tar	Finds .tar backup files on example2.io	Locate backup artifacts on a target dor	High
2141	Login Pages	inurl:cpanel intitle:"vpn login"	Finds vpn login pages under /cpanel paths	Locate authentication portals for testing	Medium
2142	Admin Panels	inurl:admin2 intext:"username" intext:"password"	Finds admin panels under /admin2 with login fields	Identify exposed administrative interfac	Medium
2143	Login Pages	inurl:admin_area intitle:"vpn login"	Finds vpn login pages under /admin_area paths	Locate authentication portals for testing	Medium
2144	Admin Panels	inurl:cpanel intext:"username" intext:"password"	Finds admin panels under /cpanel with login fields	Identify exposed administrative interfac	Medium
2145	Login Pages	inurl:admin1 intitle:"employee login"	Finds employee login pages under /admin1 paths	Locate authentication portals for testing	Medium
2146	File Discovery	filetype:rtf intitle:"dissertation"	Finds rtf files titled with "dissertation"	Research dissertation documents in rtf	Low
2147	Email & Contact Discovery	site:example1.com intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
2148	Logs & Debug Files	site:example2.net filetype:log	Finds .log files on example2.net	Locate exposed log files on a target dc	Medium
2149	Backup Files	site:example1.com filetype:backup	Finds .backup backup files on example1.com	Locate backup artifacts on a target dor	High
2150	Advanced Search Operators	intitle:"budget" filetype:txt	Combines title keyword and filetype filters	Find titled documents of a type	Low
2151	Sensitive Information Exposure	intext:"jdbc:mysql" filetype:pdf	Finds PDF files containing "jdbc:mysql"	Detect sensitive data in PDF reports	High
2152	File Discovery	filetype:csv site:.org	Finds csv files hosted on .org domains	Sector-specific document discovery on	Low
2153	Open Directories	intitle:"index of /files"	Finds open directory listing: index of /files	Discover exposed file listings on web s	Medium
2154	API Keys & Credentials	intext:"consumer_secret" filetype:json	Finds JSON files exposing consumer_secret	Detect leaked credentials in config files	High
2155	Backup Files	site:example2.edu filetype:rar	Finds .rar backup files on example2.edu	Locate backup artifacts on a target dor	High
2156	File Discovery	filetype:odt intitle:"guide"	Finds odt files titled with "guide"	Research guide documents in odt form	Low
2157	Database Files	filetype:db "password"	Finds db files referencing passwords	Detect credential exposure in database	High
2158	OSINT Queries	site:example1.org intext:"about us"	Finds pages listing "about us"	Map organizational personnel for rese	Low
2159	OSINT Queries	site:pastebin.com "resume" OR "cv"	Finds resumes/CVs shared on Pastebin	Research professional background info	Low
2160	Error Messages	intext:"notice: undefined variable"	Finds pages displaying: notice: undefined variable	Identify misconfigured or vulnerable ap	Medium
2161	Login Pages	site:example1.info inurl:admin/login	Finds django login page on example1.info	Locate django-specific login endpoint	Medium
2162	Login Pages	site:example1.com inurl:/login	Finds laravel login page on example1.com	Locate laravel-specific login endpoint	Medium
2163	Basic Operators	allintitle:technical specification	Finds pages where all words appear in title	Narrow title-based search	Low
2164	File Discovery	filetype:rtf intext:"banking" intitle:"confidential"	Finds rtf files marked confidential in banking sector	Sector-focused document research: ba	Medium
2165	Backup Files	site:example2.net filetype:bak	Finds .bak backup files on example2.net	Locate backup artifacts on a target dor	High
2166	Config Files	site:example1.edu filetype:env	Finds .env configuration files on example1.edu	Locate configuration exposure on a tar	High
2167	Backup Files	filetype:old "website backup"	Finds "website backup" files of type .old	Identify categorized backup file expos	High
2168	Sensitive Information Exposure	intext:"master password" filetype:doc	Finds Word documents containing "master password"	Detect sensitive data in shared docum	High
2169	Config Files	site:example2.com filetype:conf	Finds .conf configuration files on example2.com	Locate configuration exposure on a tar	High
2170	Database Files	inurl:dbf filetype:dbf	Finds files with dbf in URL and filetype	Locate database files via naming patte	High
2171	Advanced Search Operators	meeting minutes AROUND(5) "finance"	Finds pages where two terms appear near each oth	Find contextually related terms	Low
2172	Sensitive Information Exposure	intext:"test credentials" filetype:doc	Finds Word documents containing "test credentials"	Detect sensitive data in shared docum	High
2173	Error Messages	intext:"microsoft ole db provider" filetype:php	Finds php pages showing "microsoft ole db provider"	Locate app errors indicating misconfig	Medium
2174	Login Pages	inurl:admin intitle:"customer login"	Finds customer login pages under /admin paths	Locate authentication portals for testing	Medium
2175	Backup Files	site:example3.org filetype:zip	Finds .zip backup files on example3.org	Locate backup artifacts on a target dor	High
2176	Backup Files	site:example1.gov filetype:zip	Finds .zip backup files on example1.gov	Locate backup artifacts on a target dor	High
2177	Config Files	inurl:config filetype:env	Finds configuration files via URL pattern (.env)	Locate exposed app configuration files	High
2178	Sensitive Information Exposure	intext:"aws_secret_access_key" filetype:log	Finds log files containing "aws_secret_access_key"	Detect sensitive data leaked in logs	High
2179	Cloud Storage	site:drive.google.com filetype:docx	Finds .docx files shared via Google Drive	Locate docx files publicly shared on G	Medium
2180	Sensitive Information Exposure	intext:"smtp password" filetype:log	Finds log files containing "smtp password"	Detect sensitive data leaked in logs	High
2181	Backup Files	site:example3.org filetype:7z	Finds .7z backup files on example3.org	Locate backup artifacts on a target dor	High
2182	Cloud Storage	site:notion.site intext:"password"	Finds Notion links containing "password"	Detect leaked credentials on cloud stor	High

2183	Sensitive Information Exposure	intext:"proprietary and confidential" filetype:txt	Finds text files containing "proprietary and confidential"	Detect accidental exposure of sensitive information	High
2184	Config Files	site:example3.edu filetype:ini	Finds .ini configuration files on example3.edu	Locate configuration exposure on a target	High
2185	Admin Panels	intitle:"admin panel" inurl:adm	Finds pages titled admin panel under /adm	Locate CMS/admin backend interfaces	Medium
2186	Advanced Search Operators	guide -site:example1.io	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
2187	File Discovery	filetype:pdf site:.org	Finds pdf files hosted on .org domains	Sector-specific document discovery on Low	
2188	API Keys & Credentials	intext:"private_key" filetype:json	Finds JSON files exposing private_key	Detect leaked credentials in config files	High
2189	File Discovery	filetype:rtf intitle:"technical specification"	Finds rtf files titled with "technical specification"	Research technical specification documents	Low
2190	Basic Operators	inurl:research	Finds pages with keyword in the URL	Locate pages by URL structure	Low
2191	Admin Panels	intitle:"admin panel" inurl:admin	Finds pages titled admin panel under /admin	Locate CMS/admin backend interfaces	Medium
2192	File Discovery	filetype:xls intext:"research" intitle:"confidential"	Finds xls files marked confidential in research sector	Sector-focused document research: research	Medium
2193	File Discovery	filetype:pdf intitle:"press release"	Finds pdf files titled with "press release"	Research press release documents in	Low
2194	Backup Files	inurl:backup filetype:zip	Finds backup URLs serving .zip files	Locate backup files via URL pattern	High
2195	Email & Contact Discovery	site:example1.io intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for outreach	Medium
2196	Sensitive Information Exposure	intext:"oauth token" filetype:txt	Finds text files containing "oauth token"	Detect accidental exposure of sensitive information	High
2197	Email & Contact Discovery	site:example1.co filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
2198	Sensitive Information Exposure	intext:"client_secret" filetype:doc	Finds Word documents containing "client_secret"	Detect sensitive data in shared documents	High
2199	Basic Operators	link:example1.net	Finds pages that link to a domain	Backlink and reputation research	Low
2200	Email & Contact Discovery	filetype:xlsx intext:"@yahoo.com"	Finds xlsx files listing Yahoo addresses	Gather email addresses for research	Medium
2201	File Discovery	filetype:ods intitle:"survey"	Finds ods files titled with "survey"	Research survey documents in ods format	Low
2202	Cloud Storage	site:s3.amazonaws.com filetype:pdf "internal use only"	Finds internal-use PDFs on Amazon S3	Detect accidental public sharing of internal	High
2203	Bug Bounty / Security Testing	inurl:/web.config	Finds exposed /web.config artifact	Identify leaked development metadata	Medium
2204	Config Files	site:example2.net filetype:xml	Finds .xml configuration files on example2.net	Locate configuration exposure on a target	High
2205	Sensitive Information Exposure	intext:"root_password" filetype:log	Finds log files containing "root_password"	Detect sensitive data leaked in logs	High
2206	Basic Operators	allintitle:meeting minutes	Finds pages where all words appear in title	Narrow title-based search	Low
2207	API Keys & Credentials	intext:"consumer_key" filetype:env	Finds .env files exposing consumer_key	Detect leaked API credentials	High
2208	Sensitive Information Exposure	intext:"root_password" filetype:pdf	Finds PDF files containing "root_password"	Detect sensitive data in PDF reports	High
2209	API Keys & Credentials	intext:"aws_access_key_id" filetype:xml	Finds XML files exposing aws_access_key_id	Detect leaked credentials in XML config	High
2210	Login Pages	inurl:admincp intitle:"portal login"	Finds portal login pages under /admincp paths	Locate authentication portals for testing	Medium
2211	Open Directories	intitle:"index of" "secrets" -inurl:htm -inurl:html	Finds directory listings related to secrets	Locate exposed folders excluding normal	High
2212	Sensitive Information Exposure	intext:"credit card number" filetype:log	Finds log files containing "credit card number"	Detect sensitive data leaked in logs	High
2213	API Keys & Credentials	intext:"mailgun_api_key" site:gitlab.com	Finds GitLab repos exposing mailgun_api_key	Detect accidental credential commits on	High
2214	Bug Bounty / Security Testing	intext:"vulnerability disclosure policy"	Finds vulnerability disclosure policy pages	Locate legal terms for testing scope	Low
2215	Sensitive Information Exposure	intext:"oauth token" site:pastebin.com	Finds Pastebin posts containing "oauth token"	Monitor public paste sites for leaked data	High
2216	Sensitive Information Exposure	intext:"token=" filetype:txt	Finds text files containing "token="	Detect accidental exposure of sensitive information	High
2217	Sensitive Information Exposure	intext:"proprietary and confidential" filetype:xls	Finds Excel files containing "proprietary and confidential"	Detect sensitive data in spreadsheets	High
2218	File Discovery	filetype:pptx intext:"telecom" intitle:"confidential"	Finds pptx files marked confidential in telecom sector	Sector-focused document research: telecom	Medium
2219	Backup Files	filetype:old "full backup"	Finds "full backup" files of type .old	Identify categorized backup file exposures	High
2220	File Discovery	filetype:odt intitle:"press release"	Finds odt files titled with "press release"	Research press release documents in	Low
2221	Config Files	filetype:yml intext:"password"	Finds .yml config files referencing passwords	Detect credentials in configuration files	High
2222	Open Directories	intitle:"index of" "odt"	Finds open directories listing .odt files	Discover exposed .odt files via directory	Medium
2223	Sensitive Information Exposure	intext:"confidential" filetype:pdf	Finds PDF files containing "confidential"	Detect sensitive data in PDF reports	High
2224	Sensitive Information Exposure	intext:"ssn" filetype:doc	Finds Word documents containing "ssn"	Detect sensitive data in shared documents	High
2225	Login Pages	inurl:dashboard intitle:"system login"	Finds system login pages under /dashboard paths	Locate authentication portals for testing	Medium
2226	Open Directories	intitle:"index of" "csv"	Finds open directories listing .csv files	Discover exposed .csv files via directory	Medium
2227	Sensitive Information Exposure	intext:"admin password" filetype:txt	Finds text files containing "admin password"	Detect accidental exposure of sensitive information	High
2228	API Keys & Credentials	intext:"client_secret" filetype:xml	Finds XML files exposing client_secret	Detect leaked credentials in XML config	High
2229	Sensitive Information Exposure	intext:"routing number" filetype:pdf	Finds PDF files containing "routing number"	Detect sensitive data in PDF reports	High
2230	Advanced Search Operators	site:example2.co inurl:thesis	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
2231	File Discovery	filetype:csv intitle:"financial statement"	Finds csv files titled with "financial statement"	Research financial statement documents	Low
2232	Email & Contact Discovery	site:example2.co filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
2233	Open Directories	intitle:"index of" "contracts" -inurl:htm -inurl:html	Finds directory listings related to contracts	Locate exposed folders excluding normal	Medium
2234	Cloud Storage	site:docs.google.com filetype:pdf "internal use only"	Finds internal-use PDFs on Google Docs	Detect accidental public sharing of internal	High
2235	File Discovery	filetype:odt intitle:"research"	Finds odt files titled with "research"	Research research documents in odt format	Low
2236	Admin Panels	inurl:admin intext:"username" intext:"password"	Finds admin panels under /admin with login fields	Identify exposed administrative interfaces	Medium
2237	Database Files	filetype:sqLite intext:"payments"	Finds sqLite dumps referencing "payments" data	Identify exposed payments records	High
2238	Admin Panels	inurl:admin/dashboard intext:"username" intext:"password"	Finds admin panels under /admin/dashboard with login	Identify exposed administrative interfaces	Medium
2239	Logs & Debug Files	inurl:log filetype:out	Finds log files via URL pattern (.out)	Locate exposed server or app logs	Medium
2240	API Keys & Credentials	intext:"slack_token" site:pastebin.com	Finds pastes exposing slack_token	Monitor for leaked credentials online	High
2241	Login Pages	intitle:"staff login" inurl:secure	Finds secure staff login pages	Identify secure authentication endpoints	Medium
2242	Email & Contact Discovery	filetype:csv intext:"contact list"	Finds CSV files labeled "contact list"	Detect exposed bulk email lists	High
2243	Error Messages	intext:"500 internal server error" filetype:jsp	Finds jsp pages showing "500 internal server error"	Locate app errors indicating misconfiguration	Medium
2244	Sensitive Information Exposure	intext:"bearer token" filetype:xls	Finds Excel files containing "bearer token"	Detect sensitive data in spreadsheets	High
2245	File Discovery	filetype:ods intitle:"technical specification"	Finds ods files titled with "technical specification"	Research technical specification documents	Low
2246	File Discovery	filetype:xlsx intitle:"proposal"	Finds xlsx files titled with "proposal"	Research proposal documents in xlsx format	Low
2247	Admin Panels	inurl:phpmyadmin intext:"username" intext:"password"	Finds admin panels under /phpmyadmin with login fields	Identify exposed administrative interfaces	Medium
2248	File Discovery	filetype:xls intitle:"syllabus"	Finds xls files titled with "syllabus"	Research syllabus documents in xls format	Low
2249	Sensitive Information Exposure	intext:"aws_secret_access_key" filetype:pdf	Finds PDF files containing "aws_secret_access_key"	Detect sensitive data in PDF reports	High
2250	Sensitive Information Exposure	intext:"token=" filetype:pdf	Finds PDF files containing "token="	Detect sensitive data in PDF reports	High
2251	API Keys & Credentials	intext:"auth_token" filetype:json	Finds JSON files exposing auth_token	Detect leaked credentials in config files	High
2252	Basic Operators	intitle:technical specification	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2253	Sensitive Information Exposure	intext:"credentials" filetype:txt	Finds text files containing "credentials"	Detect accidental exposure of sensitive information	High
2254	File Discovery	filetype:docx site:.org	Finds docx files hosted on .org domains	Sector-specific document discovery on Low	
2255	Logs & Debug Files	site:example2.gov filetype:log	Finds .log files on example2.gov	Locate exposed log files on a target domain	Medium
2256	Admin Panels	inurl:wp-login.php intext:"umbraco" intitle:"login"	Finds umbraco login pages under /wp-login.php	Identify CMS admin backend by platform	Medium
2257	API Keys & Credentials	intext:"twilio_auth_token" site:gitlab.com	Finds GitLab repos exposing twilio_auth_token	Detect accidental credential commits on	High
2258	Logs & Debug Files	intext:"error_log" filetype:log	Finds log files containing "error_log"	Identify debug information disclosure	Medium
2259	Cloud Storage	site:dropbox.com filetype:zip	Finds .zip files shared via Dropbox	Locate zip files publicly shared on Dropbox	Medium
2260	Error Messages	intext:"microsoft ole db provider" filetype:aspx	Finds aspx pages showing "microsoft ole db provider"	Locate app errors indicating misconfiguration	Medium

2261	Backup Files	site:example2.co filetype:backup	Finds .backup backup files on example2.co	Locate backup artifacts on a target dor	High
2262	File Discovery	filetype:rft intext:"finance" intitle:"confidential"	Finds rtf files marked confidential in finance sector	Sector-focused document research: fin	Medium
2263	OSINT Queries	filetype:pdf intitle:"resume" intext:"linkedin.com"	Finds resume files in pdf format linking LinkedIn	Research professional profiles with link	Low
2264	Backup Files	site:example2.com filetype:backup	Finds .backup backup files on example2.com	Locate backup artifacts on a target dor	High
2265	Basic Operators	allinurl:user manual	Finds pages where all words appear in URL	Narrow URL-based search	Low
2266	Backup Files	filetype:swp intitle:"backup"	Finds backup files with .swp extension	Identify exposed backup archives	High
2267	Email & Contact Discovery	site:example1.org intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
2268	Cloud Storage	site:s3.amazonaws.com filetype:csv	Finds .csv files shared via Amazon S3	Locate csv files publicly shared on Am	Medium
2269	File Discovery	filetype:docx intext:"finance" intitle:"confidential"	Finds docx files marked confidential in finance secto	Sector-focused document research: fin	Medium
2270	Open Directories	intitle:"index of" "credentials" -inurl:htm -inurl:html	Finds directory listings related to credentials	Locate exposed folders excluding norm	High
2271	Basic Operators	allintext:"guide"	Finds pages where all words appear in text	Narrow content-based search	Low
2272	API Keys & Credentials	intext:"stripe_api_key" site:github.com	Finds GitHub repos exposing stripe_api_key	Detect accidental credential commits	High
2273	Admin Panels	inurl:admin intext:"username" intext:"password"	Finds admin panels under /adminer with login fields	Identify exposed administrative interf	Medium
2274	Open Directories	intitle:"index of" "rft"	Finds open directories listing .rtf files	Discover exposed .rtf files via directory	Medium
2275	Basic Operators	site:example1.gov	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
2276	File Discovery	filetype:doc intext:"education" intitle:"confidential"	Finds doc files marked confidential in education sect	Sector-focused document research: ec	Medium
2277	API Keys & Credentials	intext:"client_secret" filetype:json	Finds JSON files exposing client_secret	Detect leaked credentials in config files	High
2278	File Discovery	filetype:xlsx intitle:"policy"	Finds xlsx files titled with "policy"	Research policy documents in xlsx for	Low
2279	Sensitive Information Exposure	intext:"database dump" filetype:log	Finds log files containing "database dump"	Detect sensitive data leaked in logs	High
2280	Open Directories	intitle:"index of" "ods"	Finds open directories listing .ods files	Discover exposed .ods files via directo	Medium
2281	Login Pages	site:example1.info inurl:typo3/index.php	Finds typo3 login page on example1.info	Locate typo3-specific login endpoint	Medium
2282	Advanced Search Operators	site:example2.co "thesis" -inurl:agreement	Domain search excluding a URL pattern	Refine results by excluding noise	Low
2283	API Keys & Credentials	intext:"bearer_token" filetype:yml	Finds YAML files exposing bearer_token	Detect leaked credentials in YAML con	High
2284	Basic Operators	link:example1.org	Finds pages that link to a domain	Backlink and reputation research	Low
2285	File Discovery	filetype:rft intext:"military" intitle:"confidential"	Finds rtf files marked confidential in military sector	Sector-focused document research: mi	Medium
2286	API Keys & Credentials	intext:"api_key" site:github.com	Finds GitHub repos exposing api_key	Detect accidental credential commits	High
2287	Sensitive Information Exposure	intext:"do not distribute" filetype:xls	Finds Excel files containing "do not distribute"	Detect sensitive data in spreadsheets	High
2288	Email & Contact Discovery	filetype:csv intext:"@gmail.com"	Finds csv files listing Gmail addresses	Gather email addresses for research	Medium
2289	Backup Files	site:example1.org filetype:bak	Finds .bak backup files on example1.org	Locate backup artifacts on a target dor	High
2290	Sensitive Information Exposure	intext:"wp-config" filetype:txt	Finds text files containing "wp-config"	Detect accidental exposure of sensitive	High
2291	File Discovery	filetype:xls site:.edu	Finds xls files hosted on .edu domains	Sector-specific document discovery on	Low
2292	File Discovery	filetype:doc intitle:"press release"	Finds doc files titled with "press release"	Research press release documents in	Low
2293	Sensitive Information Exposure	intext:"ssn" filetype:log	Finds log files containing "ssn"	Detect sensitive data leaked in logs	High
2294	Sensitive Information Exposure	intext:"client_secret" filetype:txt	Finds text files containing "client_secret"	Detect accidental exposure of sensitive	High
2295	Database Files	filetype:sql intext:"products"	Finds sql dumps referencing "products" data	Identify exposed products records	High
2296	Sensitive Information Exposure	intext:"account number" filetype:txt	Finds text files containing "account number"	Detect accidental exposure of sensitive	High
2297	Admin Panels	intitle:"admin panel" inurl:/management	Finds pages titled admin panel under /management	Locate CMS/admin backend interfaces	Medium
2298	Advanced Search Operators	survey AROUND(5) "signin"	Finds pages where two terms appear near each oth	Find contextually related terms	Low
2299	Sensitive Information Exposure	intext:"ftp password" filetype:pdf	Finds PDF files containing "ftp password"	Detect sensitive data in PDF reports	High
2300	Admin Panels	inurl:admin intext:"sitecore" intitle:"login"	Finds sitecore login pages under /admin	Identify CMS admin backend by platfor	Medium
2301	Open Directories	intitle:"index of" /logs	Finds open directory listing: index of /logs	Discover exposed file listings on web s	Medium
2302	Admin Panels	inurl:admin intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /admin	Identify CMS admin backend by platfor	Medium
2303	API Keys & Credentials	intext:"docker_password" site:gitlab.com	Finds GitLab repos exposing docker_password	Detect accidental credential commits o	High
2304	File Discovery	filetype:docx intext:"education" intitle:"confidential"	Finds docx files marked confidential in education se	Sector-focused document research: ec	Medium
2305	Backup Files	site:example1.com filetype:bak	Finds .bak backup files on example1.com	Locate backup artifacts on a target dor	High
2306	File Discovery	filetype:odt site:.co	Finds odt files hosted on .co domains	Sector-specific document discovery on	Low
2307	Database Files	filetype:db intext:"reservations"	Finds db dumps referencing "reservations" data	Identify exposed reservations records	High
2308	Login Pages	inurl:wp-admin intitle:"dashboard login"	Finds dashboard login pages under /wp-admin path	Locate authentication portals for testin	Medium
2309	Basic Operators	inurl:conference	Finds pages with keyword in the URL	Locate pages by URL structure	Low
2310	Email & Contact Discovery	site:example3.com intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
2311	Advanced Search Operators	syllabus AROUND(5) "archive"	Finds pages where two terms appear near each oth	Find contextually related terms	Low
2312	Admin Panels	inurl:admin1 intext:"opencart" intitle:"login"	Finds opencart login pages under /admin1	Identify CMS admin backend by platfor	Medium
2313	Login Pages	inurl:admin_area intitle:"webmail login"	Finds webmail login pages under /admin_area path	Locate authentication portals for testin	Medium
2314	Admin Panels	inurl:admin1 intext:"wordpress" intitle:"login"	Finds wordpress login pages under /admin1	Identify CMS admin backend by platfor	Medium
2315	Database Files	inurl:mbd filetype:mbd	Finds files with mbd in URL and filetype	Locate database files via naming patte	High
2316	Backup Files	site:example1.edu filetype:tar	Finds .tar backup files on example1.edu	Locate backup artifacts on a target dor	High
2317	Advanced Search Operators	intext:"syllabus" filetype:doc	Combines title keyword and filetype filters	Find titled documents of a type	Low
2318	Backup Files	inurl:backup filetype:bak	Finds backup URLs serving .bak files	Locate backup files via URL pattern	High
2319	Config Files	intitle:"config.php" OR inurl:"config.php"	Finds files related to "config.php"	Identify common configuration file exp	High
2320	File Discovery	filetype:pptx intext:"hospitality" intitle:"confidential"	Finds pptx files marked confidential in hospitality sec	Sector-focused document research: hc	Medium
2321	Email & Contact Discovery	site:example1.gov intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
2322	Backup Files	site:example2.com filetype:7z	Finds .7z backup files on example2.com	Locate backup artifacts on a target dor	High
2323	Database Files	filetype:sql intext:"inventory"	Finds sql dumps referencing "inventory" data	Identify exposed inventory records	High
2324	Error Messages	intext:"runtime error" filetype:jsp	Finds jsp pages showing "runtime error"	Locate app errors indicating misconfig	Medium
2325	Admin Panels	intitle:"admin panel" inurl:/private/admin	Finds pages titled admin panel under /private/admin	Locate CMS/admin backend interfaces	Medium
2326	File Discovery	filetype:ppt intitle:"user manual"	Finds ppt files titled with "user manual"	Research user manual documents in p	Low
2327	Backup Files	filetype:tar intitle:"backup"	Finds backup files with .tar extension	Identify exposed backup archives	High
2328	Error Messages	intext:"syntax error near" filetype:php	Finds php pages showing "syntax error near"	Locate app errors indicating misconfig	Medium
2329	Logs & Debug Files	site:example2.io filetype:log	Finds .log files on example2.io	Locate exposed log files on a target dc	Medium
2330	File Discovery	filetype:pptx site:.com	Finds pptx files hosted on .com domains	Sector-specific document discovery on	Low
2331	Advanced Search Operators	site:example1.edu filetype:xls	Combines domain and filetype filters	Find specific file types on a target site	Low
2332	Login Pages	site:example1.co inurl:/users/sign_in	Finds rails login page on example1.co	Locate rails-specific login endpoint	Medium
2333	File Discovery	filetype:rft intitle:"case study"	Finds rtf files titled with "case study"	Research case study documents in rtf	Low
2334	Login Pages	inurl:wp-admin intitle:"system login"	Finds system login pages under /wp-admin paths	Locate authentication portals for testin	Medium
2335	Backup Files	site:example1.gov filetype:7z	Finds .7z backup files on example1.gov	Locate backup artifacts on a target dor	High
2336	API Keys & Credentials	intext:"azure_client_secret" filetype:yml	Finds YAML files exposing azure_client_secret	Detect leaked credentials in YAML con	High
2337	File Discovery	filetype:txt intext:"logistics" intitle:"confidential"	Finds txt files marked confidential in logistics sector	Sector-focused document research: lo	Medium
2338	File Discovery	filetype:xls intitle:"technical specification"	Finds xls files titled with "technical specification"	Research technical specification docur	Low

2339	API Keys & Credentials	intext:"github_token" site:gitlab.com	Finds GitLab repos exposing github_token	Detect accidental credential commits o	High
2340	Open Directories	site:example1.com intitle:"index of"	Finds open directory listings on a specific domain	Check a target domain for exposed dir	Medium
2341	Config Files	site:example2.edu filetype:config	Finds .config configuration files on example2.edu	Locate configuration exposure on a tar	High
2342	Login Pages	inurl:phpmyadmin intitle:"employee login"	Finds employee login pages under /phpmyadmin pa	Locate authentication portals for testin	Medium
2343	Advanced Search Operators	voice OR "receipt" site:example1.io	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
2344	Backup Files	filetype:old "config backup"	Finds "config backup" files of type .old	Identify categorized backup file exposu	High
2345	Error Messages	intext:"debug mode enabled" filetype:asp	Finds asp pages showing "debug mode enabled"	Locate app errors indicating misconfigi	Medium
2346	Error Messages	intext:"microsoft ole db provider" filetype:jsp	Finds jsp pages showing "microsoft ole db provider"	Locate app errors indicating misconfigi	Medium
2347	Login Pages	inurl:admincp intitle:"employee login"	Finds employee login pages under /admincp paths	Locate authentication portals for testin	Medium
2348	Basic Operators	related:example1.gov	Finds sites related to a given domain	Discover similar or competitor sites	Low
2349	Error Messages	intext:"500 internal server error" filetype:php	Finds php pages showing "500 internal server error"	Locate app errors indicating misconfigi	Medium
2350	Admin Panels	inurl:management intext:"username" intext:"password"	Finds admin panels under /management with login f	Identify exposed administrative interfac	Medium
2351	Admin Panels	inurl:admin2 intext:"opencart" intitle:"login"	Finds opencart login pages under /admin2	Identify CMS admin backend by platfor	Medium
2352	API Keys & Credentials	intext:"auth_token" site:pastebin.com	Finds pastes exposing auth_token	Monitor for leaked credentials online	High
2353	Basic Operators	site:example2.net	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
2354	File Discovery	filetype:doc site:.net	Finds doc files hosted on .net domains	Sector-specific document discovery on	Low
2355	Advanced Search Operators	presentation -site:example1.co	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
2356	File Discovery	filetype:rtf intext:"telecom" intitle:"confidential"	Finds rtf files marked confidential in telecom sector	Sector-focused document research: tel	Medium
2357	File Discovery	filetype:odt site:.com	Finds odt files hosted on .com domains	Sector-specific document discovery on	Low
2358	Login Pages	inurl:admin2 intitle:"portal login"	Finds portal login pages under /admin2 paths	Locate authentication portals for testin	Medium
2359	File Discovery	filetype:doc site:.gov	Finds doc files hosted on .gov domains	Sector-specific document discovery on	Low
2360	Advanced Search Operators	inurl:research filetype:doc	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
2361	Backup Files	site:example2.org filetype:gz	Finds .gz backup files on example2.org	Locate backup artifacts on a target dor	High
2362	Login Pages	site:example1.com inurl:admin/login	Finds django login page on example1.com	Locate django-specific login endpoint	Medium
2363	Login Pages	inurl:phpmyadmin intitle:"signin"	Finds signin pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
2364	File Discovery	filetype:pdf intitle:"dissertation"	Finds pdf files titled with "dissertation"	Research dissertation documents in pc	Low
2365	Advanced Search Operators	site:example1.io filetype:ppt	Combines domain and filetype filters	Find specific file types on a target site	Low
2366	Sensitive Information Exposure	intext:"private_key" filetype:pdf	Finds PDF files containing "private_key"	Detect sensitive data in PDF reports	High
2367	Database Files	filetype:acdb intext:"appointments"	Finds acdb dumps referencing "appointments" data	Identify exposed appointments records	High
2368	API Keys & Credentials	intext:"session_secret" site:github.com	Finds GitHub repos exposing session_secret	Detect accidental credential commits	High
2369	Error Messages	intext:"traceback (most recent call last)" filetype:php	Finds php pages showing "traceback (most recent c	Locate app errors indicating misconfigi	Medium
2370	Backup Files	inurl:backup filetype:tmp	Finds backup URLs serving .tmp files	Locate backup files via URL pattern	High
2371	Backup Files	filetype:zip "weekly backup"	Finds "weekly backup" files of type .zip	Identify categorized backup file exposu	High
2372	API Keys & Credentials	intext:"apikey" filetype:yml	Finds YAML files exposing apikey	Detect leaked credentials in YAML con	High
2373	File Discovery	filetype:docx intext:"logistics" intitle:"confidential"	Finds docx files marked confidential in logistics sect	Sector-focused document research: lo	Medium
2374	Login Pages	inurl:wp-login.php intitle:"client login"	Finds client login pages under /wp-login.php paths	Locate authentication portals for testin	Medium
2375	API Keys & Credentials	intext:"github_token" site:github.com	Finds GitHub repos exposing github_token	Detect accidental credential commits	High
2376	File Discovery	filetype:ods intext:"finance" intitle:"confidential"	Finds ods files marked confidential in finance sector	Sector-focused document research: fir	Medium
2377	File Discovery	filetype:xlsx intitle:"thesis"	Finds xlsx files titled with "thesis"	Research thesis documents in xlsx for	Low
2378	Backup Files	site:example1.com filetype:rar	Finds .rar backup files on example1.com	Locate backup artifacts on a target dor	High
2379	Advanced Search Operators	site:example1.net "whitepaper" -inurl:signin	Domain search excluding a URL pattern	Refine results by excluding noise	Low
2380	API Keys & Credentials	intext:"encryption_key" filetype:xml	Finds XML files exposing encryption_key	Detect leaked credentials in XML confi	High
2381	Sensitive Information Exposure	intext:"password" filetype:pdf	Finds PDF files containing "password"	Detect sensitive data in PDF reports	High
2382	File Discovery	filetype:ods intitle:"report"	Finds ods files titled with "report"	Research report documents in ods for	Low
2383	File Discovery	filetype:ods intitle:"proposal"	Finds ods files titled with "proposal"	Research proposal documents in ods f	Low
2384	Basic Operators	allintext:"whitepaper"	Finds pages where all words appear in text	Narrow content-based search	Low
2385	Sensitive Information Exposure	intext:"users table" filetype:xls	Finds Excel files containing "users table"	Detect sensitive data in spreadsheets	High
2386	Advanced Search Operators	whitepaper -site:example1.net	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
2387	Config Files	filetype:properties intext:"password"	Finds .properties config files referencing passwords	Detect credentials in configuration files	High
2388	API Keys & Credentials	intext:"api_key" site:pastebin.com	Finds pastes exposing api_key	Monitor for leaked credentials online	High
2389	Advanced Search Operators	site:example2.edu intitle:"case study"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
2390	File Discovery	filetype:xls intitle:"annual report"	Finds xls files titled with "annual report"	Research annual report documents in	Low
2391	Admin Panels	inurl:secure/login intext:"username" intext:"password"	Finds admin panels under /secure/login with login fi	Identify exposed administrative interfac	Medium
2392	Login Pages	inurl:dashboard intitle:"webmail login"	Finds webmail login pages under /dashboard paths	Locate authentication portals for testin	Medium
2393	Basic Operators	allinurl:press release	Finds pages where all words appear in URL	Narrow URL-based search	Low
2394	Open Directories	intitle:"index of/downloads"	Finds open directory listing: index of/downloads	Discover exposed file listings on web s	Medium
2395	Sensitive Information Exposure	filetype:txt intext:"default password"	Finds text files containing "default password"	Detect accidental exposure of sensitive	High
2396	Backup Files	filetype:rar intitle:"backup"	Finds backup files with .rar extension	Identify exposed backup archives	High
2397	Admin Panels	inurl:admin intitle:"wordpress"	Finds wordpress admin login pages	Identify CMS-specific admin panels	Medium
2398	Admin Panels	inurl:adm intext:"username" intext:"password"	Finds admin panels under /adm with login fields	Identify exposed administrative interfac	Medium
2399	Error Messages	intext:"php error" filetype:aspx	Finds aspx pages showing "php error"	Locate app errors indicating misconfigi	Medium
2400	Sensitive Information Exposure	intext:"ssn" filetype:xls	Finds Excel files containing "ssn"	Detect sensitive data in spreadsheets	High
2401	Basic Operators	intitle:syllabus	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2402	File Discovery	filetype:doc intitle:"meeting minutes"	Finds doc files titled with "meeting minutes"	Research meeting minutes documents	Low
2403	Sensitive Information Exposure	intext:"key=" filetype:pdf	Finds PDF files containing "key="	Detect sensitive data in PDF reports	High
2404	Admin Panels	inurl:admin_area intext:"typo3" intitle:"login"	Finds typo3 login pages under /admin_area	Identify CMS admin backend by platfor	Medium
2405	Error Messages	intext:"undefined index"	Finds pages displaying: undefined index	Identify misconfigured or vulnerable ap	Medium
2406	Backup Files	site:example2.org filetype:old	Finds .old backup files on example2.org	Locate backup artifacts on a target dor	High
2407	Basic Operators	allintext:"presentation"	Finds pages where all words appear in text	Narrow content-based search	Low
2408	Basic Operators	allintitle:press release	Finds pages where all words appear in title	Narrow title-based search	Low
2409	Login Pages	intext:"secure login" inurl:secure	Finds secure secure login pages	Identify secure authentication endpoint	Medium
2410	File Discovery	filetype:pptx intitle:"budget"	Finds pptx files titled with "budget"	Research budget documents in pptx fo	Low
2411	Admin Panels	inurl:admin intext:"umbraco" intitle:"login"	Finds umbraco login pages under /admin	Identify CMS admin backend by platfor	Medium
2412	Basic Operators	intitle:security	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2413	Error Messages	intext:"supplied argument is not a valid" filetype:asp	Finds asp pages showing "supplied argument is not	Locate app errors indicating misconfigi	Medium
2414	Backup Files	site:example1.org filetype:backup	Finds .backup backup files on example1.org	Locate backup artifacts on a target dor	High
2415	OSINT Queries	site:quora.com "email" "contact"	Finds Quora profiles listing contact emails	Gather public contact info for research	Low
2416	Login Pages	inurl:admin intitle:"staff login"	Finds staff login pages under /admin paths	Locate authentication portals for testin	Medium

2417	Error Messages	intext:"exception in thread" filetype:asp	Finds asp pages showing "exception in thread"	Locate app errors indicating misconfigu	Medium
2418	Open Directories	intitle:"index of / .env"	Finds open directory listing: index of / .env	Discover exposed file listings on web s	High
2419	File Discovery	filetype:doc intitle:"report"	Finds doc files titled with "report"	Research report documents in doc forr	Low
2420	Error Messages	intext:"debug mode enabled" filetype:aspx	Finds aspx pages showing "debug mode enabled"	Locate app errors indicating misconfigu	Medium
2421	File Discovery	filetype:xls intext:"insurance" intitle:"confidential"	Finds xls files marked confidential in insurance secto	Sector-focused document research: in	Medium
2422	Sensitive Information Exposure	intext:"test credentials" filetype:xls	Finds Excel files containing "test credentials"	Detect sensitive data in spreadsheets	High
2423	Error Messages	intext:"sql syntax error" filetype:php	Finds php pages showing "sql syntax error"	Locate app errors indicating misconfigu	Medium
2424	Logs & Debug Files	intext:"stacktrace" filetype:log	Finds log files containing "stacktrace"	Identify debug information disclosure	Medium
2425	Login Pages	inurl:admin intitle:"user login"	Finds user login pages under /admin paths	Locate authentication portals for testin	Medium
2426	Config Files	site:example1.co filetype:yml	Finds .yml configuration files on example1.co	Locate configuration exposure on a tar	High
2427	Open Directories	intitle:"index of" "tmp" -inurl:htm -inurl:html	Finds directory listings related to tmp	Locate exposed folders excluding norm	Medium
2428	File Discovery	filetype:ppt intext:"logistics" intitle:"confidential"	Finds ppt files marked confidential in logistics sector	Sector-focused document research: lo	Medium
2429	File Discovery	filetype:xlsx intitle:"user manual"	Finds xlsx files titled with "user manual"	Research user manual documents in x	Low
2430	Login Pages	site:example1.gov inurl:admin/login	Finds django login page on example1.gov	Locate django-specific login endpoint	Medium
2431	Open Directories	intitle:"index of" "students" -inurl:htm -inurl:html	Finds directory listings related to students	Locate exposed folders excluding norm	Medium
2432	File Discovery	filetype:ppt intitle:"policy"	Finds ppt files titled with "policy"	Research policy documents in ppt forr	Low
2433	Login Pages	inurl:dashboard intitle:"staff login"	Finds staff login pages under /dashboard paths	Locate authentication portals for testin	Medium
2434	Login Pages	site:example1.co inurl:wp-login.php	Finds wordpress login page on example1.co	Locate wordpress-specific login endpo	Medium
2435	Error Messages	intext:"warning: failed to open stream" filetype:jsp	Finds jsp pages showing "warning: failed to open str	Locate app errors indicating misconfigu	Medium
2436	Login Pages	inurl:dashboard intitle:"dashboard login"	Finds dashboard login pages under /dashboard pat	Locate authentication portals for testin	Medium
2437	Open Directories	intitle:"index of" "tar.gz"	Finds open directories listing .tar.gz files	Discover exposed .tar.gz files via direc	Medium
2438	Sensitive Information Exposure	intext:"serial number" filetype:log	Finds log files containing "serial number"	Detect sensitive data leaked in logs	High
2439	Sensitive Information Exposure	intext:"id_rsa" filetype:log	Finds log files containing "id_rsa"	Detect sensitive data leaked in logs	High
2440	Config Files	site:example1.gov filetype:yml	Finds .yml configuration files on example1.gov	Locate configuration exposure on a tar	High
2441	API Keys & Credentials	intext:"database_url" filetype:env	Finds .env files exposing database_url	Detect leaked API credentials	High
2442	Cloud Storage	site:sharepoint.com filetype:pdf	Finds .pdf files shared via SharePoint	Locate pdf files publicly shared on Sha	Medium
2443	File Discovery	filetype:xlsx intext:"real estate" intitle:"confidential"	Finds xlsx files marked confidential in real estate ser	Sector-focused document research: re	Medium
2444	File Discovery	filetype:odt intext:"finance" intitle:"confidential"	Finds odt files marked confidential in finance sector	Sector-focused document research: fin	Medium
2445	Login Pages	site:example1.edu inurl:wp-login.php	Finds wordpress login page on example1.edu	Locate wordpress-specific login endpo	Medium
2446	OSINT Queries	site:keybase.io intitle:"profile"	Finds Keybase profile pages	Locate public profiles for background n	Low
2447	Sensitive Information Exposure	intext:"smtp password" filetype:doc	Finds Word documents containing "smtp password"	Detect sensitive data in shared docum	High
2448	Error Messages	intext:"warning: failed to open stream" filetype:aspx	Finds aspx pages showing "warning: failed to open s	Locate app errors indicating misconfigu	Medium
2449	Login Pages	inurl:admin1 intitle:"secure login"	Finds secure login pages under /admin1 paths	Locate authentication portals for testin	Medium
2450	Admin Panels	inurl:admin1 intext:"umbraco" intitle:"login"	Finds umbraco login pages under /admin1	Identify CMS admin backend by platfor	Medium
2451	Login Pages	inurl:admin2 intitle:"account login"	Finds account login pages under /admin2 paths	Locate authentication portals for testin	Medium
2452	Error Messages	intext:"notice: undefined variable" filetype:jsp	Finds jsp pages showing "notice: undefined variable	Locate app errors indicating misconfigu	Medium
2453	Advanced Search Operators	site:example1.io intext:"guide" filetype:ppt	Triple filter: domain, content, filetype	Highly targeted document search	Low
2454	Basic Operators	inurl:meeting minutes	Finds pages with keyword in the URL	Locate pages by URL structure	Low
2455	Backup Files	filetype:old "daily backup"	Finds "daily backup" files of type .old	Identify categorized backup file exposu	High
2456	Config Files	inurl:config filetype:json	Finds configuration files via URL pattern (.json)	Locate exposed app configuration files	High
2457	Admin Panels	inurl:sysadmin intext:"username" intext:"password"	Finds admin panels under /sysadmin with login field	Identify exposed administrative interfac	Medium
2458	Login Pages	inurl:wp-login.php intitle:"portal login"	Finds portal login pages under /wp-login.php paths	Locate authentication portals for testin	Medium
2459	File Discovery	filetype:odt intext:"insurance" intitle:"confidential"	Finds odt files marked confidential in insurance secto	Sector-focused document research: in	Medium
2460	Backup Files	site:example1.info filetype:zip	Finds .zip backup files on example1.info	Locate backup artifacts on a target dor	High
2461	Backup Files	site:example1.net filetype:backup	Finds .backup backup files on example1.net	Locate backup artifacts on a target dor	High
2462	Login Pages	inurl:manager intitle:"portal login"	Finds portal login pages under /manager paths	Locate authentication portals for testin	Medium
2463	Logs & Debug Files	site:example1.info filetype:log	Finds .log files on example1.info	Locate exposed log files on a target dc	Medium
2464	Open Directories	intitle:"index of" "hr" -inurl:htm -inurl:html	Finds directory listings related to hr	Locate exposed folders excluding norm	High
2465	File Discovery	filetype:doc intext:"telecom" intitle:"confidential"	Finds doc files marked confidential in telecom sector	Sector-focused document research: tel	Medium
2466	Basic Operators	intitle:manual	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2467	Config Files	site:example1.com filetype:yml	Finds .yml configuration files on example1.com	Locate configuration exposure on a tar	High
2468	Error Messages	intext:"sql syntax error"	Finds pages displaying: sql syntax error	Identify misconfigured or vulnerable ap	Medium
2469	Sensitive Information Exposure	intext:"secret key" filetype:xls	Finds Excel files containing "secret key"	Detect sensitive data in spreadsheets	High
2470	Error Messages	intext:"fatal error" filetype:jsp	Finds jsp pages showing "fatal error"	Locate app errors indicating misconfigu	Medium
2471	Sensitive Information Exposure	intext:"admin password" site:pastebin.com	Finds Pastebin posts containing "admin password"	Monitor public paste sites for leaked d	High
2472	Login Pages	inurl:wp-admin intitle:"remote login"	Finds remote login pages under /wp-admin paths	Locate authentication portals for testin	Medium
2473	OSINT Queries	site:facebook.com intext:"phone number"	Finds Facebook pages listing phone numbers	Locate publicly shared contact number	Medium
2474	Login Pages	inurl:manager intitle:"sign in"	Finds sign in pages under /manager paths	Locate authentication portals for testin	Medium
2475	Config Files	filetype:env intext:"db_password" OR intext:"database_pa	Finds .env files with database password fields	Identify exposed database configuratio	High
2476	Admin Panels	inurl:admin intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /admin	Identify CMS admin backend by platfor	Medium
2477	Sensitive Information Exposure	intext:"employee list" site:pastebin.com	Finds Pastebin posts containing "employee list"	Monitor public paste sites for leaked d	High
2478	Config Files	site:example2.com filetype:ini	Finds .ini configuration files on example2.com	Locate configuration exposure on a tar	High
2479	Basic Operators	cache:example2.com	Shows Google's cached version of a page	View archived version of a page	Low
2480	Sensitive Information Exposure	intext:"test credentials" filetype:txt	Finds text files containing "test credentials"	Detect accidental exposure of sensitive	High
2481	Admin Panels	inurl:administrator intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /administrato	Identify CMS admin backend by platfor	Medium
2482	Sensitive Information Exposure	intext:"aws_secret_access_key" filetype:doc	Finds Word documents containing "aws_secret_acc	Detect sensitive data in shared docum	High
2483	API Keys & Credentials	intext:"twilio_auth_token" filetype:yml	Finds YAML files exposing twilio_auth_token	Detect leaked credentials in YAML con	High
2484	Login Pages	inurl:wp-admin intitle:"secure login"	Finds secure login pages under /wp-admin paths	Locate authentication portals for testin	Medium
2485	Backup Files	filetype:bak "site backup"	Finds "site backup" files of type .bak	Identify categorized backup file exposu	High
2486	Error Messages	intext:"fatal error" filetype:php	Finds php pages showing "fatal error"	Locate app errors indicating misconfigu	Medium
2487	Advanced Search Operators	site:example2.com "financial statement" -inurl:guide	Domain search excluding a URL pattern	Refine results by excluding noise	Low
2488	Login Pages	inurl:backend intitle:"secure login"	Finds secure login pages under /backend paths	Locate authentication portals for testin	Medium
2489	Sensitive Information Exposure	intext:"cvv" filetype:txt	Finds text files containing "cvv"	Detect accidental exposure of sensitive	High
2490	Login Pages	inurl:adminpanel intitle:"dashboard login"	Finds dashboard login pages under /adminpanel pat	Locate authentication portals for testin	Medium
2491	Sensitive Information Exposure	intext:"master password" filetype:xls	Finds Excel files containing "master password"	Detect sensitive data in spreadsheets	High
2492	Database Files	filetype:sql intext:"accounts"	Finds SQL dumps referencing "accounts" table	Identify exposed data tables	High
2493	Admin Panels	inurl:admin2 intext:"prestashop" intitle:"login"	Finds prestashop login pages under /admin2	Identify CMS admin backend by platfor	Medium
2494	Logs & Debug Files	intext:"debug" filetype:log	Finds log files containing "debug"	Identify debug information disclosure	Medium

2495	Login Pages	site:example1.gov inurl:users/sign_in	Finds rails login page on example1.gov	Locate rails-specific login endpoint	Medium
2496	Login Pages	inurl:phpmyadmin intitle:"dashboard login"	Finds dashboard login pages under /phpmyadmin paths	Locate authentication portals for testing	Medium
2497	File Discovery	filetype:docx intext:"technology" intitle:"confidential"	Finds docx files marked confidential in technology sector	Sector-focused document research: technology	Medium
2498	File Discovery	filetype:ods site:.net	Finds ods files hosted on .net domains	Sector-specific document discovery on .net	Low
2499	Database Files	filetype:sql intext:"customers"	Finds SQL dumps referencing "customers" table	Identify exposed data tables	High
2500	Open Directories	intitle:"index of" ".ppt"	Finds open directories listing .ppt files	Discover exposed .ppt files via directory listing	Medium
2501	Admin Panels	intitle:"admin panel" inurl:admin2	Finds pages titled admin panel under /admin2	Locate CMS/admin backend interfaces	Medium
2502	OSINT Queries	site:stackoverflow.com intitle:"profile"	Finds Stack Overflow profile pages	Locate public profiles for background research	Low
2503	Database Files	filetype:dbf intext:"create table"	Finds dbf files with table definitions	Identify exposed database schema files	High
2504	File Discovery	filetype:docx intitle:"research"	Finds docx files titled with "research"	Research research documents in docx format	Low
2505	Config Files	inurl:config filetype:yaml	Finds configuration files via URL pattern (.yaml)	Locate exposed app configuration files	High
2506	API Keys & Credentials	intext:"api_secret" filetype:xml	Finds XML files exposing api_secret	Detect leaked credentials in XML config files	High
2507	Basic Operators	intitle:thesis	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2508	Sensitive Information Exposure	intext:"default password" site:pastebin.com	Finds Pastebin posts containing "default password"	Monitor public paste sites for leaked data	High
2509	Backup Files	site:example2.gov filetype:tar	Finds tar backup files on example2.gov	Locate backup artifacts on a target domain	High
2510	Advanced Search Operators	site:example2.edu inurl:case study	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
2511	OSINT Queries	site:example1.edu intext:"conference speaker"	Finds pages listing "conference speaker"	Map organizational personnel for research	Low
2512	Login Pages	site:example1.com inurl:admin	Finds magento login page on example1.com	Locate magento-specific login endpoint	Medium
2513	File Discovery	filetype:ppt intext:"legal" intitle:"confidential"	Finds ppt files marked confidential in legal sector	Sector-focused document research: legal	Medium
2514	Sensitive Information Exposure	intext:"login credentials" filetype:txt	Finds text files containing "login credentials"	Detect accidental exposure of sensitive info	High
2515	Basic Operators	link:example3.edu	Finds pages that link to a domain	Backlink and reputation research	Low
2516	Sensitive Information Exposure	intext:"apikey" filetype:xls	Finds Excel files containing "apikey"	Detect sensitive data in spreadsheets	High
2517	Config Files	site:example3.com filetype:ini	Finds .ini configuration files on example3.com	Locate configuration exposure on a target	High
2518	Sensitive Information Exposure	intext:"login credentials" filetype:xls	Finds Excel files containing "login credentials"	Detect sensitive data in spreadsheets	High
2519	Error Messages	intext:"you have an error in your sql syntax" filetype:jsp	Finds jsp pages showing "you have an error in your sql syntax"	Locate app errors indicating misconfiguration	Medium
2520	File Discovery	filetype:doc intitle:"presentation"	Finds doc files titled with "presentation"	Research presentation documents in doc format	Low
2521	Login Pages	inurl:adminpanel intitle:"secure login"	Finds secure login pages under /adminpanel paths	Locate authentication portals for testing	Medium
2522	Sensitive Information Exposure	intext:"proprietary and confidential" filetype:pdf	Finds PDF files containing "proprietary and confidential"	Detect sensitive data in PDF reports	High
2523	Advanced Search Operators	proposal -site:example2.net	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
2524	Login Pages	inurl:administrator intitle:"login"	Finds login pages under /administrator paths	Locate authentication portals for testing	Medium
2525	Cloud Storage	site:trello.com filetype:xlsx	Finds Excel files shared via Trello	Locate spreadsheets shared publicly	Medium
2526	OSINT Queries	site:example1.edu intext:"about us"	Finds pages listing "about us"	Map organizational personnel for research	Low
2527	API Keys & Credentials	intext:"apikey" filetype:xml	Finds XML files exposing apikey	Detect leaked credentials in XML config files	High
2528	Sensitive Information Exposure	intext:"secret" site:pastebin.com	Finds Pastebin posts containing "secret"	Monitor public paste sites for leaked data	High
2529	Basic Operators	intext:"security"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
2530	Sensitive Information Exposure	intext:"phone numbers" filetype:doc	Finds Word documents containing "phone numbers"	Detect sensitive data in shared documents	High
2531	Backup Files	site:example1.com filetype:tar	Finds tar backup files on example1.com	Locate backup artifacts on a target domain	High
2532	Sensitive Information Exposure	intext:"credentials" site:pastebin.com	Finds Pastebin posts containing "credentials"	Monitor public paste sites for leaked data	High
2533	File Discovery	filetype:xlsx site:.info	Finds xlsx files hosted on .info domains	Sector-specific document discovery on .info	Low
2534	Login Pages	site:example1.org inurl:wp-login.php	Finds wordpress login page on example1.org	Locate wordpress-specific login endpoint	Medium
2535	Admin Panels	inurl:admin_area intext:"wordpress" intitle:"login"	Finds wordpress login pages under /admin_area	Identify CMS admin backend by platform	Medium
2536	Sensitive Information Exposure	intext:"private token" filetype:doc	Finds Word documents containing "private token"	Detect sensitive data in shared documents	High
2537	File Discovery	filetype:txt site:.com	Finds txt files hosted on .com domains	Sector-specific document discovery on .com	Low
2538	OSINT Queries	site:keybase.io "email" "contact"	Finds Keybase profiles listing contact emails	Gather public contact info for research	Low
2539	Login Pages	inurl:dashboard intitle:"vpn login"	Finds vpn login pages under /dashboard paths	Locate authentication portals for testing	Medium
2540	Cloud Storage	site:dropbox.com filetype:pdf	Finds pdf files shared via Dropbox	Locate pdf files publicly shared on cloud	Medium
2541	Login Pages	inurl:admin2 intitle:"user login"	Finds user login pages under /admin2 paths	Locate authentication portals for testing	Medium
2542	Sensitive Information Exposure	intext:"credentials" filetype:doc	Finds Word documents containing "credentials"	Detect sensitive data in shared documents	High
2543	File Discovery	filetype:xls intitle:"press release"	Finds xls files titled with "press release"	Research press release documents in xls format	Low
2544	Admin Panels	intitle:"admin panel" inurl:panel/admin	Finds pages titled admin panel under /panel/admin	Locate CMS/admin backend interfaces	Medium
2545	File Discovery	filetype:pptx intitle:"presentation"	Finds pptx files titled with "presentation"	Research presentation documents in pptx format	Low
2546	Backup Files	site:example2.co filetype:zip	Finds .zip backup files on example2.co	Locate backup artifacts on a target domain	High
2547	File Discovery	filetype:ods intitle:"syllabus"	Finds ods files titled with "syllabus"	Research syllabus documents in ods format	Low
2548	Backup Files	site:example2.io filetype:old	Finds .old backup files on example2.io	Locate backup artifacts on a target domain	High
2549	Basic Operators	inurl:training	Finds pages with keyword in the URL	Locate pages by URL structure	Low
2550	Login Pages	inurl:admin1 intitle:"login"	Finds login pages under /admin1 paths	Locate authentication portals for testing	Medium
2551	API Keys & Credentials	intext:"private_key" filetype:xml	Finds XML files exposing private_key	Detect leaked credentials in XML config files	High
2552	Basic Operators	cache:example3.net	Shows Google's cached version of a page	View archived version of a page	Low
2553	Basic Operators	link:example2.info	Finds pages that link to a domain	Backlink and reputation research	Low
2554	Backup Files	site:example2.edu filetype:7z	Finds .7z backup files on example2.edu	Locate backup artifacts on a target domain	High
2555	Login Pages	inurl:admincp intitle:"client login"	Finds client login pages under /admincp paths	Locate authentication portals for testing	Medium
2556	Sensitive Information Exposure	intext:"tax id" site:pastebin.com	Finds Pastebin posts containing "tax id"	Monitor public paste sites for leaked data	High
2557	Basic Operators	allinurl:security	Finds pages where all words appear in URL	Narrow URL-based search	Low
2558	Open Directories	intitle:"index of" ".docx"	Finds open directories listing .docx files	Discover exposed .docx files via directory listing	Medium
2559	Logs & Debug Files	site:example3.com filetype:log	Finds .log files on example3.com	Locate exposed log files on a target domain	Medium
2560	Admin Panels	inurl:admin/login.php intext:"username" intext:"password"	Finds admin panels under /admin/login.php with login form	Identify exposed administrative interfaces	Medium
2561	Backup Files	site:example3.com filetype:bak	Finds .bak backup files on example3.com	Locate backup artifacts on a target domain	High
2562	Login Pages	inurl:manager intitle:"webmail login"	Finds webmail login pages under /manager paths	Locate authentication portals for testing	Medium
2563	API Keys & Credentials	intext:"azure_client_secret" filetype:env	Finds .env files exposing azure_client_secret	Detect leaked API credentials	High
2564	Cloud Storage	site:gitlab.com filetype:docx	Finds .docx files shared via GitLab	Locate docx files publicly shared on Git	Medium
2565	Login Pages	site:example1.info inurl:administrator/index.php	Finds Joomla login page on example1.info	Locate Joomla-specific login endpoint	Medium
2566	Sensitive Information Exposure	intext:"staging environment" site:pastebin.com	Finds Pastebin posts containing "staging environment"	Monitor public paste sites for leaked data	High
2567	Sensitive Information Exposure	intext:"connection string" filetype:txt	Finds text files containing "connection string"	Detect accidental exposure of sensitive info	High
2568	Backup Files	filetype:gz "config backup"	Finds "config backup" files of type .gz	Identify categorized backup file exposures	High
2569	Login Pages	inurl:phpmyadmin intitle:"sign in"	Finds sign in pages under /phpmyadmin paths	Locate authentication portals for testing	Medium
2570	Sensitive Information Exposure	intext:"connection string" site:pastebin.com	Finds Pastebin posts containing "connection string"	Monitor public paste sites for leaked data	High
2571	Database Files	filetype:sql intext:"payments"	Finds sql dumps referencing "payments" data	Identify exposed payments records	High
2572	Login Pages	inurl:backend intitle:"remote login"	Finds remote login pages under /backend paths	Locate authentication portals for testing	Medium

2573	API Keys & Credentials	intext:"slack_token" filetype:log	Finds log files exposing slack_token	Detect leaked credentials in log output	High
2574	Open Directories	intitle:"index of" "logs" -inurl:htm -inurl:html	Finds directory listings related to logs	Locate exposed folders excluding norm	Medium
2575	Admin Panels	intitle:"admin panel" inurl:phpmyadmin	Finds pages titled admin panel under /phpmyadmin	Locate CMS/admin backend interfaces	Medium
2576	File Discovery	filetype:csv intitle:"manual"	Finds csv files titled with "manual"	Research manual documents in csv for	Low
2577	API Keys & Credentials	intext:"session_secret" filetype:json	Finds JSON files exposing session_secret	Detect leaked credentials in config files	High
2578	Advanced Search Operators	inurl:survey filetype:pdf	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
2579	Basic Operators	cache:example1.net	Shows Google's cached version of a page	View archived version of a page	Low
2580	Sensitive Information Exposure	intext:"credentials" filetype:pdf	Finds PDF files containing "credentials"	Detect sensitive data in PDF reports	High
2581	Sensitive Information Exposure	intext:"proprietary and confidential" filetype:doc	Finds Word documents containing "proprietary and	Detect sensitive data in shared docum	High
2582	Cloud Storage	site:pastebin.com intext:"password"	Finds Pastebin links containing "password"	Detect leaked credentials on cloud stor	High
2583	Basic Operators	cache:example1.org	Shows Google's cached version of a page	View archived version of a page	Low
2584	Login Pages	site:example1.net inurl:users/sign_in	Finds rails login page on example1.net	Locate rails-specific login endpoint	Medium
2585	Admin Panels	inurl:admin1 intext:"typo3" intitle:"login"	Finds typo3 login pages under /admin1	Identify CMS admin backend by platfor	Medium
2586	Backup Files	site:example1.edu filetype:7z	Finds .7z backup files on example1.edu	Locate backup artifacts on a target dor	High
2587	Admin Panels	inurl:root intext:"username" intext:"password"	Finds admin panels under /root with login fields	Identify exposed administrative interfac	Medium
2588	Config Files	site:example3.edu filetype:env	Finds .env configuration files on example3.edu	Locate configuration exposure on a tar	High
2589	API Keys & Credentials	intext:"client_secret" site:github.com	Finds GitHub repos exposing client_secret	Detect accidental credential commits	High
2590	Sensitive Information Exposure	intext:"stack trace" site:pastebin.com	Finds Pastebin posts containing "stack trace"	Monitor public paste sites for leaked d	High
2591	Cloud Storage	site:box.com inurl:folder	Finds Box shared folder links	Discover exposed shared folders	Medium
2592	Basic Operators	cache:example2.org	Shows Google's cached version of a page	View archived version of a page	Low
2593	Config Files	site:example1.edu filetype:config	Finds .config configuration files on example1.edu	Locate configuration exposure on a tar	High
2594	Database Files	filetype:sql intext:"members"	Finds SQL dumps referencing "members" table	Identify exposed data tables	High
2595	Login Pages	intitle:"account login" inurl:secure	Finds secure account login pages	Identify secure authentication endpoint	Medium
2596	Login Pages	site:example1.co inurl:user/login	Finds drupal login page on example1.co	Locate drupal-specific login endpoint	Medium
2597	Config Files	filetype:xml intext:"password"	Finds .xml config files referencing passwords	Detect credentials in configuration files	High
2598	Login Pages	inurl:admincp intitle:"account login"	Finds account login pages under /admincp paths	Locate authentication portals for testin	Medium
2599	Sensitive Information Exposure	intext:"tax id" filetype:pdf	Finds PDF files containing "tax id"	Detect sensitive data in PDF reports	High
2600	File Discovery	filetype:csv intext:"legal" intitle:"confidential"	Finds csv files marked confidential in legal sector	Sector-focused document research: le	Medium
2601	File Discovery	filetype:pptx intext:"manufacturing" intitle:"confidential"	Finds pptx files marked confidential in manufacturing	Sector-focused document research: m	Medium
2602	API Keys & Credentials	intext:"mailgun_api_key" site:github.com	Finds GitHub repos exposing mailgun_api_key	Detect accidental credential commits	High
2603	Cloud Storage	site:mega.nz inurl:folder	Finds Mega shared folder links	Discover exposed shared folders	Medium
2604	Error Messages	intext:"django debug" filetype:asp	Finds asp pages showing "django debug"	Locate app errors indicating misconfig	Medium
2605	Sensitive Information Exposure	intext:"serial number" filetype:txt	Finds text files containing "serial number"	Detect accidental exposure of sensitive	High
2606	Basic Operators	filetype:xlsx	Finds files of a specific type across the web	Locate specific document formats	Low
2607	Admin Panels	intitle:"admin panel" inurl:admin_login	Finds pages titled admin panel under /admin_login	Locate CMS/admin backend interfaces	Medium
2608	Bug Bounty / Security Testing	inurl:/DS_Store	Finds exposed /.DS_Store artifact	Identify leaked development metadata	Medium
2609	Sensitive Information Exposure	intext:"cvv" filetype:doc	Finds Word documents containing "cvv"	Detect sensitive data in shared docum	High
2610	Basic Operators	inurl:technical specification	Finds pages with keyword in the URL	Locate pages by URL structure	Low
2611	Backup Files	site:example3.net filetype:rar	Finds .rar backup files on example3.net	Locate backup artifacts on a target dor	High
2612	Cloud Storage	site:mega.nz intitle:"confidential"	Finds Mega files marked confidential	Detect improperly shared sensitive file	High
2613	API Keys & Credentials	intext:"paypal_client_id" site:github.com	Finds GitHub repos exposing paypal_client_id	Detect accidental credential commits	High
2614	Login Pages	inurl:admin2 intitle:"signin"	Finds signin pages under /admin2 paths	Locate authentication portals for testin	Medium
2615	Advanced Search Operators	site:example2.co filetype:docx	Combines domain and filetype filters	Find specific file types on a target site	Low
2616	API Keys & Credentials	intext:"github_token" filetype:json	Finds JSON files exposing github_token	Detect leaked credentials in config files	High
2617	Admin Panels	inurl:useradmin intext:"username" intext:"password"	Finds admin panels under /useradmin with login fields	Identify exposed administrative interfac	Medium
2618	File Discovery	filetype:txt intext:"manufacturing" intitle:"confidential"	Finds txt files marked confidential in manufacturing	Sector-focused document research: m	Medium
2619	Sensitive Information Exposure	intext:"id_rsa" site:pastebin.com	Finds Pastebin posts containing "id_rsa"	Monitor public paste sites for leaked d	High
2620	API Keys & Credentials	intext:"secret_key" site:pastebin.com	Finds pastes exposing secret_key	Monitor for leaked credentials online	High
2621	API Keys & Credentials	intext:"slack_token" filetype:json	Finds JSON files exposing slack_token	Detect leaked credentials in config files	High
2622	Advanced Search Operators	site:example1.info intitle:"budget"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
2623	Login Pages	inurl:admin1 intitle:"member login"	Finds member login pages under /admin1 paths	Locate authentication portals for testin	Medium
2624	File Discovery	filetype:ods intitle:"thesis"	Finds ods files titled with "thesis"	Research thesis documents in ods forr	Low
2625	Cloud Storage	site:docs.google.com intext:"password"	Finds Google Docs links containing "password"	Detect leaked credentials on cloud stor	High
2626	Login Pages	inurl:administrator intitle:"employee login"	Finds employee login pages under /administrator pa	Locate authentication portals for testin	Medium
2627	File Discovery	filetype:ods intitle:"presentation"	Finds ods files titled with "presentation"	Research presentation documents in o	Low
2628	Login Pages	site:example1.io inurl:user/login	Finds drupal login page on example1.io	Locate drupal-specific login endpoint	Medium
2629	Advanced Search Operators	intitle:"thesis" filetype:docx	Combines title keyword and filetype filters	Find titled documents of a type	Low
2630	File Discovery	filetype:pptx intext:"logistics" intitle:"confidential"	Finds pptx files marked confidential in logistics sect	Sector-focused document research: lo	Medium
2631	Sensitive Information Exposure	intext:"do not distribute" filetype:log	Finds log files containing "do not distribute"	Detect sensitive data leaked in logs	High
2632	Sensitive Information Exposure	intext:"stack trace" filetype:log	Finds log files containing "stack trace"	Detect sensitive data leaked in logs	High
2633	Login Pages	intitle:"log in" inurl:secure	Finds secure log in pages	Identify secure authentication endpoint	Medium
2634	Login Pages	inurl:backend intitle:"employee login"	Finds employee login pages under /backend paths	Locate authentication portals for testin	Medium
2635	Error Messages	intext:"error on line" filetype:jsp	Finds jsp pages showing "error on line"	Locate app errors indicating misconfig	Medium
2636	Advanced Search Operators	intitle:"research" filetype:doc	Combines title keyword and filetype filters	Find titled documents of a type	Low
2637	Backup Files	inurl:backup filetype:gzip	Finds backup URLs serving .gz files	Locate backup files via URL pattern	High
2638	Login Pages	intitle:"admin login" inurl:secure	Finds secure admin login pages	Identify secure authentication endpoint	Medium
2639	Login Pages	inurl:adminpanel intitle:"portal login"	Finds portal login pages under /adminpanel paths	Locate authentication portals for testin	Medium
2640	Admin Panels	inurl:admin_area intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /admin_area	Identify CMS admin backend by platfor	Medium
2641	Logs & Debug Files	intext:"access_log" filetype:log	Finds log files containing "access_log"	Identify debug information disclosure	Medium
2642	File Discovery	filetype:docx intext:"nonprofit" intitle:"confidential"	Finds docx files marked confidential in nonprofit sec	Sector-focused document research: nc	Medium
2643	Error Messages	intext:"sql syntax error" filetype:jsp	Finds jsp pages showing "sql syntax error"	Locate app errors indicating misconfig	Medium
2644	API Keys & Credentials	intext:"api_secret" filetype:yaml	Finds YAML files exposing api_secret	Detect leaked credentials in YAML con	High
2645	Login Pages	inurl:admin2 intitle:"admin login"	Finds admin login pages under /admin2 paths	Locate authentication portals for testin	Medium
2646	Login Pages	inurl:phpmyadmin intitle:"remote login"	Finds remote login pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
2647	Backup Files	filetype:tar "weekly backup"	Finds "weekly backup" files of type .tar	Identify categorized backup file expos	High
2648	Admin Panels	inurl:admin-console intext:"username" intext:"password"	Finds admin panels under /admin-console with login	Identify exposed administrative interfac	Medium
2649	File Discovery	filetype:docx site:.gov	Finds docx files hosted on .gov domains	Sector-specific document discovery on	Low
2650	Backup Files	filetype:gzip "database backup"	Finds "database backup" files of type .gz	Identify categorized backup file expos	High

2651	API Keys & Credentials	intext:"encryption_key" site:gitlab.com	Finds GitLab repos exposing encryption_key	Detect accidental credential commits o	High
2652	API Keys & Credentials	intext:"jwt_secret" filetype:json	Finds JSON files exposing jwt_secret	Detect leaked credentials in config files	High
2653	Email & Contact Discovery	site:example2.net intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
2654	Admin Panels	inurl:admin2 intext:"drupal" intitle:"login"	Finds drupal login pages under /admin2	Identify CMS admin backend by platfor	Medium
2655	Backup Files	filetype:tmp intitle:"backup"	Finds backup files with .tmp extension	Identify exposed backup archives	High
2656	Sensitive Information Exposure	intext:"db_password" filetype:txt	Finds text files containing "db_password"	Detect accidental exposure of sensitive	High
2657	Sensitive Information Exposure	intext:"encryption key" filetype:xls	Finds Excel files containing "encryption key"	Detect sensitive data in spreadsheets	High
2658	File Discovery	filetype:ods intext:"military" intitle:"confidential"	Finds ods files marked confidential in military sector	Sector-focused document research: mi	Medium
2659	Config Files	site:example1.com filetype:env	Finds .env configuration files on example1.com	Locate configuration exposure on a tar	High
2660	Admin Panels	intitle:"admin panel" inurl:webmail	Finds pages titled admin panel under /webmail	Locate CMS/admin backend interfaces	Medium
2661	File Discovery	filetype:txt intitle:"dissertation"	Finds txt files titled with "dissertation"	Research dissertation documents in tx	Low
2662	Backup Files	filetype:zip "system backup"	Finds "system backup" files of type .zip	Identify categorized backup file exposu	High
2663	File Discovery	filetype:ppt intitle:"presentation"	Finds ppt files titled with "presentation"	Research presentation documents in p	Low
2664	Login Pages	inurl:backend intitle:"admin login"	Finds admin login pages under /backend paths	Locate authentication portals for testin	Medium
2665	File Discovery	filetype:odt intext:"hospitality" intitle:"confidential"	Finds odt files marked confidential in hospitality sect	Sector-focused document research: hc	Medium
2666	Backup Files	site:example3.net filetype:7z	Finds .7z backup files on example3.net	Locate backup artifacts on a target dor	High
2667	Admin Panels	inurl:webmail intext:"username" intext:"password"	Finds admin panels under /webmail with login fields	Identify exposed administrative interfac	Medium
2668	File Discovery	filetype:doc intext:"hospitality" intitle:"confidential"	Finds doc files marked confidential in hospitality sec	Sector-focused document research: hc	Medium
2669	File Discovery	filetype:ods site:.org	Finds ods files hosted on .org domains	Sector-specific document discovery on	Low
2670	Login Pages	inurl:phpmyadmin intitle:"user login"	Finds user login pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
2671	API Keys & Credentials	intext:"docker_password" site:pastebin.com	Finds pastes exposing docker_password	Monitor for leaked credentials online	High
2672	File Discovery	filetype:docx intitle:"guide"	Finds docx files titled with "guide"	Research guide documents in docx for	Low
2673	Basic Operators	filetype:docx	Finds files of a specific type across the web	Locate specific document formats	Low
2674	File Discovery	filetype:odt intitle:"syllabus"	Finds odt files titled with "syllabus"	Research syllabus documents in odt fc	Low
2675	Login Pages	inurl:wp-login.php intitle:"secure login"	Finds secure login pages under /wp-login.php paths	Locate authentication portals for testin	Medium
2676	Cloud Storage	site:firebaseio.com filetype:pdf "internal use only"	Finds internal-use PDFs on Firebase	Detect accidental public sharing of inte	High
2677	Config Files	intitle:"docker-compose" OR inurl:"docker-compose"	Finds files related to "docker-compose"	Identify common configuration file expc	High
2678	Cloud Storage	site:docs.google.com inurl:folder	Finds Google Docs shared folder links	Discover exposed shared folders	Medium
2679	Open Directories	intitle:"index of" ".env" -inurl:htm -inurl:html	Finds directory listings related to .env	Locate exposed folders excluding norm	High
2680	Sensitive Information Exposure	intext:"cvv" filetype:xls	Finds Excel files containing "cvv"	Detect sensitive data in spreadsheets	High
2681	Admin Panels	inurl:admin2 intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /admin2	Identify CMS admin backend by platfor	Medium
2682	API Keys & Credentials	intext:"twilio_auth_token" site:pastebin.com	Finds pastes exposing twilio_auth_token	Monitor for leaked credentials online	High
2683	Backup Files	filetype:old "system backup"	Finds "system backup" files of type .old	Identify categorized backup file exposu	High
2684	Advanced Search Operators	login OR "signin" site:example2.gov	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
2685	Admin Panels	inurl:admin intext:"drupal" intitle:"login"	Finds drupal login pages under /admin	Identify CMS admin backend by platfor	Medium
2686	Config Files	site:example3.edu filetype:yml	Finds .yml configuration files on example3.edu	Locate configuration exposure on a tar	High
2687	Login Pages	site:example1.com inurl:users/sign_in	Finds rails login page on example1.com	Locate rails-specific login endpoint	Medium
2688	Basic Operators	allintitle:security	Finds pages where all words appear in title	Narrow title-based search	Low
2689	Basic Operators	intext:"dissertation"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
2690	File Discovery	filetype:odt intitle:"survey"	Finds odt files titled with "survey"	Research survey documents in odt for	Low
2691	Login Pages	inurl:admin_area intitle:"login"	Finds login pages under /admin_area paths	Locate authentication portals for testin	Medium
2692	Login Pages	site:example1.co inurl:admin	Finds magento login page on example1.co	Locate magento-specific login endpoint	Medium
2693	Sensitive Information Exposure	intext:"passwd" site:pastebin.com	Finds Pastebin posts containing "passwd"	Monitor public paste sites for leaked d	High
2694	Login Pages	inurl:administrator intitle:"customer login"	Finds customer login pages under /administrator pat	Locate authentication portals for testin	Medium
2695	Config Files	site:example1.edu filetype:yml	Finds .yml configuration files on example1.edu	Locate configuration exposure on a tar	High
2696	Sensitive Information Exposure	intext:"sql dump" filetype:log	Finds log files containing "sql dump"	Detect sensitive data leaked in logs	High
2697	Backup Files	site:example3.com filetype:old	Finds .old backup files on example3.com	Locate backup artifacts on a target dor	High
2698	Admin Panels	inurl:cpanel intext:"umbraco" intitle:"login"	Finds umbraco login pages under /cpanel	Identify CMS admin backend by platfor	Medium
2699	File Discovery	filetype:doc intext:"banking" intitle:"confidential"	Finds doc files marked confidential in banking sector	Sector-focused document research: ba	Medium
2700	Error Messages	intext:"php error" filetype:php	Finds php pages showing "php error"	Locate app errors indicating misconfigi	Medium
2701	Advanced Search Operators	site:example1.org "research" -inurl:cv	Domain search excluding a URL pattern	Refine results by excluding noise	Low
2702	API Keys & Credentials	intext:"heroku_api_key" site:gitlab.com	Finds GitLab repos exposing heroku_api_key	Detect accidental credential commits o	High
2703	File Discovery	filetype:csv site:.com	Finds csv files hosted on .com domains	Sector-specific document discovery on	Low
2704	Admin Panels	inurl:panel/admin intext:"username" intext:"password"	Finds admin panels under /panel/admin with login fi	Identify exposed administrative interfac	Medium
2705	File Discovery	filetype:pdf intext:"banking" intitle:"confidential"	Finds pdf files marked confidential in banking sector	Sector-focused document research: ba	Medium
2706	Config Files	site:example1.net filetype:yml	Finds .yml configuration files on example1.net	Locate configuration exposure on a tar	High
2707	Backup Files	inurl:backup filetype:swp	Finds backup URLs serving .swp files	Locate backup files via URL pattern	High
2708	Backup Files	site:example1.io filetype:7z	Finds .7z backup files on example1.io	Locate backup artifacts on a target dor	High
2709	Admin Panels	inurl:portal intext:"username" intext:"password"	Finds admin panels under /portal with login fields	Identify exposed administrative interfac	Medium
2710	Sensitive Information Exposure	intext:"credit card number" site:pastebin.com	Finds Pastebin posts containing "credit card number"	Monitor public paste sites for leaked d	High
2711	API Keys & Credentials	intext:"mailgun_api_key" filetype:log	Finds log files exposing mailgun_api_key	Detect leaked credentials in log output	High
2712	Config Files	site:example3.edu filetype:conf	Finds .conf configuration files on example3.edu	Locate configuration exposure on a tar	High
2713	Sensitive Information Exposure	intext:"connection string" filetype:xls	Finds Excel files containing "connection string"	Detect sensitive data in spreadsheets	High
2714	Backup Files	site:example1.gov filetype:bak	Finds .bak backup files on example1.gov	Locate backup artifacts on a target dor	High
2715	Backup Files	site:example1.edu filetype:old	Finds .old backup files on example1.edu	Locate backup artifacts on a target dor	High
2716	Error Messages	intext:"odbc driver error" filetype:jsp	Finds jsp pages showing "odbc driver error"	Locate app errors indicating misconfigi	Medium
2717	Error Messages	intext:"runtime error" filetype:aspx	Finds aspx pages showing "runtime error"	Locate app errors indicating misconfigi	Medium
2718	Basic Operators	site:example1.org	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
2719	File Discovery	filetype:csv intext:"research" intitle:"confidential"	Finds csv files marked confidential in research secto	Sector-focused document research: re	Medium
2720	API Keys & Credentials	intext:"aws_secret_access_key" filetype:json	Finds JSON files exposing aws_secret_access_key	Detect leaked credentials in config files	High
2721	Error Messages	intext:"you have an error in your sql syntax" filetype:php	Finds php pages showing "you have an error in your	Locate app errors indicating misconfigi	Medium
2722	Sensitive Information Exposure	intext:"aws_access_key_id" filetype:doc	Finds Word documents containing "aws_access_key	Detect sensitive data in shared docum	High
2723	Admin Panels	inurl:wp-login.php intext:"magento" intitle:"login"	Finds magento login pages under /wp-login.php	Identify CMS admin backend by platfor	Medium
2724	File Discovery	filetype:odt site:.org	Finds odt files hosted on .org domains	Sector-specific document discovery on	Low
2725	Config Files	site:example1.net filetype:config	Finds .config configuration files on example1.net	Locate configuration exposure on a tar	High
2726	Database Files	filetype:sql intext:"invoices"	Finds sql dumps referencing "invoices" data	Identify exposed invoices records	High
2727	API Keys & Credentials	intext:"google_api_key" filetype:env	Finds .env files exposing google_api_key	Detect leaked API credentials	High
2728	Open Directories	intitle:"index of /clients"	Finds open directory listing: index of /clients	Discover exposed file listings on web s	Medium

2729	File Discovery	filetype:pptx intitle:"proposal"	Finds pptx files titled with "proposal"	Research proposal documents in pptx	Low
2730	File Discovery	filetype:odt intext:"government" intitle:"confidential"	Finds odt files marked confidential in government se	Sector-focused document research: gc	Medium
2731	Error Messages	intext:"exception in thread"	Finds pages displaying: exception in thread	Identify misconfigured or vulnerable ap	Medium
2732	API Keys & Credentials	intext:"api_secret" site:github.com	Finds GitHub repos exposing api_secret	Detect accidental credential commits	High
2733	Sensitive Information Exposure	intext:"email list" filetype:log	Finds log files containing "email list"	Detect sensitive data leaked in logs	High
2734	API Keys & Credentials	intext:"auth_token" site:github.com	Finds GitHub repos exposing auth_token	Detect accidental credential commits	High
2735	Backup Files	site:example1.net filetype:rar	Finds .rar backup files on example1.net	Locate backup artifacts on a target dor	High
2736	Sensitive Information Exposure	intext:"password" filetype:txt	Finds text files containing "password"	Detect accidental exposure of sensitive	High
2737	Email & Contact Discovery	site:example2.io intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
2738	Error Messages	intext:"asp.net error" filetype:jsp	Finds jsp pages showing "asp.net error"	Locate app errors indicating misconfigu	Medium
2739	File Discovery	filetype:ppt intitle:"technical specification"	Finds ppt files titled with "technical specification"	Research technical specification docur	Low
2740	Login Pages	site:example2.org inurl:users/sign_in	Finds rails login page on example2.org	Locate rails-specific login endpoint	Medium
2741	Sensitive Information Exposure	intext:"access_token" filetype:log	Finds log files containing "access_token"	Detect sensitive data leaked in logs	High
2742	Admin Panels	inurl:cpanel intext:"typo3" intitle:"login"	Finds typo3 login pages under /cpanel	Identify CMS admin backend by platfor	Medium
2743	Sensitive Information Exposure	intext:"wp-config" site:pastebin.com	Finds Pastebin posts containing "wp-config"	Monitor public paste sites for leaked d	High
2744	API Keys & Credentials	intext:"session_secret" filetype:xml	Finds XML files exposing session_secret	Detect leaked credentials in XML confi	High
2745	Advanced Search Operators	password OR "passwd" site:example1.com	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
2746	Database Files	filetype:mdb intext:"insert into"	Finds mdb files containing SQL insert statements	Identify exposed database dumps	High
2747	OSINT Queries	site:tiktok.com intitle:"profile"	Finds TikTok profile pages	Locate public profiles for background n	Low
2748	Open Directories	intitle:"index of" "public" -inurl:htm -inurl:html	Finds directory listings related to public	Locate exposed folders excluding norm	Medium
2749	Database Files	filetype:db intext:"inventory"	Finds db dumps referencing "inventory" data	Identify exposed inventory records	High
2750	File Discovery	filetype:pptx intext:"energy" intitle:"confidential"	Finds pptx files marked confidential in energy sector	Sector-focused document research: er	Medium
2751	File Discovery	filetype:docx intext:"banking" intitle:"confidential"	Finds docx files marked confidential in banking sect	Sector-focused document research: ba	Medium
2752	Basic Operators	site:example1.co	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
2753	Database Files	filetype:sql intext:"employees"	Finds SQL dumps referencing "employees" table	Identify exposed data tables	High
2754	Basic Operators	allintitle:survey	Finds pages where all words appear in title	Narrow title-based search	Low
2755	Login Pages	inurl:wp-admin intitle:"vpn login"	Finds vpn login pages under /wp-admin paths	Locate authentication portals for testin	Medium
2756	Open Directories	intitle:"index of" "invoices" -inurl:htm -inurl:html	Finds directory listings related to invoices	Locate exposed folders excluding norm	Medium
2757	Sensitive Information Exposure	intext:"database dump" filetype:doc	Finds Word documents containing "database dump"	Detect sensitive data in shared docum	High
2758	Cloud Storage	site:dropbox.com inurl:folder	Finds Dropbox shared folder links	Discover exposed shared folders	Medium
2759	File Discovery	filetype:xlsx intitle:"whitepaper"	Finds xlsx files titled with "whitepaper"	Research whitepaper documents in xls	Low
2760	File Discovery	filetype:pdf intext:"insurance" intitle:"confidential"	Finds pdf files marked confidential in insurance sect	Sector-focused document research: in	Medium
2761	Admin Panels	inurl:admin intext:"wordpress" intitle:"login"	Finds wordpress login pages under /admin	Identify CMS admin backend by platfor	Medium
2762	Database Files	filetype:sql intext:"orders"	Finds SQL dumps referencing "orders" table	Identify exposed data tables	High
2763	Backup Files	site:example3.edu filetype:old	Finds .old backup files on example3.edu	Locate backup artifacts on a target dor	High
2764	Sensitive Information Exposure	intext:"token=" site:pastebin.com	Finds Pastebin posts containing "token="	Monitor public paste sites for leaked d	High
2765	Database Files	filetype:acodb intext:"create table"	Finds acodb files with table definitions	Identify exposed database schema file	High
2766	Sensitive Information Exposure	intext:"secret key" filetype:pdf	Finds PDF files containing "secret key"	Detect sensitive data in PDF reports	High
2767	File Discovery	filetype:docx intitle:"syllabus"	Finds docx files titled with "syllabus"	Research syllabus documents in docx	Low
2768	Basic Operators	link:example1.info	Finds pages that link to a domain	Backlink and reputation research	Low
2769	Backup Files	site:example2.co filetype:gz	Finds .gz backup files on example2.co	Locate backup artifacts on a target dor	High
2770	Sensitive Information Exposure	intext:"jdbc:mysql" filetype:xls	Finds Excel files containing "jdbc:mysql"	Detect sensitive data in spreadsheets	High
2771	Open Directories	intitle:"index of" "backup"	Finds open directories listing .backup files	Discover exposed .backup files via dire	Medium
2772	Login Pages	inurl:adminpanel intitle:"intranet login"	Finds intranet login pages under /adminpanel paths	Locate authentication portals for testin	Medium
2773	Backup Files	site:example2.org filetype:tar	Finds .tar backup files on example2.org	Locate backup artifacts on a target dor	High
2774	Basic Operators	cache:example1.gov	Shows Google's cached version of a page	View archived version of a page	Low
2775	Sensitive Information Exposure	intext:"ssh private key" filetype:txt	Finds text files containing "ssh private key"	Detect accidental exposure of sensitive	High
2776	Config Files	site:example1.co filetype:env	Finds .env configuration files on example1.co	Locate configuration exposure on a tar	High
2777	Cloud Storage	site:firebaseio.com inurl:folder	Finds Firebase shared folder links	Discover exposed shared folders	Medium
2778	Email & Contact Discovery	filetype:csv intext:"distribution list"	Finds CSV files labeled "distribution list"	Detect exposed bulk email lists	High
2779	API Keys & Credentials	intext:"aws_secret_access_key" filetype:yml	Finds YAML files exposing aws_secret_access_key	Detect leaked credentials in YAML con	High
2780	Sensitive Information Exposure	intext:"license key" filetype:log	Finds log files containing "license key"	Detect sensitive data leaked in logs	High
2781	Error Messages	intext:"fatal error" filetype:asp	Finds asp pages showing "fatal error"	Locate app errors indicating misconfigi	Medium
2782	Cloud Storage	site:dropbox.com filetype:csv	Finds .csv files shared via Dropbox	Locate csv files publicly shared on Dro	Medium
2783	Error Messages	intext:"fatal error"	Finds pages displaying: fatal error	Identify misconfigured or vulnerable ap	Medium
2784	Sensitive Information Exposure	intext:"smtp password" filetype:txt	Finds text files containing "smtp password"	Detect accidental exposure of sensitive	High
2785	Cloud Storage	site:notion.site inurl:folder	Finds Notion shared folder links	Discover exposed shared folders	Medium
2786	Open Directories	intitle:"index of ftp"	Finds open directory listing: index of ftp	Discover exposed file listings on web s	Medium
2787	API Keys & Credentials	intext:"docker_password" filetype:yml	Finds YAML files exposing docker_password	Detect leaked credentials in YAML con	High
2788	Basic Operators	intext:"case study"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
2789	Login Pages	inurl:manager intitle:"account login"	Finds account login pages under /manager paths	Locate authentication portals for testin	Medium
2790	Login Pages	inurl:administrator intitle:"staff login"	Finds staff login pages under /administrator paths	Locate authentication portals for testin	Medium
2791	Error Messages	intext:"access denied for user" filetype:jsp	Finds jsp pages showing "access denied for user"	Locate app errors indicating misconfigi	Medium
2792	Sensitive Information Exposure	intext:"tax id" filetype:log	Finds log files containing "tax id"	Detect sensitive data leaked in logs	High
2793	Admin Panels	intitle:"admin panel" inurl:wp-admin	Finds pages titled admin panel under /wp-admin	Locate CMS/admin backend interfaces	Medium
2794	Login Pages	inurl:admin2 intitle:"login"	Finds login pages under /admin2 paths	Locate authentication portals for testin	Medium
2795	Login Pages	inurl:phpmyadmin intitle:"account login"	Finds account login pages under /phpmyadmin path	Locate authentication portals for testin	Medium
2796	Admin Panels	intitle:"admin panel" inurl:admin/login.php	Finds pages titled admin panel under /admin/login.p	Locate CMS/admin backend interfaces	Medium
2797	Basic Operators	link:example2.org	Finds pages that link to a domain	Backlink and reputation research	Low
2798	Cloud Storage	site:drive.google.com filetype:pdf "internal use only"	Finds internal-use PDFs on Google Drive	Detect accidental public sharing of inte	High
2799	File Discovery	filetype:docx intitle:"case study"	Finds docx files titled with "case study"	Research case study documents in do	Low
2800	File Discovery	filetype:docx site:.io	Finds docx files hosted on .io domains	Sector-specific document discovery on	Low
2801	Open Directories	intitle:"index of" "sqlite"	Finds open directories listing .sqlite files	Discover exposed .sqlite files via direc	Medium
2802	Login Pages	inurl:phpmyadmin intitle:"admin login"	Finds admin login pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
2803	Backup Files	site:example2.co filetype:7z	Finds .7z backup files on example2.co	Locate backup artifacts on a target dor	High
2804	API Keys & Credentials	intext:"consumer_secret" filetype:env	Finds .env files exposing consumer_secret	Detect leaked API credentials	High
2805	Sensitive Information Exposure	intext:"oauth token" filetype:log	Finds log files containing "oauth token"	Detect sensitive data leaked in logs	High
2806	Open Directories	intitle:"index of" "private" -inurl:htm -inurl:html	Finds directory listings related to private	Locate exposed folders excluding norm	Medium

2807	Basic Operators	intext:"annual report"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
2808	API Keys & Credentials	intext:"consumer_secret" site:github.com	Finds GitHub repos exposing consumer_secret	Detect accidental credential commits	High
2809	File Discovery	filetype:ods site:.co	Finds ods files hosted on .co domains	Sector-specific document discovery on	Low
2810	File Discovery	filetype:xlsx site:.net	Finds xlsx files hosted on .net domains	Sector-specific document discovery on	Low
2811	Login Pages	inurl:wp-login.php intitle:"customer login"	Finds customer login pages under /wp-login.php pat	Locate authentication portals for testin	Medium
2812	File Discovery	filetype:pdf site:.net	Finds pdf files hosted on .net domains	Sector-specific document discovery on	Low
2813	Admin Panels	inurl:cpanel intext:"prestashop" intitle:"login"	Finds prestashop login pages under /cpanel	Identify CMS admin backend by platfor	Medium
2814	Config Files	site:example1.edu filetype:ini	Finds .ini configuration files on example1.edu	Locate configuration exposure on a tar	High
2815	File Discovery	filetype:ods intext:"retail" intitle:"confidential"	Finds ods files marked confidential in retail sector	Sector-focused document research: re	Medium
2816	OSINT Queries	site:linkedin.com "resume" OR "cv"	Finds resumes/CVs shared on LinkedIn	Research professional background info	Low
2817	File Discovery	filetype:doc intitle:"proposal"	Finds doc files titled with "proposal"	Research proposal documents in doc f	Low
2818	Database Files	filetype:sql intext:"messages"	Finds sql dumps referencing "messages" data	Identify exposed messages records	High
2819	Login Pages	inurl:administrator intitle:"webmail login"	Finds webmail login pages under /administrator path	Locate authentication portals for testin	Medium
2820	Database Files	filetype:acddb intext:"products"	Finds accdb dumps referencing "products" data	Identify exposed products records	High
2821	Login Pages	inurl:admin_area intitle:"sign in"	Finds sign in pages under /admin_area paths	Locate authentication portals for testin	Medium
2822	OSINT Queries	site:github.com intext:"phone number"	Finds GitHub pages listing phone numbers	Locate publicly shared contact number	Medium
2823	Basic Operators	link:example2.co	Finds pages that link to a domain	Backlink and reputation research	Low
2824	OSINT Queries	site:tiktok.com intext:"phone number"	Finds TikTok pages listing phone numbers	Locate publicly shared contact number	Medium
2825	Error Messages	intext:"fatal error: uncaught exception" filetype:php	Finds php pages showing "fatal error: uncaught exce	Locate app errors indicating misconfigi	Medium
2826	Basic Operators	allintitle:whitepaper	Finds pages where all words appear in title	Narrow title-based search	Low
2827	File Discovery	filetype:pptx intitle:"case study"	Finds pptx files titled with "case study"	Research case study documents in ppt	Low
2828	Database Files	filetype:sql "password"	Finds sql files referencing passwords	Detect credential exposure in database	High
2829	File Discovery	filetype:odt intitle:"dissertation"	Finds odt files titled with "dissertation"	Research dissertation documents in oc	Low
2830	File Discovery	filetype:rtf intext:"technology" intitle:"confidential"	Finds rtf files marked confidential in technology sect	Sector-focused document research: te	Medium
2831	Sensitive Information Exposure	intext:"ftp password" filetype:doc	Finds Word documents containing "ftp password"	Detect sensitive data in shared docum	High
2832	OSINT Queries	site:keybase.io "resume" OR "cv"	Finds resumes/CVs shared on Keybase	Research professional background info	Low
2833	Basic Operators	related:example3.net	Finds sites related to a given domain	Discover similar or competitor sites	Low
2834	File Discovery	filetype:csv intext:"government" intitle:"confidential"	Finds csv files marked confidential in government se	Sector-focused document research: gc	Medium
2835	File Discovery	filetype:odt intitle:"technical specification"	Finds odt files titled with "technical specification"	Research technical specification docur	Low
2836	Backup Files	site:example1.gov filetype:tar	Finds .tar backup files on example1.gov	Locate backup artifacts on a target dor	High
2837	Config Files	site:example2.com filetype:yml	Finds .yml configuration files on example2.com	Locate configuration exposure on a tar	High
2838	Logs & Debug Files	site:example2.info filetype:log	Finds .log files on example2.info	Locate exposed log files on a target dc	Medium
2839	Basic Operators	intitle:whitepaper	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2840	File Discovery	filetype:ods intext:"nonprofit" intitle:"confidential"	Finds ods files marked confidential in nonprofit sect	Sector-focused document research: nc	Medium
2841	API Keys & Credentials	intext:"encryption_key" filetype:json	Finds JSON files exposing encryption_key	Detect leaked credentials in config files	High
2842	File Discovery	filetype:rtf intext:"energy" intitle:"confidential"	Finds rtf files marked confidential in energy sector	Sector-focused document research: er	Medium
2843	Backup Files	inurl:backup filetype:tar.gz	Finds backup URLs serving .tar.gz files	Locate backup files via URL pattern	High
2844	Open Directories	intitle:"index of" "xls"	Finds open directories listing .xls files	Discover exposed .xls files via director	Medium
2845	Login Pages	inurl:admin2 intitle:"intranet login"	Finds intranet login pages under /admin2 paths	Locate authentication portals for testin	Medium
2846	API Keys & Credentials	intext:"apikey" filetype:log	Finds log files exposing apikey	Detect leaked credentials in log output	High
2847	File Discovery	filetype:txt intitle:"manual"	Finds txt files titled with "manual"	Research manual documents in txt forr	Low
2848	Sensitive Information Exposure	intext:"client_secret" filetype:log	Finds log files containing "client_secret"	Detect sensitive data leaked in logs	High
2849	Basic Operators	site:example2.co	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
2850	Basic Operators	allintitle:case study	Finds pages where all words appear in title	Narrow title-based search	Low
2851	Error Messages	intext:"sql syntax error" filetype:asp	Finds asp pages showing "sql syntax error"	Locate app errors indicating misconfigi	Medium
2852	Config Files	site:example2.org filetype:ini	Finds .ini configuration files on example2.org	Locate configuration exposure on a tar	High
2853	Admin Panels	inurl:admin1 intext:"sitecore" intitle:"login"	Finds sitecore login pages under /admin1	Identify CMS admin backend by platfor	Medium
2854	Advanced Search Operators	site:example1.net intext:"whitepaper" filetype:docx	Triple filter: domain, content, filetype	Highly targeted document search	Low
2855	Basic Operators	allinurl:dissertation	Finds pages where all words appear in URL	Narrow URL-based search	Low
2856	Login Pages	inurl:wp-admin intitle:"webmail login"	Finds webmail login pages under /wp-admin paths	Locate authentication portals for testin	Medium
2857	Logs & Debug Files	site:example3.org filetype:log	Finds .log files on example3.org	Locate exposed log files on a target dc	Medium
2858	Email & Contact Discovery	site:example2.edu intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
2859	Login Pages	inurl:admin intitle:"system login"	Finds system login pages under /admin paths	Locate authentication portals for testin	Medium
2860	Admin Panels	inurl:admin_area intext:"sitecore" intitle:"login"	Finds sitecore login pages under /admin_area	Identify CMS admin backend by platfor	Medium
2861	Backup Files	site:example1.net filetype:gz	Finds .gz backup files on example1.net	Locate backup artifacts on a target dor	High
2862	Login Pages	inurl:wp-admin intitle:"log in"	Finds log in pages under /wp-admin paths	Locate authentication portals for testin	Medium
2863	Sensitive Information Exposure	intext:"secret key" filetype:txt	Finds text files containing "secret key"	Detect accidental exposure of sensitive	High
2864	Login Pages	inurl:admin2 intitle:"sign in"	Finds sign in pages under /admin2 paths	Locate authentication portals for testin	Medium
2865	Sensitive Information Exposure	intext:"serial number" filetype:xls	Finds Excel files containing "serial number"	Detect sensitive data in spreadsheets	High
2866	Error Messages	intext:"stack trace" filetype:aspx	Finds aspx pages showing "stack trace"	Locate app errors indicating misconfigi	Medium
2867	Login Pages	intitle:"member login" inurl:secure	Finds secure member login pages	Identify secure authentication endpoint	Medium
2868	Cloud Storage	site:blob.core.windows.net filetype:docx	Finds .docx files shared via Azure Blob Storage	Locate docx files publicly shared on Az	Medium
2869	Login Pages	site:example1.io inurl:wp-login.php	Finds wordpress login page on example1.io	Locate wordpress-specific login endpo	Medium
2870	File Discovery	filetype:docx intitle:"budget"	Finds docx files titled with "budget"	Research budget documents in docx f	Low
2871	File Discovery	filetype:xlsx intitle:"research"	Finds xlsx files titled with "research"	Research research documents in xlsx	Low
2872	Cloud Storage	site:mega.nz filetype:csv	Finds .csv files shared via Mega	Locate csv files publicly shared on Me	Medium
2873	File Discovery	filetype:txt intitle:"technical specification"	Finds txt files titled with "technical specification"	Research technical specification docur	Low
2874	File Discovery	filetype:doc intitle:"syllabus"	Finds doc files titled with "syllabus"	Research syllabus documents in doc f	Low
2875	API Keys & Credentials	intext:"encryption_key" filetype:log	Finds log files exposing encryption_key	Detect leaked credentials in log output	High
2876	Error Messages	intext:"asp.net error"	Finds pages displaying: asp.net error	Identify misconfigured or vulnerable ap	Medium
2877	File Discovery	filetype:odt intext:"military" intitle:"confidential"	Finds odt files marked confidential in military sector	Sector-focused document research: mi	Medium
2878	Database Files	filetype:db intext:"invoices"	Finds db dumps referencing "invoices" data	Identify exposed invoices records	High
2879	Basic Operators	filetype:php	Finds files of a specific type across the web	Locate specific document formats	Low
2880	File Discovery	filetype:xlsx intext:"insurance" intitle:"confidential"	Finds xlsx files marked confidential in insurance sec	Sector-focused document research: in	Medium
2881	API Keys & Credentials	intext:"sendgrid_api_key" site:gitlab.com	Finds GitLab repos exposing sendgrid_api_key	Detect accidental credential commits o	High
2882	Admin Panels	inurl:admincp intext:"drupal" intitle:"login"	Finds drupal login pages under /admincp	Identify CMS admin backend by platfor	Medium
2883	Error Messages	intext:"supplied argument is not a valid" filetype:aspx	Finds aspx pages showing "supplied argument is no	Locate app errors indicating misconfigi	Medium
2884	Backup Files	site:example2.net filetype:rar	Finds .rar backup files on example2.net	Locate backup artifacts on a target dor	High

2885	File Discovery	filetype:txt intext:"nonprofit" intitle:"confidential"	Finds txt files marked confidential in nonprofit sector	Sector-focused document research: nc	Medium
2886	Config Files	site:example3.com filetype:yml	Finds .yml configuration files on example3.com	Locate configuration exposure on a tar	High
2887	File Discovery	filetype:doc site:.info	Finds doc files hosted on .info domains	Sector-specific document discovery on	Low
2888	Error Messages	intext:"error on line" filetype:php	Finds php pages showing "error on line"	Locate app errors indicating misconfigi	Medium
2889	OSINT Queries	site:keybase.io intext:"phone number"	Finds Keybase pages listing phone numbers	Locate publicly shared contact number	Medium
2890	Login Pages	inurl:cpanel intitle:"secure login"	Finds secure login pages under /cpanel paths	Locate authentication portals for testin	Medium
2891	Advanced Search Operators	site:example2.net inurl:proposal	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
2892	Sensitive Information Exposure	intext:"routing number" filetype:log	Finds log files containing "routing number"	Detect sensitive data leaked in logs	High
2893	File Discovery	filetype:txt intitle:"case study"	Finds txt files titled with "case study"	Research case study documents in txt	Low
2894	Config Files	site:example1.org filetype:xml	Finds .xml configuration files on example1.org	Locate configuration exposure on a tar	High
2895	Email & Contact Discovery	site:example2.edu filetype:vcf	Finds vCard contact files	Identify exposed contact card files	Medium
2896	Login Pages	inurl:admincp intitle:"member login"	Finds member login pages under /admincp paths	Locate authentication portals for testin	Medium
2897	File Discovery	filetype:pptx intext:"insurance" intitle:"confidential"	Finds pptx files marked confidential in insurance sec	Sector-focused document research: in	Medium
2898	Advanced Search Operators	contract OR "agreement" site:example2.co	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
2899	File Discovery	filetype:pdf intitle:"user manual"	Finds pdf files titled with "user manual"	Research user manual documents in p	Low
2900	Sensitive Information Exposure	intext:"passwd" filetype:xls	Finds Excel files containing "passwd"	Detect sensitive data in spreadsheets	High
2901	Admin Panels	inurl:administrator intext:"typo3" intitle:"login"	Finds typo3 login pages under /administrator	Identify CMS admin backend by platfor	Medium
2902	Admin Panels	intitle:"admin panel" inurl:adminpanel	Finds pages titled admin panel under /adminpanel	Locate CMS/admin backend interfaces	Medium
2903	Basic Operators	intitle:research	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2904	Advanced Search Operators	resume OR "cv" site:example2.edu	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
2905	Backup Files	site:example2.info filetype:backup	Finds .backup backup files on example2.info	Locate backup artifacts on a target dor	High
2906	Admin Panels	inurl:administrator intext:"username" intext:"password"	Finds admin panels under /administrator with login fi	Identify exposed administrative interfac	Medium
2907	Error Messages	intext:"asp.net error" filetype:asp	Finds asp pages showing "asp.net error"	Locate app errors indicating misconfigi	Medium
2908	API Keys & Credentials	intext:"private_key" filetype:yml	Finds YAML files exposing private_key	Detect leaked credentials in YAML con	High
2909	Login Pages	site:example1.net inurl:admin	Finds magento login page on example1.net	Locate magento-specific login endpoin	Medium
2910	File Discovery	filetype:txt intitle:"guide"	Finds txt files titled with "guide"	Research guide documents in txt form	Low
2911	Cloud Storage	site:gitlab.com filetype:pdf "internal use only"	Finds internal-use PDFs on GitLab	Detect accidental public sharing of in	Low
2912	Login Pages	inurl:admin2 intitle:"system login"	Finds system login pages under /admin2 paths	Locate authentication portals for testin	Medium
2913	Login Pages	inurl:administrator intitle:"portal login"	Finds portal login pages under /administrator paths	Locate authentication portals for testin	Medium
2914	Sensitive Information Exposure	intext:"access_token" site:pastebin.com	Finds Pastebin posts containing "access_token"	Monitor public paste sites for leaked d	High
2915	Database Files	filetype:db intext:"messages"	Finds db dumps referencing "messages" data	Identify exposed messages records	High
2916	Login Pages	inurl:phpmyadmin intitle:"log in"	Finds log in pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
2917	Login Pages	inurl:admincp intitle:"intranet login"	Finds intranet login pages under /admincp paths	Locate authentication portals for testin	Medium
2918	Sensitive Information Exposure	intext:"aws_access_key_id" site:pastebin.com	Finds Pastebin posts containing "aws_access_key_	Monitor public paste sites for leaked d	High
2919	File Discovery	filetype:xls intext:"finance" intitle:"confidential"	Finds xls files marked confidential in finance sector	Sector-focused document research: fin	Medium
2920	Sensitive Information Exposure	intext:"api_key" filetype:xls	Finds Excel files containing "api_key"	Detect sensitive data in spreadsheets	High
2921	Login Pages	site:example2.org inurl:user/login	Finds drupal login page on example2.org	Locate drupal-specific login endpoint	Medium
2922	API Keys & Credentials	intext:"azure_client_secret" filetype:xml	Finds XML files exposing azure_client_secret	Detect leaked credentials in XML confi	High
2923	API Keys & Credentials	intext:"mailgun_api_key" site:pastebin.com	Finds pastes exposing mailgun_api_key	Monitor for leaked credentials online	High
2924	Advanced Search Operators	inurl:manual filetype:xlsx	Combines URL keyword and filetype filters	Find files under specific URL paths	Low
2925	Admin Panels	inurl:adminpanel intext:"prestashop" intitle:"login"	Finds prestashop login pages under /adminpanel	Identify CMS admin backend by platfor	Medium
2926	Basic Operators	link:example2.io	Finds pages that link to a domain	Backlink and reputation research	Low
2927	Sensitive Information Exposure	intext:"backup password" filetype:xls	Finds Excel files containing "backup password"	Detect sensitive data in spreadsheets	High
2928	Sensitive Information Exposure	intext:"phone numbers" filetype:pdf	Finds PDF files containing "phone numbers"	Detect sensitive data in PDF reports	High
2929	Login Pages	inurl:admincp intitle:"admin login"	Finds admin login pages under /admincp paths	Locate authentication portals for testin	Medium
2930	Sensitive Information Exposure	intext:"aws_secret_access_key" filetype:xls	Finds Excel files containing "aws_secret_access_ke	Detect sensitive data in spreadsheets	High
2931	File Discovery	filetype:ppt intitle:"report"	Finds ppt files titled with "report"	Research report documents in ppt form	Low
2932	API Keys & Credentials	intext:"access_token" site:pastebin.com	Finds pastes exposing access_token	Monitor for leaked credentials online	High
2933	Login Pages	inurl:admincp intitle:"customer login"	Finds customer login pages under /admincp paths	Locate authentication portals for testin	Medium
2934	Database Files	filetype:sqLite intext:"reservations"	Finds sqLite dumps referencing "reservations" data	Identify exposed reservations records	High
2935	Advanced Search Operators	site:example1.info inurl:budget	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
2936	Sensitive Information Exposure	intext:"backup password" filetype:pdf	Finds PDF files containing "backup password"	Detect sensitive data in PDF reports	High
2937	Advanced Search Operators	site:example2.org inurl:meeting minutes	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
2938	Open Directories	intitle:"index of /archive"	Finds open directory listing: index of /archive	Discover exposed file listings on web s	Medium
2939	Advanced Search Operators	intitle:"survey" filetype:pdf	Combines title keyword and filetype filters	Find titled documents of a type	Low
2940	Email & Contact Discovery	site:example2.co intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
2941	Basic Operators	allintext:"dissertation"	Finds pages where all words appear in text	Narrow content-based search	Low
2942	File Discovery	filetype:doc site:.io	Finds doc files hosted on .io domains	Sector-specific document discovery on	Low
2943	File Discovery	filetype:xlsx intext:"hospitality" intitle:"confidential"	Finds xlsx files marked confidential in hospitality sec	Sector-focused document research: hc	Medium
2944	Email & Contact Discovery	site:example1.info intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
2945	Admin Panels	inurl:admin_login intext:"username" intext:"password"	Finds admin panels under /admin_login with login fi	Identify exposed administrative interfac	Medium
2946	Sensitive Information Exposure	intext:"id_rsa" filetype:pdf	Finds PDF files containing "id_rsa"	Detect sensitive data in PDF reports	High
2947	Basic Operators	allinurl:survey	Finds pages where all words appear in URL	Narrow URL-based search	Low
2948	Basic Operators	allintext:"press release"	Finds pages where all words appear in text	Narrow content-based search	Low
2949	Sensitive Information Exposure	intext:"access_token" filetype:txt	Finds text files containing "access_token"	Detect accidental exposure of sensitive	High
2950	Advanced Search Operators	site:example2.com filetype:csv	Combines domain and filetype filters	Find specific file types on a target site	Low
2951	File Discovery	filetype:txt intext:"insurance" intitle:"confidential"	Finds txt files marked confidential in insurance sect	Sector-focused document research: in	Medium
2952	Sensitive Information Exposure	intext:"email list" filetype:xls	Finds Excel files containing "email list"	Detect sensitive data in spreadsheets	High
2953	Basic Operators	allintext:"training"	Finds pages where all words appear in text	Narrow content-based search	Low
2954	Login Pages	inurl:admin1 intitle:"user login"	Finds user login pages under /admin1 paths	Locate authentication portals for testin	Medium
2955	Error Messages	intext:"exception in thread" filetype:jsp	Finds jsp pages showing "exception in thread"	Locate app errors indicating misconfigi	Medium
2956	Open Directories	intitle:"index of /invoices"	Finds open directory listing: index of /invoices	Discover exposed file listings on web s	Medium
2957	File Discovery	filetype:pdf site:.edu	Finds pdf files hosted on .edu domains	Sector-specific document discovery on	Low
2958	Config Files	filetype:ini intext:"password"	Finds .ini config files referencing passwords	Detect credentials in configuration files	High
2959	Backup Files	site:example3.net filetype:tar	Finds .tar backup files on example3.net	Locate backup artifacts on a target dor	High
2960	API Keys & Credentials	intext:"jwt_secret" filetype:yml	Finds YAML files exposing jwt_secret	Detect leaked credentials in YAML con	High
2961	File Discovery	filetype:odt intext:"manufacturing" intitle:"confidential"	Finds odt files marked confidential in manufacturing	Sector-focused document research: m	Medium
2962	Backup Files	site:example1.info filetype:backup	Finds .backup backup files on example1.info	Locate backup artifacts on a target dor	High

2963	API Keys & Credentials	intext:"heroku_api_key" site:github.com	Finds GitHub repos exposing heroku_api_key	Detect accidental credential commits	High
2964	Error Messages	intext:"error on line" filetype:asp	Finds asp pages showing "error on line"	Locate app errors indicating misconfig	Medium
2965	Backup Files	filetype:zip "config backup"	Finds "config backup" files of type .zip	Identify categorized backup file exposu	High
2966	Login Pages	inurl:admin1 intitle:"system login"	Finds system login pages under /admin1 paths	Locate authentication portals for testin	Medium
2967	Cloud Storage	site:sharepoint.com filetype:xlsx	Finds Excel files shared via SharePoint	Locate spreadsheets shared publicly	Medium
2968	Basic Operators	site:example2.com	Restricts results to a specific domain	Scope reconnaissance to a target dom	Low
2969	Bug Bounty / Security Testing	inurl:/.git/config	Finds exposed .git configuration files	Identify leaked source control metadata	Low
2970	File Discovery	filetype:ppt site:.edu	Finds ppt files hosted on .edu domains	Sector-specific document discovery on	Low
2971	Basic Operators	allintext:"conference"	Finds pages where all words appear in text	Narrow content-based search	Low
2972	API Keys & Credentials	intext:"apikey" filetype:env	Finds .env files exposing apikey	Detect leaked API credentials	High
2973	Login Pages	inurl:admin_area intitle:"member login"	Finds member login pages under /admin_area paths	Locate authentication portals for testin	Medium
2974	Logs & Debug Files	filetype:logs intext:"error"	Finds .logs files containing errors	Identify exposed application logs	Medium
2975	Config Files	inurl:config filetype:conf	Finds configuration files via URL pattern (.conf)	Locate exposed app configuration files	High
2976	API Keys & Credentials	intext:"aws_secret_access_key" site:github.com	Finds GitHub repos exposing aws_secret_access_k	Detect accidental credential commits	High
2977	File Discovery	filetype:pptx site:.net	Finds pptx files hosted on .net domains	Sector-specific document discovery on	Low
2978	Login Pages	inurl:wp-admin intitle:"customer login"	Finds customer login pages under /wp-admin paths	Locate authentication portals for testin	Medium
2979	Advanced Search Operators	site:example1.co intext:"presentation" filetype:pptx	Triple filter: domain, content, filetype	Highly targeted document search	Low
2980	Basic Operators	intitle:conference	Finds pages with keyword in the title	Identify pages focused on a topic	Low
2981	File Discovery	filetype:txt intext:"healthcare" intitle:"confidential"	Finds txt files marked confidential in healthcare sect	Sector-focused document research: he	Medium
2982	API Keys & Credentials	intext:"firebase_apikey" filetype:yaml	Finds YAML files exposing firebase_apikey	Detect leaked credentials in YAML con	High
2983	Basic Operators	allinurl:thesis	Finds pages where all words appear in URL	Narrow URL-based search	Low
2984	File Discovery	filetype:pdf intitle:"proposal"	Finds pdf files titled with "proposal"	Research proposal documents in pdf fr	Low
2985	File Discovery	filetype:rtf intext:"legal" intitle:"confidential"	Finds rtf files marked confidential in legal sector	Sector-focused document research: le	Medium
2986	Backup Files	inurl:backup filetype:orig	Finds backup URLs serving .orig files	Locate backup files via URL pattern	High
2987	Advanced Search Operators	budget -site:example1.info	Excludes a domain from keyword search results	Filter out irrelevant or known sources	Low
2988	Login Pages	inurl:admincp intitle:"webmail login"	Finds webmail login pages under /admincp paths	Locate authentication portals for testin	Medium
2989	Admin Panels	inurl:manager intext:"username" intext:"password"	Finds admin panels under /manager with login fields	Identify exposed administrative interfac	Medium
2990	Config Files	site:example2.gov filetype:env	Finds .env configuration files on example2.gov	Locate configuration exposure on a tar	High
2991	Open Directories	intitle:"index of /music"	Finds open directory listing: index of /music	Discover exposed file listings on web s	Medium
2992	Email & Contact Discovery	site:example1.gov intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
2993	File Discovery	filetype:rtf intitle:"policy"	Finds rtf files titled with "policy"	Research policy documents in rtf form	Low
2994	Backup Files	filetype:tar "daily backup"	Finds "daily backup" files of type .tar	Identify categorized backup file exposu	High
2995	Cloud Storage	site:box.com filetype:csv	Finds .csv files shared via Box	Locate csv files publicly shared on Box	Medium
2996	Config Files	site:example2.net filetype:ini	Finds .ini configuration files on example2.net	Locate configuration exposure on a tar	High
2997	Open Directories	intitle:"index of" "employees" -inurl:html -inurl:html	Finds directory listings related to employees	Locate exposed folders excluding norm	Medium
2998	Login Pages	inurl:manager intitle:"admin login"	Finds admin login pages under /manager paths	Locate authentication portals for testin	Medium
2999	File Discovery	filetype:docx intitle:"annual report"	Finds docx files titled with "annual report"	Research annual report documents in	Low
3000	Sensitive Information Exposure	intext:"master password" filetype:txt	Finds text files containing "master password"	Detect accidental exposure of sensitive	High
3001	Config Files	site:example1.gov filetype:env	Finds .env configuration files on example1.gov	Locate configuration exposure on a tar	High
3002	API Keys & Credentials	intext:"api_secret" site:pastebin.com	Finds pastes exposing api_secret	Monitor for leaked credentials online	High
3003	Advanced Search Operators	site:example1.info filetype:txt	Combines domain and filetype filters	Find specific file types on a target site	Low
3004	File Discovery	filetype:pdf intitle:"survey"	Finds pdf files titled with "survey"	Research survey documents in pdf for	Low
3005	API Keys & Credentials	intext:"private_key" site:gitlab.com	Finds GitLab repos exposing private_key	Detect accidental credential commits o	High
3006	API Keys & Credentials	intext:"sendgrid_api_key" filetype:xml	Finds XML files exposing sendgrid_api_key	Detect leaked credentials in XML confi	High
3007	Database Files	filetype:mdb intext:"inventory"	Finds mdb dumps referencing "inventory" data	Identify exposed inventory records	High
3008	Basic Operators	allintext:"manual"	Finds pages where all words appear in text	Narrow content-based search	Low
3009	Login Pages	site:example1.org inurl:users/sign_in	Finds rails login page on example1.org	Locate rails-specific login endpoint	Medium
3010	Admin Panels	inurl:moderator intext:"username" intext:"password"	Finds admin panels under /moderator with login fields	Identify exposed administrative interfac	Medium
3011	API Keys & Credentials	intext:"consumer_key" filetype:json	Finds JSON files exposing consumer_key	Detect leaked credentials in config files	High
3012	API Keys & Credentials	intext:"npm_token" filetype:env	Finds .env files exposing npm_token	Detect leaked API credentials	High
3013	OSINT Queries	site:facebook.com intitle:"profile"	Finds Facebook profile pages	Locate public profiles for background r	Low
3014	Database Files	inurl:db filetype:db	Finds files with db in URL and filetype	Locate database files via naming patte	High
3015	API Keys & Credentials	intext:"npm_token" filetype:yaml	Finds YAML files exposing npm_token	Detect leaked credentials in YAML con	High
3016	File Discovery	filetype:pdf intitle:"presentation"	Finds pdf files titled with "presentation"	Research presentation documents in p	Low
3017	Advanced Search Operators	site:example2.net intext:"proposal" filetype:odt	Triple filter: domain, content, filetype	Highly targeted document search	Low
3018	Open Directories	intitle:"index of /contracts"	Finds open directory listing: index of /contracts	Discover exposed file listings on web s	Medium
3019	API Keys & Credentials	intext:"secret_key" filetype:json	Finds JSON files exposing secret_key	Detect leaked credentials in config files	High
3020	Admin Panels	intitle:"admin panel" inurl:/cms/admin	Finds pages titled admin panel under /cms/admin	Locate CMS/admin backend interfaces	Medium
3021	Login Pages	inurl:admin_area intitle:"secure login"	Finds secure login pages under /admin_area paths	Locate authentication portals for testin	Medium
3022	Admin Panels	inurl:/cms/admin intext:"username" intext:"password"	Finds admin panels under /cms/admin with login fields	Identify exposed administrative interfac	Medium
3023	Sensitive Information Exposure	intext:"database dump" filetype:xls	Finds Excel files containing "database dump"	Detect sensitive data in spreadsheets	High
3024	Sensitive Information Exposure	intext:"db_password" filetype:pdf	Finds PDF files containing "db_password"	Detect sensitive data in PDF reports	High
3025	Config Files	site:example1.org filetype:config	Finds .config configuration files on example1.org	Locate configuration exposure on a tar	High
3026	File Discovery	filetype:txt intitle:"proposal"	Finds txt files titled with "proposal"	Research proposal documents in txt fo	Low
3027	Config Files	site:example3.net filetype:env	Finds .env configuration files on example3.net	Locate configuration exposure on a tar	High
3028	Login Pages	inurl:admin2 intitle:"member login"	Finds member login pages under /admin2 paths	Locate authentication portals for testin	Medium
3029	Config Files	filetype:conf intext:"db_password" OR intext:"database_p	Finds .conf files with database password fields	Identify exposed database configuratio	High
3030	Database Files	filetype:db intext:"tickets"	Finds db dumps referencing "tickets" data	Identify exposed tickets records	High
3031	Error Messages	intext:"warning: mysql" filetype:jsp	Finds jsp pages showing "warning: mysql"	Locate app errors indicating misconfig	Medium
3032	Login Pages	inurl:/dashboard intitle:"customer login"	Finds customer login pages under /dashboard paths	Locate authentication portals for testin	Medium
3033	File Discovery	filetype:doc intext:"finance" intitle:"confidential"	Finds doc files marked confidential in finance sector	Sector-focused document research: fin	Medium
3034	Config Files	site:example2.co filetype:ini	Finds .ini configuration files on example2.co	Locate configuration exposure on a tar	High
3035	Sensitive Information Exposure	intext:"id_rsa" filetype:txt	Finds text files containing "id_rsa"	Detect accidental exposure of sensitive	High
3036	Basic Operators	cache:example3.edu	Shows Google's cached version of a page	View archived version of a page	Low
3037	Advanced Search Operators	site:example1.io inurl:guide	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
3038	Login Pages	inurl:admin2 intitle:"staff login"	Finds staff login pages under /admin2 paths	Locate authentication portals for testin	Medium
3039	Advanced Search Operators	site:example1.com filetype:pdf	Combines domain and filetype filters	Find specific file types on a target site	Low
3040	Admin Panels	inurl:/administrator intext:"umbraco" intitle:"login"	Finds umbraco login pages under /administrator	Identify CMS admin backend by platfor	Medium

3041	Backup Files	site:example2.io filetype:bak	Finds .bak backup files on example2.io	Locate backup artifacts on a target domain	High
3042	Advanced Search Operators	contract OR "agreement" site:example1.gov	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
3043	Basic Operators	filetype:rtf	Finds files of a specific type across the web	Locate specific document formats	Low
3044	Cloud Storage	site:trello.com filetype:pdf	Finds .pdf files shared via Trello	Locate pdf files publicly shared on Trello	Medium
3045	Sensitive Information Exposure	intext:"sql dump" filetype:pdf	Finds PDF files containing "sql dump"	Detect sensitive data in PDF reports	High
3046	Login Pages	inurl:adminer intitle:"staff login"	Finds staff login pages under /adminer paths	Locate authentication portals for testing	Medium
3047	File Discovery	filetype:odt intext:"healthcare" intitle:"confidential"	Finds odt files marked confidential in healthcare sector	Sector-focused document research: healthcare	Medium
3048	Sensitive Information Exposure	intext:"sql dump" filetype:doc	Finds Word documents containing "sql dump"	Detect sensitive data in shared documents	High
3049	Basic Operators	intext:"research"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
3050	Sensitive Information Exposure	intext:"internal use only" filetype:log	Finds log files containing "internal use only"	Detect sensitive data leaked in logs	High
3051	Advanced Search Operators	site:example1.co intitle:"presentation"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
3052	Login Pages	inurl:admin_area intitle:"client login"	Finds client login pages under /admin_area paths	Locate authentication portals for testing	Medium
3053	Login Pages	inurl:cpanel intitle:"admin login"	Finds admin login pages under /cpanel paths	Locate authentication portals for testing	Medium
3054	File Discovery	filetype:ppt intitle:"manual"	Finds ppt files titled with "manual"	Research manual documents in ppt format	Low
3055	Backup Files	filetype:tar "site backup"	Finds "site backup" files of type .tar	Identify categorized backup file exposures	High
3056	File Discovery	filetype:doc intext:"technology" intitle:"confidential"	Finds doc files marked confidential in technology sector	Sector-focused document research: technology	Medium
3057	Backup Files	filetype:old intitle:"backup"	Finds backup files with .old extension	Identify exposed backup archives	High
3058	OSINT Queries	site:example1.com intext:"team members"	Finds pages listing "team members"	Map organizational personnel for research	Low
3059	Cloud Storage	site:notion.site filetype:pdf	Finds .pdf files shared via Notion	Locate pdf files publicly shared on Notion	Medium
3060	Database Files	filetype:mdb intext:"sessions"	Finds mdb dumps referencing "sessions" data	Identify exposed sessions records	High
3061	Cloud Storage	site:firebaseio.com filetype:xlsx	Finds Excel files shared via Firebase	Locate spreadsheets shared publicly	Medium
3062	Sensitive Information Exposure	intext:"secret" filetype:log	Finds log files containing "secret"	Detect sensitive data leaked in logs	High
3063	Backup Files	site:example2.info filetype:zip	Finds .zip backup files on example2.info	Locate backup artifacts on a target domain	High
3064	Login Pages	inurl:manager intitle:"login"	Finds login pages under /manager paths	Locate authentication portals for testing	Medium
3065	Backup Files	site:example1.edu filetype:rar	Finds .rar backup files on example1.edu	Locate backup artifacts on a target domain	High
3066	Config Files	site:example1.io filetype:xml	Finds .xml configuration files on example1.io	Locate configuration exposure on a target domain	High
3067	File Discovery	filetype:pptx intext:"research" intitle:"confidential"	Finds pptx files marked confidential in research sector	Sector-focused document research: research	Medium
3068	Login Pages	inurl:adminer intitle:"sign in"	Finds sign in pages under /adminer paths	Locate authentication portals for testing	Medium
3069	API Keys & Credentials	intext:"heroku_api_key" site:pastebin.com	Finds pastes exposing heroku_api_key	Monitor for leaked credentials online	High
3070	Admin Panels	inurl:administrator intext:"wordpress" intitle:"login"	Finds wordpress login pages under /administrator	Identify CMS admin backend by platform	Medium
3071	File Discovery	filetype:xlsx intext:"education" intitle:"confidential"	Finds xlsx files marked confidential in education sector	Sector-focused document research: education	Medium
3072	Login Pages	inurl:admin_area intitle:"system login"	Finds system login pages under /admin_area paths	Locate authentication portals for testing	Medium
3073	File Discovery	filetype:ppt site:.io	Finds ppt files hosted on .io domains	Sector-specific document discovery on .io	Low
3074	File Discovery	filetype:rtf intext:"education" intitle:"confidential"	Finds rtf files marked confidential in education sector	Sector-focused document research: education	Medium
3075	Admin Panels	inurl:adminsuite intext:"username" intext:"password"	Finds admin panels under /adminsuite with login fields	Identify exposed administrative interfaces	Medium
3076	API Keys & Credentials	intext:"npm_token" site:gitlab.com	Finds GitLab repos exposing npm_token	Detect accidental credential commits on GitHub	High
3077	File Discovery	filetype:pptx intitle:"thesis"	Finds pptx files titled with "thesis"	Research thesis documents in pptx format	Low
3078	File Discovery	filetype:pptx intitle:"manual"	Finds pptx files titled with "manual"	Research manual documents in pptx format	Low
3079	File Discovery	filetype:ppt intext:"military" intitle:"confidential"	Finds ppt files marked confidential in military sector	Sector-focused document research: military	Medium
3080	Advanced Search Operators	site:example2.gov inurl:survey	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
3081	Config Files	filetype:config intext:"password"	Finds .config config files referencing passwords	Detect credentials in configuration files	High
3082	Config Files	site:example1.info filetype:conf	Finds .conf configuration files on example1.info	Locate configuration exposure on a target domain	High
3083	Advanced Search Operators	site:example1.gov "manual" -inurl:agreement	Domain search excluding a URL pattern	Refine results by excluding noise	Low
3084	Cloud Storage	site:onedrive.live.com filetype:zip	Finds .zip files shared via OneDrive	Locate zip files publicly shared on OneDrive	Medium
3085	Login Pages	site:example2.org inurl:typo3/index.php	Finds typo3 login page on example2.org	Locate typo3-specific login endpoint	Medium
3086	Login Pages	inurl:phpmyadmin intitle:"portal login"	Finds portal login pages under /phpmyadmin paths	Locate authentication portals for testing	Medium
3087	Basic Operators	allintext:"security"	Finds pages where all words appear in text	Narrow content-based search	Low
3088	Login Pages	inurl:admin_area intitle:"portal login"	Finds portal login pages under /admin_area paths	Locate authentication portals for testing	Medium
3089	Error Messages	intext:"warning: require_once" filetype:aspx	Finds aspx pages showing "warning: require_once"	Locate app errors indicating misconfiguration	Medium
3090	OSINT Queries	site:youtube.com "email" "contact"	Finds YouTube profiles listing contact emails	Gather public contact info for research	Low
3091	File Discovery	filetype:xls intitle:"budget"	Finds xls files titled with "budget"	Research budget documents in xls format	Low
3092	Basic Operators	inurl:user manual	Finds pages with keyword in the URL	Locate pages by URL structure	Low
3093	Config Files	inurl:config filetype:xml	Finds configuration files via URL pattern (.xml)	Locate exposed app configuration files	High
3094	Sensitive Information Exposure	intext:"users table" filetype:log	Finds log files containing "users table"	Detect sensitive data leaked in logs	High
3095	Sensitive Information Exposure	intext:"key=" filetype:xls	Finds Excel files containing "key="	Detect sensitive data in spreadsheets	High
3096	Basic Operators	site:example1.net	Restricts results to a specific domain	Scope reconnaissance to a target domain	Low
3097	File Discovery	filetype:xlsx intext:"research" intitle:"confidential"	Finds xlsx files marked confidential in research sector	Sector-focused document research: research	Medium
3098	File Discovery	filetype:pptx intext:"technology" intitle:"confidential"	Finds pptx files marked confidential in technology sector	Sector-focused document research: technology	Medium
3099	File Discovery	filetype:xls site:.co	Finds xls files hosted on .co domains	Sector-specific document discovery on .co	Low
3100	OSINT Queries	site:example1.net intext:"team members"	Finds pages listing "team members"	Map organizational personnel for research	Low
3101	Login Pages	site:example2.com inurl:administrator/index.php	Finds Joomla login page on example2.com	Locate Joomla-specific login endpoint	Medium
3102	Cloud Storage	site:notion.site filetype:csv	Finds .csv files shared via Notion	Locate csv files publicly shared on Notion	Medium
3103	Admin Panels	inurl:administrator intext:"joomla" intitle:"login"	Finds Joomla login pages under /administrator	Identify CMS admin backend by platform	Medium
3104	Cloud Storage	site:pastebin.com filetype:zip	Finds .zip files shared via Pastebin	Locate zip files publicly shared on Pastebin	Medium
3105	API Keys & Credentials	intext:"access_token" filetype:log	Finds log files exposing access_token	Detect leaked credentials in log output	High
3106	Error Messages	intext:"django debug" filetype:php	Finds php pages showing "django debug"	Locate app errors indicating misconfiguration	Medium
3107	Admin Panels	inurl:wp-login.php intext:"shopify" intitle:"login"	Finds Shopify login pages under /wp-login.php	Identify CMS admin backend by platform	Medium
3108	File Discovery	filetype:docx intitle:"manual"	Finds docx files titled with "manual"	Research manual documents in docx format	Low
3109	Email & Contact Discovery	site:example2.co intext:"contact us" intext:"email"	Finds contact pages listing email addresses	Collect public contact information	Low
3110	Open Directories	intitle:"index of /admin"	Finds open directory listing: index of /admin	Discover exposed file listings on web servers	Medium
3111	Email & Contact Discovery	site:example1.gov intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
3112	Login Pages	inurl:manager intitle:"intranet login"	Finds intranet login pages under /manager paths	Locate authentication portals for testing	Medium
3113	Backup Files	site:example3.edu filetype:bak	Finds .bak backup files on example3.edu	Locate backup artifacts on a target domain	High
3114	Config Files	site:example1.com filetype:ini	Finds .ini configuration files on example1.com	Locate configuration exposure on a target domain	High
3115	Basic Operators	site:example2.io	Restricts results to a specific domain	Scope reconnaissance to a target domain	Low
3116	Backup Files	filetype:bak "config backup"	Finds "config backup" files of type .bak	Identify categorized backup file exposures	High
3117	File Discovery	filetype:docx site:.com	Finds docx files hosted on .com domains	Sector-specific document discovery on .com	Low
3118	Database Files	filetype:acdb "password"	Finds acdb files referencing passwords	Detect credential exposure in database files	High

3119	Error Messages	intext:"notice: undefined variable" filetype:php	Finds php pages showing "notice: undefined variable"	Locate app errors indicating misconfig	Medium
3120	Email & Contact Discovery	site:example3.net intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
3121	Cloud Storage	site:blob.core.windows.net filetype:zip	Finds .zip files shared via Azure Blob Storage	Locate zip files publicly shared on Azu	Medium
3122	API Keys & Credentials	intext:"aws_access_key_id" filetype:log	Finds log files exposing aws_access_key_id	Detect leaked credentials in log output	High
3123	Login Pages	inurl:adminer intitle:"system login"	Finds system login pages under /adminer paths	Locate authentication portals for testin	Medium
3124	Logs & Debug Files	site:example1.com filetype:log	Finds .log files on example1.com	Locate exposed log files on a target dc	Medium
3125	File Discovery	filetype:pptx intext:"military" intitle:"confidential"	Finds pptx files marked confidential in military sector	Sector-focused document research: mi	Medium
3126	Database Files	filetype:acddb intext:"reviews"	Finds accdb dumps referencing "reviews" data	Identify exposed reviews records	High
3127	File Discovery	filetype:xls intitle:"user manual"	Finds xls files titled with "user manual"	Research user manual documents in x	Low
3128	Backup Files	site:example3.edu filetype:zip	Finds .zip backup files on example3.edu	Locate backup artifacts on a target dor	High
3129	Database Files	filetype:acddb intext:"logins"	Finds accdb dumps referencing "logins" data	Identify exposed logins records	High
3130	Basic Operators	intitle:proposal	Finds pages with keyword in the title	Identify pages focused on a topic	Low
3131	File Discovery	filetype:rtf intext:"logistics" intitle:"confidential"	Finds rtf files marked confidential in logistics sector	Sector-focused document research: lo	Medium
3132	Login Pages	inurl:wp-login.php intitle:"webmail login"	Finds webmail login pages under /wp-login.php path	Locate authentication portals for testin	Medium
3133	File Discovery	filetype:xlsx intext:"retail" intitle:"confidential"	Finds xlsx files marked confidential in retail sector	Sector-focused document research: re	Medium
3134	Admin Panels	intitle:"admin panel" inurl:secure/admin	Finds pages titled admin panel under /secure/admin	Locate CMS/admin backend interfaces	Medium
3135	Sensitive Information Exposure	intext:"encryption key" filetype:pdf	Finds PDF files containing "encryption key"	Detect sensitive data in PDF reports	High
3136	Cloud Storage	site:drive.google.com intext:"password"	Finds Google Drive links containing "password"	Detect leaked credentials on cloud stor	High
3137	Cloud Storage	site:dropbox.com filetype:pdf "internal use only"	Finds internal-use PDFs on Dropbox	Detect accidental public sharing of inte	High
3138	Advanced Search Operators	site:example1.gov intitle:"manual"	Combines domain and title keyword filters	Locate topic-specific pages on a site	Low
3139	Sensitive Information Exposure	intext:"secret key" filetype:doc	Finds Word documents containing "secret key"	Detect sensitive data in shared docum	High
3140	API Keys & Credentials	intext:"azure_client_secret" site:pastebin.com	Finds pastes exposing azure_client_secret	Monitor for leaked credentials online	High
3141	Database Files	filetype:acddb intext:"sessions"	Finds accdb dumps referencing "sessions" data	Identify exposed sessions records	High
3142	File Discovery	filetype:xls site:.com	Finds xls files hosted on .com domains	Sector-specific document discovery on	Low
3143	Admin Panels	inurl:wp-admin intext:"bigcommerce" intitle:"login"	Finds bigcommerce login pages under /wp-admin	Identify CMS admin backend by platfor	Medium
3144	File Discovery	filetype:ods intitle:"dissertation"	Finds ods files titled with "dissertation"	Research dissertation documents in oc	Low
3145	File Discovery	filetype:docx intitle:"user manual"	Finds docx files titled with "user manual"	Research user manual documents in d	Low
3146	Basic Operators	allintitle:conference	Finds pages where all words appear in title	Narrow title-based search	Low
3147	Open Directories	intitle:"index of" "pdf"	Finds open directories listing .pdf files	Discover exposed .pdf files via director	Medium
3148	Advanced Search Operators	case study AROUND(5) "cv"	Finds pages where two terms appear near each oth	Find contextually related terms	Low
3149	Config Files	intitle:"database.yml" OR inurl:"database.yml"	Finds files related to "database.yml"	Identify common configuration file expc	High
3150	File Discovery	filetype:pdf intext:"finance" intitle:"confidential"	Finds pdf files marked confidential in finance sector	Sector-focused document research: fin	Medium
3151	File Discovery	filetype:csv intitle:"dissertation"	Finds csv files titled with "dissertation"	Research dissertation documents in cs	Low
3152	Login Pages	inurl:manager intitle:"user login"	Finds user login pages under /manager paths	Locate authentication portals for testin	Medium
3153	OSINT Queries	site:stackoverflow.com "email" "contact"	Finds Stack Overflow profiles listing contact emails	Gather public contact info for research	Low
3154	Cloud Storage	site:firebaseio.com intitle:"confidential"	Finds Firebase files marked confidential	Detect improperly shared sensitive file:	High
3155	Sensitive Information Exposure	intext:"id_rsa" filetype:xls	Finds Excel files containing "id_rsa"	Detect sensitive data in spreadsheets	High
3156	API Keys & Credentials	intext:"session_secret" filetype:env	Finds .env files exposing session_secret	Detect leaked API credentials	High
3157	Sensitive Information Exposure	intext:"ssh private key" filetype:doc	Finds Word documents containing "ssh private key"	Detect sensitive data in shared docum	High
3158	Config Files	site:example3.org filetype:ini	Finds .ini configuration files on example3.org	Locate configuration exposure on a tar	High
3159	Login Pages	inurl:phpmyadmin intitle:"intranet login"	Finds intranet login pages under /phpmyadmin paths	Locate authentication portals for testin	Medium
3160	File Discovery	filetype:pptx intext:"nonprofit" intitle:"confidential"	Finds pptx files marked confidential in nonprofit sect	Sector-focused document research: nc	Medium
3161	File Discovery	filetype:ods intext:"technology" intitle:"confidential"	Finds ods files marked confidential in technology sei	Sector-focused document research: te	Medium
3162	Config Files	site:example3.com filetype:conf	Finds .conf configuration files on example3.com	Locate configuration exposure on a tar	High
3163	Login Pages	inurl:admin_area intitle:"admin login"	Finds admin login pages under /admin_area paths	Locate authentication portals for testin	Medium
3164	Email & Contact Discovery	site:example2.gov intext:"@" intext:"phone"	Finds pages listing email and phone together	Collect combined contact details for ou	Medium
3165	Login Pages	inurl:adminpanel intitle:"system login"	Finds system login pages under /adminpanel paths	Locate authentication portals for testin	Medium
3166	File Discovery	filetype:rtf intitle:"thesis"	Finds rtf files titled with "thesis"	Research thesis documents in rtf form	Low
3167	Admin Panels	intitle:"admin panel" inurl:admin_area	Finds pages titled admin panel under /admin_area	Locate CMS/admin backend interfaces	Medium
3168	API Keys & Credentials	intext:"secret_key" filetype:log	Finds log files exposing secret_key	Detect leaked credentials in log output	High
3169	Cloud Storage	site:gitlab.com intitle:"confidential"	Finds GitLab files marked confidential	Detect improperly shared sensitive file:	High
3170	Email & Contact Discovery	site:example1.net intitle:"staff directory"	Finds staff directory pages	Locate organizational contact listings	Low
3171	API Keys & Credentials	intext:"paypal_client_id" filetype:xml	Finds XML files exposing paypal_client_id	Detect leaked credentials in XML confi	High
3172	Login Pages	inurl:backend intitle:"sign in"	Finds sign in pages under /backend paths	Locate authentication portals for testin	Medium
3173	Sensitive Information Exposure	intext:"auth_token" filetype:log	Finds log files containing "auth_token"	Detect sensitive data leaked in logs	High
3174	Backup Files	site:example3.net filetype:old	Finds .old backup files on example3.net	Locate backup artifacts on a target dor	High
3175	Sensitive Information Exposure	intext:"access_token" filetype:pdf	Finds PDF files containing "access_token"	Detect sensitive data in PDF reports	High
3176	Login Pages	inurl:wp-login.php intitle:"sign in"	Finds sign in pages under /wp-login.php paths	Locate authentication portals for testin	Medium
3177	Advanced Search Operators	site:example1.com inurl:report	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
3178	Login Pages	inurl:admin intitle:"dashboard login"	Finds dashboard login pages under /admin paths	Locate authentication portals for testin	Medium
3179	API Keys & Credentials	intext:"apikey" filetype:json	Finds JSON files exposing apikey	Detect leaked credentials in config file	High
3180	Sensitive Information Exposure	intext:"private_key" site:pastebin.com	Finds Pastebin posts containing "private_key"	Monitor public paste sites for leaked d	High
3181	Basic Operators	related:example1.net	Finds sites related to a given domain	Discover similar or competitor sites	Low
3182	Login Pages	inurl:wp-admin intitle:"staff login"	Finds staff login pages under /wp-admin paths	Locate authentication portals for testin	Medium
3183	Basic Operators	allintext:"survey"	Finds pages where all words appear in text	Narrow content-based search	Low
3184	Login Pages	site:example1.edu inurl:admin/login	Finds django login page on example1.edu	Locate django-specific login endpoint	Medium
3185	Login Pages	site:example1.net inurl:user/login	Finds drupal login page on example1.net	Locate drupal-specific login endpoint	Medium
3186	Sensitive Information Exposure	intext:"users table" site:pastebin.com	Finds Pastebin posts containing "users table"	Monitor public paste sites for leaked d	High
3187	Backup Files	site:example1.org filetype:old	Finds .old backup files on example1.org	Locate backup artifacts on a target dor	High
3188	Login Pages	inurl:dashboard intitle:"user login"	Finds user login pages under /dashboard paths	Locate authentication portals for testin	Medium
3189	File Discovery	filetype:odt intext:"technology" intitle:"confidential"	Finds odt files marked confidential in technology sec	Sector-focused document research: te	Medium
3190	Backup Files	site:example1.net filetype:7z	Finds .7z backup files on example1.net	Locate backup artifacts on a target dor	High
3191	API Keys & Credentials	intext:"client_secret" filetype:log	Finds log files exposing client_secret	Detect leaked credentials in log output	High
3192	Login Pages	inurl:cpanel intitle:"dashboard login"	Finds dashboard login pages under /cpanel paths	Locate authentication portals for testin	Medium
3193	Bug Bounty / Security Testing	inurl:/git/HEAD	Finds exposed /.git/HEAD artifact	Identify leaked development metadata	Medium
3194	Admin Panels	intitle:"admin panel" inurl:adminer	Finds pages titled admin panel under /adminer	Locate CMS/admin backend interfaces	Medium
3195	File Discovery	filetype:xlsx site:.co	Finds xlsx files hosted on .co domains	Sector-specific document discovery on	Low
3196	Login Pages	inurl:adminer intitle:"secure login"	Finds secure login pages under /adminer paths	Locate authentication portals for testin	Medium

3197	Config Files	site:example1.io filetype:config	Finds .config configuration files on example1.io	Locate configuration exposure on a tar	High
3198	File Discovery	filetype:ppt intext:"energy" intitle:"confidential"	Finds ppt files marked confidential in energy sector	Sector-focused document research: er	Medium
3199	File Discovery	filetype:csv site:.io	Finds csv files hosted on .io domains	Sector-specific document discovery on	Low
3200	Admin Panels	inurl:wp-admin intext:"sitecore" intitle:"login"	Finds sitecore login pages under /wp-admin	Identify CMS admin backend by platfor	Medium
3201	Admin Panels	inurl:admincp intext:"joomla" intitle:"login"	Finds joomla login pages under /admincp	Identify CMS admin backend by platfor	Medium
3202	Advanced Search Operators	confidential OR "internal" site:example1.co	Finds pages matching either keyword on a domain	Broaden search across synonyms	Low
3203	API Keys & Credentials	intext:"consumer_secret" site:gitlab.com	Finds GitLab repos exposing consumer_secret	Detect accidental credential commits o	High
3204	Backup Files	site:example1.com filetype:gz	Finds .gz backup files on example1.com	Locate backup artifacts on a target dor	High
3205	Backup Files	site:example2.org filetype:7z	Finds .7z backup files on example2.org	Locate backup artifacts on a target dor	High
3206	Login Pages	inurl:manager intitle:"system login"	Finds system login pages under /manager paths	Locate authentication portals for testin	Medium
3207	Database Files	filetype:db intext:"products"	Finds db dumps referencing "products" data	Identify exposed products records	High
3208	Login Pages	inurl:admincp intitle:"sign in"	Finds sign in pages under /admincp paths	Locate authentication portals for testin	Medium
3209	OSINT Queries	site:twitter.com intitle:"profile"	Finds Twitter/X profile pages	Locate public profiles for background n	Low
3210	OSINT Queries	site:example1.net intext:"conference speaker"	Finds pages listing "conference speaker"	Map organizational personnel for rese	Low
3211	File Discovery	filetype:xlsx site:.edu	Finds xlsx files hosted on .edu domains	Sector-specific document discovery on	Low

3213	API Keys & Credentials	intext:"api_key" filetype:yml	Finds YAML files exposing api_key	Detect leaked credentials in YAML con	High
3214	Backup Files	filetype:zip "www backup"	Finds "www backup" files of type .zip	Identify categorized backup file expos	High
3215	Cloud Storage	site:blob.core.windows.net filetype:csv	Finds .csv files shared via Azure Blob Storage	Locate csv files publicly shared on Azu	Medium
3216	Cloud Storage	site:sharepoint.com filetype:zip	Finds .zip files shared via SharePoint	Locate zip files publicly shared on Sha	Medium
3217	File Discovery	filetype:doc intitle:"whitepaper"	Finds doc files titled with "whitepaper"	Research whitepaper documents in do	Low
3218	Login Pages	inurl:wp-admin intitle:"employee login"	Finds employee login pages under /wp-admin paths	Locate authentication portals for testin	Medium
3219	Advanced Search Operators	intitle:"proposal" filetype:odt	Combines title keyword and filetype filters	Find titled documents of a type	Low
3220	Error Messages	intext:"syntax error near" filetype:jsp	Finds jsp pages showing "syntax error near"	Locate app errors indicating misconfigi	Medium
3221	Login Pages	site:example1.org inurl:typo3/index.php	Finds typo3 login page on example1.org	Locate typo3-specific login endpoint	Medium
3222	Login Pages	inurl:admincp intitle:"staff login"	Finds staff login pages under /admincp paths	Locate authentication portals for testin	Medium
3223	API Keys & Credentials	intext:"database_url" filetype:xml	Finds XML files exposing database_url	Detect leaked credentials in XML confi	High
3224	Basic Operators	allintitle:user manual	Finds pages where all words appear in title	Narrow title-based search	Low
3225	Advanced Search Operators	site:example2.io inurl:syllabus	Combines domain and URL keyword filters	Locate specific URL patterns on a site	Low
3226	Backup Files	site:example2.edu filetype:backup	Finds .backup backup files on example2.edu	Locate backup artifacts on a target dor	High
3227	Open Directories	intitle:"index of /students"	Finds open directory listing: index of /students	Discover exposed file listings on web s	Medium
3228	Sensitive Information Exposure	intext:"users table" filetype:doc	Finds Word documents containing "users table"	Detect sensitive data in shared docum	High
3229	OSINT Queries	site:quora.com intext:"phone number"	Finds Quora pages listing phone numbers	Locate publicly shared contact number	Medium
3230	Admin Panels	inurl:admin intext:"prestashop" intitle:"login"	Finds prestashop login pages under /admin	Identify CMS admin backend by platfor	Medium
3231	Admin Panels	inurl:administrator intext:"concrete5" intitle:"login"	Finds concrete5 login pages under /administrator	Identify CMS admin backend by platfor	Medium
3232	Error Messages	intext:"undefined index" filetype:jsp	Finds jsp pages showing "undefined index"	Locate app errors indicating misconfigi	Medium
3233	File Discovery	filetype:rft intext:"nonprofit" intitle:"confidential"	Finds rft files marked confidential in nonprofit sector	Sector-focused document research: nc	Medium
3234	Advanced Search Operators	intitle:"presentation" filetype:pptx	Combines title keyword and filetype filters	Find titled documents of a type	Low
3235	Bug Bounty / Security Testing	inurl:actuator/env	Finds exposed Spring Boot actuator env endpoints	Identify leaked environment configurati	High
3236	File Discovery	filetype:pptx intitle:"report"	Finds pptx files titled with "report"	Research report documents in pptx for	Low
3237	File Discovery	filetype:pptx intext:"healthcare" intitle:"confidential"	Finds pptx files marked confidential in healthcare se	Sector-focused document research: he	Medium
3238	Admin Panels	intitle:"admin panel" inurl:admin1	Finds pages titled admin panel under /admin1	Locate CMS/admin backend interfaces	Medium
3239	Config Files	site:example1.io filetype:env	Finds .env configuration files on example1.io	Locate configuration exposure on a tar	High
3240	Basic Operators	allintitle:financial statement	Finds pages where all words appear in title	Narrow title-based search	Low
3241	Login Pages	inurl:admincp intitle:"system login"	Finds system login pages under /admincp paths	Locate authentication portals for testin	Medium
3242	Sensitive Information Exposure	intext:"passport number" filetype:doc	Finds Word documents containing "passport numbe	Detect sensitive data in shared docum	High
3243	Sensitive Information Exposure	intext:"api secret" filetype:log	Finds log files containing "api secret"	Detect sensitive data leaked in logs	High
3244	OSINT Queries	site:reddit.com "email" "contact"	Finds Reddit profiles listing contact emails	Gather public contact info for research	Low
3245	File Discovery	filetype:pdf intitle:"guide"	Finds pdf files titled with "guide"	Research guide documents in pdf form	Low
3246	Bug Bounty / Security Testing	inurl:/hg/store	Finds exposed /hg/store artifact	Identify leaked development metadata	Medium
3247	Advanced Search Operators	site:example1.edu intext:"policy" filetype:xls	Triple filter: domain, content, filetype	Highly targeted document search	Low
3248	File Discovery	filetype:doc intitle:"budget"	Finds doc files titled with "budget"	Research budget documents in doc for	Low
3249	Sensitive Information Exposure	intext:"test credentials" filetype:log	Finds log files containing "test credentials"	Detect sensitive data leaked in logs	High
3250	Login Pages	site:example1.net inurl:wp-login.php	Finds wordpress login page on example1.net	Locate wordpress-specific login endpo	Medium
3251	Login Pages	inurl:phpmyadmin intitle:"member login"	Finds member login pages under /phpmyadmin path	Locate authentication portals for testin	Medium
3252	File Discovery	filetype:pdf site:.io	Finds pdf files hosted on .io domains	Sector-specific document discovery on	Low
3253	Error Messages	intext:"warning: mysql" filetype:asp	Finds asp pages showing "warning: mysql"	Locate app errors indicating misconfigi	Medium
3254	Sensitive Information Exposure	intext:"admin password" filetype:log	Finds log files containing "admin password"	Detect sensitive data leaked in logs	High
3255	API Keys & Credentials	intext:"heroku_api_key" filetype:json	Finds JSON files exposing heroku_api_key	Detect leaked credentials in config files	High
3256	Backup Files	site:example2.com filetype:bak	Finds .bak backup files on example2.com	Locate backup artifacts on a target dor	High
3257	File Discovery	filetype:docx site:.co	Finds docx files hosted on .co domains	Sector-specific document discovery on	Low
3258	Open Directories	intitle:"index of" "old"	Finds open directories listing .old files	Discover exposed .old files via director	Medium
3259	Basic Operators	filetype:pptx	Finds files of a specific type across the web	Locate specific document formats	Low
3260	Error Messages	intext:"warning: mysql" filetype:aspx	Finds aspx pages showing "warning: mysql"	Locate app errors indicating misconfigi	Medium
3261	Sensitive Information Exposure	intext:"stack trace" filetype:pdf	Finds PDF files containing "stack trace"	Detect sensitive data in PDF reports	High
3262	Backup Files	filetype:zip "daily backup"	Finds "daily backup" files of type .zip	Identify categorized backup file expos	High
3263	Login Pages	inurl:administrator intitle:"account login"	Finds account login pages under /administrator path	Locate authentication portals for testin	Medium
3264	API Keys & Credentials	intext:"paypal_client_id" filetype:env	Finds .env files exposing paypal_client_id	Detect leaked API credentials	High
3265	File Discovery	filetype:csv intext:"healthcare" intitle:"confidential"	Finds csv files marked confidential in healthcare sec	Sector-focused document research: he	Medium
3266	Backup Files	site:example2.org filetype:zip	Finds .zip backup files on example2.org	Locate backup artifacts on a target dor	High
3267	API Keys & Credentials	intext:"twilio_auth_token" filetype:log	Finds log files exposing twilio_auth_token	Detect leaked credentials in log output	High
3268	Backup Files	site:example3.org filetype:old	Finds .old backup files on example3.org	Locate backup artifacts on a target dor	High
3269	Login Pages	inurl:adminpanel intitle:"login"	Finds login pages under /adminpanel paths	Locate authentication portals for testin	Medium
3270	File Discovery	filetype:ods intext:"research" intitle:"confidential"	Finds ods files marked confidential in research sect	Sector-focused document research: re	Medium
3271	Basic Operators	intext:"conference"	Finds pages containing exact phrase in body text	Search page content for a phrase	Low
3272	Sensitive Information Exposure	intext:"routing number" filetype:xls	Finds Excel files containing "routing number"	Detect sensitive data in spreadsheets	High
3273	Email & Contact Discovery	site:example2.net filetype:vcf	Finds VCard contact files	Identify exposed contact card files	Medium
3274	Login Pages	inurl:admin2 intitle:"employee login"	Finds employee login pages under /admin2 paths	Locate authentication portals for testin	Medium

3275	Login Pages	inurl:cpanel intitle:"user login"	Finds user login pages under /cpanel paths	Locate authentication portals for testing	Medium
3276	Advanced Search Operators	site:example1.info intext:"budget" filetype:txt	Triple filter: domain, content, filetype	Highly targeted document search	Low
3277	Basic Operators	cache:example2.io	Shows Google's cached version of a page	View archived version of a page	Low
3278	Basic Operators	related:example1.org	Finds sites related to a given domain	Discover similar or competitor sites	Low
3279	API Keys & Credentials	intext:"azure_client_secret" site:github.com	Finds GitHub repos exposing azure_client_secret	Detect accidental credential commits	High
3280	Sensitive Information Exposure	intext:"staging environment" filetype:doc	Finds Word documents containing "staging environment"	Detect sensitive data in shared documents	High
3281	Advanced Search Operators	site:example2.net "proposal" -inurl:passwd	Domain search excluding a URL pattern	Refine results by excluding noise	Low
3282	File Discovery	filetype:csv intext:"education" intitle:"confidential"	Finds csv files marked confidential in education sector	Sector-focused document research: education	Medium
